CHIEF'S PREFACE

The Chula Vista Police Department Policy and Procedure Manual has been revised and reformatted as of October 8, 2015. The manual provides information to all employees regarding not only the mission and values of the organization, but also addresses protocols, conduct acceptable practices and methods of operation.

The manual is designed to facilitate the usage of significant amounts of information that all employees deal with regarding our statutory authority. It also outlines acceptable practices in specific areas which not only comport with the law, but also are consistent with the organizational culture of our agency.

A thorough knowledge of the information contained in this manual coupled with compliance while performing your job functions should result in superior performance and service to our community. A positive personal attitude together with the philosophies outlined in this manual will ensure that the mission and values of the department are achieved.

Policy Manual

LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Chapter 1 - Law Enforcement Role and Authority

Law Enforcement Authority

100.1 PURPOSE AND SCOPE

The purpose of this policy is to affirm the authority of the members of the Chula Vista Police Department to perform their functions based on established legal authority.

100.2 PEACE OFFICER POWERS

Sworn members of this department are authorized to exercise peace officer powers pursuant to applicable state law (Penal Code § 830.1 et seq.).

100.2.1 ARREST AUTHORITY OUTSIDE THE JURISDICTION OF THE CHULA VISTA POLICE DEPARTMENT

On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot or fresh pursuit, while following up on crimes committed with the City or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

When an officer makes an out-of-county arrest pursuant to a warrant, the officer shall inform the arrestee of the right to be taken before a magistrate in that county (Penal Code § 821; Penal Code § 822).

100.2.2 ARREST AUTHORITY WITHIN THE JURISDICTION OF THE CHULA VISTA POLICE DEPARTMENT

The arrest authority within the State of California is as follows (Penal Code § 830.1):

- (a) As to any public offense committed or which there is probable cause to believe has been committed within the jurisdiction of the Chula Vista Police Department.
- (b) Where the peace officer has the consent of the Chief of Police.
- (c) As to any public offense committed or which there is probable cause to believe has been committed in the officer's presence and there is immediate danger to a person or property, or of the escape of the perpetrator of the offense.
- (d) Arrest pursuant to a warrant.
 1. For out-of-county warrants, the arresting officer shall inform the arrestee, in writing without delay, of the right to be taken before a magistrate in this county (Penal Code § 821; Penal Code § 822):

100.3 POLICY

It is the policy of the Chula Vista Police Department to limit its members to only exercise the authority granted to them by law.

While this department recognizes the power of peace officers to make arrests and take other enforcement action, officers are encouraged to use sound discretion in the enforcement of the law. This department does not tolerate the abuse of law enforcement authority.

Law Enforcement Authority

100.4 INTERSTATE PEACE OFFICER POWERS

Peace officer powers may be extended to other states:

- (a) As applicable under interstate compacts, memorandums of understanding or mutual aid agreements in compliance with the laws of each state.
- (b) When an officer enters an adjoining state in close or fresh pursuit of a person believed to have committed a felony (ARS § 13-3832; NRS 171.158; ORS 133.430).

The person arrested out of state must be taken without unnecessary delay before a magistrate of the county in which the arrest was made (ARS § 13-3833; NRS 171.158; ORS 133.440).

Peace officers of another state who enter the State of California in fresh pursuit to arrest a person who has committed a felony in the other state have the same authority to arrest and hold in custody such person as peace officers of this state have to arrest and hold a person in custody (Penal Code § 852.2).

100.5 CONSTITUTIONAL REQUIREMENTS

All members shall observe and comply with every person's clearly established rights under the United States and California Constitutions.

Chief Executive Officer

102.1 PURPOSE AND SCOPE

The California Commission on Peace Officer Standards and Training (POST) has mandated that all sworn officers and dispatchers employed within the State of California shall receive certification by POST within prescribed time periods.

102.1.1 CHIEF EXECUTIVE OFFICER REQUIREMENTS

Any chief executive officer of this department appointed after January 1, 1999, shall, as a condition of continued employment, complete the course of training prescribed by POST and obtain the Basic Certificate by POST within two years of appointment (Penal Code § 832.4).

104.1.1 OATH OF OFFICE

Upon employment, all sworn employees shall be required to affirm the oath of office expressing commitment and intent to respect constitutional rights in discharging the duties of a law enforcement officer (Cal. Const. Art. 20, § 3; Government Code § 3102). The oath shall be as follows:

I, [employee name], do solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution of the State of California against all enemies, foreign and domestic; that I will bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of California; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties upon which I am about to enter.

All prior and existing Department Directives, Training Bulletins, General Orders, and other Departmental Policies which are in conflict with this manual are revoked, except to the extent that portions of existing manuals, orders, and other regulations which have not been included herein shall remain in effect where they do not conflict with the provisions of this manual.

Any Training Bulletin issued after publication of the manual shall be numbered consecutively starting with the last two digits of the year, followed by the number "01" For example, 08-01 signifies the first Training Bulletin for the year 2008.

205.2 RESPONSIBILITIES

205.2.1 COMMAND STAFF

The command staff shall review and approve all Training Bulletins. The command staff shall review and approve revisions of the Policy Manual, which will incorporate topics originally addressed by a Training Bulletin.

205.2.2 PROFESSIONAL STANDARDS UNIT

The Professional Standards Unit shall issue and distribute all Training Bulletins.

Emergency Management Plan

206.1 PURPOSE AND SCOPE

The City has prepared an Emergency Management Plan for use by all employees in the event of a major disaster or other emergency event. The plan provides for a strategic response by all employees and assigns specific responsibilities in the event that the plan is activated (Government Code § 8610).

206.2 ACTIVATING THE EMERGENCY PLAN

The Emergency Management Plan can be activated in a number of ways. For the Police Department, the Chief of Police or the highest ranking official on duty may activate the Emergency Management Plan in response to a major emergency.

206.2.1 RECALL OF PERSONNEL

In the event that the Emergency Management Plan is activated, all employees of the Chula Vista Police Department are subject to immediate recall. Employees may also be subject to recall during extraordinary circumstances as deemed necessary by the Chief of Police or the authorized designee.

Failure to promptly respond to an order to report for duty may result in discipline.

206.3 LOCATION OF THE PLAN

The manual for the employees is available in Watch Commander's office. All supervisors should familiarize themselves with the Emergency Management Plan and what roles police personnel will play when the plan is implemented.

206.4 UPDATING OF MANUALS

The Chief of Police or designee shall review the Emergency Management Plan Manual at least once every two years to ensure that the manual conforms to any revisions made by the National Incident Management System (NIMS) and the Standardized Emergency Management System (SEMS) and should appropriately address any needed revisions.

Training Policy

208.1 PURPOSE AND SCOPE

It is the policy of this department to administer a training program that will provide for the professional growth and continued development of its personnel. By doing so, the Department will ensure its personnel possess the knowledge and skills necessary to provide a professional level of service that meets the needs of the community.

208.2 PHILOSOPHY

The Department seeks to provide ongoing training and encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels, and legal mandates. Whenever possible, the Department will use courses certified by the California Commission on Peace Officer Standards and Training (POST) and the California Corrections Standards Authority (STC).

208.3 OBJECTIVES

The objectives of the Training Program are to:

- (a) Enhance the level of law enforcement service to the public
- (b) Increase the technical expertise and overall effectiveness of our personnel
- (c) Provide for continued professional development of department personnel

208.4 TRAINING PLAN

A training plan will be developed and maintained by the Training Manager. It is the responsibility of the Training Manager to maintain, review, and update the training plan on an annual basis. The plan will address the following areas:

- Legislative Changes
- State Mandated Training
- Critical Issues Training

208.5 TRAINING NEEDS ASSESSMENT

The Professional Standards Unit will conduct an annual training-needs assessment of the Department. The needs assessment will be reviewed by staff. Upon approval by the staff, the needs assessment will form the basis for the training plan for the fiscal year.

Training Policy

208.6 TRAINING COMMITTEE

The Training Manager shall establish a Training Committee, which will serve to assist with identifying training needs for the Department.

The Training Committee shall be comprised of at least three members, with the senior ranking member of the committee acting as the chairperson. Members should be selected based on their abilities at post-incident evaluation and at assessing related training needs. The Training Manager may remove or replace members of the committee at his/her discretion.

The Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to the incident. Specific incidents the Training Committee should review include, but are not limited to:

- (a) Any incident involving the death or serious injury of an employee.
- (b) Incidents involving a high risk of death, serious injury or civil liability.
- (c) Incidents identified by a supervisor as appropriate to review to identify possible training needs.

The Training Committee should convene on a regular basis as determined by the Training Manager to review the identified incidents. The committee shall determine by consensus whether a training need exists and then submit written recommendations of its findings to the Training Manager. The recommendation should not identify specific facts of any incidents, such as identities of employees involved or the date, time and location of the incident, but should focus on the type of training being recommended.

The Training Manager will consider the recommendations of the committee and determine what training should be addressed, taking into consideration the mission of the Department and available resources.

208.7 PROCEDURES FOR REQUESTING AND ATTENDING TRAINING

208.7.1 TRAINING REQUESTS

- (a) All requests for training shall be submitted in writing on a department training request form. A training request form can be generated by either the employee, a supervisor, or the Professional Standards Unit. The training request form is available from the Professional Standard Unit. Copies of the form are also available as an electronic template on the Department's computer network. The training request form can be completed two ways:
 - 1. The form can be completed on-screen and printed.
 - 2. A blank form can be printed and completed legibly by hand.
- (b) Each training request must include the following information:
 - 1. Specific course request including the name, sponsor, and location if known.
Example: "Interview & Interrogation, Behavior Analysis Institute in Santa Rosa, CA"

Chula Vista Police Department

Policy Manual

Training Policy

-OR- General course request such as Drug Recognition, radar certification, gang school, etc.

2. Specific dates, if known.
 3. Justification for attending the course.
 4. Method of transportation.
 5. Any specific needs or requests.
 6. All training requests must have a course flier attached. A screen print from a website is acceptable.
- (c) Once a request is completed, the employee must:
1. Deliver the request packet to his/her direct supervisor for approval. The direct supervisor will then forward the packet to the direct manager for approval.
 2. If required, obtain approval from the specialty assignment supervisor (SWAT, K-9, etc.).
 3. Once all signatures are received, forward the completed packet to the Professional Standards Unit for Command Staff approval. **IT IS THE INDIVIDUAL EMPLOYEE'S RESPONSIBILITY TO ENSURE THE REQUEST HAS THE PROPER DOCUMENTATION AND SIGNATURES BEFORE THE PACKET IS SENT TO THE TRAINING UNIT. FAILURE TO DO SO WILL RESULT IN THE REQUEST BEING RETURNED WITHOUT PROCESSING.**
- (d) Signed request packets should be turned in to the Professional Standards Unit no later than:
- o Three weeks prior to course start date for an in-county request.
 - o Five weeks prior to course start date for an out-of-county request.
- (e) These are the minimum time requirements for the Professional Standards Unit to ensure a request can be processed and arrangements made for the requested course. Turning a request in earlier is strongly recommended. Many courses have discounts for early registration, while others fill up quickly. The more time the Professional Standards Unit has, the more likely a request can be fulfilled. A request that is turned in with less than the required time will be processed, but the Professional Standards Unit may not have enough time to make all necessary arrangements (course may be full, per diem check may not be received from the Finance Department before start of course date, etc.) Within three business days of turning in a training request, the Professional Standards Unit will send an email acknowledging receipt of the packet. If an email is not received within this time frame, it is the employee's responsibility to contact the Professional Standards Unit to determine the status of the request.
- (f) All training request packets, approved or denied, shall be returned to the Professional Standards Unit after being reviewed by the employee's chain of command.

Chula Vista Police Department

Policy Manual

Training Policy

1. Approved Requests: Training requests that have been approved will be processed by the Professional Standards Unit.
 2. Disapproved Training Requests: Any supervisor in the employee's chain of command shall have the authority to deny a request for training. Disapproved requests will be forwarded to the Professional Standards Unit for record purposes.
- (g) Once a request has the final approval/denial from Command Staff, a disposition notice will be sent via email to both the employee and the employee's direct supervisor.

208.7.2 TRAVEL ARRANGEMENTS

The Professional Standards Unit shall have the responsibility and authority to make all travel arrangements related to a department training assignment.

Any requests for special accommodations must be approved by the Professional Standards Unit in advance and shall not interfere with the course assignment or attendance.

Employees are prohibited from changing travel arrangements or reservations without prior authorization from the Professional Standards Unit.

Any special arrangements are to be made and paid for by the employee. Under no circumstances are additional costs to be charged to the department or any other public or government agency without prior approval from the Administrative Division Commander via the Professional Standards Unit. This includes arrangements for a non-employee traveling companion.

208.7.3 MEALS

Meals will be provided for any training that occurs outside of the San Diego County limits and is at least eight hours in duration unless the course provider serves meals.

Reimbursement for meals will be based on an eight hour day, from 0800 to 1700 hours and consideration will be given to the location of the course, travel time, etc.

208.7.4 LODGING

Usually the most expensive part of a training request is the associated lodging. It can account for more than all other expenses combined. Lodging will generally be provided for all training assignments that are more than one day in length and where travel distance would make it impractical to commute. In order to utilize the training budget as efficiently as possible, in most situations, two people will share hotel accommodations. There are obvious exceptions: one male and one female attending the same training; extended training (over one week in length and unable to travel home for the intervening weekend due to distance, etc.). Individual situations will be evaluated on a case-by-case basis.

208.7.5 TRANSPORTATION

The department will provide the most practical and economical mode of transportation for all training assignments. The mode of transportation shall be determined by the Professional Standards Unit considering the distance, cost, proximity to major airports, etc. All employees

Chula Vista Police Department

Policy Manual

Training Policy

should be familiar with City Vehicle Use Policy 1002, which outlines use of personal, City or rental vehicles.

Unless specifically authorized, only department vehicles are to be driven to and from training. Requests for approval to use a personal vehicle must be made to the Professional Standards Unit Lieutenant prior to the start of training.

The Professional Standards Unit generally has vehicles and gas cards that can be checked out. Contact the Professional Standards Unit to make necessary reservations. Employees assigned a department vehicle, or who have access to a unit vehicle, may utilize it in lieu of a training vehicle.

If a department vehicle is not available and the employee uses his/her private vehicle then the employee will be compensated for mileage incurred driving to and from the training site. A mileage reimbursement form will be included in the confirmation packet. All mileage reimbursement will be at the current rate in accordance with city guidelines and the applicable MOU. Any loss or damage to the employee's vehicle shall be at the employee's expense.

If a department vehicle is available, but an employee is authorized to use his/her own vehicle due to personal preference, the employee will not receive mileage reimbursement. Any mileage reimbursement request that is turned in will be denied. Any loss or damage to the employee's vehicle shall be at the employee's expense.

For longer distances (generally more than six hours driving time), airfare will be authorized. Requests to drive on these trips must be submitted to the Professional Standards Unit for approval.

The department will not typically provide a rental car unless there are special circumstances. If a rental car is authorized, the employee shall purchase additional insurance coverage through the rental company as the City is self-insured. See City Vehicle Use Policy 1002.

208.7.6 NOTIFICATION OF TRAINING ARRANGEMENTS

Once all arrangements are made, the Professional Standards Unit will complete a packet to give to the employee. Each packet will include a confirmation memo detailing the location of the training and any meal, lodging, and/or transportation arrangements that have been made.

Depending on the course, some or all of the listed documents may be included in the completed packet

- Course paperwork.
- Travel arrangements, including flight and/or car rental details.
- Hotel reservations and credit card authorization.
- POST Training Reimbursement Request to turn in to the course instructor.
- Per Diem check.
- Training Expense Form.
- Mileage Reimbursement Form.

Chula Vista Police Department

Policy Manual

Training Policy

In some instances, a packet may not be issued (in-house training, short notice, etc.) An email will be sent with the appropriate information.

Whenever possible, the Professional Standards Unit shall provide confirmation memo packet one week in advance of the course's start date. Packets will be placed in the employee's personal mailbox.

It is the employee's responsibility to obtain training information prior to the course. Employees are encouraged to check his/her mailbox and/or e-mail, or otherwise contact the Professional Standards Unit for training information.

208.7.7 COMPENSATION FOR TRAINING ASSIGNMENTS

It is the policy of the department to ensure that all employees receive fair compensation for any time spent at a training assignment and to comply with the mandates of the Fair Labor Standards Act.

Prior to approving a request for training, the employee's immediate supervisor shall review the request to determine the impact on unit staffing.

The supervisor will make adjustments to allow an employee to flex their work schedule in order to attend the course. Flex scheduling means to adjust the workday to work earlier or later, or on another day, to provide the eighty hours needed in the pay period. When training falls on an employee's day off, days will be adjusted to ensure that only 80 hours are worked during the given pay period. The employee will be compensated on a day for day basis and the time will be estimated as fairly as possible prior to attending the class.

The immediate supervisor shall be responsible for preparing and distributing a school schedule for the affected pay period(s).

If flex scheduling is not a viable option, the supervisor may authorize the employee to be compensated at an overtime rate for any time spent that exceeds their normal workday. If an employee attends a course that is held over two or more pay periods, then compensation will be paid for any time that exceeds eighty hours in each individual pay period.

If a request is generated for a class that is not mandatory or essential to the performance of the employee's duties and it would require overtime for the employee to attend, the request should be denied until it can be scheduled without requiring overtime.

Supervisors shall make every effort to allow employees to take those training compensation days on a day/date of his/her choice.

Training days shall be given priority scheduling over most other types of time-off except for scheduled annual vacation. Normally, training days must be taken within the same pay period as the scheduled training takes place. Under certain circumstances it may not be feasible (i.e. extended training period, staffing shortage, etc.) In such cases, the training days should be taken as soon as possible.

Chula Vista Police Department

Policy Manual

Training Policy

The Professional Standards Lieutenant shall investigate and resolve any disagreements over training/compensation owed to an employee.

208.7.8 ATTENDANCE AND CONDUCT AT TRAINING ASSIGNMENTS

When scheduled to attend a school, department employees are required to attend the entire course unless dismissed by the instructor, the Professional Standards Unit, or their respective chain of command.

Employees that are on limited duty or are excused from active participation by a doctor shall be required to attend the entire course but will not participate in any activity that could result in further injury.

Department personnel attending schools, seminars or other training assignments are required to conduct themselves in a professional manner and be an active participant in the class. Personnel are expected to be punctual and prepared when attending training assignments.

Training assignments are considered to be an extension of the work place. Employees shall:

- (a) **Conduct themselves in a professional manner at all times.**
- (b) **Dress appropriately for the course.**
- (c) **Follow all department policies and procedures.**

208.7.9 RESPONSIBILITIES UPON RETURNING FROM A TRAINING ASSIGNMENT

If a training vehicle was issued, keys and/or gas card must be returned to the Professional Standards Unit the first business day after returning from training. If scheduled for personal time off immediately following a training session, make arrangements to return the vehicle/gas card/ other assigned equipment prior to going on leave.

Complete (as appropriate) the Training Expense and Mileage Reimbursement forms.

The Finance Department requires all Training Expense and Mileage Reimbursement forms be submitted to them no later than ten calendar days from the last day of training. Therefore, no later than five (5) calendar days after returning from training, submit all completed forms with original receipts and original completion certificate/proof of attendance to the Professional Standards Unit for processing.

ALL RECEIPTS (HOTEL, GAS, PARKING, TOLLS, ETC.) MUST BE ORIGINALS. FINANCE WILL NOT ACCEPT COPIES OF ANY RECEIPTS!

Failure to submit paperwork in a timely manner will be referred to the appropriate supervisor.

208.8 TRAINING PROCEDURES

- (a) All employees assigned to attend training shall attend as scheduled unless previously excused by their immediate supervisor. Excused absences from mandatory training should be limited to the following:

Chula Vista Police Department

Policy Manual

Training Policy

1. Court appearances
 2. First choice vacation
 3. Sick leave
 4. Physical limitations preventing the employee's participation.
 5. Emergency situations
- (b) When an employee is unable to attend mandatory training, that employee shall:
1. Notify his/her supervisor as soon as possible but no later than one hour prior to the start of training.
 2. Document his/her absence in a memorandum to his/her supervisor.
 3. Make arrangements through his/her supervisor and the Training Manager to attend the required training on an alternate date.

Electronic Mail

212.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the Department's electronic mail (email) system by employees of this department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., California Public Records Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department.

212.2 EMAIL RIGHT OF PRIVACY

All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are department property. The Department reserves the right to access, audit or disclose, for any lawful reason, any message including any attachment that is transmitted over its email system or that is stored on any department system.

The email system is not a confidential system since all communications transmitted on, to or from the system are the property of the Department. Therefore, the email system is not appropriate for confidential communications. If a communication must be private, an alternative method to communicate the message should be used instead of email. Employees using the Department's email system shall have no expectation of privacy concerning communications utilizing the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

212.3 ACCEPTABLE USE OF EMAIL

- (a) Electronic mail provided by the department may be used in accordance with the following guidelines:
- Communications with professional associations, governments, universities, businesses and/or individuals associated with the facilitation of department business, research and education efforts as authorized by the Chief of Police or his/her designee.
 - The occasional use of social electronic mail (using the department's email system) via the Internet or personal use of the Internet's World Wide Web on the employees own time is permitted as long as it does not interfere with regular department or city business, is not excessive, and does not cause an adverse impact (e.g. congestion, viruses etc.) on the city's electronic networks.

Chula Vista Police Department

Policy Manual

Electronic Mail

- Distribution of information to the general public whereby such information is made available under departmental guidelines and policies for the release of information, the Freedom of Information Act, and the California Records Act.
- (b) Users of the City of Chula Vista's email will:
- Remember that electronic communications sent to or from the department travel on City of Chula Vista's electronic equipment and as such, are the same as if they were sent on department letterhead.
 - Be aware that in the normal course of system operations an audit log is recorded and maintained of all messages and Internet sites sent to or received from all Internet users.
 - Assume that all communications via email can be read by systems administrators or other parties.
 - Take all required precautions against the importation of computer viruses.
 - Make diligent efforts to conserve system resources by frequently deleting unused files and email messages.
 - Use caution when opening email attachments (especially from senders you do not know) and be wary of multiple emails with the same subject from many different people.
 - Refrain from downloading and/or installing ANY software program (including screensavers) directly from the Internet. The City provides an INTRANET site for software such as Adobe Acrobat and others. Users will contact a city microcomputer specialist if they require software other than what is provided on the INTRANET. The microcomputer specialist may then obtain the software and include it on the INTRANET site if appropriate.
 - Use common sense at all times.

212.4 PROHIBITED USE OF EMAIL

- (a) Employees are prohibited from using Department email for the following acts:
- To gain unlawful access to information or computer and communications resources
 - Intentional introduction of, or experimentation with, malicious computer code such as computer viruses.
 - Illegal, fraudulent or malicious activity; political activity such as campaigning; religious promotion; or commercial activity on behalf of organizations or individuals who have no affiliation with the City.

Electronic Mail

- Transmission of material in violation of applicable copyright laws or patents.
 - The sending of messages that are likely to result in the loss of the recipients' work or system and any other types of use which could cause congestion of the electronic network or otherwise interfere with the work of others. This includes, but is not limited to items such as transferring very large files or files which contain computer viruses.
- (b) Employees using Department email are prohibited from:
- Taking actions that cause interference to the City's electronic network or the work of others. This includes, but is not limited to items such as listening to the radio via the Internet, transferring very large files or files which contain computer viruses.
 - Downloading and/or installing ANY software program (including screensavers) directly from the Internet. The City provides an INTRANET site for software such as Adobe Acrobat and others.  - It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's email, name and/or password by others.
 -

Electronic Mail

212.5 MANAGEMENT OF EMAIL

Users of email are responsible for reading and, where reasonably appropriate, acknowledging email messages with reasonable frequency and regularity. Because the email system is not designed for long-term retention of messages, email that the employee desires to save or that becomes part of an official record should be printed or saved into a separate file. Users of email are solely responsible for the management of their mailboxes. Messages should be purged manually by the user at least once per week.

Email may, depending upon the individual content, be a public record under the California Public Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

The Custodian of Records shall ensure that email messages are retained and recoverable as outlined in the Records Maintenance and Release Policy.

Administrative Communications

214.1 PURPOSE AND SCOPE

Administrative communications of this department are governed by the following policies.

214.2 PERSONNEL ORDER

Personnel Order may be issued periodically by the Chief of Police to announce and document all promotions, transfers, hiring of new personnel, separations, or other changes in status.

214.3 CORRESPONDENCE

All external correspondence shall be on Department letterhead. Personnel should use Department letterhead only for official business and with approval of their supervisor.

214.4 SURVEYS

All surveys that are distributed or used outside the Department and are made in the name of the Department shall be authorized by the Chief of Police or a Division Commander.

Staffing Levels

216.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee's needs against the need to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet operational requirements of the Department.

216.2 MINIMUM STAFFING LEVELS

Minimum staffing levels may be designated by the Patrol Division Commander, with the approval of the Chief of Police. Watch Commanders should ensure that at least the minimum staffing level is deployed during each watch.

216.2.1 PERSONNEL DEPLOYMENTS

In order to accommodate training and other unforeseen circumstances and with the approval of a Watch Commander, an employee holding the rank of Police Sergeant may be used as a Watch Commander, an employee holding the rank of Police Agent may be used as a Police Sergeant, and an employee holding the rank of Peace Officer may be used as a Police Agent.

License to Carry a Firearm

218.1 PURPOSE AND SCOPE

The Chief of Police is given the statutory discretion to issue a license to carry a firearm to residents within the community (Penal Code § 26150; Penal Code § 26155). This policy will provide a written process for the application and issuance of such licenses. Pursuant to Penal Code § 26160, this policy shall be made accessible to the public.

218.1.1 APPLICATION OF POLICY

Nothing in this policy shall preclude the Chief or other head of a municipal police department from entering into an agreement with the Sheriff of the county or preclude the Sheriff of the county from entering into an agreement with the Chief of any municipal police department to process all applications and license renewals for the carrying of concealed weapons (Penal Code § 26150; Penal Code § 26155).

218.2 POLICY

- (j) Complete required training (Penal Code § 26165).

218.4 APPLICATION PROCESS

The application process for a license to carry a firearm shall consist of two phases. Upon the successful completion of each phase, the applicant will advance to the next phase until the process is completed and the license is either issued or denied.

218.4.1 PHASE ONE (TO BE COMPLETED BY ALL APPLICANTS)

- (a) Any individual applying for a license to carry a firearm shall first fully complete a California Department of Justice (DOJ) application to be signed under penalty of perjury. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).
 - 1. In the event of any discrepancies in the application or background investigation, the applicant may be required to undergo a polygraph examination, at no cost to the applicant.
 - 2. If an incomplete application package is received, the Chief of Police or authorized designee may do any of the following:
 - (a) Require the applicant to complete the package before any further processing.
 - (b) Advance the incomplete package to phase two for conditional processing pending completion of all mandatory conditions.
 - (c) Issue a denial if the materials submitted at the time demonstrate that the applicant would not qualify for a license to carry a firearm even if the package was completed (e.g., not a resident, disqualifying criminal conviction, absence of good cause).
- (b) At the time the completed application is submitted, the applicant shall submit a check made payable to the California Department of Justice for the required California DOJ application fee, along with a separate check made payable to the City of Chula Vista for a nonrefundable 20 percent of the application fee to cover the cost of processing the application (Penal Code § 26190).
 - (a) Additional fees may be required for fingerprinting, training or psychological testing, in addition to the application fee.
 - (b) Full payment of the remainder of the application fee will be required upon issuance of a license.
 - (c) Payment of related fees may be waived if the applicant is a duly appointed reserve peace officer as defined in Penal Code § 830.6 (a) or (b) (Penal Code § 26170).
- (c) The applicant shall be required to submit to fingerprinting and a complete criminal background check by the California DOJ. A second set of fingerprints may be required for

retention in department files. Two recent passport-size photos (2 inches by 2 inches) of the applicant shall be submitted for department use. No person determined to fall within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100 or Welfare and Institutions Code § 8103 will be issued a license to carry a firearm. A license shall not be issued if the California DOJ determines that the applicant is prohibited by state or federal law from possessing, receiving, owning or purchasing a firearm (Penal Code § 26195).

- (d) The applicant should submit at least three signed letters of character reference from individuals other than relatives.
- (e) The applicant shall submit proof of ownership or registration of each firearm to be licensed.

Once the Chief of Police or authorized designee has reviewed the completed application package and relevant background information, the application will either be advanced to phase two or denied.

In the event that an application is denied at the conclusion of, or during, phase one, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.4.2 PHASE TWO

This phase is to be completed only by those applicants successfully completing phase one.

- (a) Upon successful completion of phase one, the applicant shall be scheduled for a personal interview with the Chief of Police or authorized designee. During this stage, there will be further discussion of the applicant's statement of good cause and any potential restrictions or conditions that might be placed on the license.
 - 1. The determination of good cause should consider the totality of circumstances in each individual case.
 - 2. Any denial for lack of good cause should be rational, articulable and not arbitrary in nature.
 - 3. The Department will provide written notice to the applicant as to the determination of good cause (Penal Code § 26202).
- (b) The Chief of Police may, based upon criteria established by the Chief of Police, require that the applicant be referred to an authorized psychologist used by the Department for psychological testing. The cost of such psychological testing (not to exceed \$150) shall be paid by the applicant. The purpose of any such psychological testing is intended only to identify any outward indications or history of psychological problems that might render the applicant unfit to carry a firearm. This testing is not intended to certify in any other respect that the applicant is psychologically fit. If it is determined that the applicant is not a suitable

candidate for carrying a firearm, the applicant shall be removed from further consideration (Penal Code § 26190).

- (c) The applicant shall complete a course of training approved by the agency, which complies with Penal Code § 26165. The applicant will not be required to complete and pay for any training courses prior to any determination of good cause (Penal Code § 26165; Penal Code § 26202).
- (d) The applicant shall submit any firearm to be considered for a license to the Rangemaster or other departmentally authorized gunsmith, at no cost to the applicant, for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).
- (e) The applicant shall successfully complete a firearms safety and proficiency examination with the firearm to be licensed, to be administered by the department Rangemaster, or provide proof of successful completion of another departmentally approved firearms safety and proficiency examination, including completion of all releases and other forms. The cost of any outside inspection/examination shall be the responsibility of the applicant.

Once the Chief of Police or authorized designee has verified the successful completion of phase two, the license to carry a firearm will either be granted or denied.

Whether an application is approved or denied at the conclusion of or during phase two, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.5 LIMITED BUSINESS LICENSE TO CARRY A CONCEALED FIREARM

The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant works. A chief of a municipal police department may not issue limited licenses (Penal Code § 26150). Therefore, such applicants may be referred to the Sheriff for processing.

An individual who is not a resident of the county but who otherwise successfully completes all portions of phases one and two above, may apply for and be issued a limited license subject to approval by the Sheriff and subject to the following:

- (a) The applicant physically spends a substantial period of working hours in the applicant's principal place of employment or business within the City of Chula Vista (Penal Code § 26150).
- (b) Such a license will be valid for a period not to exceed 90 days from the date of issuance (Penal Code § 26220).
- (c) The applicant shall provide a copy of the license to the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

Policy Manual

- (d) Any application for renewal or reissuance of such a license may be granted only upon concurrence of the original issuing authority and the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

218.6 ISSUED FIREARMS PERMITS

In the event a license to carry a firearm is issued by the Chief of Police, the following shall apply:

- (a) The license will be subject to any and all reasonable restrictions or conditions the Chief of Police has deemed warranted, including restrictions as to the time, place, manner and circumstances under which the person may carry the firearm.
 - 1. All such restrictions or conditions shall be conspicuously noted on any license issued (Penal Code § 26200).
 - 2. The licensee will be required to sign a Restrictions and Conditions Agreement. Any violation of any of the restrictions and conditions may result in the immediate revocation of the license.
- (b) The license shall be laminated, bearing a photograph of the licensee with the expiration date, type of firearm, restrictions and other pertinent information clearly visible.
 - 1. Each license shall be numbered and clearly identify the licensee.
 - 2. All licenses shall be subjected to inspection by the Chief of Police or any law enforcement officer.
- (c) The license will be valid for a period not to exceed two years from the date of issuance (Penal Code § 26220).
 - 1. A license issued to a state or federal magistrate, commissioner or judge will be valid for a period not to exceed three years.
 - 2. A license issued to any reserve peace officer as defined in Penal Code § 830.6(a) or (b), or a custodial officer employed by the Sheriff as provided in Penal Code § 831.5 will be valid for a period not to exceed four years, except that such license shall be invalid upon the individual's conclusion of service as a reserve officer.
- (d) If the licensee's place of residence was the basis for issuance of a license and the licensee moves out of the county of issuance, the license shall expire 90 days after the licensee has moved (Penal Code § 26210).
- (e) The licensee shall notify this department in writing within 10 days of any change of place of residency.

218.6.1 LICENSE RESTRICTIONS

- (a) The Chief of Police may place special restrictions limiting time, place, manner and circumstances under which any license shall be valid. In general, these restrictions will prohibit the licensee from:

Chula Vista Police Department

Policy Manual

License to Carry a Firearm

1. Consuming any alcoholic beverage while armed.
 2. Falsely representing him/herself as a peace officer.
 3. Unjustified or unreasonable displaying of a firearm.
 4. Committing any crime.
 5. Being under the influence of any medication or drug while armed.
 6. Interfering with any law enforcement officer's duties.
 7. Refusing to display his/her license or firearm for inspection upon demand of any peace officer.
 8. Loading the permitted firearm with illegal ammunition.
- (b) The Chief of Police reserves the right to inspect any license or licensed firearm at any time.
- (c) The alteration of any previously approved firearm including, but not limited to adjusting the trigger pull, adding laser sights or modifications shall void any license and serve as grounds for revocation.

218.6.2 AMENDMENTS TO LICENSES

Any licensee may apply to amend a license at any time during the period of validity by completing and submitting a written Application for License Amendment along with the current processing fee to the Department in order to (Penal Code § 26215):

- (a) Add or delete authority to carry a firearm listed on the license.
- (b) Change restrictions or conditions previously placed on the license.
- (c) Change the address or other personal information of the licensee (Penal Code § 26210).

In the event that any amendment to a valid license is approved by the Chief of Police, a new license will be issued reflecting the amendment. An amendment to any license will not serve to extend the original expiration date and an application for an amendment will not constitute an application for renewal of the license.

218.6.3 REVOCATION OF LICENSES

Any license issued pursuant to this policy may be immediately revoked by the Chief of Police for any of the following reasons:

- (a) The licensee has violated any of the restrictions or conditions placed upon the license.
- (b) The licensee becomes psychologically unsuitable to carry a firearm.
- (c) The licensee is determined to be within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100, Welfare and Institutions Code § 8103 or any state or federal law.

Chula Vista Police Department

Policy Manual

License to Carry a Firearm

- (d) The licensee engages in any conduct which involves a lack of good moral character or that might otherwise remove the good cause for the original issuance of the license.
- (e) If the license is one to carry "loaded and exposed," the license shall be revoked immediately upon a change of the licensee's place of residence to another county (Penal Code § 26210).

The issuance of a license by the Chief of Police shall not entitle the holder to either a property or liberty interest as the issuance, amendment or revocation of such license remains exclusively within the discretion of the Chief of Police as set forth herein.

If any license is revoked, the Department will immediately notify the licensee in writing and the California DOJ (Penal Code § 26225).

218.6.4 LICENSE RENEWAL

No later than 90 days prior to the expiration of any valid license to carry a firearm, the licensee may apply to the Chief of Police for a renewal by:

- (a) Verifying all information submitted in the original application under penalty of perjury.
- (b) Completing a department-approved training course pursuant to Penal Code § 26165. The applicant shall not be required to pay for a training course prior to the determination of good cause (Penal Code § 26165).
- (c) Submitting any firearm to be considered for a license renewal to the Rangemaster for a full safety inspection. The Chief of Police reserves the right to deny a license for any firearm that has been altered from the manufacturer's specifications or that is unsafe (Penal Code § 31910).
- (d) Paying a non-refundable renewal application fee.

Once the Chief of Police or authorized designee has verified the successful completion of the renewal process, the renewal of the license to carry a firearm will either be granted or denied. Prior issuance of a license shall not entitle any licensee to any property or liberty right to renewal.

Whether an application for renewal is approved or denied, the applicant shall be notified in writing within 90 days of the renewal application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later (Penal Code § 26205).

218.7 DEPARTMENT REPORTING AND RECORDS

Pursuant to Penal Code § 26225, the Chief of Police shall maintain a record of the following and immediately provide copies of each to the California DOJ:

- (a) The denial of a license
- (b) The denial of an amendment to a license
- (c) The issuance of a license
- (d) The amendment of a license
- (e) The revocation of a license

218.8 CONFIDENTIAL RECORDS

The home address and telephone numbers of any peace officer, public defender, prosecutor, magistrate, commissioner or judge contained in an application or license shall not be considered public record (Government Code § 6254(u)(2)).

Any information in an application or license which tends to indicate when or where the applicant is vulnerable to attack or that concerns the applicant's medical or psychological history or that of his/her family shall not be considered public record (Government Code § 6254(u)(1)).

Retiree Concealed Firearms

220.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the issuance, denial, suspension or revocation of Chula Vista Police Department identification cards under the Law Enforcement Officers' Safety Act (LEOSA) and California law (18 USC § 926C; Penal Code § 25455).

220.2 POLICY

It is the policy of the Chula Vista Police Department to provide identification cards to qualified former or retired officers as provided in this policy.

220.3 LEOSA

The Chief of Police may issue an identification card for LEOSA purposes to any qualified former officer of this department who (18 USC § 926C(c)):

- (a) Separated from service in good standing from this department as an officer.
- (b) Before such separation, had regular employment as a law enforcement officer for an aggregate of 10 years or more or, if employed as a law enforcement officer for less than 10 years, separated from service after completing any applicable probationary period due to a service-connected disability as determined by this department.
- (c) Has not been disqualified for reasons related to mental health.
- (d) Has not entered into an agreement with this department where the officer acknowledges that he/she is not qualified to receive a firearm qualification certificate for reasons related to mental health.
- (e) Is not prohibited by federal law from receiving or possessing a firearm.

220.3.1 LEOSA IDENTIFICATION CARD FORMAT

The LEOSA identification card should contain a photograph of the former officer and identify him/her as having been employed as an officer.

If the Chula Vista Police Department qualifies the former officer, the LEOSA identification card or separate certification should indicate the date the former officer was tested or otherwise found by the Department to meet the active duty standards for qualification to carry a firearm.

220.3.2 AUTHORIZATION

Any qualified former law enforcement officer, including a former officer of this department, may carry a concealed firearm under 18 USC § 926C when he/she is:

- (a) In possession of photographic identification that identifies him/her as having been employed as a law enforcement officer, and one of the following:
 1. An indication from the person's former law enforcement agency that he/she has, within the past year, been tested or otherwise found by the law enforcement agency

Chula Vista Police Department

Policy Manual

Retiree Concealed Firearms

to meet agency-established active duty standards for qualification in firearms training to carry a firearm of the same type as the concealed firearm.

2. A certification, issued by either the state in which the person resides or by a certified firearms instructor who is qualified to conduct a firearms qualification test for active duty law enforcement officers within that state, indicating that the person has, within the past year, been tested or otherwise found to meet the standards established by the state or, if not applicable, the standards of any agency in that state.
- (b) Not under the influence of alcohol or another intoxicating or hallucinatory drug or substance.
 - (c) Not prohibited by federal law from receiving a firearm.
 - (d) Not in a location prohibited by California law or by a private person or entity on his/her property if such prohibition is permitted by California law.

220.4 CALIFORNIA IDENTIFICATION CARD ISSUANCE

Any full-time sworn officer of this department who was authorized to, and did, carry a concealed firearm during the course and scope of his/her employment shall be issued an identification card with a Carrying Concealed Weapon endorsement, "CCW Approved," upon honorable retirement (Penal Code § 25455).

- (a) For the purpose of this policy, honorably retired includes all peace officers who have qualified for, and accepted, a service or disability retirement. It shall not include any officer who retires in lieu of termination.
- (b) No CCW Approved endorsement shall be issued to any officer retiring because of a psychological disability (Penal Code § 26305).

220.4.1 LIMITATIONS TO CARRYING FIREARMS OUT OF STATE

This policy does not extend an officer's authority to enforce the law in states where it is not already authorized; it simply gives officers greater freedom to be armed. This policy has no impact on other federal and state laws regulating the possession of firearms aboard aircraft and other common transportation carriers. This policy has no impact on a private person's right to prohibit the possession of weapons on their private property.

Retired officers who qualify under this policy must still obey all federal, state, and local prohibitions or restrictions against the carrying of concealed weapons on (1) private property, if the owner imposes such prohibitions or restrictions, and (2) state or public property, such as a courthouse or a public park.

The law does not give officers the right to carry:

- (a) Any machine gun (as defined in section 5845 of the National Firearms Act);
- (b) Any firearm silencer (as defined in section 921 of Title 18); or
- (c) Any destructive device (as defined in section 921 of Title 18).

Policy Manual

Retiree Concealed Firearms

220.4.2 PROCEDURES FOR CARRYING FIREARMS OUT OF STATE

Any retired officer planning to carry their weapon into another state in accordance with this law must first qualify with their weapon at the Chula Vista Police Department within 12-months prior.

Retired officers who qualify under this policy must carry department identification if traveling into another state in accordance with this law.

A retired officer may carry either a department I.D. card that indicates he/she has qualified within the last 12 months, or a department I.D. card as well as a certificate of qualification issued by the state in which the retired officer resides that indicates the individual has qualified within the last 12 months.

All retired officers shall abide by any current department policies, directives, or orders applicable to their possession of firearms, on or off-duty.

220.4.3 CALIFORNIA IDENTIFICATION CARD FORMAT

The identification card issued to any qualified and honorably retired officer shall be 2 inches by 3 inches, and minimally contain (Penal Code § 25460):

- (a) A photograph of the retiree.
- (b) The retiree's name and date of birth.
- (c) The date of retirement.
- (d) The name and address of this department.
- (e) A stamped CCW Approved endorsement along with the date by which the endorsement must be renewed (not more than one year). If a CCW endorsement has been denied or revoked, the identification card shall be stamped "No CCW Privilege."

220.4.4 QUALIFIED RETIREES FROM INCORPORATED JURISDICTION

The Chula Vista Police Department shall provide an identification card with a CCW Approved endorsement to honorably retired peace officers from any jurisdiction that this department now serves under the following conditions (Penal Code § 25905):

- (a) The retiree's previous agency is no longer providing law enforcement services or the relevant government body is dissolved.
- (b) This department is in possession of the retiree's complete personnel record or can verify the retiree's honorably retired status.
- (c) The retiree is in compliance with all of the requirements of this department for the issuance of a CCW Approved endorsement.

220.4.5 QUALIFIED RETIRED RESERVES

Qualified retired reserve officers who meet the department requirements shall be provided an identification card with a CCW Approved endorsement (Penal Code § 26300).

220.5 FORMER OFFICER RESPONSIBILITIES

A former officer with a card issued under this policy shall immediately notify the Watch Commander of his/her arrest or conviction in any jurisdiction, or that he/she is the subject of a court order, in accordance with the Reporting of Employee Convictions policy.

220.5.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former officer shall:

- (a) Sign a waiver of liability of the Department for all acts taken related to carrying a concealed firearm, acknowledging both his/her personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the Department.
- (b) Remain subject to all applicable department policies and federal, state and local laws.
- (c) Demonstrate good judgment and character commensurate with carrying a loaded and concealed firearm.
- (d) Successfully pass an annual criminal history background check indicating that he/she is not prohibited by law from receiving or possessing a firearm.

220.5.2 MAINTAINING A CALIFORNIA IDENTIFICATION CARD CCW ENDORSEMENT

In order to maintain a CCW Approved endorsement on an identification card issued under California law, the retired officer shall (Penal Code § 26305):

- (a) Qualify annually with the authorized firearm at a course approved by this department at the retired officer's expense.
- (b) Remain subject to all applicable department policies and federal, state and local laws.
- (c) Not engage in conduct that compromises public safety.
- (d) Only be authorized to carry a concealed firearm inspected and approved by the Department.

220.6 DENIAL, SUSPENSION OR REVOCATION OF A LEOSA IDENTIFICATION CARD

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended or revoked, the former officer may request a review by the Chief of Police. The decision of the Chief of Police is final.

220.7 DENIAL, SUSPENSION OR REVOCATION OF A CALIFORNIA CCW ENDORSEMENT CARD

A CCW endorsement under Penal Code § 25470 for any officer retired from this department may be denied or revoked only upon a showing of good cause. The CCW endorsement may be immediately and temporarily revoked by the Watch Commander when the conduct of a retired peace officer compromises public safety.

- (a) In the event that a CCW endorsement is initially denied, the retired officer shall have 15 days from the date of denial to request a formal hearing. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right. The hearing, absent written

- agreement between the parties, shall be held no later than 120 days after the request is received.
- (b) Prior to revocation of any CCW endorsement, the Department shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).
1. The retiree shall have 15 days from the date of service to file a written request for a hearing.
 2. The hearing, absent written agreement between the parties, shall be held no later than 120 days after the request is received (Penal Code § 26315).
 3. The failure to submit a timely written request for a hearing shall be deemed a waiver of such right.
- (c) A hearing for the denial or revocation of any CCW endorsement shall be conducted before a hearing board composed of three members, one selected by the Department, one selected by the retiree or his/her employee organization and one selected jointly (Penal Code § 26320).
1. The decision of such hearing board shall be binding on the Department and the retiree.
 2. Any retiree who waives the right to a hearing or whose CCW endorsement has been revoked at a hearing shall immediately surrender his/her identification card. The Department will then reissue a new identification card which shall be stamped "No CCW Privilege."
- (d) Members who have reason to suspect the conduct of a retiree has compromised public safety shall notify the Watch Commander as soon as practicable. The Watch Commander should promptly take appropriate steps to look into the matter and, if warranted, contact the retiree in person and advise him/her of the temporary suspension and hearing information listed below.
1. Notification of the temporary suspension should also be promptly mailed to the retiree via first class mail, postage prepaid, return receipt requested (Penal Code § 26312).
 2. The Watch Commander should document the investigation, the actions taken and, if applicable, any notification made to the retiree. The memo should be forwarded to the Chief of Police.
 3. The personal and written notification should be as follows:
 - (a) The retiree's CCW endorsement is immediately and temporarily suspended.
 - (b) The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
 - (c) The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
 4. In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Watch Commander should attempt to make the above notice

Chula Vista Police Department

Policy Manual

of temporary suspension through another law enforcement officer. For example, if a retiree was arrested or detained by a distant agency, the Watch Commander may request that a law enforcement officer from that agency act as the agent of the Department to deliver the written notification.

220.8 FIREARM QUALIFICATIONS

The Rangemaster may provide former officers from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the date of the qualification. The Rangemaster will maintain a record of the qualifications and weapons used.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial and reasonable manner.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly force - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

Force - The application of physical techniques or tactics, chemical agents or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed or restrained.

300.1.2 REQUIRED EQUIPMENT

Uniformed officers working in the field shall carry their duty weapon, O.C., and either a conventional or collapsible baton on their person at all times. Officers shall carry a Taser unless one is unavailable for checkout. Uniformed officers working in the field who are not authorized to carry the TASER shall carry their duty weapon, O.C., and either a conventional or collapsible baton on their person at all times.

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any officer present and observing another officer using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. An officer who observes another employee use force that exceeds the degree of force permitted by law should promptly report these observations to a supervisor.

Use of Force

300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer may use reasonable force to effect an arrest, to prevent escape or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape or to overcome resistance (Penal Code § 835a).

300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include, but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).

Chula Vista Police Department

Policy Manual

Use of Force

- (d) The effects of drugs or alcohol.
- (e) Subject's mental state or capacity.
- (f) Proximity of weapons or dangerous improvised devices.
- (g) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (h) The availability of other options and their possible effectiveness.
- (i) Seriousness of the suspected offense or reason for contact with the individual.
- (j) Training and experience of the officer.
- (k) Potential for injury to officers, suspects and others.
- (l) Whether the person appears to be resisting, attempting to evade arrest by flight or is attacking the officer.
- (m) The risk and reasonably foreseeable consequences of escape.
- (n) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (o) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (p) Prior contacts with the subject or awareness of any propensity for violence.
- (q) Any other exigent circumstances.

300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the officer.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.4 CAROTID CONTROL HOLD

The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is subject to the following:

Chula Vista Police Department

Policy Manual

Use of Force

- (a) The officer shall have successfully completed department-approved training in the use and application of the carotid control hold.
- (b) The carotid control hold may only be used when circumstances perceived by the officer at the time indicate that such application reasonably appears necessary to control a person in any of the following circumstances:
 - 1. The subject is violent or physically resisting.
 - 2. The subject, by words or actions, has demonstrated an intention to be violent and reasonably appears to have the potential to harm officers, him/herself or others.
- (c) The application of a carotid control hold on the following individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective, or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of applying a carotid control hold:
 - 1. Females who are known to be pregnant
 - 2. Elderly individuals
 - 3. Obvious juveniles
 - 4. Individuals who appear to have Down syndrome or who appear to have obvious neck deformities or malformations, or visible neck injuries
- (d) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until examined by paramedics or other appropriate medical personnel.
- (e) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the subject lost consciousness as a result.
- (f) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (g) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be

Use of Force

restricted. Officers are encouraged to use techniques and methods taught by the Chula Vista Police Department for this specific purpose.

300.4 DEADLY FORCE APPLICATIONS

Use of deadly force is justified in the following circumstances:

- (a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes would be an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the person has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the subject is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes any of the following:

- 1. The person has a weapon or is attempting to access one and it is reasonable to believe the person intends to use it against the officer or another.
- 2. The person is capable of causing serious bodily injury or death without a weapon and it is reasonable to believe the person intends to do so.

300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective. Officers should move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure or law.

300.5.1 NOTIFICATION TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

Chula Vista Police Department

Policy Manual

Use of Force

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a TASER device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges any of the above has occurred.

300.5.2 WATCH COMMANDER RESPONSIBILITY

The Watch Commander shall monitor the use of all use of force incidents, and shall ensure training on the use of control devices is provided as needed. The Watch Commander shall respond to inquiries or notification of areas of concern with specific incidents from the Use of Force Coordinator.

300.5.3 USE OF FORCE COORDINATOR RESPONSIBILITY

The Professional Standards Unit shall review each application of a use of force by any personnel. This review should consist of an independent review of all Use of Force Reports or other information for consistency, tactics, and adherence to current legal standards and this policy manual. Incidents giving rise to questions or areas of concern should be forwarded to the shift Watch Commander, along with an explanation of the areas of concern and a request for answers or other actions. Some examples of other actions may include, but are not necessarily limited to, a critique of the incident with involved personnel, providing counseling to involved personnel, or providing additional training to involved personnel.

300.5.4 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

The Records Manager or the authorized designee shall ensure that data required by the Department of Justice (DOJ) regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is collected and forwarded to the DOJ as required by Government Code § 12525.2.

300.5.5 ADDITIONAL REPORTING

If the death of an individual occurs in the Chula Vista Police Department, jurisdiction and qualifies to be reported to the state as a justifiable homicide or an in-custody death, the Operations Division Commander will ensure that the Records Manager is provided with enough information to meet the reporting requirements (Penal Code § 196; Penal Code § 13022; Government Code § 12525).

Use of Force

300.6 MEDICAL CONSIDERATION

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

300.7 SUPERVISOR RESPONSIBILITY

When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
 1. The content of the interview should not be summarized or included in any related criminal charges.
 2. The fact that a recorded interview was conducted should be documented in a property or other report.

Chula Vista Police Department

Policy Manual

Use of Force

3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
 - (e) Identify any witnesses not already included in related reports.
 - (f) Review and approve all related reports.
 - (g) Determine if there is any indication that the subject may pursue civil litigation.
 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
 - (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 WATCH COMMANDER RESPONSIBILITY

The Watch Commander shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

300.8 TRAINING

Officers will receive periodic training on this policy and demonstrate their knowledge and understanding.

300.9 USE OF FORCE ANALYSIS

At least annually, the Support Division Commander or designee should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

Deadly Force Review

302.1 PURPOSE AND SCOPE

This policy establishes a process for the Chula Vista Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

302.2 POLICY

The Chula Vista Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

302.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

302.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Use of Force Review Board will also investigate and review the circumstances surrounding every discharge of a firearm, whether the employee was on- or off-duty, excluding training or recreational use.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Administrative Services Division Commander will convene the Use of Force Review Board as necessary. It will be the responsibility of the Division Commander or supervisor of the involved employee to notify the Administrative Services Division Commander of any incidents requiring board review. The involved employee's Division Commander or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

302.4.1 COMPOSITION OF THE BOARD

The Administrative Services Division Commander should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of each division
- Commanding officer in the involved member's chain of command

Deadly Force Review

- Training Manager
- Non-administrative supervisor
- A peer officer
- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

302.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

Absent an express waiver from the employee, no more than two members of the board may ask questions of the involved employee (Government Code § 3303). Other members may provide questions to these members.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with the department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to

Chula Vista Police Department

Policy Manual

Deadly Force Review

consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be forwarded to the involved employee's Division Commander for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.

Handcuffing and Restraints

306.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

306.2 POLICY

The Chula Vista Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

306.3 USE OF RESTRAINTS

Only members who have successfully completed Chula Vista Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

306.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

306.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety and in no event shall these persons be restrained by the use of leg irons, waist chains or handcuffs behind the body.

No person who is in labor, delivery or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized

Handcuffing and Restraints

determination that such restraints are necessary for the safety of the arrestee, officers or others (Penal Code § 3407; Penal Code § 6030).

306.3.3 RESTRAINT OF JUVENILES

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

306.3.4 NOTIFICATIONS

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail.

306.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

306.5 APPLICATION OF SPIT HOODS/MASKS/SOCKS

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of restrained individuals due to the potential for impaired or

Handcuffing and Restraints

distorted vision on the part of the individual. Officers should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

306.5.1 LEG HOBBLE RESTRAINT PROCEDURES

The following guidelines shall be used when applying the leg hobble restraint:

- (a) The subject is placed in the prone handcuffed position.
- (b) A cord cuff is used to restrain the feet by wrapping it around the ankles.
- (c) The subject may be seated in a patrol unit. The subject shall be seated in an upright position and secured by a seatbelt. The long lead of the cord cuff will be placed outside the rear door and wrapped around the door pillar bringing it up through the passenger front door to prevent the lead from dragging on the ground.
- (d) Absent a medical emergency, the person being restrained shall remain restrained until the officer arrives at the jail or other facility or the person no longer poses a threat.
- (e) Once restrained, the subject shall not be left unattended on his/her stomach for an extended period as this may potentially reduce suspect's ability to breathe.
- (f) The suspect should be constantly watched by an officer while in the restraint. The officer is to ensure the suspect does not roll onto his/her stomach. The officer shall look for signs of labored breathing.

306.5.2 MAXIMUM LEG RESTRAINT PROCEDURES

The maximum leg restraint technique incorporates two or more cord cuffs. The following guidelines shall be used when applying the maximum leg restraint:

- (a) The subject is placed in the prone handcuffed position.
- (b) The first cord cuff is used to restrain the feet by wrapping it around the ankles.
- (c) As the subject is rolled onto the side, the second cord cuff is wrapped around the waist. The snap hook is pulled through the loop and the slack is taken out. The loop and snap hook are in front of the subject. A knot can be made at the loop. The slack in the cord cuff is made taut by pulling the snap hook between the subject's legs.

Chula Vista Police Department

Policy Manual

Handcuffing and Restraints

- (d) The subject is rolled back onto the stomach. The snap hook on the cord cuff on the ankles is brought to the snap hook from the waist cord cuff and attached. On large frame people, it may be necessary to attach two cord cuffs together to go around the waist. Modifications may need to be made due to the variation of the slack in the cord cuffs to maximally restrain.
- (e) The subject is now maximally restrained. Roll the subject onto their side, and monitor consciousness and breathing.
- (f) A field supervisor will be called to all incidents involving a subject maximally restrained.
- (g) Officers will not transport any subject in a prone position. Subjects who have been maximally restrained will be transported laying sideways across the back seat. The subject will be seat belted in at their feet and waist.
- (h) The preferred method for lifting and carrying a subject in the maximum restraint position is to utilize at least three officers. Placing the subject in the prone position, two officers will be placed on either side of the subject, the third officer will be on the legs. As soon as possible, the subject should be placed on their side or in the sitting position.
- (i) An ambulance will be called to the scene and transport any subject who is in the maximum restraint position when that subject is:
 - 1. Not at a recognizable level of consciousness;
 - 2. Having difficulty breathing;
 - 3. Convulsing;
 - 4. Having a seizure;
 - 5. Complaining of pain or injury; or
 - 6. Needs to be transported to County Mental Health or other psychological treatment facility.
- (j) Maximum restrained people shall not be left on their stomach for an extended period as this may potentially reduce suspect's ability to breathe.
- (k) Maximum restrained people shall not be left unattended and should be constantly watched by an officer while in the restraint. The officer is to ensure the suspect does not roll onto his/her stomach. The officer shall look for signs of labored breathing.
- (l) Absent a medical emergency, the person being restrained shall remain restrained until the officer arrives at the jail or other facility or the person no longer poses a threat. Also, if a subject continues to kick, shoes/boots can be removed to limit the damage that can be done.

306.5.3 TRANSPORTING RESTRAINED SUBJECTS

When transporting a person who has been restrained, officers shall observe the following procedures:

Handcuffing and Restraints

- (a) Restrained suspects may be transported in a patrol unit. They should be seated in an upright position and secured by a seat belt. The long lead of the restraint should be placed outside the rear door and wrapped around the door pillar bringing it up through the passenger front door to prevent the lead from dragging on the ground. When the person cannot be transported in a seated position he/she should be taken by ambulance/paramedic unit.
- (b) When taken by ambulance/paramedic unit, the restrained person shall be accompanied by an officer inside the ambulance. The transporting officer should inform medical personnel that positional asphyxia is a concern and that the person should remain in an upright position where practicable. If medical personnel determine that it is in the best interest of the restrained person to be transported while lying down, the person should be kept on his/her side or back with appropriate adjustments to restraints so that the person's arms are not pinned beneath them.
- (c) Officers shall inform the jail staff that a restraint device was used on the arrestee prior to arrival at the jail.

306.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, the WRAP and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

306.7 APPLICATION OF LEG RESTRAINT OR WRAP DEVICES

Leg restraints or the WRAP may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

306.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS AND WRAP

When applying leg restraints or the WRAP, the following guidelines should be followed:

Chula Vista Police Department

Policy Manual

Handcuffing and Restraints

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint or the WRAP device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) Once secured in the jail, the restrained person can be seated on the bench/cuffing rail by unfastening the bottom two buckles of the WRAP by authorized officers. The person then has the ability to bend his/her legs while in a seated upright position.
- (e) Use of the restraint chair with the WRAP, requires the person be seated in the restraint chair and the bottom two buckles be unfastened to allow the legs to bend. A supervisor shall be notified prior to assisting jail staff with securing the person to the restraint chair. (See policy 308.10.1 MAXIMUM RESTRAINT CHAIR for details).
- (f) The restrained person should be continually monitored by an officer while in the leg restraint or the WRAP. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (g) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (h) When transported by ambulance/paramedic unit, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

306.8 REQUIRED DOCUMENTATION

If an individual is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints on an FI.

If an individual is arrested, the use of restraints, the WRAP other than handcuffs shall be documented in the related report. The officer should include, as appropriate:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's behavior and any signs of physiological problems.
- (d) Any known or suspected drug use or other medical problems.

Police Duty Knife

307.1 PURPOSE AND SCOPE

The Department recognizes the utility of knives as a tool for a variety of needs, including everyday cutting and emergency extraction/removal operations. The knife is also considered a "last ditch" weapon to be used during emergency sidearm retention procedures, or as an emergency self-defense against aggravated active aggression.

The purpose of this policy is to provide police officers with guidance in the proper equipment and procedures for carrying knives while on duty. Nothing in this policy shall supersede judicial or statutory authority, including the California Penal Code, relating to the possession of, carrying or concealment of any knife or edged tool. Use of a knife during on-duty activities shall be in accordance with legal authority and the Department's policy on the use of force.

307.1.1 DEFINITIONS

For the purposes of this policy, the following definitions shall apply:

"Knife" shall mean an instrument designed for cutting, consisting of a thin, sharp-edged metal blade fitted with a handle.

"Folding knife" or "Pocketknife" shall mean a sharp-edged cutting tool with one or more blades that fold into the handle, suitable for carrying-in or clipped-to a pocket.

"Fixed-blade knife" shall mean a rigid, non-folding sharp-edged blade with some type of handle, commonly carried in a sheath.

307.2 AUTHORIZED KNIFE

A knife may be carried by sworn personnel while on-duty or actively engaged in an official capacity. The following types of knives are authorized to be carried while on duty:

- (a) A folding knife with a blade length no greater than seven inches and a handle-mounted clip for attaching onto the uniform.
- (b) A fixed blade knife with a blade length less than three inches and carried unconcealed in a rigid, puncture-resistant sheath.

All other types of knives are prohibited, unless authorized by the Chief of Police or his designee.

The duty knife should be dark colored and/or chrome (i.e. Spyderco) and attached to the person in such a manner that does not reasonably detract from the officer's public appearance. The knife should be carried on the employee's non-dominant side, or in a position that allows access by either hand.

307.3 USE AND DISPLAY OF KNIFE

Officers should use good judgment in the display and use of their duty knives. The knife should be closed and replaced into its carrying position when the task at hand is completed. Careless, negligent or other unauthorized use or display of the patrol knife is prohibited.

Chula Vista Police Department

Policy Manual

Police Duty Knife

Officers should use caution when engaged in any activity where the cutting edge of the knife is in close proximity to any body part, person, or animal.

The patrol knife should be used as a last resort in freeing a victim from cordage/restraint, or to remove items of clothing in an emergency situation, and only if there is no better tool readily available (such as medical scissors, or other similar tools designed for that purpose).

The need for immediate removal of any ligature, binding or restraint should be tempered by the risk of laceration from the knife. If used in this situation, the knife shall be used in such a manner as to not inflict unnecessary injury.

307.3.1 THE KNIFE AS A SELF-DEFENSE WEAPON

Any use of the patrol knife as a weapon is considered "Lethal Force" and is subject to all other Chula Vista Police Department policies and procedures regarding use of force.

307.3.2 OFF-DUTY ISSUES

Officers are afforded no special privileges for carrying a knife while off-duty and are subject to the same laws and privileges as a civilian citizen.

Control Devices and Techniques

308.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

308.1.1 REPORTING THE USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device and/or technique listed within this section shall be documented pursuant to Policy Manual § 300.4 and 300.5.

308.1.2 WATCH COMMANDER RESPONSIBILITIES

The Watch Commander shall monitor the use of control devices in the same manner as all other use of force incidents.

The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units provided the person(s) authorized has/have the required training.

308.1.3 FORCE OPTIONS TRAINING COORDINATOR RESPONSIBILITIES

The Force Options Training Coordinator shall review each use of control devices by any personnel.

The Force Options Training Coordinator shall ensure training on the use of control devices is provided as needed.

308.1.4 QUARTERMASTER RESPONSIBILITIES

The Quartermaster shall work with the Force Options Training Coordinator to control the overall inventory and shall issue all control devices. The Quartermaster may, with the permission of the Chief of Police or his designee, assign responsibility for inventory and issuance of specific control devices to personnel trained in the operation and management of those devices.

All damaged, inoperative and/or expended control devices shall be returned to the Quartermaster, or to the person designated by the Chief of Police, for disposition, repair or replacement.

308.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Chula Vista Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

308.2.1 ORCUTT POLICE NUNCHAKU (OPN)

Use of the Orcutt Police Nunchaku (OPN) is restricted to sworn members of the department's designated crowd control team (Mobile Field Force) and other sworn officers given written authorization by their division commander. It is otherwise not authorized to be carried or used.

The written authorization requirement is waived for those employees hired before January 1, 2006. Employees hired before that date may carry or use the OPN without written authorization provided they maintain current biannual certification as detailed below.

Chula Vista Police Department

Policy Manual

Control Devices and Techniques

Regardless of assignment or date of hire, all employees authorized to carry or use the OPN shall have completed a basic course taught by a certified academy or Departmental instructor, and shall attend an annual recertification course. Defense and control are the primary functions of the OPN. Arrests made using the OPN should primarily utilize controlling techniques to the arm, wrist, and ankle. Approved impact techniques may be utilized when the use of a baton is justified. Officers should take reasonable care to avoid striking vital areas of the body.

308.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

308.4 RESPONSIBILITIES

308.4.1 WATCH COMMANDER RESPONSIBILITIES

The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

308.4.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

308.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

Control Devices and Techniques

308.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

308.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Watch Commander, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

308.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

308.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

308.7.2 PEPPER PROJECTILE SYSTEMS

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Control Devices and Techniques

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

308.7.3 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

308.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

308.9 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

308.9.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

Control Devices and Techniques

308.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

308.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will be unloaded and properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

Control Devices and Techniques

308.10 MISCELLANEOUS CONTROL DEVICES AND TECHNIQUES

308.10.1 MAXIMUM RESTRAINT CHAIR

Instruments of restraint are only used to hold inmates who display behavior that will likely result in injury to themselves or others, or on those who repeatedly cause or attempt to cause the destruction of property. The use of the maximum restraint chair shall be in accordance with articulable factors independently observed in the jail, and may not be used solely as an extension of maximum restraining in the field or offender conduct observed outside of the jail. Restraints shall never be used as a form of discipline or a substitute for treatment.

(a) supervision and Documentation

1. The Watch Commander shall be notified every time restraint equipment is to be utilized. If possible, the Watch Commander or his/her designee should be notified prior to the prisoner's placement in the maximum restraint chair. If that is not practical, the Watch Commander or his/her designee shall be notified as soon as possible after the inmate has been restrained.
2. Use of the maximum restraint chair shall be documented in the incident report and jail database.
3. Jail Staff shall be responsible for monitoring and properly documenting the inmate's care per this policy.

(b) Monitoring and Retention

1. All inmates restrained in a maximum restraint chair shall be housed alone or in a specified housing area to protect the inmate from abuse.
2. The Watch Commander or his/her designee shall monitor and re-evaluate the need for the inmate's continued retention in a maximum restraint chair at least every hour. Jail staff shall be responsible for checking with the Watch Commander or his/her designee every hour.
3. Jail staff shall monitor the inmate's behavior and progress and note it in the jail observation log.
4. The Watch Commander will ensure the restraints are removed as soon as the inmate's actions allow.
5. Jail staff should continuously monitor the inmate's physical condition. Medical aid should be summoned immediately if the inmate exhibits any signs of medical distress, including agitated psychosis and/or agitated delirium. In the event medical aid is necessary, jail staff should call 911 immediately.
6. Jail staff shall notify the Watch Commander or his/her designee of any change in the health or medical status of the restrained inmate.

Chula Vista Police Department

Policy Manual

Control Devices and Techniques

7. Jail staff shall consider the hydration and sanitation needs of the restrained inmate. If the inmate requests water or restroom facilities, the request shall be granted if sworn staff determines it can be done without jeopardizing the safety of the inmate, staff, and/or the security of the facility.
 8. **Under no circumstances will the restrained inmate be kept in a restraint chair for more than two hours.** Jail staff shall notify the Watch commander if it appears the inmate will exceed the two-hour time limit. The Watch Commander will decide whether or not the inmate is suitable to return to normal custody or if they should be transported to another facility.
 9. If circumstances indicate that a restrained inmate will likely have to remain in a restraint chair for more than two hours, the inmate shall be transported to another jail facility as soon as possible.
 10. Prolonged use of restraints that severely limit the motion of the inmate's extremities may cause unnecessary pain and/or injury. Upon review and recommendation by jail staff, and with the approval of the Watch Commander, restraints may be adjusted or partially removed to allow alternating extremities to be exercised. Periods of extremity exercise shall be documented in the observation log.
 11. Sworn staff must directly observe inmates who are in restraint chairs every 15 minutes, or more frequently, if possible.
 12. Observing the inmate by video is not direct observation and not sufficient for purposes of monitoring the inmate's condition.
 13. All observations shall be documented in the observation log.
 14. Copies of the observation log should be attached to the case report.
- (c) Restraint Chair Procedures
1. The inmate must be handcuffed behind the back for officer safety, and the cuffs double locked, to prevent inmates from manipulating them or causing complications during placement into the chair.
 2. If needed and when tactically sound, the inmate's handcuffs can be removed while under control and placed into the appropriate wrist straps to assist with processing and to relieve pressure and blood circulation of wrists and arms.
 3. In cases of extreme behavior it may be necessary to leave the inmate handcuffed behind the back while secured in the restraint chair. This requires the approval of the Watch Commander and must be documented in the observation log.
 4. If the inmate's hands are left cuffed behind their back, jail staff shall check blood circulation in the wrists every 15 minutes. If blood circulation is compromised, the

Control Devices and Techniques

cuffs should be loosened or the inmates hands shall be placed at the sides of the restraint chair.

5. Restrained inmates shall be positioned in a predetermined location where the jail camera system can record video and audio of the actions of the inmate and staff. All recordings should be treated as evidence and properly logged.
 6. Once removed from the restraint chair, jail staff shall evaluate their physical well-being and call for medical assistance if necessary.
- (d) All use of the maximum restraint chair shall be in accordance with the Jail Policy Manual. A copy of the Jail Policy Manual is available from Jail staff or from the Watch Commander.
- (e) Use of the maximum restraint chair is considered force and shall be documented in the case report and use of force form.

308.10.2 CROWD CONTROL SHIELD

Crowd Control Shields are primarily used for protection against unruly citizens during situations of civil unrest. Their main purpose is to protect the officers from flying debris and potentially harmful objects, to push or direct unruly crowds, or as a defensive impact weapon. Use of a Crowd Control Shields is restricted to trained personnel. Crowd Control Shields are generally stored with Mobile Field Force equipment and in the Jail facility.

Approved impact techniques utilizing the Crowd Control Shield may be utilized when the use of an impact weapon is justified. Employees shall take reasonable care to avoid striking vital areas of the body.

Crowd Control Shields are also used during jail extraction incidents involving unruly and dangerous inmates. The first officer entering the cell should use a Crowd Control Shield to control and "pin" the inmate against the wall or floor, thus trapping the inmate in a stable position. The shield shall be removed from the cell once other officers have gained control of the inmate.

308.10.3 SPIT MASKS

Spit masks are intended to be used to protect staff and other inmates from inmates who are intentionally spitting. Spit masks shall never be used as a form of punishment and the use of a spit mask shall be documented in the observation log and case report. Spit masks shall be properly placed on a subject inmate's head and secured without impairing the inmate's breathing. No other forms of covering the inmate's mouth or nose shall be used (i.e.: pulling the inmate's shirt over their head, wrapping cloth around the inmate's face, etc.). The Watch Commander shall be notified every time a spit mask is used on an inmate and the officer shall document it on a use of force form.

308.11 TRAINING FOR CONTROL DEVICES

The Training Manager shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

Chula Vista Police Department

Policy Manual

Control Devices and Techniques

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

308.12 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Device

309.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of TASER devices.

309.2 POLICY

The TASER® device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

309.3 ISSUANCE AND CARRYING TASER DEVICES

Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the TASER device and cartridges that have been issued by the Department. Uniformed officers who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed officers may secure the TASER device in the driver's compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

When carried while in uniform officers shall carry the TASER device in a weak-side holster on the side opposite the duty weapon.

- (a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
- (b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the TASER device.
- (c) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.
- (d) Officers should not hold both a firearm and the TASER device at the same time.

309.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the TASER device may be deployed.

Conducted Energy Device

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

309.5 USE OF THE TASER DEVICE

The TASER device has limitations and restrictions requiring consideration before its use. The TASER device should only be used when its operator can safely approach the subject within the operational range of the device. Although the TASER device is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

309.5.1 APPLICATION OF THE TASER DEVICE

The TASER device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

- (a) The subject is violent or is physically resisting.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

309.5.2 ADDITIONAL MEDICAL CIRCUMSTANCES

Officers shall not solely accept a verbal refusal for medical attention from any person that has sustained a visible injury or has been rendered unconscious. The officer should transport the person to a medical facility, and allow medical personnel to determine the appropriate need for medical attention.

If any individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practical, should be witnessed by another officer and/or medical personnel. If an audio recording is made of contact or an interview with the individual, any refusal should be included, if possible.

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond physical characteristics, unusually high tolerance to pain or who require a protracted physical encounter with multiple officers to bring under control may be at an increased risk of sudden death and should be examined by qualified medical personnel

Conducted Energy Device

as soon as practical. Any individual exhibiting signs of distress after such an encounter shall be medically cleared prior to booking.

309.5.3 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the TASER device on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

The TASER device shall not be used to psychologically torment, elicit statements or to punish any individual.

309.5.4 TARGETING CONSIDERATIONS

Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the TASER device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

309.5.5 MULTIPLE APPLICATIONS OF THE TASER DEVICE

Officers should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

Chula Vista Police Department

Policy Manual

Conducted Energy Device

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the TASER device, including:

- (a) Whether the probes are making proper contact.
- (b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one TASER device at a time against a single subject.

309.5.6 ACTIONS FOLLOWING DEPLOYMENTS

Officers shall notify a supervisor of all TASER device discharges. Confetti tags should be collected and the expended cartridge, along with both probes and wire, should be submitted into evidence. The cartridge serial number should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

309.5.7 DANGEROUS ANIMALS

The TASER device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

309.5.8 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department TASER devices while off-duty.

Officers shall ensure that TASER devices are secured while in their homes, vehicles or any other area under their control, in a manner that will keep the device inaccessible to others.

309.6 DOCUMENTATION

Officers shall document all TASER device discharges in the related arrest/crime report and the Use of Force report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, laser activation and arcing the device will also be documented with the appropriate form.

309.6.1 TASER DEVICE FORM

Items that shall be included in the TASER device report form are:

- (a) The type and brand of TASER device and cartridge and cartridge serial number.
- (b) Date, time and location of the incident.
- (c) Whether any display, laser or arc deterred a subject and gained compliance.
- (d) The number of TASER device activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.

Conducted Energy Device

- (e) The range at which the TASER device was used.
- (f) The type of mode used (probe or drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

The Training Manager should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Manager should also conduct audits of data downloads and reconcile TASER device report forms with recorded activations. TASER device information and statistics, with identifying information removed, should periodically be made available to the public.

309.6.2 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing TASER devices
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication or other medical problems

309.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove TASER device probes from a person's body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.

Conducted Energy Device

- (d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.

309.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device's onboard memory should be downloaded through the data port by a supervisor or Rangemaster and saved with the related arrest/crime report. Photographs of probe sites should be taken and witnesses interviewed.

309.9 TRAINING

Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by a department-approved TASER device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued TASER devices should occur every year. A reassessment of an officer's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Manager. All training and proficiency for TASER devices will be documented in the officer's training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Officers who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Manager is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.

Conducted Energy Device

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Training Manager should ensure that all training includes:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest and groin.
- (e) Handcuffing a subject during the application of the TASER device and transitioning to other force options.
- (f) De-escalation techniques.
- (g) Restraint techniques that do not impair respiration following the application of the TASER device.

Officer-Involved Shootings and Deaths

310.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

310.1.1 DEFINITIONS

The following words and terms used in this policy shall have these assigned meanings, unless it is apparent from the content that they have a different meaning:

Accidental Discharge - Shall mean any accidental or unintentional firing of a firearm.

Fatal Injury - Shall mean death, or injury that is so severe that death is likely to result.

Involved Officer - Shall mean any employee or employees whose acts were the proximate cause of a fatal or serious bodily injury to another person, or whose acts were intended to be the proximate cause of a fatal or serious bodily injury to another person, or who discharged any weapon except the weapon was discharged in situations as described in § 310.13, Exclusions.

Officer Involved Shooting - Shall mean any incident in which an employee discharges a firearm against any other person, regardless of resulting injury, or in which an employee accidentally discharges a firearm and proximately causes serious bodily injury or death to any person, or in which an employee is the proximate cause of fatal injury to any person. Officer Involved Shootings include, but are not limited to: officer involved shootings that result in a fatality, accidental discharges that result in serious bodily injury, and any vehicle fatality that occurs while in pursuit or in connection with the use of a "legal intervention" technique.

Proximate Cause - Shall mean a cause that, in a natural and continuous sequence, produces the fatal injury or serious bodily injury, without which cause the injury would not have occurred. Reasonable foresight of the fatal injury is not a factor relevant to this definition.

Serious Bodily Injury - Shall mean any bodily injury that involves a substantial risk of serious permanent disfigurement, or a substantial risk of protracted loss or impairment of the function of any part or organ of the body. Loosely defined, "Serious Bodily Injury" generally means any injury requiring hospitalization.

310.1.2 AGREEMENTS WITH OTHER AGENCIES

Nothing in this policy shall preclude the Department from entering into agreements with other allied agencies for the response and investigation of Officer Involved Shootings.

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

310.1.3 EXCLUSIONS

Provisions of this policy do not apply to the following, unless the incident involves serious bodily injury or death to any person:

- (a) Shots fired with a Department-issued firearm at an approved target range.
- (b) Shots fired with other weapons at a target range or in an otherwise legally authorized shooting area.
- (c) Shots fired in the necessary protection from or destruction of a vicious or injured animal, as specified in Policy Manual § 304, et seq.

310.2 POLICY

The policy of the Chula Vista Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

310.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

310.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

310.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Chula Vista Police Department would control the investigation if the suspect's crime occurred in Chula Vista.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

310.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

310.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

310.5 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

310.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting, the first uninvolved CVPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

310.5.2 WATCH COMMANDER RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Watch Commander shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Division Commander.

All outside inquiries about the incident shall be directed to the Watch Commander.

310.5.3 NOTIFICATIONS

The following person(s) shall be notified as soon as practicable:

- Chief of Police
- Investigations Division Commander
- Crimes of Violence Unit
- Outside agency investigator (if appropriate)

Officer-Involved Shootings and Deaths

- Professional Standards Unit supervisor
- City Attorney's Office
- District Attorney's Office
- Psychological/peer support personnel
- Chaplain
- Medical Examiner (if necessary)
- Involved officer's agency representative (if requested)
- Public Information Officer

310.5.4 COLLECTION OF THE SHOOTER OFFICER'S WEAPON

The shooter officer's weapon should be collected in all incidents of accidental discharges, regardless of whether or not the death or injury of any person resulted from that weapon's use, and shall be collected in all incidents of officer involved shootings where the weapon was used.

A supervisor shall determine the appropriate circumstances to collect the officer's duty weapon for laboratory analysis. The purpose of taking the weapon is to facilitate a fair and complete forensic investigation, and not to suggest any wrong-doing on the part of the officer. Officers feel awkward, embarrassed, and some even feel judged as guilty when their weapons are seized at the scene in public view. Officers should be allowed to keep their weapon until it can be collected and replaced in a discreet fashion unless reason dictates otherwise. Generally, the weapon should remain with the officer involved until after they have left the scene and moved to a safe location such as the Police Department building.

- (a) If there are multiple involved officers and witnessing officers, the supervisor should inspect the firearms of all officers who are present at the time of the incident and who have not been identified as having discharged their firearm. This will ensure that all discharged firearms are identified and collected, and to specifically document those weapons which have not been fired. A "Firearms Worksheet" may be used to document the inspection of each firearm. The Firearms Worksheet should contain:
1. The names and identification numbers of the officers whose firearms have been checked;
 2. The make, model, caliber, and serial number of the firearms checked; and
 3. Whether or not it appears the firearms may have been used during the incident.
- (b) Whenever an officer's weapon is collected, the following guidelines should be utilized:
1. Whenever practical, the weapon should be collected in a discrete manner (i.e., in private, out of public view, and out of the view of other officers if possible).
 2. Arrangements shall be made to have the weapon replaced with another as soon as possible (preferably immediately after the weapon is taken), or the officer should be

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

advised the weapon will be returned or replaced as soon as possible and appropriate. Replacement weapons are available from the Watch Commander.

- (c) Any employee collecting any weapon or instrument should make note of the following:
 - 1. Its readily visible general description and condition.
 - 2. The appearance and the location of any trace evidence adhering to the weapon, to the extent these observations can be made without compromising physical evidence.
 - 3. The location where the weapon or instrument was first observed by the Supervisor.
 - 4. The identity of the person or location at which the weapon or instrument was received.
- (d) In firearms cases, the collecting employee should, to the extent possible without risking evidence, also make note of the following:
 - 1. Whether the firearm is cocked, has its safety "on" or "off", and the position of its hammer.
 - 2. Any apparent jamming of either fired or unfired ammunition.
 - 3. The location and position of the magazine (e.g., fully or partially inserted, completely separate from the firearm, missing, etc.)
- (e) In firearms cases, the following additional guidelines should be followed:
 - 1. If the mechanism of a firearm is obviously jammed, no attempt shall be made to unload the weapon or clear the jam. The weapon may be cleared by appropriate forensic personnel.
 - 2. If the firearm is cocked (or if a semi-automatic pistol cannot be determined to be cocked or not), the safety may be put "On" and the hammer may be lowered by the supervisor, who must make note of that fact.

Collected weapons or instruments shall be transferred to detectives or forensic personnel.

310.5.5 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved CVPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 - 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any CVPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
 2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Watch Commander and the Communications Center. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional CVPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
1. Each involved CVPD officer should be given an administrative order not to discuss the incident with other involved officers or CVPD members pending further direction from a supervisor.
 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

310.5.6 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
1. Involved CVPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 2. Requests from involved non-CVPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).
- (d) A licensed psychotherapist shall be provided by the Department to each involved CVPD officer. A licensed psychotherapist may also be provided to any other affected CVPD members, upon request.
1. Interviews with a licensed psychotherapist will be considered privileged.
 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

- (e) Although the Department will honor the sensitivity of communications with peer counselors, there is no legal privilege to such communications. Peer counselors are cautioned against discussing the facts of any incident with an involved or witness officer.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved CVPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Watch Commander to make schedule adjustments to accommodate such leave.

310.6 CRIMINAL INVESTIGATION

The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) CVPD supervisors and Professional Standards Unit personnel should not participate directly in any voluntary interview of CVPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators (Government Code § 3303(i)). However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

310.6.1 REPORTS BY INVOLVED CVPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved CVPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

While the involved CVPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved CVPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

310.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

310.6.3 INTERVIEWS AND STATEMENTS OF INVOLVED OFFICERS

All persons involved in the investigation must remember not to treat the officer(s) as criminals. Involved Officers will be treated with as much courtesy and compassion as possible under the circumstances. Each officer must make their own decision whether to provide voluntary statements about the incident, or to invoke Miranda and refuse to provide any voluntary

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

statements. The rights of an officer to invoke Miranda rights, or refuse to give voluntary statements, must be recognized.

A supervisor may ask an Involved Officer questions relating to potential public safety information. These questions may be asked prior to any advisement of Miranda rights, and officers may not refuse to answer these questions. If necessary, the supervisor may administratively order any officer from this department to immediately provide public safety information necessary to secure the scene and pursue suspects. Examples of questions related to public safety may include, but are not limited to the following:

- Questions relating to the number and direction of shots fired by the officer(s)
- Questions relating to the number and direction of shots fired at the officer(s)
- Number of suspects
- Descriptions and last known locations of any outstanding suspects
- Locations of any killed, injured, or potentially injured persons
- Questions relating to any future tactical response in response of the incident
- Other questions relating to public safety

A supervisor may also ask the Involved Officer(s) questions relating to the nature and circumstances surrounding the incident. However an officer may refuse to answer these questions. In the event an officer refuses to answer these questions, no further interviewing of the officer by the supervisor should take place at that time.

Except as provided above, Involved Officer(s) shall be read their Miranda rights prior to any questioning. Officers should be interviewed as soon as possible after the investigation of the scene. However, investigators need not rush interviews, investigations, or be in a tremendous hurry to complete reports if emergency situations do not exist. Given the emotions generally surrounding fatal incidents, attempting to obtain statements from Involved Officers immediately afterwards may not be the best strategy.

It is also recommended that a "walk-through" of the scene with Involved Officers be done prior to any interviews. However, Involved Officers may refuse to take part in such "walk-through" activities in accordance with the 5th Amendment of the United States Constitution and the Public Safety Officers Procedural Bill of Rights Act (California Government Code § 3300, et seq.).

In the event an officer invokes Miranda rights or refuses to give voluntary statements, any interviews by criminal investigators shall immediately cease.

Subsequent to the invocation of Miranda rights by the Involved Officer, the administrative investigator may proceed with an administrative interview in accordance with the principals of Lybarger. Prior to questioning the administrative investigator shall read involved officer(s) the Lybarger admonitions as set forth in Lybarger v. City of Los Angeles (1985) 40 Cal.3d 822. In such

Officer-Involved Shootings and Deaths

cases the administrative interview shall be privileged, and the interview shall be for the exclusive use in the administrative investigation.

310.6.4 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigations supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Investigations supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Division Commander.

310.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of CVPD officers to determine conformance with department policy. The investigation will be conducted under the supervision of the Professional Standards Unit and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview . However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).
3. Administrative interviews should be recorded by the investigator. The officer may also record the interview (Government Code § 3303(g)).
4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
5. The Professional Standards Unit shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

310.8 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office, as appropriate.

310.9 ACCIDENTAL DISCHARGES NOT RESULTING IN DEATH OR SERIOUS BODILY INJURY

Any employee, whether on or off duty, who discharges a firearm, either accidentally or otherwise, shall immediately report the incident to a Department supervisor or on-duty Watch Commander.

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

A supervisor shall respond to the scene of any accidental discharge that occurred within the City of Chula Vista. The supervisor shall question any involved or witnessing officer(s) and any other witnesses for the purpose of determining the circumstances and facts involved in the accidental discharge. In all cases of accidental discharges the supervisor should collect the firearm of the involved officer(s).

The officer shall write a detailed and complete memorandum, addressed to the supervisor, documenting the circumstances of the accidental discharge. This memorandum should generally be completed before the end of the involved officer's workday, or as soon as practical. A recorded formal interview with the supervisor can take the place of the memorandum.

The supervisor will complete a detailed and complete administrative investigation, and subsequently produce an administrative report of the incident. The report of the supervisor will focus on administrative concerns, which may include but are not limited to:

- (a) Tactics,
- (b) Training,
- (c) Equipment, and
- (d) Policy.

The supervisor's report will be forwarded through the chain of command to the Professional Standards Unit.

310.10 POST-INCIDENT PROCEDURES

One of the primary concerns of the Department is the overall well-being of all personnel involved in the incident. It is recommended that all personnel at the scene, and all dispatchers involved in the incident, should attend a debriefing within one week of the incident. The involved officer(s) may be excluded from this debriefing as their involvement usually creates different emotional issues from those not involved.

310.10.1 ADMINISTRATIVE LEAVE

Recognizing that each officer involved shooting or officer involved fatal incident is unique, involved officer(s) shall receive administrative leave time from duty. The purpose of this leave is to give each involved officer time to deal with the emotional and psychological impacts of the incident. Administrative leave for these purposes shall be paid leave. The following guidelines will be followed:

- (a) A minimum of three days administrative leave shall be required for the involved officer(s).
- (b) Additional leave time may be authorized at the discretion of the Chief of Police.

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

- (c) A "paced" return to duty may be allowed for the involved officer(s), at the discretion of the Chief of Police. This may include such tactics as assigning the officer to "light duty" or "reassigned duty", or allowing the officer to ride with a fellow officer, work a different beat, or work a different shift.

310.10.2 VISITS WITH A MENTAL HEALTH PROFESSIONAL

In all officer involved shootings, as defined by this policy, which result in death or serious bodily injury to any person, the involved officer(s) shall attend a mandatory confidential visit with a Mental Health Professional. The visit should take place within one to two days of the incident, except in cases where the involved officer is wounded or incapacitated. In those cases, the visit should take place as soon as reasonably practical.

In the case of other officer involved shootings, as defined by the policy, which did not result in death or serious bodily injury, a mandatory visit with a Mental Health Professional may be required of the involved officer(s) at the discretion of the Chief of Police.

Additional visits with the Mental Health Professional may be required, at the discretion of the Chief of Police, of any personnel who had any part in the incident or its subsequent investigation.

The meeting with the Mental Health Professional is confidential. The Mental Health Professional may, however, report to the Department on their opinion of the officer's fitness to perform law enforcement duties.

The Mental Health Professional may make follow-up recommendations (such as the need for additional visits) to the Chief of Police.

310.11 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

310.12 DEBRIEFING

Following an officer-involved shooting or death, the Chula Vista Police Department should conduct both a critical incident/stress debriefing and a tactical debriefing.

310.12.1 CRITICAL INCIDENT/STRESS DEBRIEFING

A critical incident/stress debriefing should occur as soon as practicable. The Administrative Services Division Commander is responsible for organizing the debriefing. Notes and recorded statements should not be taken because the sole purpose of the debriefing is to help mitigate the stress-related effects of a traumatic event.

Chula Vista Police Department

Policy Manual

Officer-Involved Shootings and Deaths

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law or a valid court order.

Attendance at the debriefing shall only include those members of the Department directly involved in the incident, which can include support personnel (e.g., [dispatchers, other civilian personnel]). Family or other support personnel may attend with the concurrence of those involved in the incident. The debriefing shall be closed to the public and should be closed to all other members of the Department, including supervisory and Professional Standards Unit personnel.

310.12.2 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

310.13 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Watch Commander, Investigations Division Commander and Public Information Officer in the event of inquiries from the media.

The Department shall not subject any involved CVPD officer to visits by the media (Government Code § 3303(e)). No involved CVPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Division Commander. Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

310.14 REPORTING

If the death of an individual occurs in the Chula Vista Police Department jurisdiction and qualifies to be reported to the state as a justifiable homicide or an in-custody death, the Operations Division Commander will ensure that the Records Manager is provided with enough information to meet the reporting requirements (Penal Code § 196; Penal Code § 13022; Government Code § 12525).

Traumatic Incident Debriefing

311.1 PURPOSE AND SCOPE

Law enforcement duties may expose Department members to mentally painful and highly stressful situations that cannot be resolved through normal stress coping mechanisms. Officer-involved actions resulting in death or serious bodily injury to a citizen or fellow officer may precipitate such stress disorders. There are other incidents so critical in nature that may also result in such stress disorders. There is also a wide variation in post-incident reactions to critical incidents. Each individual is unique and will not react in the same way, and not every officer will have a traumatic reaction. Support from supervisors and fellow employees is valuable in the short-term and long-term. Because each officer reacts differently, it is just as important not to over support as it is not to under support. Each situation has to be dealt with on a case-by-case basis.

Supervisors should remember that every involved officer (whether at the scene or not) of a critical incident may experience a post-traumatic reaction (such as the officer who did not shoot in a deadly force incident, the officer who missed, or those officers on the way to the scene or arriving on the scene after the incident has concluded) and each officer should have the opportunity to receive the support and treatment that may be necessary. However the responsibility for recognizing personnel affected by stress disorders is shared by both the Department and all employees.

These guidelines are written with the understanding that no two incidents are the same, nor are any two individuals affected the same by a given incident. Therefore, the response from the department shall generally be dictated by the circumstances and personnel involved. While most incidents allow for discretion by supervision, it is the goal of the Department to take immediate action to safeguard the continued good mental health of all involved personnel.

311.1.1 DEFINITIONS

As used in this policy, the following definitions apply:

- (a) "Administrative Leave" means any authorized leave with pay, for the purpose of investigation, healing, or recovery.
- (b) "Incident" or "Critical Incident" means any event involving the immediate risk of death or serious bodily injury to an officer or any other person. Critical Incidents may include, but are not limited to: officer involved shootings, situations involving the use of deadly force, or other similar incident.
- (c) "Department" means the Chula Vista Police Department.
- (d) "Formal Debriefing" means a meeting between all available personnel involved in a critical incident. The meeting will be conducted by a mental health professional or a professional critical incident stress debriefing team hired by the Department. The intent of this debriefing is not to place blame, but to allow for feedback and improve effectiveness and to help personnel overcome the effects of Post-Traumatic Stress Disorder.

Chula Vista Police Department

Policy Manual

Traumatic Incident Debriefing

- (e) "Informal Debriefing" means a discussion, in an informal setting, between involved officer(s) and a supervisor. The intent of the debriefing is to review the facts and circumstances leading up to a critical incident, and to provide feedback and support to involved personnel.
- (f) "Mental Health Professional" means a professional person, hired by the Department, who has an advanced degree in counseling, psychology, social work, or psychiatric nursing with extensive experience and has been trained or certified in critical incident stress debriefings.
- (g) "Post-Traumatic Stress Disorder" means an anxiety disorder that can result from exposure to short-term severe stress, or the long-term buildup of repetitive and prolonged milder stress.

311.2 PERSONNEL RESPONSIBILITIES

(a) Officer and Agent Responsibilities:

1. Emergency life saving measures and medical treatment have first priority.
2. Notify a supervisor of the incident.
3. The scene(s) must be secured immediately with a perimeter established for each a sufficient distance away to safeguard evidence. In most circumstances, an inner and an outer perimeter are appropriate.
4. Locate, identify, and isolate any witnesses.
5. Locate, identify, and document any evidence.
6. If a suspect is transported to a hospital with any injuries an officer should accompany that injured person in the same vehicle, if reasonably possible.
7. If the Incident is to be investigated by members of the Criminal Investigations Division, officers should maintain the scene and witnesses until given further instructions.
8. If the incident is to be investigated by the Department Patrol Division, officers may begin to process the scene and investigate the incident as per normal operating protocol.

(b) Supervisor Responsibilities:

1. Upon arriving on scene the supervisor shall ensure that appropriate medical treatment is requested.
2. Ensure that the scene is secure and in the command of appropriate personnel
 - (a) Be prepared to assume command of the scene if appropriate

Traumatic Incident Debriefing

6. Remain alert to the emotional and psychological responses of personnel.

 - (c) Notification of appropriate investigating division personnel;
 - (d) Notification of Crime Laboratory personnel; or
 - (e) Notification of the city Risk Manager or Risk Analyst.
 - (b) Ensure that the scene is secure and in the command of appropriate personnel

 2. Any personnel receiving inquiries regarding a critical incident should not make any statements and, instead, refer the inquiring party to a supervisor or other designated Press Information Officer.

311.3 POST-INCIDENT DEBRIEFING GUIDELINES

- (a) Following any critical incident, a decision must be made regarding what steps need to be taken. Along with the completion of an impartial and professional investigation, an additional primary concern is the overall well-being of the personnel involved. There are several steps which are critical to this decision making process. The initial steps may include:
1. Supervisory observation and assessment, and
 2. An informal debriefing with a supervisor and peers.
- (b) Additional steps may include:
1. A formal debriefing,
 2. Counseling by authorized counselors and services,
 3. Counseling by a mental health professional, and

Traumatic Incident Debriefing

4. Administrative leave for the purposes of recovery.

Any post-incident debriefings, either formal or informal, should be scheduled such that involved personnel are required to discuss the incident as few times as possible. Depending on the nature and circumstances of a critical incident, the Department may mandate attendance at any debriefing, counseling, or psychological services.

311.3.1 INFORMAL DEBRIEFING

For many types of critical incidents, an informal debriefing conducted by the supervisor may be sufficient.

When conducting any informal debriefings, the supervisor should remain alert for symptoms of Post-Traumatic Stress Disorder. Symptoms may include:

- (a) Any noticeable or significant change in job style, including:
 1. Increased post-incident self-initiated activity
 2. Increased dependence on supervisory input for decisions
 3. Argumentativeness or defiance
 4. Recklessness
 5. Fearfulness
 6. Increased use of unnecessary or excessive force
 7. Increase in citizen complaints
 8. Post-incident avoidance of calls
 9. Hyper vigilance in officer safety
- (b) Social withdrawal
- (c) Appearing preoccupied
- (d) Significant increase in errors
- (e) Increased utilization of sick time
- (f) Signs of depression, including:
 1. Weight loss
 2. Increased cynicism and pessimism
 3. Loss of sleep
 4. Difficulty concentrating
- (g) Loss of sense of humor
- (h) Hypersensitive to criticism

Chula Vista Police Department

Policy Manual

Traumatic Incident Debriefing

- (i) Heightened sense of danger
- (j) Extreme emotional responses

The supervisor may consider recommending further counseling or support for involved personnel as necessary.

311.3.2 FORMAL DEBRIEFING

If the nature and circumstances of a critical incident represent increased risk of Post-Traumatic Stress Disorder, a formal debriefing should be arranged. The supervisor or Watch Commander on-duty at the time of the incident should be responsible for arranging for a formal debriefing to be conducted as soon as practical. The supervisor or Watch Commander should notify the Peer Support Team Coordinator, who will make logistical arrangements for the formal debriefing.

311.3.3 ADDITIONAL DEBRIEFINGS

Additional counseling or psychological services may be necessary for the recovery of involved personnel at the discretion of the Chief of Police. Additional services may include, but are not limited to:

- (a) A formal debriefing by a Department authorized professional Critical Incident Stress Debriefing Counseling Team;
- (b) Assistance from the City of Chula Vista Employee Assistance Program (EAP);
- (c) Assistance from the Department Peer Support program;
- (d) Meeting(s) with a Department authorized Chaplain; or
- (e) Meeting(s) with a Department authorized Mental Health Professional.

311.3.4 DEBRIEFING WITH A MENTAL HEALTH PROFESSIONAL

If a meeting with a Department authorized Mental Health Professional is arranged, the following guidelines should be used.

- (a) Many officers feel there is enough pressure present right after the use of deadly force. Department personnel should be sensitive to the fact that it may add more pressure by ordering the officer to see a Mental Health Professional. If it can be arranged, it is recommended that the Mental Health Professional contact the officer instead. This should occur within 24 hours of the incident, otherwise the officer should be scheduled for counseling within one to two days of the incident.
- (b) The meeting with the Mental Health Professional is confidential. No written report by the Mental Health Professional will be made to the Department unless the officer is unable to perform his/her employment duties.

311.4 ADMINISTRATIVE LEAVE

The Division Commander may authorize administrative leave for involved officer(s) to recover. Administrative leave for these purposes shall be paid leave.

312.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Less lethal launchers and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. In addition to annual training, all members will qualify at least annually with their duty , off-duty, and secondary firearms annually. Training and qualifications must be on an approved range course.

Chula Vista Police Department

Policy Manual

Firearms

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations such as low-light shooting.

312.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 - 1. Unauthorized range make-up
 - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

312.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Division Commander or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

312.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

Firearms

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, TASER® device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

312.7.2 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical (Penal Code § 597.1(e)).

Injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made (Penal Code § 597.1(b)). Injured dogs and cats found without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed.

312.7.3 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

312.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Manager after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-qualification.

The range shall remain operational and accessible to Department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Manager documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should

keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Manager.

312.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Chula Vista Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The Chula Vista Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Chula Vista Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

Firearms

312.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry his/her Chula Vista Police Department identification card whenever carrying such firearm.
- (b) The officer is not the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

312.11 RETENTION OF DEPARTMENT-ISSUED FIREARM FOLLOWING SEPARATION FROM SERVICE

Under certain circumstances, sworn personnel may retain or purchase their Department issued service weapon when they retire. Eligible personnel would be those receiving a service retirement or a disability retirement while eligible for a service retirement. Personnel who are restricted at the time of their retirement from carrying a concealed weapon are not eligible for this benefit. The cost of the weapon is normally determined based on the trade in value for a replacement weapon. Guns converted from found property or evidence cannot be sold or retained. Employees seeking to retain their firearm should begin this process by obtaining a Retiring Officer's Request to Purchase Duty Weapon form from the Professional Standards Unit. To avoid complications, this process should be started several weeks prior to the retirement date. The purchasing officer is responsible for all costs related to the sale, processing and transfer of the weapon per current law.

Weapons Aboard Aircraft

313.1 PURPOSE AND SCOPE

The Federal Aviation Administration (FAA) and the Transportation Safety Administration (TSA) recognizes that law enforcement officers at times have a need to fly armed. FAA regulations allow an airline carrier to transport certain persons who are armed (14 CFR Part 108), but places conditions and restrictions on the carrier as well as the individual (14 CFR 108.11). For state and local law enforcement officers, these regulations provide some authority for officers to fly in an armed status in conjunction with a specific assignment.

The TSA has imposed rules governing law enforcement officers flying armed on commercial aircraft. These requirements apply to personnel who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.217). Sworn officers shall comply with all federal, state, local, air carrier, and department regulations when carrying or transporting firearms or other department approved weapons on commercial airlines.

313.2 FLYING WHILE ARMED

Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure purposes. Flying to another city to attend court, conferences, training, legislative hearings or similar functions do **not** qualify as authorization to fly armed.

Officers may qualify to carry a firearm on board an aircraft:

- (a) While providing a protective escort (which may include dignitary protection assigned to the principal persons, dignitary protection assigned to an advancement team, and witness protection);
- (b) While conducting hazardous surveillance operations;
- (c) While on official travel and required to report to a new location armed and immediately prepared for duty; or
- (d) While returning from, escorting, or traveling to pick up a prisoner in accordance with FAR's 14 CFR Section 108.221.

313.2.1 PROCEDURES TO FLY WHILE ARMED

Any officer that is required to travel on a commercial aircraft and has an established need to fly armed should contact the Professional Standards Unit as soon as possible. The Professional Standards Unit will verify the necessity for flying armed via the Chain of Command. The Professional Standards Unit will also facilitate the following administrative steps required of the officer:

- (a) The Chief of Police or his designee must approve all requests to fly while armed.

Chula Vista Police Department

Policy Manual

Weapons Aboard Aircraft

- (b) The officer must complete the mandated TSA security training, covering officers flying while armed. The training shall be given by the department appointed instructor, and is available from the Professional Standards Unit.
- (c) When scheduling the flight, the officer should notify the airline carrier that they will be flying while armed. Some airline carriers have restrictions on boarding and seat assignments.
- (d) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. It is important to prepare airline staff to accommodate law enforcement's special needs. It is recommended to notify the air carrier at least 24 hours in advance of the planned arrival to the airport facility. However this notification can be accomplished by early check-in at the carrier's check-in counter. In all cases the officer must arrive at least two hours prior to their scheduled departure time.
- (e) Discretion must be used to avoid alarming citizens, passengers or crew by displaying a firearm. Officers must keep the firearm, and any associated equipment such as handcuffs, concealed on his/her person at all times.
- (f) The Department must submit a National Law Enforcement Telecommunications System (NLETS) message at least 24-hours prior to travel. The NLETS message should be submitted to ORI VAFAM0199.
 - 1. The officer should contact Professional Standards National a minimum of 24-hours prior to travel and assure the NLETS message was submitted.
 - 2. Upon approval by TSA, a return NLETS message will be sent to the Department with a Unique Alphanumeric Identifier for verification at the airport on the day of travel.
 - 3. The officer must obtain this Unique Alphanumeric Identifier and possess it on the day of travel.
- (g) Upon checking-in with the airline ticket counter, the officer should identify him/herself and confirm that they are in possession of the Unique Alphanumeric number. The officer should receive the armed traveler paperwork provided by the airline and will be directed to the Armed LEO Screening Checkpoint.
- (h) The officer must have in their possession their police identification card, badge, and supporting credentials. A badge without an identification card is not sufficient identification. A complete itinerary of the travel arrangements must be available and provided to the airline or at the Armed LEO Screening Checkpoint, along with their credentials and their Unique Alphanumeric Identifier. Officers should have enough copies available for connecting flights.
- (i) The officer may be escorted to the boarding area or other sterile area. Once in a sterile area of the terminal or concourse, the officer should not exit the sterile area. Officers may be required to display appropriate identification and credentials again at the airport security pre-boarding inspection area. Local airport police may be asked to review and verify any information. Officers must comply with any request from airport police.

Chula Vista Police Department

Policy Manual

Weapons Aboard Aircraft

- (j) Once on board, officers should ensure the flight captain and crew are aware of your status as an armed law enforcement officer. Officers should also inquire if there are other persons onboard who are also armed. Occasionally, law enforcement escorts or officials may be assigned to a same flight. All Federal Agents have exclusive authority to fly armed at any time. Additionally, undercover United States Air Marshals and the California Highway Patrol randomly board aircrafts for inspection and travel.

Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.

Officers must keep the firearm concealed on his/her person at all times. Officers should not surrender their firearm to anyone, but should try to resolve any problems through the flight captain, ground security manager, or other management representative of the air carrier.

Officers shall not consume alcoholic beverages while armed aboard an aircraft, or within eight hours prior to boarding an aircraft.

313.2.2 CHEMICAL AGENTS ABOARD AIRCRAFT

The FAA and TSA has strict regulations prohibiting the possession of pressurized chemical agents aboard an aircraft. Accordingly, no person including law enforcement officers may carry or transport mace, cap-stun, OC, or similar substances on the aircraft.

313.2.3 SAMPLE LETTER TO AIR CARRIER

To Whom it May Concern:

This is to certify that Officer(s) (Name), Identification (#), of the Chula Vista Police Department, will be flying to (Name of city and state), to pick up a prisoner and then return that prisoner to the City of Chula Vista, in San Diego County, California on (Date).

Officer(s) (Name) has completed the training course required by the Federal Aviation Administration regarding carrying firearms aboard an aircraft.

The safe completion of this duty will require Officer(s) (Name) to be armed with a handgun while in flight. On presentation of this letter, Officer(s) (Name) will inform you of the identity of the prisoner and whether he/she is considered low or high risk, as required by FAR's Part § 108.221.

I will appreciate any accommodation you can extend Officer(s) (Name).

Signed,

Chief of Police

313.3 ESCORTING A PRISONER ABOARD AIRCRAFT

Officers escorting or planning to escort a prisoner onboard an aircraft must abide by the following:

- (a) Officers must notify the air carrier in advance of the intended travel. It is important to prepare airline staff to accommodate law enforcement's special needs. It is recommended to notify the air carrier at least 24 hours in advance of the planned arrival to the airport facility.

Chula Vista Police Department

Policy Manual

Weapons Aboard Aircraft

However this notification can be accomplished by early check-in at the carrier's check-in counter. In all cases officers must arrive at least two hours prior to their scheduled departure time. Officers should verify with appropriate airline representatives of all arriving gates and connecting flight arrangements with an escorted prisoner.

- (b) The officers must have "direct control" and be able to physically restrain the prisoner at all times.
- (c) A Ground Security Coordinator, Airline Station Manager, local airport police officer, or other airport official may need to verify the type and application of the restraint devices used on the escorted prisoner. Individual corporate policies may limit the level of restraint allowed by the air carrier and may vary from airline to airline. Officers should verify the type of handcuffs, belly chains, leg restraints, or other restraints that are acceptable to the airline. Officers should attempt to conceal the restraints on the prisoner to avoid curiosity or alarming other passengers.
- (d) Expect the prisoner to be physically searched during pre-boarding inspection. Prisoners are generally not put through the magnetometer device and are usually physically searched.
- (e) It is recommended that at least two officers accompany each prisoner. Officers will notify airport authority if the prisoner is considered high risk or an escape risk.
- (f) Never leave the prisoner alone or out of your control. Prisoners must be closely escorted and watched during restroom breaks.
- (g) The prisoner should be seated on the plane near the window or away from the aisle. Do not sit near any emergency exit door aboard the aircraft.
- (h) Prisoners may use only plastic utensils for meals. Officers must be aware of the number of plastic knives, forks, spoons, and other hazardous objects the prisoner has utilized. Each item should be accounted for to prevent any potential concealment by prisoner.
- (i) Once at the destination, the officers and prisoner shall remain seated until all other deplaning passengers have exited the aircraft.
- (j) In the event of an extended layover, officers should ask the airline gate agent to call airport police for detention assistance if available.

Neither the prisoner nor the escorting officers shall be served or shall consume alcoholic beverages.

Officers are solely responsible for the security of the prisoner.

313.4 FIREARMS AND AMMUNITION IN CHECKED BAGGAGE

No person may transport a loaded firearm in checked baggage. Firearms may be carried as checked baggage, and **MUST** be unloaded, packed in a locked hard-sided container, and declared to the airline at check-in.

Chula Vista Police Department

Policy Manual

Weapons Aboard Aircraft

The TSA and individual airline corporations have strict regulations regulating the carriage of firearms and ammunition in checked baggage. Some of these regulations may differ. Any officer wishing to carry a firearm or ammunition in checked baggage should consult the TSA and the air carrier for specific regulations and instructions.

313.5 OFFICIAL ACTIONS ABOARD AIRCRAFT

Officers must remember that you have not been trained nor authorized by law to initiate official action aboard aircraft unless requested to do so. The crew is trained to deal with the problem and, in many cases, delay tactics are part of the plan. Officers should not take any official action while aboard aircraft unless requested to do so by a uniformed member of the flight crew. Resist the inclination to act independently.

In the event of an in-flight disturbance, officers may discreetly volunteer their assistance to a member of the flight crew.

If requested to assist or take official action, safety is the prime consideration. The discharging of a firearm should be viewed as a last resort. The discharge of a firearm has the potential risk of causing a fire, damage to the aircraft hydraulics or electric systems, damage to the engine and other flight control components, and possible injury to innocent persons.

313.6 DISPUTES WITH AIRPORT OR CARRIER OFFICIALS

If a disagreement arises with regard to an officer's authority to carry a firearm aboard the aircraft which cannot be resolved with the airline crew, the law enforcement officer should follow the immediate instructions of the crew. If necessary, deplane and thereafter:

- (a) Request to speak with a supervisory airline official other than a crew member. In most cases, the Ground Security Coordinator is the appropriate person.
- (b) Inform your supervisor as soon as practical.
- (c) If the situation was not resolved satisfactorily, submit a memorandum detailing the incident to the Chief of Police via your chain of command.

The Department may forward the issue to the FAA at the following address:

Vehicle Pursuits

314.1 PURPOSE AND SCOPE

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to reduce the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers.

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the potential risk to public safety created by vehicular pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicular pursuit because of the risk involved. This includes circumstances where department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicular pursuits are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit.

Officers must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Officer's conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable officer would do under the circumstances. An unreasonable individual's desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement.

314.1.1 VEHICLE PURSUIT DEFINED

A pursuit is an event involving one or more law enforcement officers, who are operating an authorized emergency vehicle, attempting to apprehend a suspect operating a motor vehicle, while the suspect is trying to avoid arrest by using evasive tactics, such as high speed driving, driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to the officer's signal to stop.

314.1.2 BACKGROUND

A police vehicle pursuit exposes the public, officers, and fleeing violators to the potential risk of death, serious injury, or damage to personal property. Officers may be subject to administrative action for negligent emergency vehicle operation and the entity may be found liable in civil actions. If the emergency vehicle operation rises to the level of criminal negligence, an officer may be subject to criminal prosecution.

When engaged in a pursuit, officers should weigh the seriousness of the violator's suspected crime against the potential for death or injury if the pursuit is continued. Frequently, discontinuance of a pursuit in the interest of public safety is most appropriate.

Vehicle Pursuits

Officers should not assume that all persons who flee from the police and refuse to yield are serious criminal suspects. Experience has shown that many pursuits involve non-violent crimes or traffic violations.

In a pursuit, the violator frequently refuses to give up and the officer feels an obligation to succeed in the pursuit. This psychological and physiological factors can play a large part in the safe apprehension of the suspect. The suspect may not immediately comply with the commands and peace officers may be over stressed. Peace Officers can avoid problems by making a conscious effort to stay calm, or by taking over for another peace officer who is over stressed or discontinuing the pursuit.

The Law Enforcement Assistance Network (LEAN) Mutual Aid Radio Communications Protocol is a document describing procedures and channels/frequencies that should be utilized during a pursuit. The LEAN Mutual Aid Radio Communications Protocol is an addendum to this pursuit protocol.

314.1.3 LEGAL REQUIREMENTS

A public entity is liable for death, injury, or damage proximately caused by negligent or wrongful act or omission in operation of a motor vehicle by an employee acting within the scope of employment. (17001 CVC)

A public entity is liable for death or injury to person or property to the same extent as a private person. (17002 CVC)

A public employee is not liable for civil damages resulting from the operation, in the line of duty, of an authorized emergency vehicle while responding to an emergency call or when in the immediate pursuit of an actual or suspected violator of the law, or when responding to but not upon returning from a fire alarm or other emergency call. (17004 CVC)

A public agency is immune from liability from injury, death, or damage caused by the collision of a vehicle being operated by an actual or suspected law violator being pursued by peace officers, employed by a public entity if the agency adopts a written policy on vehicle pursuits that meets listed minimum standards. (17004.7(c) CVC)

The driver of an authorized emergency vehicle is exempt from the "rules of the road" provided that the red light and siren (defined as "yelp" or "wail" only) of the vehicle are activated. (21055 CVC)

The "rules of the road" exemption does not relieve the driver from the duty to drive with due regard for the safety of all persons using the highway, nor does it protect him/her from the consequences of an arbitrary exercise of the privileges granted in that section. (21056 CVC)

Upon the approach of an authorized emergency vehicle that is sounding a siren and has at least one lighted lamp exhibiting red light, the surrounding traffic shall yield to the emergency vehicle. (21806 CVC)

Vehicle Pursuits

The provisions of Section 21806 shall not operate to relieve the driver of an authorized emergency vehicle from the duty to drive with DUE REGARD FOR SAFETY of all persons and property. The officer should not assume that the right-of-way will be yielded. (21807 CVC)

314.2 OFFICER RESPONSIBILITIES

It shall be the policy of this department that a vehicle pursuit shall be conducted only with red light and siren as required by Vehicle Code § 21055 for exemption from compliance with the rules of the road. The following policy is established to provide officers with guidelines for driving with due regard and caution for the safety of all persons using the highway as required by Vehicle Code § 21056.

314.2.1 WHEN TO INITIATE A PURSUIT

Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle.

The following factors individually and collectively shall be considered in deciding whether to initiate a pursuit:

- (a) Seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists and others.
- (c) Apparent nature of the fleeing suspects (e.g., whether the suspects represent a serious threat to public safety).
- (d) The identity of the suspects has been verified and there is comparatively minimal risk in allowing the suspects to be apprehended at a later time.
- (e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic and the speed of the pursuit relative to these factors.
- (f) Pursuing officers familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher/supervisor and the driving capabilities of the pursuing officers under the conditions of the pursuit.
- (g) Weather, traffic and road conditions that substantially increase the danger of the pursuit beyond the worth of apprehending the suspect.
- (h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (i) Vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders and hostages).

Vehicle Pursuits

- (k) Availability of other resources such as helicopter assistance.
- (l) The police unit is carrying passengers other than police officers. Pursuits should not be undertaken with a prisoner in the police vehicle.

314.2.2 CONTINUATION OF A PURSUIT

A pursuit requires constant evaluation. Each officer and supervisor involved in a pursuit should carefully and continuously consider the initiating factors in determining continuance of the pursuit.

314.2.3 WHEN TO TERMINATE A PURSUIT

Pursuits should be discontinued whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

The factors listed in When to Initiate a Pursuit of this policy are expressly included herein and will apply equally to the decision to discontinue as well as the decision to initiate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists and themselves when electing to continue a pursuit. In the context of this policy, the term "terminate" shall be construed to mean discontinue or to stop chasing the fleeing vehicle.

In addition to the factors listed in When to Initiate a Pursuit of this policy, the following factors should also be considered in deciding whether to terminate a pursuit:

- (a) Distance between the pursuing officers and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
- (b) Pursued vehicle's location is no longer definitely known.
- (c) Officer's pursuit vehicle sustains any type of damage that renders it unsafe to drive.
- (d) Extended pursuits of violators for misdemeanors not involving violence or risk of serious harm (independent of the pursuit) are discouraged.
- (e) There are hazards to uninvolved bystanders or motorists.
- (f) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider discontinuing the pursuit and apprehending the offender at a later time.
- (g) Pursuit is terminated by a supervisor.

314.2.4 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle. Should high vehicle speeds be reached

Vehicle Pursuits

during a pursuit, officers and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the officer.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation

314.3 PURSUIT UNITS

Pursuit units should be limited to three vehicles (two units and a supervisor); however, the number of units involved will vary with the circumstances. An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the suspects. All other officers should stay out of the pursuit, but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

314.3.1 PRIMARY UNIT RESPONSIBILITIES

The Primary Pursuit Unit is generally the vehicle closest to the suspect vehicle.

The Primary Pursuit Unit should remain so until that status is relinquished to another unit either by the Primary Pursuit Unit or as directed by a supervisor.

Responsibilities:

- (a) Upon initiating a pursuit, the Primary Pursuit Unit shall immediately notify the dispatcher that a pursuit is in progress, giving:
 - 1. Location;
 - 2. Direction and speed of travel;
 - 3. Reason for pursuit;
 - 4. Description and license plate number of the suspect vehicle;
 - 5. Number of occupants; (If known)
 - 6. Identity of occupants; (If known)
 - 7. Any other factors necessary to ensure safe and effective pursuit tactics.
- (b) During a pursuit, the Primary Pursuit Unit shall continually provide Dispatch with all the changes to the above, and any other pertinent information until the Secondary Unit takes over "calling the pursuit".

314.3.2 SECONDARY UNITS RESPONSIBILITIES

The Secondary Unit is the unit responsible for backup and immediate cover for the Primary Pursuit Unit.

Responsibilities:

Chula Vista Police Department

Policy Manual

Vehicle Pursuits

- (a) The Secondary Unit, if not assigned, shall notify Communications immediately.
- (b) The Secondary Unit shall be prepared to take over primary responsibility for the pursuit if the Primary Pursuit Unit becomes disabled or if requested to do so by the Primary Pursuit Unit.
- (c) The Secondary Unit involved in a pursuit, under most circumstances, should take over "calling the pursuit".
- (d) Provide all changes to information about the pursuit, and any additional information available.

314.3.3 PURSUIT DRIVING TACTICS

The decision to use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
 - 1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
 - 2. Pursuing units should exercise due caution when proceeding through controlled intersections.
- (c) Officers shall not drive a vehicle left of center (wrong way) on a freeway. In the event that the pursued vehicle does so, the following tactics should be considered:
 - 1. Requesting assistance from an air unit.
 - 2. Maintaining visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
 - 3. Requesting other units to observe exits available to the suspects.
- (d) Notifying the California Highway Patrol (CHP) and/or other jurisdictional agency if it appears that the pursuit may enter their jurisdiction.
- (e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit.

314.3.4 ADDITIONAL UNITS

Officers in all other units shall:

- (a) Remain alert to the pursuit progress and location;
- (b) Stay out of the pursuit, unless specifically requested to join by the Primary Pursuit Unit or supervisor;

Vehicle Pursuits

- (c) Minimize radio transmissions on the frequency being used for the pursuit;
- (d) Move to an alternate channel/frequency as directed.

314.3.5 MOTORCYCLE OFFICERS

Relinquish the primary position to the first marked four-wheel vehicle.

Disengage the secondary position when the second marked four-wheel vehicle joins the pursuit.

314.3.6 UNMARKED UNITS

Unmarked units, without emergency equipment, shall not join in a pursuit.

Officers in unmarked vehicles may become involved in emergency activities involving serious crimes or life endangering situations. In those instances, it may be necessary to follow a suspect vehicle while summoning assistance from a marked vehicle with emergency equipment.

When officers in an unmarked vehicle become aware that a marked unit has arrived, the unmarked unit will disengage.

314.3.7 AIRCRAFT ASSISTANCE

Units involved in pursuits should request air support assistance.

Aircraft can provide valuable information to ground units concerning upcoming traffic congestion, hazards, or other factors which might endanger the safety of the officer(s) or the public.

Once a law enforcement aircraft overtakes the pursued vehicle, the aircraft becomes an assisting unit responsible for broadcasting on-going radio updates on the route of travel.

Once the aircraft is in position, the supervisor, in the interest of safety, shall evaluate the tactical involvement of ground units in the pursuit. In some cases, it may be prudent to discontinue the ground pursuit and track the suspect vehicle with law enforcement aircraft until the vehicle goes stationary. Once the suspect vehicle has discontinued fleeing, the law enforcement air crew can direct ground units into positions to establish a perimeter and assist with apprehension of outstanding suspects on foot.

314.4 SUPERVISORY RESPONSIBILITIES

Upon notification of a pursuit in progress, the field supervisor and/or Watch Commander assumes the responsibility to monitor and take appropriate action for pursuit control.

All sworn supervisors and the Watch Commander have the authority to order a pursuit discontinued when, in their judgment, the potential safety risks outweigh the need for apprehension.

The supervisor shall ensure that no more units than necessary are involved. The Primary Pursuit Unit and the Secondary Unit are generally sufficient for the actual pursuit. Assisting Units may be added for safety and security, with the supervisor's approval.

The supervisor shall consider the following in deciding to add units:

- (a) The type of vehicle being pursued;

Vehicle Pursuits

- (b) The seriousness of the offense; and
- (c) The danger that the occupants of the vehicle being pursued pose to others.

When more than two units are permitted to participate in a pursuit, the supervisor shall as soon as reasonably possible, direct the additional units to discontinue the pursuit.

The supervisor shall make continual assessment during the progress of a pursuit. Factors to be considered include weather, vehicle and pedestrian traffic levels, roadway and environmental conditions, juveniles occupy the suspect vehicle, the suspect has been identified to the point that later apprehension can be accomplished, and pursuit speed considerations.

The supervisor shall ensure that affected allied agencies are notified of the pursuit and specific assistance requested, including canine and air support.

The supervisor or designee shall, as necessary, contact pursuing officers at the location of the pursuit termination to provide on-scene supervision, coordination, and evaluation.

The supervisor shall ensure vehicle pursuits are reported to the California Highway Patrol on an approved form (CHP 187A), as mandated by Section 14602.1 of the California Vehicle Code.

Each pursuit shall be evaluated for compliance with all codes and policies and appropriate action initiated.

314.5 COMMUNICATIONS CENTER RESPONSIBILITIES

Upon being notified that a pursuit is in progress, Dispatch shall:

- (a) Ensure that a Supervisor is assigned to the pursuit;
- (b) Notify appropriate law enforcement agencies of the pursuit, specify if assistance is needed, and specific support requested;

During the pursuit, Dispatch shall:

- (a) Monitor all radio traffic concerning the pursuit;
- (b) Move all other radio traffic to an alternative channel/frequency, if necessary;
- (c) If a Canine Unit is involved in the pursuit, the radio dispatcher shall broadcast that information for officer safety purposes.
- (d) Ensure that the proper channels/frequencies are utilized, in compliance with the Law Enforcement Assistance Network (LEAN) protocols. Those dispatch centers unable to fully comply with the LEAN protocols due to equipment limitations may disregard those protocols with which they are unable to comply.

314.6 INTER-JURISDICTIONAL CONSIDERATIONS

When a pursuit enters another agency's jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or

Vehicle Pursuits

supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

314.7 PURSUITS APPROACHING THE INTERNATIONAL BORDER

Under no circumstances will pursuing units cross the International Border.

Pursuit units should not be any closer than fifty (50) feet of the International Border gates.

Due to traffic conditions and physical barriers that exist between traffic lanes near the San Ysidro Port of Entry, pursuits where the fleeing vehicle is wanted for minor, non-violent violations should be discontinued a minimum of one mile prior to the International Border, at supervisory discretion.

In those pursuits where the fleeing vehicle is wanted for violent and/or atrocious felonies, involved agencies shall use mutually agreed upon tactics as a basis for apprehension when the pursued vehicle reaches the international border.

In order to give warning to Mexican authorities and to provide them an increased degree of safety, US Customs and the San Diego Police Department will be advised by the involved agency of any pursuit heading southbound south of Interstate 8. They in turn, will advise the Mexican authorities. This shall occur whether or not the pursuit is discontinued. Every effort should be made to update Customs and the San Diego Police Department when a pursuit is terminated prior to the International Border.

In the event the pursuit is terminated prior to the International Border, Mexican authorities shall be advised by US Customs and San Diego Police Department.

314.8 PURSUIT INTERVENTION

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), ramming or roadblock procedures. In this context, ramming shall be construed to mean maneuvering the police unit into contact with the pursued vehicle to mechanically disable or forcibly position it such that further flight is not possible or practicable.

314.8.1 WHEN USE IS AUTHORIZED

Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances confronting the officer at the time of the decision.

It is imperative that officers act within the bounds of legality, good judgment and accepted practices.

Vehicle Pursuits

314.8.2 USE OF FIREARMS

Shooting at or from a moving vehicle is prohibited, except when immediately necessary to protect persons from death or serious bodily injury.

314.8.3 INTERVENTION STANDARDS

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of deadly force and subject to the requirements for such use. Officers shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

- (a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to public safety when officers reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this technique should only be employed by officers who have received training in such tactics after giving consideration to the following:
 - 1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, officers, or other members of the public.
 - 2. All other reasonable intervention techniques have failed or reasonably appear ineffective.
 - 3. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.
 - 4. The target vehicle is stopped or traveling at a low speed.
 - 5. At no time should civilian vehicles be used to deploy this technique.
- (b) Only those officers trained in the use of the Pursuit Intervention Technique (PIT) will be authorized to use this procedure and only then with approval of a supervisor upon consideration of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle.
- (c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the officer's disposal have been exhausted. This tactic should be reserved for situations where there does not appear to be another reasonable alternative method. This policy is an administrative guide to direct officers in their decision-making process before ramming another vehicle. When ramming is used as a means to stop a fleeing vehicle, one or more of the following factors should be present:
 - 1. The suspect is an actual or suspected felon who reasonably appears to represent a serious threat to the public if not apprehended.

Chula Vista Police Department

Policy Manual

Vehicle Pursuits

2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner.
 3. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized.
- (d) As with all intervention techniques, pursuing officers should obtain supervisor approval before attempting to box a suspect vehicle during a pursuit. The use of such a technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions presented at the time as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle.
- (e) The use of spike strips should be approved in advance by a supervisor and deployed only when it is reasonably certain that only the pursued vehicle will be affected by their use. Officers should carefully consider the limitations of such devices as well as the potential risks to officers, the public and occupants of the pursued vehicle. If the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials, or a school bus transporting children, officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.
- (f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or other members of the public.

314.8.4 DEPLOYMENT OF SPIKE STRIPS

The use of spike strips is restricted to personnel who have successfully completed a training course in their use. A supervisor must authorize the use of spike strips prior to being deployed.

Communication with all units involved in the pursuit is essential and the spike strips should not be deployed unless their use has been broadcast and all involved units have acknowledged their use. Outside agencies involved in the pursuit should also be notified prior to the deployment of the spike strips. The officer deploying the spike strip should not attempt to overtake and pass a high-speed pursuit in order to position the spike strip. The location for deploying the spike strips should provide reasonably good sight distance to enable the officers deploying the device to observe the pursuit and other traffic as it approaches.

The deploying officer should select a location that is in an open, uncongested area and is free of obstructions, traffic, or other hazards. The location should be far enough ahead of the pursuit to allow enough time for the deploying officers to adequately prepare and safely deploy the device. Spike strips should not be used in locations where the geographic or roadway configurations increase the risk of injury to the suspect or other persons. These areas may include, but are

Vehicle Pursuits

not necessarily limited to, curved roadways, steep embankments, congested areas, construction zones, areas where the roadway is under repair or the safety of other traffic cannot be reasonably assured.

Upon deploying the spike strip in the roadway, deploying personnel should immediately move to a position of safety.

After deployment the deploying officer should notify the Watch Commander so the spike strip can be repaired or replaced.

314.9 INTER-AGENCY PURSUITS

The guidelines formulated for inter-agency pursuits are designed to provide for the safe coordination of pursuits involving more than one agency. Agencies requested to assist, or receive the transfer of, a pursuit from another agency will continue to balance the interests of public safety in determining whether or not to provide the requested assistance or receive the transfer.

(a) Notification

1. When a pursuit is approaching or entering another jurisdiction, the agency with primary responsibility for the pursuit shall notify the appropriate agency for that jurisdiction. This shall be accomplished utilizing one of the various radio talkgroups as defined by LEAN protocols (LE NCMD, LE SCMD, LE ECMD, BLUE1).
2. At the first practical moment, the controlling agency will patch and announce the pursuit over the appropriate radio talkgroup (LE NCMD, LE SCMD, LE ECMD, BLUE1). This announcement shall be as follows (or verbiage with the same meaning):
 - (a) "This is (agency) on (talkgroup) patching a pursuit that is (location)."
 - (b) This notification will not be construed as a request for assistance. The purpose of this announcement is to notify allied agencies of the pursuit so that they may monitor its progress.
 - (c) "At this time, (agency) is not (or, is) requesting assistance."
 - (d) If a request for assistance is broadcasted, the originating agency should attempt to be specific as to the type of assistance required (i.e. the involvement of a K9 unit, deployment of spike strips, etc.).
3. If a transfer of the pursuit is to be requested, the originating agency shall broadcast: "This is (originating agency) to (transferring agency). We are requesting that you take over the pursuit."

(b) When the initial broadcast is made, Communications will transmit to allied agencies the following information:

1. Direction of travel, location, and speed;
2. Vehicle and suspect description;

Chula Vista Police Department

Policy Manual

Vehicle Pursuits

3. Officer safety considerations;
 4. Type of crime;
 5. Number or occupants;
 6. Number of units involved;
 7. Unit designator of Supervisor involved;
 8. Radio frequency(s) being used;
 9. Air support being used/or requested;
 10. Unit designator of officer(s) involved.
- (c) The Primary Pursuit Unit, or Pursuit Supervisor, should specify if assistance is needed and the type of assistance requested.
1. The allied agency(s) will assist the initiating agency only by specific request and will provide only the specific services requested.
 2. On all requests for assistance or transfer, the agency receiving the request shall identify the supervisor accepting or declining the request.
- (d) Communications
1. Communication operators should clarify any requests for assistance with the requesting agency and obtain pertinent information as previously listed.
 2. Communications shall notify a sworn supervisor of the request and receive direction for the degree of involvement provided to the requesting agency.
 3. In addition to a formal request by an allied agency, officers may be summoned by hand/arm gestures and/or verbal requests.
 4. If officers respond to these types of requests, the officer shall immediately notify Communications and the supervisor.
 5. During pursuits involving allied agencies, communication centers shall provide coordination between pursuing units and allied agencies including:
 - (a) Continuously monitor progress of the pursuit, transmitting pertinent information and updates;
 - (b) Coordinate radio communication on the appropriate mutual aid frequency in compliance with the LEAN Mutual Aid Communications protocols.
 - (c) Relay information via telephone if radio communications from car to car fail.
- (e) Procedures
1. Units shall not join in an active pursuit unless specifically requested and then only with the approval of a supervisor or as authorized by Communications.

Chula Vista Police Department

Policy Manual

Vehicle Pursuits

2. Once a pursuit has been initiated, the initiating agency will generally retain jurisdiction and control of the pursuit, even when the pursuit enters another jurisdiction.
 3. When entering another law enforcement jurisdiction (including military installations), the pursuit shall be discontinued immediately when a supervisor of that agency recognizes a condition that constitutes an immediate and life threatening danger to the officers or public and orders discontinuance.
 4. The California Highway Patrol (CHP) may respond to a specific request for assistance on pursuits conducted on the freeway system. Once in place, the CHP will assume control of the pursuit until they relinquish it. When CHP has control of the pursuit, all other units not needed will discontinue their involvement.
 5. When entering another agency's jurisdiction, the Primary Pursuit Unit or the pursuit supervisor should determine if the allied agency should be requested to assume the pursuit.
 6. An allied agency, which accepts responsibility for the pursuit, may elect to proceed with or discontinue the pursuit.
 7. The officer with initial probable cause and/or that officer's supervisor should trail the pursuit at a reduced speed.
 8. Pursuits should be managed by one Communications Center only. That Communications Center should create the appropriate radio patches with mutual aid channels/frequencies (in compliance with the LEAN protocols) to allow allied agencies to assist as requested, or monitor for their safety.
 9. Allied agencies' units involved in the pursuit should switch to the appropriate mutual aid channel and should communicate with the managing Communications Center, in compliance with the LEAN protocols.
- (f) **Military Police Pursuits On / Off Military Installations**
1. **Pursuits onto Military Installations:** It is the current policy of Navy and Marine Corps installations in San Diego County to allow marked local, county, state and/or federal law enforcement vehicles to continue pursuits of any suspect that flees onto a military installation. Once on a military installation the Military Police units will assume the primary pursuit positions and take control of the pursuit.
 2. **Use Caution:** Navy and Marine Corps Installations in San Diego County may or will shortly have installed one of the following systems at almost every gate. It is the policy of all installations to stop any threat at the gate entrance to the military installation rather than allow the threat onto the installation. The standard training given to the MP's/Guards at the entrance gate is to deploy the barrier arresting system in front of any unidentified vehicle that attempts to run through a sentry position without stopping. Officers should exercise caution when following a suspect into any military installation. Officers

Chula Vista Police Department

Policy Manual

Vehicle Pursuits

should also be prepared to immediately stop at the MP/Guard position as these devices are designed to immediately stop any vehicle. The devices may cause extensive damage to a vehicle and possibly serious injuries to any occupants. In cases where barriers are not installed and/or not properly deployed, the pursuing local, county, state and/or federal law enforcement units can continue the pursuit into the military installation. However, if an arrest is made on a military installation by local, county and/or state agencies, the transfer of custody may require an arrest warrant to gain physical custody of the suspect(s). Arresting officers shall coordinate custody issues with the on-site military police/Provost Marshal's Office.

3. **Military Police Pursuits off of an Installation:** It is the current policy of the Navy and Marine Corps installations in San Diego County to pursue vehicles involved in major felony cases off of the military installations. In any case where the Military Police initiates a pursuit that leaves a military installation, the Military Police can only remain actively involved in a pursuit until a minimum of two marked local, county and/or state law enforcement vehicles join the pursuit; then they must discontinue the pursuit and turn it over to the local, county, state and/or federal enforcement agency.

(g) Transfer

1. There is no legal requirement for an agency to assume a pursuit. A supervisor may determine it is in the best interest of public safety and/or the agency to refuse acceptance. Once responsibility is assumed, the pursuit may be discontinued by the assuming agency at any time.
2. The supervisor of the assuming agency should notify the initiating agency in the most expedient fashion that control has been assumed.
3. Responsibility for a pursuit transfers when:
 - (a) the pursuing agency requests the transfer, and
 - (b) a supervisor of the assuming agency agrees to accept the pursuit, and
 - (c) a unit of the assuming agency becomes the Primary Pursuit Unit.
4. An agency accepting transfer and assuming the Primary Pursuit Unit position should have sufficient resources to control the pursuit.

(h) End of Pursuit

1. Responsibilities of the stopping agency:
 - (a) Notify all involved agencies that the pursuit has ended, its location, and supervisor to contact.
 - (b) Provide a supervisor at the location(s) where the pursuit ends for coordination with other agencies.
2. Responsibilities of Other Involved Agencies

Chula Vista Police Department

Policy Manual

Vehicle Pursuits

- (a) The agency of the officer who initiated the pursuit shall ensure that the officer with probable cause (or that officer's supervisor) contacts the stopping agency's supervisor to provide assistance.
 - (b) All agencies with information, witnesses, or criminal charges related to the pursuit shall contact the stopping agency.
 - (c) All agencies involved in the pursuit shall provide supplementary reports as requested by the stopping agency (or booking agency, if different).
3. Prisoner Processing
- (a) In the absence of any other argument, the suspect(s) from the pursuit shall be turned over to the custody of the agency, which has the most significant charges.
 - (b) Absent of more significant charges by another agency, custody and booking of the suspect(s) shall be the responsibility of the agency initiating the pursuit.
 - (c) The agency assuming custody shall be responsible for processing, booking and all related reports.
 - (d) Arrests made on Military Installations require Local law enforcement agencies to liaison with Military and Federal law enforcement in order to transfer custody of a arrestee from Federal Custody.
4. Traffic Collision Investigation
- (a) The investigation of a traffic collision resulting from the pursuit shall be the responsibility of the agency within whose jurisdiction the collision occurred.
 - (b) The agency with jurisdiction over the collision scene will be the only agency to file the official collision report of record with the State of California. Involved agencies may conduct a concurrent, administrative investigation, as needed, to meet agency specific needs for internal review.
5. Crime Report Responsibility
- (a) Unless otherwise agreed to by the participating agencies, it shall be presumed that the agency with jurisdiction is responsible for the completion of a crime report associated with the pursuit.

314.10 PURSUIT REPORT REQUIREMENTS

California Vehicle Code Section 14602.1 requires that all police pursuits be reported on the California Highway Patrol Pursuit Report (CHP 187A). The form shall be prepared on pursuits initiated or assumed by officers of each involved department.

Chula Vista Police Department

Policy Manual

Vehicle Pursuits

The Field Supervisor shall include a factual evaluation concerning compliance with the Department's pursuit policy. Violations shall be identified and listed in the report narrative.

It is recommended that Department pursuits be tallied chronologically and separated into categories for further analysis. The purpose is to identify specific problem areas which include, but are not limited to the following items:

- (a) Policy violations;
- (b) Training needs;
- (c) Equipment issues;
- (d) Pursuit-related collisions;
- (e) Officer safety concerns/tactical methodology;
- (f) Policy or legislative concerns.

All Agencies shall comply with the requirements of SB 719.

Officer Response to Calls

316.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

316.1.1 STATUTORY CONSIDERATIONS

State and federal statutes and case laws compel considerations, limitations and restrictions on the operation of emergency vehicles. Some of these statutes include:

California Vehicle Code § 21052 - All employees, except as authorized by California Vehicle Code § 21055, are required to operate their vehicles in accordance with all state laws.

California Vehicle Code § 21055 - Provides that the driver of an authorized emergency vehicle is exempt from Division 11, Chapters 2 through 10 and Division 16.5, Chapter 5, Articles 3 and 4, of the Vehicle Code (commonly known as the "rules of the road"). This limited exemption is only in effect when the following conditions are met:

- (a) The vehicle is being driven in response to an emergency call, or while engaged in rescue operations, or is being used in the immediate pursuit of an actual or suspected violator of the law.
- (b) Drivers of emergency vehicles shall sound a siren AS MAY BE REASONABLY NECESSARY and display a lighted red lamp visible from the front.

California Vehicle Code § 21056 - States that the exemption of California Vehicle Code § 21055 does not relieve the driver of an emergency vehicle from the duty to DRIVE WITH DUE REGARD FOR THE SAFETY OF ALL PERSONS using the highway nor protect him from the consequences of an arbitrary exercise of the privileges granted in this section. **The effect of this statute is to establish that emergency vehicle operators are NOT protected when their unreasonable or negligent acts of driving imperil others. Officers may be held liable in criminal or civil actions for deaths, injuries or damages caused by negligent emergency vehicle operation.**

316.2 RESPONSE TO CALLS

Officers dispatched "Code-3" shall consider the call an emergency response and proceed immediately. Officers responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the officer of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Officers should only respond Code-3 when so dispatched or when circumstances reasonably indicate an emergency response is required. Officers not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

Chula Vista Police Department

Policy Manual

Officer Response to Calls

316.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting officer shall immediately notify the Communications Center.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

316.3.1 NUMBER OF UNITS ASSIGNED

Normally, only one unit should respond to an emergency call Code-3 unless the Watch Commander or the field supervisor authorizes an additional unit(s).

316.4 INITIATING CODE 3 RESPONSE

If an officer believes a Code-3 response to any call is appropriate, the officer shall immediately notify the Communications Center. Generally, only one unit should respond Code-3 to any situation. Should another officer believe a Code-3 response is appropriate, the Communications Center shall be notified and the Watch Commander or field supervisor will make a determination as to whether one or more officers driving Code-3 is appropriate.

316.5 RESPONSIBILITIES OF RESPONDING OFFICERS

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Officers shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify the Communications Center. An officer shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, an officer shall immediately give the location from which he/she is responding.

316.6 COMMUNICATIONS RESPONSIBILITIES

A dispatcher shall assign a Code-3 response when an officer requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the dispatcher shall obtain

Chula Vista Police Department

Policy Manual

Officer Response to Calls

authorization from the Watch Commander or a field supervisor prior to assigning units Code-3 .
The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance
- (b) Immediately notify the Watch Commander
- (c) Confirm the location from which the unit is responding
- (d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
- (e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
- (f) Control all radio communications during the emergency and coordinate assistance under the direction of the Watch Commander or field supervisor

316.7 SUPERVISORY RESPONSIBILITIES

Upon being notified that a Code-3 response has been initiated, the Watch Commander or the field supervisor shall verify the following:

- (a) The proper response has been initiated
- (b) No more than those units reasonably necessary under the circumstances are involved in the response
- (c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Watch Commander or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

316.8 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the Code-3 response and respond accordingly. In all cases, the officer shall notify the Watch

Chula Vista Police Department

Policy Manual

Officer Response to Calls

Commander, field supervisor, or the Communications Center of the equipment failure so that another unit may be assigned to the emergency response.

Canines

318.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment police services to the community including, but not limited to locating individuals and contraband and apprehending criminal offenders.

318.1.1 PROPERTY RIGHTS

Police canines are the sole property of the Department and are assigned to the handlers for the duration of their assignment or at the discretion of the Chief of Police or his/her designee.

318.1.2 RESPONSIBILITIES NON-HANDLERS

Personnel should not attempt to pet or interact with a police service dog unless the handler is present and aware of your intentions. Non-handlers shall not attempt to interact with a police service dog that is in a vehicle, which is not attended by the handler. Department personnel are prohibited from teasing, agitating or abusing police service dogs. Department personnel are prohibited from working, training or handling police service dogs without prior approval from the Canine Program Coordinator.

When a canine team is being utilized, non-handlers should follow the directions of the handler when working around the dog.

In the event that a Canine Handler is injured and unable to command his/her dog, there is a high probability that the dog may aggressively guard the handler. Non-handler officers shall consider the following when evaluating their response to the situation:

- (a) Request the assistance of another canine handler or supervisor immediately.
- (b) DO NOT rush in on the handler or dog.
- (c) Call to the handler. If possible, the handler will attempt to call the dog off.
- (d) If the handler is unable to assist, move the handler's car or a patrol car to a position as close as possible to the handler and canine.
 1. Park the vehicle with the left side facing the canine and open the left rear door.
 2. In an authoritative voice, call to the dog giving the command "Car". Most trained police canines will readily comply with the command.
 3. Close the door after the canine has entered the vehicle.
 4. Do not attempt to enter or operate the vehicle after the canine has been secured inside.
 5. After the canine is secured, another handler or canine supervisor will transport him to the injured handler's home, the canine facility, or to the home of another handler.

Chula Vista Police Department

Policy Manual

Canines

- (e) In extremely exigent circumstances where the handler's injuries appear life threatening, or when necessary to prevent further injury to the handler, the canine may be destroyed.
- (f) Under no circumstances should the canine be allowed to wander away from the scene unsupervised, presenting a danger to other responding emergency personnel or the public.

318.2 POLICY

It is the policy of the Chula Vista Police Department that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

318.2.1 TREATMENT OF CANINE BITES OR INJURIES

Officers shall use their experience and judgment to determine whether, given the medical condition of the bitten or injured person, it is more appropriate to call paramedics to the scene for immediate medical attention as an alternative to transporting the subject to the emergency room. In all cases where a person has sustained visible injury or has been rendered unconscious, the officer shall provide medical assistance. The officer shall assure the person is transported to an authorized medical facility for treatment and to obtain a medical release prior to booking or release.

Officers shall not solely accept a verbal refusal for medical attention from any person that has sustained a visible injury or has been rendered unconscious. The officer should transport the person to a medical facility, and allow medical personnel to determine the appropriate need for medical attention.

If any individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practical, should be witnessed by another officer and/or medical personnel. If an audio recording is made of contact or an interview with the individual, any refusal should be included, if possible.

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond physical characteristics, unusually high tolerance to pain or who require a protracted physical encounter with multiple officers to bring under control may be at an increased risk of sudden death and should be examined by qualified medical personnel as soon as practical. Any individual exhibiting signs of distress after such an encounter shall be medically cleared prior to booking.

318.3 ASSIGNMENT

Canine teams should be assigned to assist and supplement the Patrol Operations Division to function primarily in assist or cover assignments. However, they may be assigned by the Watch Commander to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time and then only with the approval of the Watch Commander.

Canines

318.4 CANINE COORDINATOR

The canine coordinator shall be appointed by and directly responsible to the Operations Division or the authorized designee.

The responsibilities of the coordinator include, but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

318.5 REQUESTS FOR CANINE TEAMS

Operations Division members are encouraged to request the use of a canine. Requests for a canine team from department units outside of the Patrol Operations Division shall be reviewed by the Watch Commander.

318.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Watch Commander and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

318.5.2 PUBLIC DEMONSTRATIONS

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

Canines

318.5.3 COLLATERAL DUTIES

Due to the unique requirements and demands upon a canine handler, the handler shall not apply or engage in any collateral duty assignments without the approval of the Canine Unit Coordinator.

318.5.4 REPORTING REQUIREMENTS

Canine handlers shall complete all Canine Use Reports and other reports in a timely manner in accordance with this policy and as directed by a supervisor, Watch Commander, or the Canine Unit Coordinator or Manager.

318.6 APPREHENSION GUIDELINES

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has either committed, is committing or threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any officer or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of officers or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine

Absent a reasonable belief that a suspect has committed, is committing or is threatening to commit a serious offense, mere flight from a pursuing officer, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Watch Commander. Absent a change in circumstances that present an imminent threat to officers, the canine or the public, such canine use should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

Canines

318.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include, but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to officers or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other officers at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

318.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

318.6.3 REPORTING DEPLOYMENTS, BITES AND INJURIES

Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in a canine use report. The injured person shall be promptly treated by emergency medical services personnel and, if

Canines

appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator and on-duty Watch Commander. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current department evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements. However, the canine shall be made available for examination at any reasonable time if requested by the local health department. The canine handler shall also notify the local health department if the canine exhibits any abnormal behavior after a bite (Health and Safety Code § 121685).

318.7 NON-APPREHENSION GUIDELINES

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply.

- (a) Absent a change in circumstances that present an immediate threat to officers, the canine or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.
- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

318.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

318.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

Canines

- (a) The search of vehicles, buildings, bags and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

318.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and officers when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

318.8 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) An officer who is currently off probation.
- (b) Residing in an adequately fenced, single-family residence (minimum 5-foot high fence with locking gates).
- (c) A garage that can be secured and accommodate a canine vehicle.
- (d) Living within 30 minutes travel time from the Chula Vista City limits.
- (e) Agreeing to be assigned to the position for a minimum of four years.

318.9 HANDLER RESPONSIBILITIES

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection and living conditions.

The canine handler will be responsible for the following:

Chula Vista Police Department

Policy Manual

Canines

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all department equipment under his/her control in a clean and serviceable condition.
- (c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the Chula Vista Police Department facility.
- (e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the City at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.
- (h) The canine should be permitted to socialize in the home with the handler's family for short periods of time and under the direct supervision of the handler.
- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Watch Commander.
- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Watch Commander.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

318.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the dog. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

318.10 CANINE INJURY AND MEDICAL CARE

In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Watch Commander as soon as practicable and appropriately documented.

Canines

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

318.11 TRAINING

Before assignment in the field, each canine team shall be trained and certified to meet current POST guidelines or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified by the California Narcotic Canine Association (CNCA) or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all department members in order to familiarize them with how to conduct themselves in the presence of department canines.

All canine training should be conducted while on-duty unless otherwise approved by the canine coordinator or Watch Commander.

318.11.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current POST, CNCA or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the Chula Vista Police Department canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer or outside vendor is authorized to train to a standard that is not reviewed and approved by this department.

318.11.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

318.11.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

318.11.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Officers possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements regarding the same. Alternatively, the

Chula Vista Police Department

Policy Manual

Canines

Chula Vista Police Department may work with outside trainers with the applicable licenses or permits.

318.11.5 CONTROLLED SUBSTANCE TRAINING AIDS

Officers acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (Health & Safety Code § 11367.5; 21 USC § 823(f)).

The Chief of Police or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the Chula Vista Police Department to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this department for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Chief of Police or the authorized designee may request narcotics training aids from the Drug Enforcement Agency (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

318.11.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this department.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.
- (e) All controlled substance training samples will be stored in locked, airtight and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Evidence Control or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

Canines

318.11.7 EXPLOSIVE TRAINING AIDS

Officers may possess, transport, store or use explosives or destructive devices in compliance with state and federal laws (Penal Code § 18800; 18 USC § 842; 27 CFR 555.41).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible to verify the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

318.12 ASSIGNED CANINE VEHICLES

Members assigned to a canine team will be issued a Department canine vehicle for the use of transporting the canine and deploying the canine during patrol operations. If the issued canine vehicle should go out-of-service, a spare canine vehicle will be provided if available. At no time should a non-canine vehicle be used without the prior approval of the on-duty Watch Commander.

Domestic Violence

320.1 PURPOSE AND SCOPE

Domestic violence is alleged criminal conduct and it is the policy of the Chula Vista Police Department to stress enforcement of criminal laws related to domestic violence, the protection of the victim, and the availability of civil remedies and community resources. This includes the arrest of domestic violence offenders and those who violate protective orders if there is probable cause to believe an offense has occurred.

In responding to domestic violence incidents, including mutual protective order violations, officers should generally be reluctant to make dual arrests. Officers shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person determined to be the most significant, rather than the first, aggressor. In identifying the dominant aggressor, an officer shall consider:

- (a) The intent of the law to protect victims of domestic violence from continuing abuse
- (b) The threats creating fear of physical injury
- (c) The history of domestic violence between the persons involved
- (d) Whether either person acted in self-defense

320.1.1 DEFINITIONS

The Chula Vista Police Department "Domestic Violence" policy is drafted in compliance with guidelines established and approved by the Commission on Peace Officer Standards and Training. The following definitions are provided by Penal Code § 13700:

Abuse - means intentionally or recklessly causing or attempting to cause bodily injury, or placing another person in reasonable apprehension of imminent serious bodily injury.

Domestic Violence - is abuse committed against an adult or minor who is a spouse, former spouse, cohabitant, former cohabitant, or a person with whom the suspect has had a child or is having or has had a dating or engagement relationship.

Cohabitant - means two unrelated adult persons living together for a substantial period of time, resulting in some permanence of relationship. Factors that may determine whether persons are cohabiting include, but are not limited to:

- Sexual relations between the parties while sharing the same living quarters
- Sharing of income or expenses
- Joint use or ownership of property
- Whether the parties hold themselves out as husband and wife
- The continuity of the relationship
- The length of the relationship

Domestic Violence

The above definition of cohabitant is used for the application of enforcing Penal Code § 273.5. Family Code § 6209 expands the definition of cohabitant to include a person who regularly resides in the household for the application of enforcing Penal Code § 836(d).

Officer/Deputy - means any law enforcement officer employed by a local police department or sheriff's department, consistent with Penal Code § 830.1.

Victim - means a person who is a victim of domestic violence.

320.2 POLICY

The Chula Vista Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

320.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

320.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigations in the event that the injuries later become visible.

Chula Vista Police Department

Policy Manual

Domestic Violence

- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Marital status of suspect and victim.
 - 2. Whether the suspect lives on the premises with the victim.
 - 3. Claims by the suspect that the victim provoked or perpetuated the violence.
 - 4. The potential financial or child custody consequences of arrest.
 - 5. The physical or emotional state of either party.
 - 6. Use of drugs or alcohol by either party.
 - 7. Denial that the abuse occurred where evidence indicates otherwise.
 - 8. A request by the victim not to arrest the suspect.
 - 9. Location of the incident (public/private).
 - 10. Speculation that the complainant may not follow through with the prosecution.
 - 11. The racial, cultural, social, professional position or sexual orientation of the victim or suspect.

320.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.

Chula Vista Police Department

Policy Manual

Domestic Violence

- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

320.4.2 IF NO ARREST IS MADE

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
 - 1. Voluntary separation of the parties.
 - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

320.5 VICTIM ASSISTANCE

Victims may be traumatized or confused. Officers should:

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

320.6 DISPATCH ASSISTANCE

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

Domestic Violence

320.6.1 DOMESTIC VIOLENCE RESPONSE TEAM

The Department maintains a partnership with South Bay Community Services (SBCS) to provide follow-up services to violence victims and families in domestic violence situations, and immediate services when a victim needs emergency shelter.

The Domestic Violence Response Team (DVRT) may be activated for any occurrence of domestic violence, sexual assault or stalking where there is an immediate need for the victim to be placed in a shelter. These cases often involve circumstances where the victim is at risk of ongoing abuse which appears likely to result in serious injury or death to the victim or children living in the home. Officers should notify DVRT as soon as possible. DVRT may be notified by contacting the on-call representative, or through the Communications Center. Officers should be prepared to provide DVRT with the victim's name, telephone number, current location, and language. Officers should also know the suspect's location and, if applicable, the name of any other community responders (such as a member of the Citizen Adversity Support Team).

In any situation where a suspected offender is present at the scene but is not arrested, or has fled the scene and whose whereabouts are unknown, the officer should remain at the location as long as the DVRT advocate is responding or is present. In the event another call for service requires the officer to leave the location, the officer should immediately notify DVRT that they are being called elsewhere.

320.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

320.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Chula Vista Police Department

Policy Manual

Domestic Violence

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

320.9 LEGAL MANDATES AND RELEVANT LAWS

California law provides for the following:

320.9.1 STANDARDS FOR ARRESTS

Officers investigating a domestic violence report should consider the following:

- (a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is reasonable cause to do so requires supervisor approval.
 - 1. Officers are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the officer makes the arrest as soon as probable cause arises (Penal Code § 836).
- (b) An officer responding to a domestic violence call who cannot not make an arrest will advise the victim of his/her right to make a private person's arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Officers shall not dissuade victims from making a lawful private person's arrest. Officers should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person's arrests (Penal Code § 836(b)).
- (c) Officers shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):
 - 1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
 - 2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender's child)
 - 3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
 - 4. Penal Code § 646.9 (stalking)
 - 5. Other serious or violent felonies specified in Penal Code § 1270.1
- (d) In responding to domestic violence incidents, including mutual protective order violations, officers should generally be reluctant to make dual arrests. Officers shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, an officer shall consider:

Chula Vista Police Department

Policy Manual

Domestic Violence

1. The intent of the law to protect victims of domestic violence from continuing abuse.
 2. The threats creating fear of physical injury.
 3. The history of domestic violence between the persons involved.
 4. Whether either person acted in self-defense.
- (e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the officer's presence. After arrest, the officer shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

320.9.2 COURT ORDERS

- (a) An officer who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located, and shall provide the person protected or the person's parent/guardian with a copy of the order. The officer shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).
- (b) At the request of the petitioner, an officer at the scene of a reported domestic violence incident shall serve a court order on a restrained person (Family Code § 6383; Penal Code § 13710).
- (c) Any officer serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)(2)).
- (d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).

320.9.3 PUBLIC ACCESS TO POLICY

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

320.9.4 REPORTS AND RECORDS

- (a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.
- (b) Reporting officers should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an

Chula Vista Police Department

Policy Manual

Domestic Violence

explanation should be given regarding how the victim can obtain the information at a later time.

- (c) Officers who seize any firearm or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 33800; Family Code § 6389(c)(2)).

320.9.5 RECORD-KEEPING AND DATA COLLECTION

This department shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the Department, including whether weapons were used in the incident (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Manager to maintain and report this information as required.

320.9.6 DECLARATION IN SUPPORT OF BAIL INCREASE

Any officer who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee's appearance or to protect the victim or family member of a victim, the officer shall prepare a declaration in support of increased bail (Penal Code § 1269c).

Search and Seizure

322.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Chula Vista Police Department personnel to consider when dealing with search and seizure issues.

322.2 POLICY

It is the policy of the Chula Vista Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

322.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Search and Seizure

322.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

322.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

Temporary Custody of Juveniles

324.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Chula Vista Police Department (42 USC § 5633).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

324.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian or other responsible person.

Juvenile offender - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

Non-secure custody - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1(d); 15 CCR 1150).

Safety checks - Direct, visual observation personally by member of this department performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of inmates.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.

Chula Vista Police Department

Policy Manual

Temporary Custody of Juveniles

- (d) A juvenile being processed in a secure booking area when an unsecure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.

Sight and sound separation - Located or arranged to prevent physical, visual or auditory contact.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation or truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

324.2 POLICY

The Chula Vista Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Chula Vista Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

324.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the Chula Vista Police Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated except when approved by the Watch Commander. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation (15 CCR 1142; 15 CCR 1151).

These juveniles should not be held at the Chula Vista Police Department unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

Chula Vista Police Department

Policy Manual

Temporary Custody of Juveniles

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed (15 CCR 1142).

324.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Watch Commander shall be notified of the need for medical attention for the juvenile. Department members should administer first aid as applicable (15 CCR 1142).

324.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

Department members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself or any unusual behavior which may indicate the juvenile may harm him/herself while in either secure or non-secure custody (15 CCR 1142).

324.4 CUSTODY OF JUVENILES

Officers should take custody of a juvenile and temporarily hold the juvenile at the Chula Vista Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the Chula Vista Police Department without authorization of the arresting officer's supervisor or the Watch Commander. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Chula Vista Police Department (42 USC § 5633; Welfare and Institutions Code § 207.1(d)).

324.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Chula Vista Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (42 USC § 5633; Welfare and Institutions Code § 206).

324.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Status offenders shall not be held in secure custody (42 USC § 5633).

Temporary Custody of Juveniles

324.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Chula Vista Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and suspected of using a firearm in violation of Welfare and Institutions Code 625.3 shall be transported to a juvenile facility.

A juvenile offender suspected of committing murder or a sex offense that may subject a juvenile to criminal jurisdiction under Welfare and Institutions Code § 602(b), or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the Department.
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
- (d) Transported to his/her home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating officer or supervisor shall prefer the alternative which least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the officer should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

324.5 ADVISEMENTS

Officers shall take immediate steps to notify the juvenile's parent, guardian or a responsible relative that the juvenile is in custody, the location where the juvenile is being held and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, he/she shall be given the *Miranda* rights advisement regardless of whether questioning is intended (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, he/she shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1(d)).

Temporary Custody of Juveniles

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to his/her parent or guardian; one to a responsible relative or his/her employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

324.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (a) Identifying information about the juvenile being held.
- (b) Date and time of arrival and release from the Chula Vista Police Department (15 CCR 1150).
- (c) Watch Commander notification and approval to temporarily hold the juvenile.
- (d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender or non-offender.
- (e) Any changes in status.
- (f) Time of all safety checks.
- (g) Any medical and other screening requested and completed (15 CCR 1142).
- (h) Circumstances that justify any secure custody (Welfare and Institutions Code § 207.1(d); 15 CCR 1145).
- (i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Watch Commander shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

324.6.1 RELEASE OF INFORMATION BY SUPERIOR COURT ORDER

A copy of the current policy of the Juvenile Court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.

324.7 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (42 USC § 5633; Welfare and Institutions Code § 207.1(d); Welfare and Institutions Code § 208; 15 CCR 1144). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

Chula Vista Police Department

Policy Manual

Temporary Custody of Juveniles

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Chula Vista Police Department (trained in the supervision of persons in custody) shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact (15 CCR 1144).

324.7.1 TRUANCY AND DAYTIME LOITERING VIOLATIONS

Juveniles detained for truancy in violation of the California Education Code may be released to a parent, legal guardian, responsible adult, or the juvenile's school of attendance. Truancy is an educational administrative matter. The officer should complete a Juvenile Contact Report.

Juveniles detained for daytime loitering in violation of local prohibition should be issued a citation for the appropriate municipal code violation, and may be released to a parent, legal guardian, responsible adult, or the juvenile's school of attendance.

324.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Chula Vista Police Department shall ensure the following:

- (a) The Watch Commander should be notified if it is anticipated that a juvenile may need to remain at the Chula Vista Police Department more than four hours. This will enable the Watch Commander to ensure no juvenile is held at the Chula Vista Police Department more than six hours.
- (b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (c) Personal safety checks and significant incidents/activities shall be noted on the log.
- (d) There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware. Therefore, an employee should inform a juvenile under his/her care that the juvenile will be monitored at all times, unless he/she is using the toilet. This does not apply to surreptitious and legally obtained recorded interrogations.
- (e) Juveniles shall have reasonable access to toilets and wash basins (15 CCR 1143).
- (f) Food shall be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile (15 CCR 1143).
- (g) Juveniles shall have reasonable access to a drinking fountain or water (15 CCR 1143).
- (h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.
- (i) Juveniles shall have privacy during family, guardian and/or lawyer visits (15 CCR 1143).

Temporary Custody of Juveniles

- (j) Juveniles shall be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody (15 CCR 1143).
- (k) Blankets shall be provided as reasonably necessary (15 CCR 1143).
- (l) Adequate shelter, heat, light and ventilation should be provided without compromising security or enabling escape.
- (m) Juveniles shall have adequate furnishings, including suitable chairs or benches.
- (n) Juveniles shall have the right to the same number of telephone calls as an adult in custody.
- (o) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation or mental abuse (15 CCR 1142).

324.9 USE OF RESTRAINT DEVICES

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Chula Vista Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening (15 CCR 1142).

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Watch Commander. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others (15 CCR 1142).

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse (15 CCR 1142).

324.10 PERSONAL PROPERTY

The officer taking custody of a juvenile offender or status offender at the Chula Vista Police Department shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Chula Vista Police Department.

324.11 SECURE CUSTODY

Only juvenile offenders 14 years of age or older may be placed in secure custody (Welfare and Institutions Code § 207; 15 CCR 1145). Watch Commander approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others. Factors to be considered when

Temporary Custody of Juveniles

determining if the juvenile offender presents a serious security risk to him/herself or others include the following (15 CCR 1145):

- (a) Age, maturity and delinquent history
- (b) Severity of offense for which the juvenile was taken into custody
- (c) The juvenile offender's behavior
- (d) Availability of staff to provide adequate supervision or protection of the juvenile offender
- (e) Age, type and number of other individuals in custody at the facility

Members of this department shall not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option (15 CCR 1145).

When practicable and when no locked enclosure is available, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object (15 CCR 1148).

Juveniles shall not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter (15 CCR 1148). Supervisor approval should be documented.

The decision for securing a minor to a stationary object for longer than 60 minutes and every 30 minutes thereafter shall be based upon the best interests of the juvenile offender (15 CCR 1148).

324.11.1 LOCKED ENCLOSURES

A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

- (a) The juvenile shall constantly be monitored by an audio/video system during the entire custody.
- (b) Juveniles shall have constant auditory access to department members (15 CCR 1147).
- (c) Initial placement into and removal from a locked enclosure shall be logged (Welfare and Institutions Code § 207.1(d)).
- (d) Unscheduled safety checks to provide for the health and welfare of the juvenile by a staff member, no less than once every 15 minutes, shall occur (15 CCR 1147; 15 CCR 1151).
 - 1. All safety checks shall be logged.
 - 2. The safety check should involve questioning the juvenile as to his/her well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).
 - 3. Requests or concerns of the juvenile should be logged.

Chula Vista Police Department

Policy Manual

324.12 SUICIDE ATTEMPT, DEATH OR SERIOUS INJURY OF A JUVENILE

The Watch Commander will ensure procedures are in place to address the suicide attempt, death or serious injury of any juvenile held at the Chula Vista Police Department (15 CCR 1142; 15 CCR 1047). The procedures will address:

- (i) Evidence preservation.

324.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

324.13.1 MANDATORY RECORDINGS OF JUVENILES

Any interrogation of an individual under 18 years of age who is in custody and suspected of committing murder shall be audio and video recorded when the interview takes place at a department facility, jail, detention facility or other fixed place of detention. The recording shall include the entire interview and a Miranda advisement preceding the interrogation (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.

Chula Vista Police Department

Policy Manual

Temporary Custody of Juveniles

- (b) The individual refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation took place in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of an officer, the individual being interrogated or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.

These recordings shall be retained until a conviction is final and all direct and habeas corpus appeals are exhausted, a court no longer has any jurisdiction over the individual or the prosecution for that offense is barred (Penal Code § 859.5; Welfare and Institutions Code § 626.8).

324.14 FORMAL BOOKING

No juvenile offender shall be formally booked without the authorization of the arresting officer's supervisor, or in his/her absence, the Watch Commander.

Any juvenile, 14 years of age or older, who is taken into custody for a felony, or any juvenile whose acts amount to a sex crime, shall be booked, fingerprinted and photographed.

For all other acts defined as crimes, juveniles may be booked, fingerprinted or photographed upon the approval from the Watch Commander or Investigations supervisor, giving due consideration to the following:

- (a) The gravity of the offense
- (b) The past record of the offender
- (c) The age of the offender

324.15 RELEASE OF INFORMATION CONCERNING JUVENILES

Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this department shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.

A copy of the current policy of the juvenile court concerning authorized release of information and appropriate acknowledgment forms shall be kept with copies of this procedure in the Chula Vista

Chula Vista Police Department

Policy Manual

Temporary Custody of Juveniles

Police Department Policy Manual. Such releases are authorized by Welfare and Institutions Code § 827.

324.16 BOARD OF STATE AND COMMUNITY CORRECTIONS CERTIFICATION

The Operations Division Commander shall coordinate the procedures related to the custody of juveniles held at the Chula Vista Police Department and ensure any required certification is maintained (Welfare and Institution Code § 210.2).

The Chula Vista Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

 - (j) When the Department receives a report of abuse, neglect or abandonment of an elder or dependent adult alleged to have occurred in a long-term care facility, the licensing agency shall be notified by telephone as soon as practicable (Welfare and Institutions Code § 15640(e)).

The Investigations supervisor is responsible for ensuring that proper notifications have occurred to the District Attorney's Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) per Welfare and Institutions Code § 15630(b).

Notification is not required for a person who was merely present when a person self-administered a prescribed aid-in-dying drug or a person prepared an aid-in-dying drug so long as the person did not assist the individual in ingesting the aid-in-dying drug (Health and Safety Code § 443.14; Health and Safety Code § 443.18).

326.5.1 NOTIFICATION PROCEDURE

Notification should include the following information, if known (Welfare and Institutions Code § 15630(e)):

- (a) The name of the person making the report.
- (b) The name and age of the elder or dependent adult.
- (c) The present location of the elder or dependent adult.
- (d) The names and addresses of family members or any other adult responsible for the care of the elder or dependent adult.
- (e) The nature and extent of the condition of the elder or dependent adult.
- (f) The date of incident.
- (g) Any other information, including information that led the person to suspect elder or dependent adult abuse.

326.6 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible

Adult Abuse

adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to APS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

326.6.1 EMERGENCY PROTECTIVE ORDERS

In any situation which an officer reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the officer may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

326.7 INTERVIEWS

326.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

326.7.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

(a) Exigent circumstances exist, such as:

1. A reasonable belief that medical issues of the adult need to be addressed immediately.

Adult Abuse

2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

326.8 MEDICAL EXAMINATIONS

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

326.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

326.9.1 SUPERVISOR RESPONSIBILITIES

The Investigations supervisor should:

- (a) Work with professionals from the appropriate agencies, including APS, other law enforcement agencies, medical service providers and local prosecutors, to develop community specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Investigations supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the adult.

326.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

- (a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.

Adult Abuse

- (b) Notify the Investigations supervisor so an interagency response can begin.

326.10 STATE MANDATES AND OTHER RELEVANT LAWS

California requires or permits the following:

326.10.1 POLICE SUPPORT SERVICES RESPONSIBILITIES

The Police Support Services is responsible for:

- (a) Providing a copy of the adult abuse report to the APS, ombudsman or other agency as applicable within two working days or as required by law (Welfare and Institutions Code § 15630; Welfare and Institutions Code § 15640(c)).
- (b) Retaining the original adult abuse report with the initial case file.

326.11 TRAINING

The Department should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to adult abuse investigations.
- (f) Availability of victim advocates or other support.

Discriminatory Harassment

328.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

328.2 POLICY

The Chula Vista Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

328.3 DEFINITIONS

Definitions related to this policy include:

328.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on race, color, religion, sex, age, national origin or ancestry, genetic information, disability, military service, sexual orientation and other classifications protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment, can include making derogatory comments, crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

328.3.2 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Chula Vista Police Department

Policy Manual

Discriminatory Harassment

Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors or other verbal, visual or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

328.3.3 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Fair Employment and Housing Council guidelines.
- (b) Bona fide requests or demands by a supervisor that a member improve his/her work quality or output, that the member report to the job site on time, that the member comply with City or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

328.3.4 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because he/she has engaged in protected activity, filed a charge of discrimination, participated in an investigation or opposed a discriminatory practice. Retaliation will not be tolerated.

328.4 RESPONSIBILITIES

This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional law enforcement standards and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to his/her immediate supervisor may bypass the chain of command and make the report to a higher ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Personnel Manager or the City Manager.

Any member who believes, in good faith, that he/she has been discriminated against, harassed or subjected to retaliation, or who has observed harassment or discrimination, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

Chula Vista Police Department

Policy Manual

Discriminatory Harassment

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

328.4.1 SUPERVISOR RESPONSIBILITIES

The responsibilities of each supervisor and manager shall include, but are not limited to:

- (a) Continually monitoring the work environment and strive to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Taking prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment or retaliation.
- (c) Ensuring that their subordinates understand their responsibilities under this policy.
- (d) Ensuring that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or Personnel Manager in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment or retaliation no later than the next business day.

328.4.2 SUPERVISOR'S ROLE

Because of differences in individual values, supervisors and managers may find it difficult to recognize that their behavior or the behavior of others is discriminatory, harassing or retaliatory. Supervisors and managers shall be aware of the following considerations:

- (a) Behavior of supervisors and managers should represent the values of our Department and professional law enforcement standards.
- (b) False or mistaken accusations of discrimination, harassment or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members or issuing discipline, in a manner that is consistent with established procedures.

328.4.3 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Personnel Manager, the City Manager or the California Department of Fair Employment and Housing for further information, direction or clarification.

Policy Manual

Discriminatory Harassment

328.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved member should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation or harassment shall be fully documented and promptly and thoroughly investigated.

328.5.1 SUPERVISORY RESOLUTION

Members who believe they are experiencing discrimination, harassment or retaliation should be encouraged to inform the individual that his/her behavior is unwelcome, offensive, unprofessional or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing his/her concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

328.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include, but is not limited to, details of the specific incident, frequency dates of occurrences and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed or retaliated against because of their protected status, are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, Personnel Manager or the City Manager.

328.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated or retaliated against are entitled to bring complaints of employment discrimination to federal, state and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

328.6 DOCUMENTATION OF COMPLAINTS

All complaints or allegations shall be thoroughly documented on forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

Discriminatory Harassment

- Approved by the Chief of Police, the City Manager or the Personnel Manager, depending on the ranks of the involved parties.
- Maintained in accordance with the department's established records retention schedule.

328.6.1 NOTIFICATION OF DISPOSITION

The complainant and/or victim will be notified in writing of the disposition of the investigation and the actions taken to remedy or address the circumstances giving rise to the complaint.

328.7 TRAINING

All new members shall be provided with a copy of this policy as part of their orientation. The policy shall be reviewed with each new member. The member shall certify by signing the prescribed form that he/she has been advised of this policy, is aware of and understands its contents and agrees to abide by its provisions during his/her term with the Department.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents and agree that they will continue to abide by its provisions.

328.7.1 SUPERVISOR TRAINING

All supervisors shall receive specific training and education regarding sexual harassment and prevention of abusive conduct within six months of assuming a supervisory position. Refresher training shall be provided every two years thereafter (Government Code § 12950.1; 2 CCR 11023).

328.7.2 TRAINING RECORDS

The Training Manager shall be responsible for maintaining records of all discriminatory harassment training provided to members. Records shall be retained in accordance with established records retention schedules and for a minimum of two years (2 CCR 11023).

Child Abuse

330.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when Chula Vista Police Department members are required to notify the county Child Protective Services (CPS) of suspected child abuse.

330.1.1 DEFINITIONS

Definitions related to this policy include:

Child - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

Child abuse - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

330.2 POLICY

The Chula Vista Police Department will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

330.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney's office shall be notified in all instances of known or suspected child abuse or neglect reported to this department. Reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care or supervision where no physical injury to the child has occurred should not be reported to the District Attorney (Penal Code § 11166).

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority (Penal Code 11166.1; Penal Code 11166.2).

For purposes of notification, the abuse or neglect includes physical injury or death inflicted by other than accidental means upon a child by another person; sexual abuse (Penal Code § 11165.1); neglect (Penal Code § 11165.2); the willful harming or injuring of a child or the endangering of the

Child Abuse

person or health of a child (Penal Code § 11165.3); and unlawful corporal punishment or injury (Penal Code § 11165.4). Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of his/her employment as a peace officer.

330.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (Penal Code § 11166):

- (a) Notification shall be made immediately, or as soon as practicable, by telephone, fax or electronic transmission.
- (b) A written follow-up report should be forwarded within 36 hours of receiving the information concerning the incident.

330.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 18961.7).

330.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.

Chula Vista Police Department

Policy Manual

Child Abuse

- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

330.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, department members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. If the caller cannot be successfully transferred to the appropriate agency, a report shall be taken and immediately referred by telephone, fax or electronic transfer to the agency with proper jurisdiction (Penal Code 11165.9).

330.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact CPS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to CPS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Chula Vista Police Department

Policy Manual

Child Abuse

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

- (a) The officer reasonably believes the child is a person described in Welfare and Institutions Code § 300, and further has good cause to believe that any of the following conditions exist:
 - 1. The child has an immediate need for medical care.
 - 2. The child is in immediate danger of physical or sexual abuse.
 - 3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the officer shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.
- (b) The officer reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
 - 1. It reasonably appears to the officer that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
 - 2. There is no lawful custodian available to take custody of the child.
 - 3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
 - 4. The child is an abducted child.
- (c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 or Penal Code § 278.5.

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

330.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

330.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS

Under certain circumstances, officers can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Officers shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

330.7 INTERVIEWS

Child Abuse

330.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

330.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
 - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
 - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
 - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

330.7.3 INTERVIEWS AT A SCHOOL

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

330.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

Child Abuse

330.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

330.9.1 SUPERVISOR RESPONSIBILITIES

The Investigations supervisor should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Investigations supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

330.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigations supervisor so an interagency response can begin.

330.10 STATE MANDATES AND OTHER RELEVANT LAWS

California requires or permits the following:

330.10.1 RELEASE OF REPORTS

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Penal Code 841.5; Penal Code § 11167.5).

330.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSE CENTRAL INDEX (CACI)

Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California's CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

Child Abuse

330.10.3 CACI HEARING OFFICER

The Investigations supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person's name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

330.10.4 CACI HEARING PROCEDURES

The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

- (a) Case reports including any supplemental reports
- (b) Statements by investigators
- (c) Statements from representatives of the District Attorney's Office
- (d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party's name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person's name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

330.10.5 CHILD DEATH REVIEW TEAM

This department should cooperate with any interagency child death review team investigation (Penal Code § 11174.32).

330.11 TRAINING

The Department should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results of such subsequent investigation prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.
- (f) Once the employee has completed his/her *Skelly* response or, if the employee has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. Once the Chief of Police determines that discipline will be imposed, a timely written decision shall be provided to the employee within 30 days, imposing, modifying or rejecting the recommended discipline. In situations resulting in the imposition of a suspension, punitive transfer, demotion, termination of a non-probationary employee, the employee shall have the right to an evidentiary appeal of the Chief of Police's imposition of discipline pursuant to the operative Memorandum of Understanding (MOU) or collective bargaining agreement and personnel rules.

During any post-Skelly administrative appeal, evidence that an officer has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such *Brady* evidence shall be limited to determining the appropriateness of penalty. (Government Code § 3305.5).

Conduct

340.9 DISCIPLINARY ACTION AGAINST PROBATIONARY EMPLOYEES

In the event that a probationary employee is terminated solely for unsatisfactory performance or the failure to meet department standards, the employee shall have no right to appeal and the following shall be considered:

- (b) In the event that a probationary employee is disciplined or terminated for misconduct, the employee shall only be entitled to appeal the decision in the same manner as set forth in the *Skelly* procedure as set forth above. This appeal process may be held prior to or within a reasonable time after the imposition of discipline
- (c) At all times during any investigation of allegations of misconduct involving a probationary officer, such officer shall be afforded all procedural rights set forth in Government Code § 3303 and applicable Department policies
- (d) A probationary employee's appeal of disciplinary action shall be limited to an opportunity for the employee to attempt to establish that the underlying allegations should not be sustained. Nothing in this policy or procedure, however, should be construed to establish any sort of property interest in or right to the employee's continuation of employment
- (e) The burden of proof for any probationary employee's appeal of disciplinary action shall rest with the employee and will require proof by a preponderance of the evidence
- (f) In the event that a probationary employee meets his or her burden of proof in such a disciplinary appeal, the Department shall remove all reference to the underlying allegations of misconduct from the employee's personnel file
- (g) In the event that a probationary employee fails to meet his or her burden of proof in such a disciplinary appeal, the employee shall have no further right to appeal beyond the Chief of Police

Software - Includes, but is not limited to, all computer programs, systems and applications, including shareware. This does not include files created by the individual user.

Temporary file, permanent file or file - Any electronic document, information or data residing or located, in whole or in part, on the system including, but not limited to, spreadsheets, calendar entries, appointments, tasks, notes, letters, reports, messages, photographs or videos.

It is the policy of the Chula Vista Police Department that members shall use information technology resources, including computers, software and systems, that are issued or maintained by the Department in a professional manner and in accordance with this policy.

342.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts or anything published, shared, transmitted or maintained through file-sharing software or any Internet site that is accessed, transmitted, received or reviewed on any department computer system.

The Department reserves the right to access, audit and disclose, for whatever reason, any message, including attachments, and any information accessed, transmitted, received or reviewed over any technology that is issued or maintained by the Department, including the department email system, computer network and/or any information placed into storage on any department system or device. This includes records of all keystrokes or Web-browsing history made at any department computer or over any department network. The fact that access to a database, service or website requires a username or password will not create an expectation of privacy if it is accessed through department computers, electronic devices or networks.

Information Technology Use

However, the Department may not require a member to disclose a personal username or password or open a personal social website, except when access is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

342.4 RESTRICTED USE

Members shall not access computers, devices, software or systems for which they have not received prior authorization or the required training. Members shall immediately report unauthorized access or use of computers, devices, software or systems by another member to their supervisors or Watch Commanders.

When related to criminal investigations, software program files may be downloaded only with the approval of the information systems technology (IT) staff and with the authorization of the Chief of Police or the authorized designee.

No member shall knowingly make, acquire or use unauthorized copies of computer software that is not licensed to the Department while on department premises, computer systems or electronic devices. Such unauthorized use of software exposes the Department and involved members to severe civil and criminal penalties.

Introduction of software by members should only occur as part of the automated maintenance or update process of department- or City-approved or installed programs by the original manufacturer, producer or developer of the software.

Any other introduction of software requires prior authorization from IT staff and a full scan for malicious attachments.

342.4.2 HARDWARE

Access to technology resources provided by or through the Department shall be strictly limited to department-related activities. Data stored on or available through department computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation, or who otherwise have a legitimate law enforcement or department-related purpose to access such data. Any exceptions to this policy must be approved by a supervisor.

Chula Vista Police Department

Policy Manual

Information Technology Use

342.4.3 INTERNET USE

Internet access provided by or through the Department should be limited to department-related activities, however, incidental personal use is authorized. Incidental personal use is secondary, and should not interfere with the City's operation of Electronic Communications resources; interfere with the user's employment or other obligations to the city, or burden the City with noticeable incremental costs. Internet sites containing information that is not appropriate or applicable to department use and which shall not be intentionally accessed include, but are not limited to, adult forums, pornography, gambling, chat rooms and similar or related Internet sites. Certain exceptions may be permitted with the express approval of a supervisor as a function of a member's assignment.

Downloaded information shall be limited to messages, mail and data files.

342.4.4 OFF-DUTY USE

Members shall only use technology resources provided by the Department while on-duty or in conjunction with specific on-call assignments unless specifically authorized by a supervisor. This includes the use of telephones, cell phones, texting, email or any other "off the clock" work-related activities. This also applies to personally owned devices that are used to access department resources.

Refer to the Personal Communication Devices Policy for guidelines regarding off-duty use of personally owned technology.

342.5 PROTECTION OF AGENCY SYSTEMS AND FILES

All members have a duty to protect the computer system and related systems and devices from physical and environmental damage and are responsible for the correct use, operation, care and maintenance of the computer system.

Members shall ensure department computers and access terminals are not viewable by persons who are not authorized users. Computers and terminals should be secured, users logged off and password protections enabled whenever the user is not present. Access passwords, logon information and other individual security data, protocols and procedures are confidential information and are not to be shared. Password length, format, structure and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor.

It is prohibited for a member to allow an unauthorized user to access the computer system at any time or for any reason. Members shall promptly report any unauthorized access to the computer system or suspected intrusion from outside sources (including the Internet) to a supervisor.

342.6 INSPECTION OR REVIEW

Report Preparation

344.1 PURPOSE AND SCOPE

Report preparation is a major part of each officer's job. The purpose of reports is to document sufficient information to refresh the officer's memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized training and on-the-job training.

344.1.1 REPORT PREPARATION

Employees should ensure that reports are sufficiently detailed for their purpose and free from errors prior to submission. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense, and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident, nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

344.2.1 CRIMINAL ACTIVITY

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for departmental consistency.

344.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS

County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

Report Preparation

344.4 REPORT CORRECTIONS

346.4.3 PERSONAL POINTS OF VIEW

It is recognized that all employees have the right to personal points of view regarding any issue. However, personal points of view may conflict with the department's official policy. Therefore, department employees who communicate personal points of view to any media outlet may not use official City or Department stationery or letterhead, nor may the information be sent through City or Department email or other electronic communications devices.

If an employee chooses to identify themselves as a police department employee in any personal communication to a media outlet, the employee shall include language which states their views do not represent the views of the police department, but rather, are the employee's personally held opinions. Similar disclaimers must be given if an employee addresses a public meeting, participates in a radio talk show, or is interviewed for a radio or television program unless the employee is officially representing the police department. Employees who are representing the police department in any of the above formats must identify themselves as an official spokesperson for the police department.

Chula Vista Police Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

348.2.1 DELAYS OR CONFLICTING SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so. This may be accomplished by personal service to the officer or by delivery of two copies of the subpoena to the officer's supervisor or other authorized departmental agent (Government Code § 68097.1; Penal Code § 1328(c)).

The party that issues a civil subpoena to an officer to testify as a witness must tender the statutory fee of \$275 with the subpoena for each day that an appearance is required before service is accepted of the subpoena (Government Code § 68097.2).

An immediate supervisor or authorized individual may refuse to accept service for a criminal subpoena if (Penal Code § 1328(d)(e)):

- (a) He/she knows that he/she will be unable to deliver a copy of the subpoena to the named officer within sufficient time for the named officer to comply with the subpoena.

No member shall be retaliated against for testifying in any matter.

348.3.2 CIVIL SUBPOENA

Any employee subpoenaed for appearance in an official proceeding may voluntarily elect to provide accurate and reasonably reliable telephone number(s) to the entity or person issuing the subpoena for the purposes of being on standby in lieu of or in addition to a physical appearance in court. There are no standby agreements with the courts, and the option to be placed on standby is at the sole discretion of the subpoenaed employee with the agreement of the issuing entity.

Any employee electing to be placed on standby shall remain available by phone or pager so that he or she may be directed to appear in court within a reasonable period of time. If an employee on standby changes his/her location during the day, the employee shall notify the issuing entity of how he/she can be reached by telephone. Employees may remain on standby each day the case is trailing. In a criminal case, the issuing entity, such as the Deputy District Attorney handling the case or a defense attorney issuing a defense subpoena, is the only person authorized to excuse an employee from standby status.

Employees shall not be compensated for standby time unless otherwise specified in the current employee Memorandum of Understanding.

When appearing in court, members shall:

- (a) Be punctual and prepared to proceed immediately with the case for which they are scheduled to appear.

350.2 SELECTION AND APPOINTMENT OF POLICE RESERVE OFFICERS

The Chula Vista Police Department shall endeavor to recruit and appoint to the Reserve Unit only those applicants who meet the high ethical, moral and professional standards set forth by this department.

350.2.1 PROCEDURE

All applicants shall be required to meet and pass the same pre-employment procedures as regular police officers before appointment.

Before appointment to the Police Reserve Unit, an applicant must have completed, or be in the process of completing, a POST approved basic academy or extended basic academy.

350.2.2 APPOINTMENT

Applicants who are selected for appointment to the Police Reserve Unit shall, on the recommendation of the Chief of Police, be sworn in by the Chief of Police and take a loyalty oath to observe and obey all of the laws of the land and to carry out their duties to the best of their ability.

350.2.3 COMPENSATION FOR POLICE RESERVE OFFICERS

Reserves shall receive a yearly uniform cleaning allowance equal to that of regular officers.

350.2.4 EMPLOYEES WORKING AS RESERVE OFFICERS

Qualified employees of this department, when authorized, may also serve as reserve officers. However, the Department must not utilize the services of a reserve or volunteer in such a way that it would violate employment laws or labor agreements (e.g., a detention officer working as a reserve officer for reduced or no pay). Therefore, the Reserve Coordinator should consult the Department of Human Resources prior to an employee serving in a reserve or volunteer capacity (29 CFR 553.30).

350.3 DUTIES OF RESERVE OFFICERS

Reserve officers assist regular officers in the enforcement of laws and in maintaining peace and order within the community. Assignments of reserve officers will usually be to augment the

Whenever a rule, regulation, or guideline in this manual refers to a sworn regular full-time officer, it shall also apply to a sworn reserve officer unless by its nature it is inapplicable.

350.3.2 RESERVE OFFICER ASSIGNMENTS

All reserve officers will be assigned to duties by the Reserve Coordinator or his/her designee.

350.3.3 RESERVE COORDINATOR

- (d) Maintaining and ensuring performance evaluations are completed
- (e) Monitoring individual reserve officer performance
- (f) Monitoring overall Reserve Program

Chula Vista Police Department

Policy Manual

Reserve Officers

350.4.3 FIELD TRAINING MANUAL

Each new reserve officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and/or skills necessary to properly function as an officer with the Chula Vista Police Department. The reserve officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

350.4.4 COMPLETION OF THE PRIMARY TRAINING PHASE

At the completion of the Primary Training Phase, (Phase I) the primary training officer will meet with the Reserve Coordinator. The purpose of this meeting is to discuss the progress of the reserve officer in training.

If the reserve officer has progressed satisfactorily, he/she will then proceed to Phase II of the training. If he/she has not progressed satisfactorily, the Reserve Coordinator will determine the appropriate action to be taken.

350.5 SUPERVISION OF RESERVE OFFICERS

Reserve officers who have attained the status of Level II shall be under the immediate supervision of a regular sworn officer (Penal Code 832.6). The immediate supervision requirement shall also continue for reserve officers who have attained Level I status unless special authorization is received from the Reserve Coordinator with the approval of the Division Commander.

350.5.1 SPECIAL AUTHORIZATION REQUIREMENTS

Reserve officers certified as Level I may, with prior authorization of the Reserve Coordinator and on approval of the Division Commander, be relieved of the "immediate supervision" requirement. Level I reserve officers may function under the authority of Penal Code § 832.6(a)(1) only for the duration of the assignment or purpose for which the authorization was granted.

In the absence of the Reserve Coordinator and the Division Commander, the Watch Commander may assign a certified Level I reserve officer to function under the authority of Penal Code § 832.6(a)(1) for specific purposes and duration.

350.5.2 RESERVE OFFICER MEETINGS

All reserve officer meetings will be scheduled and conducted by the Reserve Coordinator. All reserve officers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

350.5.3 IDENTIFICATION OF RESERVE OFFICERS

All reserve officers will be issued a uniform badge and a Department identification card. The uniform badge shall be the same as that worn by a regular full-time officer. The identification card will be the standard identification card with the exception that "Reserve" will be indicated on the card.

Chula Vista Police Department

Policy Manual

Reserve Officers

350.5.4 UNIFORM

Reserve officers shall conform to all uniform regulation and appearance standards of this department.

350.5.5 INVESTIGATIONS AND COMPLAINTS

If a reserve officer has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Operations Division Commander.

Reserve officers are considered at-will employees. Government Code § 3300 et seq. applies to reserve officers with the exception that the right to hearing is limited to the opportunity to clear their name.

Any disciplinary action that may have to be administered to a reserve officer shall be accomplished as outlined in the Policy Manual.

350.5.6 RESERVE OFFICER EVALUATIONS

While in training reserves will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until all of the training phases have been completed. Reserves having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve.

350.6 FIREARMS REQUIREMENTS

Penal Code § 830.6(a)(1) designates a reserve officer as having peace officer powers during his/her assigned tour of duty, provided the reserve officer qualifies or falls within the provisions of Penal Code § 832.6.

350.6.1 CARRYING WEAPON ON DUTY

Penal Code § 830.6(a)(1) permits qualified reserve officers to carry a loaded firearm while on-duty. It is the policy of this department to allow reserves to carry firearms only while on-duty or to and from duty.

350.6.2 CONCEALED FIREARMS PROHIBITED

No reserve officer will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve officers who possess a valid CCW permit. An instance may arise where a reserve officer is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve officer may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve officer who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to departmental standards. The weapon must be registered by the reserve officer and be inspected and certified as fit for service by a departmental armorer.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve officer shall have demonstrated his/her proficiency with said weapon.

Reserve Officers

When a reserve officer has satisfactorily completed all three phases of training (as outlined in the Field Training section), he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Chief of Police with input from the Reserve Program Coordinator and administrative staff. In issuing a concealed weapon permit a reserve officer's qualification will be individually judged. A reserve officer's dedication to the program and demonstrated maturity, among other factors, will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve officer remains in good standing as a Reserve Officer with the Chula Vista Police Department.

350.6.3 RESERVE OFFICER FIREARM TRAINING

All reserve officers are required to maintain proficiency with firearms used in the course of their assignments. Reserve officers shall comply with all areas of the firearms training section of the Policy Manual, with the following exceptions:

- (a) All reserve officers are required to qualify annually
- (b) Reserve officers may fire at the department approved range at least once each month and more often with the approval of the Reserve Coordinator
- (c) Should a reserve officer fail to qualify, that reserve officer will not be allowed to carry a firearm until he/she has reestablished his/her proficiency

350.7 EMERGENCY CALL-OUT FOR RESERVE PERSONNEL

The Reserve Coordinator shall develop a plan outlining an emergency call-out procedure for reserve personnel.

Outside Agency Assistance

352.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to officers in the request of or answering the request for assistance involving another law enforcement agency.

It is the policy of this department to provide assistance whenever possible, consistent with the applicable laws of arrest and detention policies of this department, when another law enforcement agency requests assistance with an arrest or detention of any person. This department may also request an outside agency to provide assistance.

352.1.1 ASSISTING OUTSIDE AGENCIES

Generally, calls for assistance from other agencies are routed to the Watch Commander's office for approval. When an authorized employee of an outside agency requests the assistance of this department in taking a person into custody, available officers shall respond and assist in making a lawful arrest. If an officer receives a request in the field for assistance, that officer shall notify a supervisor. Arrestees may be temporarily detained by our agency until arrangements for transportation are made by the outside agency. Only in exceptional circumstances will this department provide transportation of arrestees to other county facilities. When such assistance is rendered, a case number will be issued to report action taken by Chula Vista Police Department Personnel. Probation violators temporarily detained by this department will not ordinarily be booked at this department.

352.1.2 REQUESTING ASSISTANCE FROM OUTSIDE AGENCIES

If assistance is needed from another agency, the employee requesting assistance shall first notify a supervisor of his/her intentions when practical. The handling officer or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting officer should secure radio frequencies for use by all involved agencies so that communication can be coordinated as needed. If necessary, reasonable effort should be taken to provide radio equipment capable of communicating on the assigned frequency to any personnel who do not have compatible radios.

352.2 MUTUAL AID SYSTEM

The California State Mutual Aid System and National Incident Management System are designed to provide personnel and logistical support to a law enforcement agency in an emergency situation when the resources normally available to that agency are not sufficient to handle the problem.

There are seven law enforcement Mutual Aid Regions within the State of California. Each Region is composed of several counties or "Operational Areas." Coordination of Mutual Aid within the Region is handled by the Sheriff of one of the counties as elected by the county Sheriffs within the Region. The County of San Diego is in Region 6, and the Sheriff of San Bernardino handles coordination of Mutual Aid for Region 6.

Chula Vista Police Department

Policy Manual

Outside Agency Assistance

The procedures set forth herein govern formal mutual aid as outlined in the County of San Diego Emergency Operations Manual, and are not intended to interfere with the day-to-day assistance requested or provided by outside agencies on a routine or voluntary basis.

352.2.1 ACTIVATING THE MUTUAL AID SYSTEM

When a Watch Commander determines that personnel and equipment requirements are beyond the capability of the Department's resources, a request for mutual aid assistance shall be made to the on-call Division Commander. With authorization from the on-call Division Commander, the Watch Commander may call out the Police Reserves or may request short-term assistance from surrounding agencies.

The full Mutual Aid Mobilization plan shall only be activated upon the authorization of Command Staff, in the following order of succession:

- (a) Chief of Police
- (b) The on-call Division Commander
- (c) Any other Division Commander

Once authorized, the request for mutual aid shall be made through the San Diego Sheriff's Department communications division. The request must include the desired number of personnel, estimation of the length of time needed, where to check in, etc. The Sheriff's Department Watch Commander will initiate the procedure and obtain necessary personnel.

352.2.2 RESPONDING TO ACTIVATIONS OF THE MUTUAL AID SYSTEM

In the event of an emergency or incident outside of the city, a request for assistance may be received from the San Diego Sheriff's Department. Procedurally, the activation of a mutual aid deployment is the same for both local and out of city responses. The Watch Commander shall notify the on-call Division Commander, and should respond to the request accordingly.

The requesting agency is responsible for accomplishing the stated objectives of the request.

352.3 EMERGENCY OPERATIONS

During a large-scale emergency or incident, the department maintains responsibility for both the incident and for general police services to the community. Personnel may be deployed locally or outside the county and may be gone for several days, which will have a significant impact on staffing and scheduling. The following guidelines have been set for staffing personnel during mutual aid activation.

Generally, the Operations (Patrol) Division will assume responsibility for the response to the emergency incident, while the Investigations Division will assume responsibility for maintaining the continuity of police services to the community.

In the event of a major deployment, police service may be limited in scope and may be restricted to emergency calls only. Emergency calls can be defined as calls involving immediate danger to life and property or public welfare. Routine calls for service, such as non-injury traffic collisions, crime

Outside Agency Assistance

reports, traffic direction and disturbance calls where no danger is indicated may be suspended during the period of the emergency operation.

352.3.1 OPERATIONAL COMMAND RESPONSIBILITY

In the event of a department mutual aid mobilization, the following command assignments will be in effect unless otherwise directed:

- (a) The Operations Division Commander shall assume responsibility for the deployment of personnel to the emergency incident. The Operations Division Commander may operate at a field command center, and may designate a field or incident commander to coordinate the deployment of field resources.
- (b) The Investigations Division Commander shall coordinate the response of supporting units to the emergency incident, such as the Crime Laboratory, and others. The Investigations Division Commander shall assume responsibility for all clerical and police support operations. The Investigations Division Commander has responsibility for overall logistics and intelligence.
- (c) The on-duty Watch Commander shall assume responsibility for general patrol services utilizing investigations and support personnel. The on-duty Watch Commander shall coordinate the response of support units to the emergency incident, such as S.W.A.T. and other support units.
- (d) The Police Reserve Commander shall report to the Operations Division Commander for the deployment of Police Reserve personnel as needed.

352.3.2 NOTIFICATION AND CALL-OUT

Upon receiving authorization for limited or department-wide notification or call-out, the Watch Commander shall be responsible for notifying affected personnel of their call-out status and condition.

- (a) Condition 1 - Standby: Personnel placed on standby are expected to be able to arrive at an emergency incident within 30 minutes of request. Standby personnel shall assure the Department has an accurate means of contacting the employee either at home or via cellular telephone. Employees temporarily unable to meet this requirement shall contact the Department regularly, on every half-hour, and shall remain immediately available for recall.
- (b) Condition II - Residence Stand-by: Personnel placed on residence standby shall remain at their residence and be prepared to respond immediately upon request.
- (c) Condition III - Deployment: Personnel ordered to deploy shall report immediately to the police facility or other designated assembly area, fully equipped and prepared for field duties.

Employees notified of any call-out status or condition should prepare to respond immediately upon request or order. Employees should also plan for the possibility of being away from home for several days and should respond with the appropriate personal effects for an extended

deployment. Employees shall not disclose to the media or any unauthorized persons the fact they are in a standby condition.

Deployed personnel are expected to be able to arrive as directed within 30 minutes from the time of request.

352.3.3 DEPLOYMENT AND SCHEDULE

Upon deployment, responding employees will be told where to respond and will be given assignments and duties for their operational period. Generally, all sworn personnel will be assigned a 12-hour schedule until the emergency response requirement is terminated. Sworn personnel may be grouped into two large tactical units, with one unit on-duty for a 12-hour period, and the other unit off-duty for that period of time.

Registered Offender Information

356.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Chula Vista Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered sex, arson and drug offenders.

356.2 POLICY

It is the policy of the Chula Vista Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

356.3 REGISTRATION

The Investigations Supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Employees assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Health and Safety Code § 11594; Penal Code § 457.1; Penal Code § 290 et seq).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

356.3.1 CONTENTS OF REGISTRATION

The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph and any other information required by applicable law (Health and Safety Code § 11594; Penal Code § 457.1; Penal Code § 290 et seq.).

356.4 MONITORING OF REGISTERED OFFENDERS

The Investigations Supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an Internet search or drive-by of the declared residence.
- (b) Review of information on the California DOJ website for sex offenders.
- (c) Contact with a registrant's parole or probation officer.

Chula Vista Police Department

Policy Manual

Registered Offender Information

Any discrepancies should be reported to the California DOJ.

The Investigations Supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to Chula Vista Police Department personnel, including timely updates regarding new or relocated registrants.

356.5 DISSEMINATION OF PUBLIC INFORMATION

Employees will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Employees who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be made by the Chief of Police, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the Chula Vista Police Department's website.

The Records Manager may release local registered offender information to residents only in accordance with applicable law (Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1; Health and Safety Code § 11594), and in compliance with a California Public Records Act (Government Code § 6250-6276.48) request.

356.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY

California law allows the following additional information regarding a registered sex offender on campus, whose information is not available to the public via the Internet website, to be released to a campus community (Penal Code § 290.01(d)):

- (a) The offender's full name
- (b) The offender's known aliases
- (c) The offender's sex
- (d) The offender's race
- (e) The offender's physical description
- (f) The offender's photograph
- (g) The offender's date of birth
- (h) Crimes resulting in the registration of the offender under Penal Code § 290
- (i) The date of last registration

For purposes of this section, campus community shall be defined as those persons present at or regularly frequenting any place constituting campus property, satellite facilities, laboratories, public areas contiguous to the campus and other areas set forth in Penal Code § 290.01(d).

Registered Offender Information

356.5.2 RELEASE NOTIFICATIONS

Registrant information that is released should include notification that:

- (a) The offender registry includes only those persons who have been required by law to register and who are in compliance with the offender registration laws.
- (b) The information is provided as a public service and may not be current or accurate.
- (c) Persons should not rely solely on the offender registry as a safeguard against offenses in their communities.
- (d) The crime for which a person is convicted may not accurately reflect the level of risk.
- (e) Anyone who uses information contained in the registry to harass registrants or commit any crime may be subject to criminal prosecution.
- (f) The purpose of the release of information is to allow members of the public to protect themselves and their children from sex offenders (Penal Code 290.45).

Major Incident Notification

358.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of this department in determining when, how and to whom notification of major incidents should be made.

358.2 POLICY

The Chula Vista Police Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

358.3 MINIMUM CRITERIA FOR NOTIFICATION

Most situations where the media show a strong interest are also of interest to the Chief of Police and the affected Division Commander. The following list of incident types is provided as a guide for notification and is not intended to be all inclusive:

- Homicides
- Traffic accidents with fatalities
- Officer-involved shooting - on or off duty (see Officer-Involved Shootings and Deaths Policy for special notifications)
- Significant injury or death to employee - on or off duty
- Death of a prominent Chula Vista official
- Arrest of a department employee or prominent Chula Vista official
- Aircraft crash with major damage and/or injury or death

The Watch Commander shall attempt to make the notifications as soon as practicable. Notification should be made by calling the home telephone number first and then by any other available contact numbers.

358.4.1 STAFF NOTIFICATION

In the event an incident occurs described in the Major Incident Notification Policy, the Chief of Police shall be notified along with the affected Division Commander and the Investigations Division Lieutenant if that division is affected.

358.4.4 PUBLIC INFORMATION OFFICER (PIO)

The Public Information Officer shall be called after members of staff have been notified that it appears the media may have a significant interest in the incident.

358.5 DISASTER/MAJOR INCIDENT PERSONNEL RESPONSE

It shall be the responsibility and duty of all Department employees and volunteers to adhere to the procedures set forth in CGC 3100 and this policy in order to maintain the safety and security of the citizens, visitors, and employees of the City of Chula Vista.

DEFINITION: According to the California Government Code 3100, 3101, all Chula Vista Police Department employees and volunteers are defined by the State of California as Disaster Service Workers:

3100. It is hereby declared that the protection of the health and safety and preservation of the lives and property of the people of the state from the effects of natural, manmade, or war-caused emergencies which result in conditions of disaster or in extreme peril to life, property, and resources is of paramount state importance requiring the responsible efforts of public and private agencies and individual citizens. In furtherance of the exercise of the police power of the state in protection of its citizens and resources, all public employees are hereby declared to be disaster service workers subject to such disaster service activities as may be assigned to them by their superiors or by law.

3101. For the purpose of this chapter the term "disaster service worker" includes all public employees and all volunteers in any disaster council or emergency organization accredited by the California Emergency Council. The term "public employees" includes all persons employed by the state or any county, city, city and county, state agency or public district, excluding aliens legally employed.

(a) Response for all employees and police volunteers of the Chula Vista Police Department during a declared (or the reasonable anticipation of a declared) local disaster. On-Duty Personnel:

1. Are required to remain on duty until dismissed by a supervisor or other proper authority.
2. May take reasonable efforts to ensure the safety of their own family without significant impact to current duties.

Death Investigation

360.1 PURPOSE AND SCOPE

The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

360.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed). A supervisor shall be notified in all death investigations.

360.2.1 MEDICAL EXAMINER REQUEST

Government Code § 27491 and Health & Safety Code § 102850 direct the Medical Examiner to inquire into and determine the circumstances, manner and cause of certain deaths. The Medical Examiner shall be called in any of the following cases:

- (a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities).
- (b) Deaths where the deceased has not been attended by either a physician or a registered nurse, who is a member of a hospice care interdisciplinary team, as defined by Health and Safety Code § 1746 in the 20 days prior to death.
- (c) Physician unable to state the cause of death. Unwillingness does not apply. Includes all sudden, unexpected and unusual deaths and fetal deaths when the underlying cause is unknown.
- (d) Known or suspected homicide.
- (e) Known or suspected suicide.
- (f) Involving any criminal action or suspicion of a criminal act. Includes child and dependent adult negligence and abuse.
- (g) Related to or following known or suspected self-induced or criminal abortion.
- (h) Associated with a known or alleged rape or crime against nature.
- (i) Following an accident or injury (primary or contributory). Deaths known or suspected as resulting (in whole or in part) from or related to accident or injury, either old or recent.
- (j) Drowning, fire, hanging, gunshot, stabbing, cutting, starvation, exposure, alcoholism, drug addiction, strangulation or aspiration.
- (k) Accidental poisoning (food, chemical, drug, therapeutic agents).
- (l) Occupational diseases or occupational hazards.

Death Investigation

- (m) Known or suspected contagious disease and constituting a public hazard.
- (n) All deaths in operating rooms and all deaths where a patient has not fully recovered from an anesthetic, whether in surgery, recovery room or elsewhere.
- (o) In prison or while under sentence. Includes all in-custody and police involved deaths.
- (p) All deaths of unidentified persons.
- (q) All deaths of state hospital patients.
- (r) Suspected Sudden Infant Death Syndrome (SIDS) deaths.
- (s) All deaths where the patient is comatose throughout the period of the physician's attendance. Includes patients admitted to hospitals unresponsive and expire without regaining consciousness.

The body shall not be disturbed or moved from the position or place of death without permission of the Medical Examiner.

360.2.2 SEARCHING DEAD BODIES

The Medical Examiner or a designee are generally the only persons permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. The only exception is that an officer is permitted to search the body of a person killed in a traffic collision for the limited purpose of locating an anatomical donor card (Government Code § 27491.3). If such a donor card is located, the Medical Examiner or a designee shall be promptly notified. Should exigent circumstances indicate to an officer that any search of a known dead body is warranted prior to the arrival of the Medical Examiner or a designee; the investigating officer shall first obtain verbal consent from the Medical Examiner or a designee (Government Code § 27491.2).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the officer pending the arrival of the Medical Examiner or a designee. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Medical Examiner or a designee, a receipt shall be obtained. This receipt shall be attached to the death report.

360.2.3 DEATH NOTIFICATION

When practical, and if not handled by the Medical Examiner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Medical Examiner may be requested to make the notification. The Medical Examiner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.

Chula Vista Police Department

Policy Manual

Death Investigation

360.2.4 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Medical Examiner arrives, the Medical Examiner's office will issue a "John Doe" or "Jane Doe" number for the report.

360.2.5 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented on the appropriate form.

360.2.6 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the Investigations Division shall be notified to determine the possible need for a detective to respond to the scene for further immediate investigation.

360.2.7 EMPLOYMENT RELATED DEATHS OR INJURIES

Any member of this agency who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment shall ensure that the nearest office of Cal-OSHA is notified by telephone immediately or as soon as practicable with all pertinent information (8 CCR 342(b)).

Identity Theft

362.1 PURPOSE AND SCOPE

Identity theft is a growing concern for law enforcement that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

362.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, officers presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing or working within the jurisdiction of this department. For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
 1. For any victim not residing or working within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides or works.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides or works, officers of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.
- (e) The reporting officer should inform victims of identity theft his/her right to obtain court-ordered access to the Department of Justice Identity Theft database pursuant to Penal Code section 530.7. Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.
- (f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

Private Persons Arrests

364.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

364.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Penal Code § 836(b) expressly mandates that all officers shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, officers should use sound discretion in determining whether or not to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

364.3 ARRESTS BY PRIVATE PERSONS

Penal Code § 837 provides that a private person may arrest another:

- (a) For a public offense committed or attempted in his or her presence;
- (b) When the person arrested has committed a felony, although not in his or her presence;
- (c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person to be arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

364.4 OFFICER RESPONSIBILITIES

Any officer presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

- (a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
 - 1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b)(1). The officer must include the basis of such a determination in a related report.

Chula Vista Police Department

Policy Manual

Private Persons Arrests

2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:
1. Take the individual into physical custody for booking
 2. Release the individual pursuant to a Notice to Appear
 3. Release the individual pursuant to Penal Code § 849

364.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign the CITIZEN ARREST portion of the citation or the Chula Vista Police Department citizen arrest form.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

Anti-Reproductive Rights Crimes Reporting

366.1 PURPOSE AND SCOPE

This policy shall establish a procedure for the mandated reporting of Anti-Reproductive Rights Crimes (ARRC) to the Attorney General pursuant to the Reproductive Rights Law Enforcement Act (Penal Code § 13775 et seq.).

366.2 DEFINITIONS

Penal Code § 423.2 provides that the following acts shall be considered Anti-Reproductive Rights Crimes (ARRC) when committed by any person, except a parent or guardian acting towards his or her minor child or ward:

- (b) By non-violent physical obstruction, intentionally injures, intimidates, or interferes with, or attempts to injure, intimidate, or interfere with, any person or entity because that person or entity is a reproductive health services client, provider, or assistant, or in order to intimidate any person or entity, or any class of persons or entities, from becoming or remaining a reproductive health services client, provider or assistant
- (c) Intentionally damages or destroys the property of a person, entity, or facility, or attempts to do so, because the person, entity, or facility is a reproductive health services client, provider, assistant, or facility

366.3 REPORTING REQUIREMENTS TO THE ATTORNEY GENERAL

- (a) All incidents of ARRC shall be reported either electronically or by paper form in accordance with the protocols of the California Department of Justice, Division of Justice Information Services. Copies of ARRC reporting forms and instructions are available from the California Department of Justice.
- (b) Upon the receipt of the report of an ARRC, it shall be the responsibility of the Police Support Services Manager to complete an ARRC Data Collection Worksheet (BCIA 8371) in accordance with the instructions contained on such forms.
- (c) The ARRC Data Collection Worksheet shall be processed and filed with all related reports.
- (d) By the tenth day of each month, it shall be the responsibility of the Police Support Services Manager to ensure that a Summary Worksheet (BCIA 8370) is submitted to the Department of Justice Criminal Justice Statistics Center.

Chula Vista Police Department

Policy Manual

Anti-Reproductive Rights Crimes Reporting

1. In the event that no ARRC(s) were reported during the previous month, a Summary Worksheet shall be submitted to Department of Justice with an indication that no such crimes were reported.
2. Any ARRC(s) reported in the Summary Worksheet shall be accompanied by a copy of the related Data Collection Worksheet(s).

Limited English Proficiency Services

368.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

368.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Chula Vista Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

368.2 POLICY

It is the policy of the Chula Vista Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

368.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Operations Division Commander or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

Chula Vista Police Department

Policy Manual

Limited English Proficiency Services

- (a) Coordinating and implementing all aspects of the Chula Vista Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Watch Commander and Communications Manager. The list should include information regarding the following:
 - 1. Languages spoken
 - 2. Contact information
 - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

368.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

Chula Vista Police Department

Policy Manual

Limited English Proficiency Services

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

368.5 TYPES OF LEP ASSISTANCE AVAILABLE

Chula Vista Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

368.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

368.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

368.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

Chula Vista Police Department

Policy Manual

Limited English Proficiency Services

When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

368.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

368.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

Limited English Proficiency Services

368.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

368.10 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

368.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Chula Vista Police Department will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

368.11.1 EMERGENCY CALLS TO 9-1-1

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Communications Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Limited English Proficiency Services

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

368.12 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

368.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

Limited English Proficiency Services

368.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

368.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

368.16 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

368.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

368.18 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

Limited English Proficiency Services

The Training Manager shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

368.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Manager shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

Communications with Persons with Disabilities

370.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

370.1.1 DEFINITIONS

Definitions related to this policy include:

Auxiliary aids - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

Disability or impairment - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

Qualified interpreter - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

370.2 POLICY

It is the policy of the Chula Vista Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

370.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Operations Division Commander or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the City ADA coordinator regarding the Chula Vista Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.

Chula Vista Police Department

Policy Manual

Communications with Persons with Disabilities

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Watch Commander and Communications Manager. The list should include information regarding the following:
 - 1. Contact information
 - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

370.4 FACTORS TO CONSIDER

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

370.5 INITIAL AND IMMEDIATE CONSIDERATIONS

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Chula Vista Police Department

Policy Manual

Communications with Persons with Disabilities

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Chula Vista Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

370.6 TYPES OF ASSISTANCE AVAILABLE

Chula Vista Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

Communications with Persons with Disabilities

370.7 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

370.8 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

370.9 TTY AND RELAY SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

Chula Vista Police Department

Policy Manual

Communications with Persons with Disabilities

370.10 COMMUNITY VOLUNTEERS

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

370.11 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

370.12 REPORTING

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

370.13 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

Chula Vista Police Department

Policy Manual

Communications with Persons with Disabilities

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

370.13.1 FIELD RESOURCES

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

370.14 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

Chula Vista Police Department

Policy Manual

Communications with Persons with Disabilities

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

370.15 ARREST AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

370.16 COMPLAINTS

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

370.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

370.18 TRAINING

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

Chula Vista Police Department

Policy Manual

Communications with Persons with Disabilities

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Manager shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Manager shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

370.18.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Communications Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

Mandatory Employer Notification

372.1 PURPOSE AND SCOPE

372.2.4 ARREST OF COMMUNITY COLLEGE INSTRUCTOR

In the event a teacher or instructor employed in a community college district school is arrested for any controlled substance offense enumerated in Health and Safety Code § 11590 or Health and Safety § 11364, in so far as that section relates to Health and Safety Code § 11054(d)(9), or for any of the offenses enumerated in Penal Code § 290 or in Penal Code § 261(a)(1), the Chief of Police or the authorized designee is mandated to immediately notify by telephone the superintendent of the community college district employing the person, and shall immediately give written notice of the arrest to the California Community Colleges Chancellor's Office (Health and Safety Code § 11591.5; Penal Code § 291.5).

The Chula Vista Police Department will meet the reporting requirements of California law to minimize the risks to children and others.

372.4 ARREST OF PERSONS EMPLOYED IN COMMUNITY CARE FACILITIES

In the event an employee of a community treatment facility, a day treatment facility, a group home, a short-term residential treatment center or a foster family agency is arrested for child abuse (as defined in Penal Code § 11165.6) and the employee is free to return to work where children are present, the investigating member shall notify the licensee of the charge of abuse (Health and Safety Code § 1522.2).

Biological Samples

374.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

374.2 POLICY

The Chula Vista Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

374.3 PERSONS SUBJECT TO DNA COLLECTION

Those who must submit a biological sample include (Penal Code § 296):

- (a) A person, including a juvenile, upon conviction or other adjudication of any felony offense.
- (b) A person, including a juvenile, upon conviction or other adjudication of any offense if the person has a prior felony on record.
- (c) An adult arrested or charged with any felony.

374.4 PROCEDURE

When an individual is required to provide a biological sample, a trained employee shall obtain the sample in accordance with this policy.

374.4.1 COLLECTION

The following steps should be taken to collect a sample:

- (a) Verify that the individual is required to provide a sample pursuant to Penal Code § 296; Penal Code § 296.1.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the individual's criminal history record for a DNA collection flag or, during regular business hours, calling the California Department of Justice (DOJ) designated DNA laboratory. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.

Biological Samples

374.5 USE OF FORCE TO OBTAIN SAMPLES

If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

- (a) The person's parole or probation officer when applicable.
- (b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
- (c) The judge at the person's next court appearance.
- (d) The person's attorney.
- (e) A chaplain.
- (f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
- (g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

374.5.1 VIDEO RECORDING

A video recording should be made anytime force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department's records retention schedule (15 CCR 1059).

374.5.2 CELL EXTRACTIONS

If the use of force includes a cell extraction, the extraction shall be video recorded, including audio. Video shall be directed at the cell extraction event. The video recording shall be retained by the Department for the length of time required by statute. Notwithstanding the use of the video as evidence in a criminal proceeding, the tape shall be retained administratively (15 CCR 1059).

374.6 LEGAL MANDATES AND RELEVANT LAWS

California law provides for the following:

374.6.1 DOCUMENTATION RELATED TO FORCE

The Watch Commander shall prepare prior written authorization for the use of any force (15 CCR 1059). The written authorization shall include information that the subject was asked to provide the requisite specimen, sample or impression and refused, as well as the related court order authorizing the force.

Chula Vista Police Department

Policy Manual

Biological Samples

374.6.2 BLOOD SAMPLES

A blood sample should only be obtained under this policy when:

- (a) The California DOJ requests a blood sample and the subject consents, or
- (b) A court orders a blood sample following a refusal.

The withdrawal of blood may only be performed in a medically approved manner by health care providers trained and qualified to draw blood. A California DOJ collection kit shall be used for this purpose (Penal Code § 298(a); Penal Code § 298(b)(2)).

374.6.3 LITIGATION

Child and Dependent Adult Safety

380.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse Policy and the Adult Abuse Policy.

380.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Chula Vista Police Department will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected.

380.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

Chula Vista Police Department

Policy Manual

Child and Dependent Adult Safety

380.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 1. Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 2. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (b) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (c) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.
- (d) Notify the field supervisor or Watch Commander of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

380.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

Child and Dependent Adult Safety

380.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting employee will document the following information:
1. Name
 2. Sex
 3. Age
 4. How, where and with whom or which agency the child was placed
- (b) For all arrests where dependent adults are present or living in the household, the reporting employee will document the following information:
1. Name
 2. Sex
 3. Age
 4. Whether he/she reasonably appears able to care for him/herself
 5. Disposition or placement information if he/she is unable to care for him/herself

380.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

380.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should consider contacting the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

380.5 TRAINING

The Training Manager is responsible to ensure that all personnel of this department who may be involved in arrests affecting children or dependent adults receive approved POST-approved training on effective safety measures when a parent, guardian or caregiver is arrested (Penal Code § 13517.7).

Service Animals

382.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA).

382.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104; Health and Safety Code § 113903).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

382.2 POLICY

It is the policy of the Chula Vista Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

382.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to

Service Animals

distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

382.4 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Chula Vista Police Department affords to all members of the public (28 CFR 35.136).

382.4.1 INQUIRY

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about his/her disability nor should the person be asked to provide any license, certification or identification card for the service animal.

382.4.2 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

382.4.3 REMOVAL

If a service animal is not housebroken or exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, an officer may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136(b)).

Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with a disability, with or without a service animal.

382.4.4 COMPLAINTS

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service

Chula Vista Police Department

Policy Manual

Service Animals

animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time-frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

384.2.3 SCREENING

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.
- (b) Employment
- (c) References
- (d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

384.2.4 SELECTION AND PLACEMENT

Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

Chula Vista Police Department

Policy Manual

Volunteer Program

384.2.5 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

384.2.6 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver license
- (b) Medical condition
- (c) Arrests
- (d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

384.2.7 DRESS CODE

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

Volunteer Program

384.3 SUPERVISION OF VOLUNTEERS

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

384.4 CONFIDENTIALITY

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

384.5 PROPERTY AND EQUIPMENT

Volunteers will be issued an identification card that must be worn at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

Policy Manual

Volunteer Program

384.5.1 VEHICLE USE

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

- (a) A driving safety briefing and department approved driver safety course.
- (b) Verification that the volunteer possesses a valid California Driver License.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should insure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

384.5.2 RADIO AND MDC USAGE

Volunteers shall successfully complete CLETS and radio procedures training prior to using the police radio or MDC and comply with all related provisions. The Volunteer Coordinator should ensure that radio and CLETS training is provided for volunteers whenever necessary.

384.6 DISCIPLINARY PROCEDURES/TERMINATION

A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

384.6.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

384.7 EVALUATION

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.

Police Facility Security, Maintenance, and Evacuation

385.1 PURPOSE AND SCOPE

The purpose of this policy is to establish procedures for maintaining security of the police facility while allowing reasonable access to authorized parties and those with a legitimate reason for being there.

385.2 FACILITIES

The Police Department building, structures, and ancillary facilities are the property of the Chula Vista Police Department.

385.2.1 SECURITY OF POLICE FACILITY

All Department members share responsibility for the security of the Police Facility. All external doors leading into the police facility should be kept closed and locked at all times, except the public doors leading into the front lobby which may remain open and/or unlocked only during business hours.

The police facility includes several areas that maintain differing levels of security. These areas include:

- Public areas, such as the front lobby, community rooms, public parking lot, and public courtyard
- Secure areas, such as the offices and work spaces of Department members, secure parking lot, and locker rooms
- Restricted areas, such as the evidence control and evidence laboratory areas, jail, communications center, Professional Standards Unit, executive administrative offices, Police Support Services, criminal narcotics and intelligence investigations, and any other areas requiring additional security.

Department members shall be issued proximity cards to access the police facility. While inside the police facility, department members should wear their authorized uniform. Department members within the police facility and not otherwise in uniform should wear, and keep readily visible, their departmentally issued badge, or their Departmentally issued identification card or proximity card that displays their name and photograph.

Access to the police facility by other persons may be authorized by the Professional Standards Unit.

Generally, access to the police facility may be obtained either through the public lobby, or with an authorized proximity card. Access to the police facility should be granted in adherence to the following guidelines:

Chula Vista Police Department

Policy Manual

Police Facility Security, Maintenance, and Evacuation

- (a) Department members should be granted access to all except restricted areas 24-hours per day.
 - 1. Sworn department members and qualified civilian staff should also be granted access to the jail.
 - 2. Department members may be granted access to restricted areas while assigned to work within that area, or with the authorization of a Division Commander.
- (b) All city employees may enter the police facility at any time during business hours and without escort provided the city employee maintains a valid city identification card visible on their person at all times or is wearing an authorized city uniform displaying the city seal. These employees may access the police facility by entering through the public lobby, showing their valid city identification, and being allowed into the police facility.
 - 1. Limited city employees may be granted automatic and/or afterhours access to the police facility with a proximity card upon the completion of a limited background investigation and the authorization of their Department Head and the Professional Standards Unit. The hours and/or days in which access is granted may be limited as deemed appropriate to their function.
- (c) Sworn members of allied law enforcement and/or other partner agencies may enter the police facility at any time with or without escort, provided the member maintains a valid badge and/or identification card from their employing agency visible on their person at all times.
 - 1. Some members of allied agencies and/or other partner agencies may be issued a proximity card and granted automatic access to the police facility with the authorization of the Professional Standards Unit. The hours and/or days in which access is granted may be limited as deemed appropriate to their function.
- (d) All other persons should be escorted at all times when in the police facility.
 - 1. The Chief of Police or his/her designee may authorize other persons access to the policy facility via proximity card.

It shall be the responsibility and duty of all employees to see that this order is strictly enforced to maintain police facility security. Inquiries of individuals inside the police facility should be done in a courteous, professional manner. Any violations of this policy should be reported to the Watch Commander.

Department members should not loan or give their proximity card to any unauthorized persons. Department members should immediately report to the Watch Commander any lost or stolen proximity cards.

385.2.2 DAY ROOMS

On occasion officers may be required to work unusually long hours, may require unusually extensive travel-time, or may live a significant distance from the City of Chula Vista. With

Chula Vista Police Department

Policy Manual

Police Facility Security, Maintenance, and Evacuation

this understanding the department may provide "Day Rooms" within the police facility to allow employees a temporary place to sleep for brief periods of time.

Access to the temporary use of a Day Room may be authorized by the on-duty Watch Commander. The Watch Commander should maintain a record of which Day Rooms are currently occupied and by whom. Keys to Day Rooms should be returned to the Watch Commander immediately after use.

Day Rooms are limited to single occupancy, and no more than one employee shall occupy any single Day Room at the same time. All department policies, procedures, and rules governing employee conduct apply to the use of Day Rooms. Day Rooms are the property of the Chula Vista Police Department. There is no individual right to privacy while occupying a Day Room. The use of a Day Room is a privilege provided by the Department, and not a right, which may be revoked at any time. The Department reserves the right to enter or inspect Day Rooms, or to order a Day Room vacated, at any time and for any reason with or without cause.

Employees are reminded that Day Rooms are typically situated in close proximity to each other. Noise levels should be kept at a minimum while inside or around Day Rooms.

385.2.3 UNAUTHORIZED WEAPONS OR SUSPICIOUS PACKAGES

Any employee who suspects a person has brought an unauthorized weapon or suspicious package onto the property of the police facility shall immediately notify a sworn officer or the communications center.

385.2.4 KEYS TO THE POLICE FACILITY

The following persons may be issued a door key that opens exterior doors to the police facility:

- Chief of Police
- Command Staff
- Lieutenants and mid-managers
- Other persons with the approval of the Chief of Police

All other Department members are prohibited from possessing a door key that opens any exterior door to the police facility.

Only those persons assigned to a specific office within the police facility may possess a key to that office or office area. When persons leave or separate from that office, that person should turn over their key to their immediate supervisor.

No Department member shall create or duplicate any police facility door keys.

385.2.5 POLICE FACILITY PARKING

- (a) All vehicles parked in the parking structure will be parked in marked stalls. All City owned vehicles will be parked in their assigned space. Privately owned vehicles are not to be parked in reserved areas unless the space is assigned to them.

Chula Vista Police Department

Policy Manual

Police Facility Security, Maintenance, and Evacuation

- (b) 30-minute parking: all floors have designated 30-minute parking spaces which are to be used for loading and unloading of vehicles only.
- (c) The front parking lot is designated for visitors to the police facility and is for use by private persons only. Employees shall not park their personally owned vehicles in the visitors parking lot.
- (d) Vehicles shall not be left unattended on any tunnel or ramp within the parking structure.
- (e) Sally Port: The parking spaces within the sally port are for temporary use while booking or receiving prisoners. Employees are to move their vehicles as soon as possible once a prisoner has been secured.
- (f) The maximum speed of the parking structure is 10 MPH.
- (g) The GVW per vehicle weight limit on the first and second floor is 6000 lbs. Any vehicles with a GVW in excess of 6000 lbs shall park in the basement only.
- (h) Storage of privately owned vehicles is prohibited without the permission of the Department. Permission may be granted by the Professional Standards Unit or any Department supervisor. Vehicle storage is generally reserved for employees who will be attending a lengthy school or other extended assignment. Storage is defined as 72 hours or longer.
- (i) Testing of sirens or other loud equipment in the parking areas is prohibited due the facility's proximity to a residential area.
- (j) It is the responsibility of all Department supervisors to take appropriate action when this section is violated.
- (k) All Department personnel should be alert for unauthorized or suspicious vehicles within the parking structure. For security reasons, any unauthorized or suspicious vehicles should immediately be reported to a supervisor.

Off-Duty Law Enforcement Actions

386.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Chula Vista Police Department with respect to taking law enforcement action while off-duty.

386.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

When public safety or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

386.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations and department policy. All firearms and ammunition must meet guidelines as described in the department Firearms Policy. When carrying firearms while off-duty officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs or medications or any combination thereof that would tend to adversely affect the officer's senses or judgment.

386.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable, and should take into consideration the following:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.

Off-Duty Law Enforcement Actions

- (c) The lack of equipment, such as handcuffs, OC or baton.
- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive, and gather as much accurate intelligence as possible instead of immediately intervening.

386.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The dispatcher should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Chula Vista Police Department officer until acknowledged. Official identification should also be displayed.

386.4.2 INCIDENTS OF PERSONAL INTEREST

Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances officers should call the responsible agency to handle the matter.

386.4.3 CIVILIAN RESPONSIBILITIES

Civilian personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

386.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

386.5 REPORTING

Any off-duty officer who engages in any law enforcement activity, regardless of jurisdiction, shall notify the Watch Commander as soon as practicable. The Watch Commander shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

Labor Disputes and Public Demonstrations

387.1 PURPOSE AND SCOPE

The parties involved in labor disputes and public demonstration have rights as well as responsibilities. Demonstrators have a constitutional right to peacefully protest and to persuade others to honor picket lines as long as their activities do not violate statutory laws such as trespass, disturbance of the peace or disorderly conduct. As such, officers have the obligation to protect those persons engaged in such activity.

While protestors may assemble and demonstrate peacefully to bring attention to their cause, they do not have the right to intimidate others or to physically impede private business. Employers and businesses have a right to keep their business open, operational, and free from undue interference, intimidation, damage, or destruction. Non-striking employees, customers, and other persons have the right to enter or leave the site of any labor strike.

Within this context, employees assigned to details relating to labor disputes or public demonstrations should deal with all parties in a fair and impartial manner, while upholding the Department's responsibility to protect life, property, and the legal rights of all parties involved.

387.2 OPERATIONAL COMMAND

The Watch Commander shall be responsible for the overall command of any police operation relating to labor disputes, strikes, picket lines, public demonstrations or other incidents of organized civil disobedience, unless other authority is designated by a member of Command Staff. Depending on the nature and scope of the operation, a separate on-scene incident commander may also be designated.

387.2.1 STAFFING AND EQUIPMENT REQUIREMENTS

In determining the appropriate staffing and equipment needs of an operation, the incident commander or Watch Commander should consider, at a minimum, the following factors:

- The number of persons participating in the demonstration, and intelligence about their conduct and behavior
- The number of other persons, including non-strikers, anti-strikers and bystanders
- Whether private businesses will attempt to stay open during the incident and whether any non-striking employees will attempt to enter the premises (i.e. crossing a picket line)
- The level of cooperation of all involved parties

When the incident commander or Watch Commander determines that personnel and equipment requirements are beyond the capability of the Department's resources, a request for mutual aid assistance shall be made to the on-call Division Commander in accordance with §352.2 of this Policy Manual.

Labor Disputes and Public Demonstrations

387.2.2 RESPONSIBILITIES OF OPERATIONAL PERSONNEL

The duties and responsibilities of employees assigned to an operation concentrate their efforts on the following five primary goals:

- Protect life and prevent personal injury
- Protect personal and public property
- Maintain order
- Direct traffic control in affected areas where appropriate
- Protect the statutory and constitutional rights of all involved parties

Law enforcement officers should not enter a property under dispute, except for official business. Officers should not park their vehicles on the property, use management's phones, or fraternize with parties of the dispute. At a dispute location, both labor and management may have food and beverages available for their personnel. Officers should not accept any gratuities, including any form of employment, from labor or management involved in a dispute.

Employees should take all reasonable measures to protect the rights of all parties. Attempts by either party to prevent the free exercise of the rights of any persons should be brought to the attention of the appropriate strike leader or management supervisor. Failure of these individuals to assist in taking corrective action will warrant police intervention. If necessary, officers shall provide physical breaches in picket lines to allow pedestrians and vehicles to cross safely.

387.2.3 GUIDELINES FOR ENFORCEMENT ACTION

Upon the conclusion of a labor dispute, labor and management often agree to withdraw all pending criminal and civil complaints. For this reason and others, the arrest of persons for minor violations of the law is not recommended unless reasonably necessary. Reasonable is to maintain order to prevent escalations.

When necessary, the use of citizen arrest procedures is recommended. Department employees receiving reports of unlawful acts committed outside the employee's presence shall attempt to verify that the unlawful acts were actually committed. Employees should first attempt to resolve such conduct by communicating with demonstration leaders, union representatives, management personnel, or other leaders of the involved parties. Leaders should be warned that violations of law may result in the arrest of violators. Thereafter, private persons arrests should be made when reasonably necessary.

When a felony is committed at the scene of a dispute, and if sufficient probable cause is established, the suspect(s) should be arrested. Whenever an officer anticipates an arrest, and when reasonably possible, demonstration leaders should be notified and a request for assistance should be made prior to the officer's attempt to take the person into custody. Once an arrest is accomplished, the arrestee should be removed from the area immediately.

Persons committing other unlawful acts of a significant nature, or those persons who persist in committing minor unlawful acts in the presence of an officer, are subject to arrest. When

Chula Vista Police Department

Policy Manual

Labor Disputes and Public Demonstrations

considering enforcement action or making a physical arrest employees should consider, at a minimum, the following factors:

- The availability of adequate numbers of suitably equipped personnel to insure the control of the scene and safety of involved parties.
- The seriousness of the offense in comparison to the risk of inciting violence or other unlawful behavior by taking enforcement action.

Whenever reasonably practical, the approval of a supervisor should be obtained prior to making any arrests.

When required to physically remove a resisting but otherwise peaceful person from the scene of a demonstration, "lift and carry" teams have been found to be effective.

Acts of verbal abuse against any involved party that are not accompanied by threats of violence should not be the sole reason for taking enforcement action. However offensive language that incites violence or other unlawful acts may justify physical removal and/or arrest when necessary.

Consumption of alcohol by picketers or others should be discouraged, and persons who fail to abide with open container, public consumption, public intoxication, or related laws are subject to arrest.

For large events, one or more designated arrest teams may be established. The arrest teams should consist of two or more officers who will be responsible for making arrests. In addition, booking/processing teams may be established to document all information required for the arrests, and transport teams may be established to transport arrestees to the police station for detention. Mass arrests kits should be prepared, consisting of arrest forms, cameras, flex cuffs, and photocopies of relevant statutory authority.

387.2.4 INJUNCTIONS

An injunction/temporary restraining order is a writ or order of the court, restraining a person or group of persons from doing a particular act (Code of Civil Procedure § 525), and is a civil process. It is not the duty of law enforcement to enforce an injunction or a temporary restraining order at a labor dispute or other demonstration.

Exceptions to this may be court orders that are specifically directed to the Sheriff or Chief of Police, properly filed with the Department, ordering the enforcement of the writ or order.

Violations of an injunction are treated as contempt of court. If either party desires legal recourse, the respective attorneys should be directed to file such action in the court of issuance. When necessary, arrests may be made pursuant to Penal Code § 166(4).

387.3 INTELLIGENCE

One of the most important tools for avoiding disruptive and/or violent protests is the development of proactive intelligence. Intelligence should be gathered by the Special Intelligence Unit (SIU) regarding significant upcoming events in Chula Vista and the surrounding communities, as well as any potentially dangerous groups or individuals. Any field intelligence gathered by officers

Labor Disputes and Public Demonstrations

should be immediately forwarded to the Intelligence Unit for entry into the intelligence database and further analysis.

387.4 ABORTION PROTESTS

There are multiple abortion clinics within the City of Chula Vista, and abortion protests have historically had a significant potential for violence. In addition to the California Penal Codes relevant to the conduct of public demonstrations, officers should be familiar with the Freedom of Access to Clinic Entrances Act of 1994 (18 U.S.C. § 248, commonly called the FACE law). The FACE law protects abortion clinics, crisis pregnancy centers, physicians' offices, other reproductive clinics, and religious centers by prohibiting the use of threats or violence to prevent people from seeking reproductive health services or exercising their First Amendment right of religious freedom. The FACE law also prohibits the intentional damaging or destruction of reproductive health facilities or religious centers, and provides for both criminal and civil penalties.

The more extreme abortion protesters may display pictures of aborted fetuses and abortion procedures. While these pictures may be disturbing, they do not meet the legal threshold of "obscene or harmful matter" established by Chapters 7.5 and 7.6 of the California Penal Code, and as a result are not unlawful to display in public.

Marcy's Law

389.1 PURPOSE AND SCOPE

The purpose of this policy is to provide procedures and guidelines to ensure compliance with Proposition 9, Marsy's Law.

On November 4th, 2008, California voters passed Proposition 9, a Constitutional Amendment known by its common name, Marsy's Law. Marsy's Law creates a number of personally held and enforceable constitutional rights for victims of crime. It further expands the definition of "victim" to include not only the immediate target of criminal activity, but the person's spouse, parents, children, siblings or guardian, as well as the lawful representative of a crime victim who is deceased, a minor, or physically or psychologically impaired. Marsy's Law is codified in Penal Code section 679.026, "Notice of Victims' Bill of Rights."

The statute has two provisions requiring law enforcement to implement Marsy's Law. Section 679.026 (b) provides: Every victim of a crime has the right to receive without cost or charge a list of the rights of victims of crime recognized in Section 28 of Article I of the California Constitution. These rights shall be known as "Marsy's Rights." It shall be the policy of the Chula Vista Police Department to follow the guidelines outlined in Proposition 9, Marsy's Law, for the purposes of notifying victims of their rights under the California State Constitution.

389.1.1 MARCY'S LAW DEFINITIONS

Victim: Defined under California Constitution, Article I, Section 28(e). Every "victim" of crime, as defined in that section, is entitled to a Marsy's Card. A "victim" is a person who suffers direct or threatened physical, psychological, or financial harm as a result of the commission or attempted commission of a crime or delinquent act. The term "victim" also includes the person's spouse, parents, children, siblings or guardian, and includes a lawful representative of a crime victim who is deceased, a minor, or physically or psychologically incapacitated. The term "victim" does not include a person in custody for an offense, the accused, or a person whom the court finds would not act in the best interests of a minor victim.

389.1.2 MARCY'S LAW LEGAL REQUIREMENTS

- (a) Section 679.026(c) (1) provides: "Every law enforcement agency investigating a criminal act and every agency prosecuting a criminal act shall, as provided herein, at the time of initial contact with a crime victim, during followup investigation, or as soon thereafter as deemed appropriate by investigating officers or prosecuting attorneys, provide or make available to each victim of the criminal act without charge or cost a "Marsy's Card" **Notice: this section does not pertain to victims of specific crimes, but to "every victim of a crime."**
- (b) Distribution of the Marsy's Card: All Officers assigned to operations in the field who may investigate crimes and identify and contact victims, shall have a supply of Marsy's Cards with them. Whenever an officer conducts an investigation, each victim, as defined under Marsy's Law, shall be given a Marsy's Card. Officers may leave copies for any "victims"

Chula Vista Police Department

Policy Manual

Marcy's Law

who are not present, or may ask those that receive the card to share it with others. Officers have met the mandate of the law when they provide victims with a copy of the Marsy's Card. The successful distribution of Marcy's Cards shall be recorded in the case report. Officers not assigned to field operations, such as detectives, may come in contact with additional victims who were not present when the preliminary investigation was conducted and who are entitled to receive a Marsy's Card. It shall be the detective's responsibility to provide these victims with Marsy's Cards as appropriate.

- (c) On the Crime/Incident report in the Victim/Witness section, please include an email address of the victim in the "Additional Information" section of the form. This will assist detectives and prosecutors in complying with their notification requirements under Marsy's Law.
- (d) At the end of the summary section of your narrative report (section 1) include a sentence documenting to whom you provided a Marsy's Card.
- (e) Officers taking phone reports shall fax or email the victim a copy of the Marcy's card via the following email account: "cvcad/cvcpdmail". The password is "12345".
- (f) If the victim cannot be faxed or emailed, the officer shall mail the victim a Marcy's Card.
- (g) The officer shall note the method of delivery for the Marcy's card notification in the summary portion of the report narrative.

Critical Response Initiative, Point of Distribution (CRI/POD)

393.1 PURPOSE AND SCOPE

In the event of a critical incident where City personnel, including police officers and other City service employees, may be exposed to biological weapons such as Anthrax, the Chula Vista Police Department will have a systemic response in place for distribution of antibiotic medication to all City employees and their family members. This system is in compliance with protocols developed by the San Diego County Critical Response Initiative (CRI) and this participating agency is a dedicated Point of Distribution (POD).

393.1.1 PROCEDURES

- (a) In the event of a critical incident where the Emergency Operations Center (EOC) determines that the Chula Vista Police Department will activate the CRI/POD system, the EOC will notify the on-duty Watch Commander. The Watch Commander shall do the following:
1. The Watch Commander will acknowledge the EOC request and activate the POD immediately
 2. The Watch Commander will facilitate the movement of the medication from the Quartermaster's office to the Community Room for distribution.
 3. The Watch Commander will designate at least three people to staff a POD distribution table.
 4. POD staff will assemble distribution packets with the following items:
 - Plastic bag
 - Boxes of Meds (3 boxes, numbers 1, 2, and 3)
 - Message from the Public Health Officer form

Site Emergency Action Plan / Evacuation

395.1 PURPOSE AND SCOPE

The purpose of this policy is to comply with the California Department of Occupational Safety and Health Agency (Cal/OSHA) requirements outlined in the General Industry Safety Order, Section 3220, which requires all employers to have a written Emergency Action Plan for each work site. In addition to this policy, an updated emergency action plan is located in the Watch Commander's office by the Emergency Services Coordinator and Site Emergency Coordinator.

It shall be the policy of the Chula Vista Police Department and its employee and volunteers to provide and adhere to a site emergency action plan in order to protect the safety and welfare of all personnel in the Chula Vista Police Facility.

395.2 ROLES AND RESPONSIBILITIES

- (a) Emergency Services Coordinator / Site Emergency Coordinator: The Chula Vista Police Department will assign an individual to be the Emergency Services Coordinator (ESC). This person or their designee will serve as the Site Emergency Coordinator (SEC).
- (b) The Site Emergency Coordinator (SEC):
 1. The SEC will ensure that the police facility maintains Floor Warden Evacuation Packets throughout the building containing proper equipment and an up-to-date personnel roster and contact information.
 2. The SEC will attend/provide all required training as it relates to site evacuation.
 3. The SEC will ensure that the Dispatch Manager and Detention Facility Manager are in compliance with all required evacuation procedure training and testing.
 4. The SEC will coordinate all test evacuations.

395.3 POLICE FACILITY EVACUATION PROCEDURES

- (a) POLICE FACILITY: This plan is provided for the safety of all Police Department employees and visitors during an emergency that requires evacuation of the Police Facility. When directed to do so by the Watch Commander (or his or her designee), all employees, volunteers and visitors must evacuate the building immediately, regardless of whether the evacuation is a drill or the result of an actual emergency.
 1. The Watch Commander shall announce the evacuation over the intercom system
 2. Managers or supervisors or their designees shall ensure the following:
 - Ensure all employees and visitors in your work area have evacuated the building
 - Ensure employees receive any physical assistance they require to evacuate

Chula Vista Police Department

Policy Manual

Site Emergency Action Plan / Evacuation

- Take roll at the evacuation area to confirm that all of your employees have evacuated safely
3. Floor Wardens shall ensure all common areas (restrooms, break areas, etc.) on your assigned floor have been evacuated.
 4. Each designated area in the Police Facility has a Floor Warden Evacuation Packet. The packets contain the following:
 - A list of areas to be cleared of personnel during an evacuation (i.e.: common areas to search)
 - A safety vest to be worn by the Floor Warden
 - A personnel roster of all individuals assigned to a work area
 - A contact roster for all personnel that may be in the police facility at any given time.
 5. The manager, supervisor or their designee shall obtain the packet from their work area. They will assign a Floor Warden and provide them a safety vest. They will then proceed to the assigned staging area and record all personnel that are present. The manager or supervisor may assign themselves as a Floor Warden.
 6. The Watch Commander will contact the manager or supervisor from each designated area and take roll. Managers and supervisors will use the pre-printed evacuation contact rosters to locate individuals not present, thereby identifying personnel who may still be inside the building.'
 7. The Watch Commander will have a Floor Warden packet in the Watch Commander's office that will have a complete personnel roster of all those who may be in the facility at any given time.
 8. Assigned Floor Wardens are expected to make reasonable efforts to clear assigned areas prior to exiting the building, with the understanding that the ability to do so will vary depending on the nature of the emergency.
 9. Floor Wardens are not expected to put their own safety in unreasonable jeopardy in order to clear all areas.
 10. The Police Department Emergency Services Coordinator / Site Emergency Coordinator will ensure that the Floor Warden Packets are updated every six months and that Managers and Supervisors are aware of the packet location in their work area.
- (b) Evacuation Routes
1. The evacuation routes posted throughout the building should always be used during evacuation drills and should be used whenever possible in the event of an actual

Chula Vista Police Department

Policy Manual

Site Emergency Action Plan / Evacuation

emergency. If your normal evacuation route is not passable during an actual fire or other emergency, use the best available exit.

(c) When Directed to Evacuate

1. Upon hearing the evacuation order, LEAVE IMMEDIATELY, regardless of what you are doing. Do not stop and gather valuables, as any delay could prevent you from evacuating safely.
2. If you smell smoke, do not open your door until you feel for heat. If it is hot to the touch, leave it closed and use another exit if possible. If another exit is unavailable, place wet towels at the openings of the door to prevent smoke from entering the room. Try to attract the attention of rescue workers by waving and/or shouting, and open any window shades to allow rescue workers to see into the room.
3. If the door is not warm, open it cautiously, being conscious of smoke or noxious fumes. If fumes or smoke are absent, proceed to the nearest fire exit per posted evacuation routes.
4. Personnel should walk, not run, to prevent injury
5. DO NOT USE ELEVATORS during an emergency
6. In the event of an emergency, fire protection curtains will drop in front of all elevators and hallway doors will close automatically. Although closed, hallway doors will not be locked.

(d) Upon exiting report to the closer of these two evacuation areas:

1. Parking lot on the East side of the Chula Vista Main Library (Corner of Garrett and F Streets)
2. parking lot of the Parkway Gymnasium (385 Park Way, corner of Fourth Avenue and Park Way)

(e) Managers and supervisors will be responsible for taking roll at the evacuation areas to ensure all of their employees have reached the evacuation area safely.

(f) If the Watch Commander deems necessary, the Mobile Command Post should be moved to the southeast corner of the Main Library Parking Lot. The Command Post may be used as a mobile Emergency Operations Center or Communications Center depending on need. The location of the Mobile Command Post may vary depending on the nature of the emergency.

(g) Electronic copies of the Site Emergency Action Plan are stored on the City network at "H:\emergency action plans/PD Evacuation Plan". The plan will be provided to new employees on their first day of employment and will be updated on an annual basis.

395.3.1 DETENTION FACILITY EVACUATION SPAN AND CONTROL

When on duty, the Detention Facility Manager (DFM) will direct the staff during an evacuation. Each Police Services Officer (PSO) is expected to implement the evacuation procedures without

Policy Manual

Site Emergency Action Plan / Evacuation

the necessity of supervision. If the DFM is not available or on duty, the PSO's will implement the evacuation procedure identified in this policy without additional direction and without delay.

In the event of a building evacuation, the Watch Commander will ensure that the PSO's have acknowledged the evacuation order and will provide additional officers as needed to ensure the safety of the prisoners and to provide security during the evacuation.

395.3.2 DETENTION FACILITY EVACUATION

It shall be the responsibility of the Detention Facility Manager to ensure that all members of the detention facility staff receive initial training of evacuation and fire suppression procedures. During the calendar year, the Detention Facility Manager will ensure that the staff receives the listed training in addition to the training contained in the board of Corrections Training Bulletin 2002-6-03.

- Each staff member will receive refresher training on the evacuation plans
- Each staff member will receive refresher training on the use of fire suppression equipment.
- Each staff member will receive refresher training on the use of smoke hood or other breathing assistant equipment.
- There will be a minimum of two mock evacuation drills so that the staff can demonstrate their ability to implement evacuation plans and the use of fire suppression equipment.
- The mock evacuation drills will utilize the services of the Fire Department to evaluate the staff's efforts and allow the staff to learn to work effectively with fire fighters.
- The DFM will document the training and the office specialist will maintain those records for audits

395.3.3 DETENTION FACILITY CONSTRUCTION AND SAFETY DEVICES

The Detention Facility is located below ground level and has a concrete base and concrete block wall construction. The bunks are made of steel and the fixtures are made of aluminum. There is constant video monitoring of the cells and the facility, and each cell is also equipped with an audio communications device. All cell dormitory doors can be opened electronically or manually. The facility meets earthquake standards in effect at the time construction was implemented (2002).

- The entire Police Facility has a central fire alarm system that consists of both an audible alert and strobe lights
- The entire Police Facility has a fire sprinkler system
- There are two automated fire doors located on the east side of the Detention Facility that close off the Sally Port from the driveway and parking garage.
- There are fire extinguishers in the sally port, control room and east hallway.
- There is a fire suppression stand pipe located in the east hallway.
- Chula Vista Fire Station #1 is located less than 1,000 feet from the facility.

Chula Vista Police Department

Policy Manual

Site Emergency Action Plan / Evacuation

- The mattresses, pillows, sheets and blankets used by the prisoners shall meet all federal and state standards for flammability in a confinement setting. The stat sheets for those items are on file in the Detention Facility and available for inspection.

395.3.4 EVACUATION

Staff must constantly evaluate their preparedness to meet any emergency or combination of emergencies. Staff is instructed that these guidelines are designed to meet general threats but that individual emergency circumstances will dictate the course of action and each staff member must be prepared to adapt to changing threat levels.

395.3.5 FLOOR WARDEN

In the event of an evacuation, the Manager or Supervisor on duty will obtain the Floor Warden Evacuation Packet containing a Floor Warden Vest, Jail Staff Roster and the Custodial Roster of all current inmates. The Manager or Supervisor will assign themselves or another to be the Floor Warden. The Floor Warden will don the vest and clear all designated areas to ensure that all people are aware of the evacuation and are exiting the building. The Manager or Supervisor will take the Jail Staff Roster and Inmate Rosters to the staging area and conduct roll.

395.3.6 DETENTION FACILITY EVACUATION EXITS AND ROUTES

EXITS

- South Door of the Booking and Receiving area: Exit the door and step into the vehicle sally port area. If the fire alarm has been activated, the fire doors will be down. Exit to the driveway through the door located between the fire doors. Afterward, exit the driveway to "F" Street or through the parking garage onto Garrett.
- North Side of the Booking and Receiving area: Exit the door and step into the elevator reception area. Stairwell#5 is located immediately to the right.
- Off the South Hallway near the Interview rooms: Exit through the east doors into the hallway. You may then either exit through the parking garage or utilize Stairwell #3

DO NOT USE ELEVATORS. You cannot determine or see the danger at the location where the elevators will open. The elevator may malfunction as a result of the emergency and the elevators might be needed by fire personnel to access other portions of the facility.

395.3.7 EMERGENCIES INSIDE OR OUTSIDE THE DETENTION FACILITY

- (a) In case of an emergency initiated inside the Detention Facility, staff is directed to follow the procedures listed below:
1. Immediately notify the Communications Center via radio that you have an emergency in the Detention Facility. Describe the nature of the emergency and what assistance you require.
 2. If the threat involves fire, then immediately after notifying Communications, activate the nearest fire alarm.

Chula Vista Police Department

Policy Manual

Site Emergency Action Plan / Evacuation

3. Place your smoke hood on and activate the unit. Remember, if you become incapacitated from smoke, you will not be able to evacuate yourself or prisoners.
 4. Relocate any prisoners in the immediate area who may be in danger from fire or smoke to another location within the facility.
 5. Locate a fire extinguisher and take immediate action to suppress the fire. Because the facility is equipped with a sprinkler system, staff should encounter only small fires.
 6. If the fire is too large and the fire extinguisher is ineffective, begin immediate evacuation of the Detention Facility.
- (b) In case any emergency initiated outside the Detention Facility, staff is directed to follow the procedures listed below:
1. Upon activation of the emergency notification system (alarm with flashing strobe), immediately contact the Watch Commander to determine the nature and location of the threat.
 2. Due to the location of the Detention facility (below ground level) and the various architectural and fire protection technology incorporated into the building design, it might not be necessary to evacuate the facility immediately. However, as a precaution, staff is instructed to notify the Watch Commander of the number of prisoners currently inside the facility and to request assistance in relocating the prisoners.
 3. Prepare the prisoners for evacuation. In most cases prisoners will be cuffed and removed from the cells. Suspects in custody for violent felonies will be placed on the walking chain. Check the outside video monitors to determine any threats and the safest route of evacuation.
 4. Unless there is an immediate threat to life, PSO's will wait for armed escort before leaving the facility. Prisoners will then be escorted from the facility to safety.
- (c) Immediate danger to life: If the threat is immediate and taking time to cuff all of the prisoners would threaten the safety of the staff or prisoners, only violent felons will be cuffed. All others prisoners will be allowed to exit the facility without restraints. Other than the use of the walking chain, shackles shall not be used. Once at the rally point, leg irons and shackles may be used to maintain security and ensure public safety.
- (d) Earthquakes: The procedures for evacuating the facility after an earthquake will be similar to those for a fire with the addition of the following procedure:
1. A staff member will personally walk the potential evacuation route first to ensure that it has not been blocked by debris or other hazard that might prevent using that particular route.

395.4.2 HOUSING DISPLACED PRISONERS

If the Detention Facility cannot be occupied after the evacuation, the following arrangements will be made:

- All felons will be transported and booked at County Jail
- Misdemeanants will be released on their own recognizance
- Persons being held on misdemeanor warrants will be issued a new notice to appear

The Detention Facility Manager or designee will determine occupancy standards after consulting with the Fire Department and inspectors from the Building and Housing Department.

395.4.3 COMMUNICATION CENTER EVACUATION PROCEDURES

(a) The following procedures describe the steps that will be taken to evacuate the Communications Center in the event of a natural or manmade disaster that renders the facility unsafe:

1. Call the National City Police Department and request that they activate the E-9-1-1 Alternate Answering Switch
2. After NCPD has advised that the switch has been activated, a 911 call will be placed from the CVPD Communications Center to ensure that 911 calls are being redirected to the NCPD Communications Center. Once this has been confirmed, the Police Dispatch Supervisor will ensure that field units are made aware of the evacuation and then will direct all staff to evacuate the Police Facility.
3. The PDS will take a portable radio in order to maintain radio contact with officers in the field.

Chula Vista Police Department

Policy Manual

Site Emergency Action Plan / Evacuation

8. The Floor Warden is responsible for verifying that all personnel have evacuated the Communications Center and will generally be the last person to evacuate.
9. The Floor Warden or Supervisor or designee will post the Evacuation notice on the door to ensure that any employees returning to the Communications Center after has been cleared are aware of the evacuation.

399.2 POLICY

It is the policy of the Chula Vista Police Department to petition and serve gun violence restraining orders in compliance with state law and to properly account for firearms and ammunition obtained by the Department pursuant to such orders.

399.3 GUN VIOLENCE RESTRAINING ORDERS

An officer who reasonably believes a person is a present danger to him/herself or another person by controlling, owning, purchasing, possessing, receiving or otherwise having custody of a firearm may request permission from his/her supervisor to petition the court for a gun violence restraining order.

Officers petitioning the court should use the forms established by the Judicial Council (Penal Code § 18105). The petition should describe the number, types and locations of any firearms and ammunition that the officer believes to be possessed or controlled by the person (Penal Code § 18107). The petition should also describe why less-restrictive alternatives are ineffective or inadequate for the circumstances (Penal Code § 18125; Penal Code § 18150; Penal Code § 18175).

If it is not practical under the circumstances to submit a written petition, an officer may orally request an order using the procedures for obtaining an oral search warrant and preparing the order using the appropriate Judicial Council form (Penal Code § 18140; Penal Code § 18145).

399.4 SERVICE OF GUN VIOLENCE RESTRAINING ORDERS

An officer serving any gun violence restraining order shall:

- (a) Request that any firearms or ammunition be immediately surrendered and issue a receipt for the surrendered items (Penal Code § 18120).

- (c) Ensure the order is provided to the Chula Vista Police Department Communications Center for entry into the computer database system for protective and restraining orders maintained by the Department of Justice.

399.5 SEARCH WARRANTS

If a person who has been served with a gun violence restraining order refuses to surrender any firearm or ammunition, the officer should consider whether to seek a search warrant. If a search warrant is to be obtained, the preparation and service of the search warrant shall be done in accordance with the Warrant Service Policy. Additionally, (Penal Code § 1542.5):

- (a) The officer serving the warrant shall take custody of any firearm or ammunition that is controlled, possessed or owned by the person who is the subject of the gun violence restraining order, including any discovered pursuant to the warrant, a consensual search or other lawful search.

 - 1. The firearm or ammunition can be stored in a manner that does not allow the restrained person to have control or access.
 - 2. There is no evidence that the owner unlawfully possesses the firearm or ammunition.
- (c) If a locked gun safe belonging to someone other than the subject of a gun violence restraining order is discovered, the officer shall not search the contents of the safe unless the owner consents or there is a valid search warrant for the safe. Any search of the safe must be done in the owner's presence.

Chapter 4 - Patrol Operations

Patrol Function

400.1 PURPOSE AND SCOPE

The purpose of this policy is to define the functions of the patrol unit of the Department to ensure intra-department cooperation and information sharing.

400.1.1 FUNCTION

Officers will generally patrol in clearly marked vehicles, patrol assigned jurisdictional areas of Chula Vista, respond to calls for assistance, act as a deterrent to crime, enforce state and local laws and respond to emergencies 24 hours per day seven days per week.

Patrol will generally provide the following services within the limits of available resources:

- (a) Patrol that is directed at the prevention of criminal acts, traffic violations and collisions, the maintenance of public order, and the discovery of hazardous situations or conditions
- (b) Crime prevention activities such as residential inspections, business inspections, community presentations, etc.
- (c) Calls for service, both routine and emergency in nature
- (d) Investigation of both criminal and non-criminal acts
- (e) The apprehension of criminal offenders
- (f) Community Oriented Policing and Problem Solving activities such as citizen assists and individual citizen contacts of a positive nature
- (g) The sharing of information between the Patrol and other division within the Department, as well as other outside governmental agencies
- (h) The application of resources to specific problems or situations within the community, which may be improved or resolved by Community Oriented Policing and problem solving strategies
- (i) Traffic direction and control

400.1.2 TERRORISM

It is the goal of the Chula Vista Police Department to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. Officers should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a written report or Field Interview (FI). The supervisor should ensure that all terrorism related reports and FIs are forwarded to the Investigations Supervisor in a timely fashion.

400.2 PATROL INFORMATION SHARING PROCEDURES

The following guidelines are intended to develop and maintain intra-department cooperation and information flow between the various divisions of the Chula Vista Police Department.

Chula Vista Police Department

Policy Manual

Patrol Function

400.2.1 CRIME ANALYSIS UNIT

The Research and Analysis Unit is the central unit for information exchange. Criminal information and intelligence reports can be submitted to the Research and Analysis Unit for distribution to all divisions within the Department.

400.2.2 CRIME REPORTS

A crime report may be completed by any patrol officer who receives criminal information. The report will be processed and forwarded to the appropriate unit for retention or follow-up investigation.

400.2.3 PATROL ROLL CALLS

Patrol supervisors, detective sergeants, and special unit sergeants are encouraged to share information as much as possible. All supervisors and/or officers will be provided an opportunity to share information at the daily patrol Roll Calls as time permits.

400.2.4 INFORMATION CLIPBOARDS

Information clipboards will be maintained in the briefing room and will be available for review by officers from all divisions within the Department. At a minimum these clipboards will include, but not be limited to, the patrol roll-call book.

400.3 CROWDS, EVENTS AND GATHERINGS

Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, such as Penal Code 602.1 (obstructing or intimidating business operators), when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

Patrol Shift Scheduling

401.1 PURPOSE AND SCOPE

The purpose of this policy is to establish procedures for the selection of patrol shifts, days off and annual vacations.

It is the policy of the department that patrol watch assignments shall be selected annually and by departmental seniority per the procedures set forth in this policy.

401.1.1 DEFINITIONS

Change over- The period between 6-month shifts. Shift change shall occur at the end of a 28-day pay cycle. Each 6-month shift should include at least 13 pay periods. This is generally the 4th Friday in June and the 2nd Friday in January.

Fiscal year - The 12month period starting on July 1 and ending on June 30 of the following year.

Shift - A six month period during which an officer works a watch. There are two shifts during a fiscal year: the June shift and the January shift.

Shift change - The transition between shifts. Shift changes occur in June and January.

Watch - The time of day when an officer works during their shift. Generally, these are categorized as 1st, 2nd and 3rd watches.

401.2 PATROL SHIFTS

Patrol shifts will be six months long. The shift change will occur at the end of a 28-day pay cycle in June (usually the 4th Friday), and the end of the 28 day cycle ending the first week of January (usually the 2nd Friday).

401.2.1 SHIFT SELECTION PROCESS

The following procedures are guidelines used for the shift selection process:

(a) Selection times will be assigned in 12-hour intervals. Signups are by rank and further by seniority within the rank or assignment (Canine officers). All ranks begin on the same date. All selection times will start at 12AM or 12PM.

(b) Patrol staff may select a shift at any point after their assigned time or when those senior have already chosen and the signups are ahead of schedule. Every 12 hours after their assigned time the next assigned Officer will be eligible to make a selection without waiting for the first officer's selection. Example: Officer A is assigned 1200 on 4/1/2012. If he or she has not made a selection by midnight on 4/1/2012, Officer B may select ahead of Officer A. If a selection has not been made by 12 noon on 4/2/2012, Officer C may also select ahead of Officer A.

(c) Officers who are not on duty at their appointed selection time may submit a "wish list" to the scheduling Lieutenant or call the Watch Commander to select on their behalf. No accommodation will be made for those who fail to sign up within 12 hours of their assigned time without submitting a "wish list".

Chula Vista Police Department

Policy Manual

Patrol Shift Scheduling

(d) Officers who have worked for 2 years on the same shift will be required to work a different shift.

On the seniority roster, their name will be highlighted in a color corresponding to the shift they are restricted from selecting. If at any time the number of shifts available for those restricted officers matches the number of officers who have been restricted, the available shifts will be highlighted in the same color as those officers. At that time, only those restricted officers may select from those shifts. Example: There are 7 officers who have spent 2 years on day watch highlighted in blue.

There are only 7 shifts remaining on swing watch and graveyards combined. Those 7 shifts will be highlighted in blue and only those officers highlighted in blue may select from those shifts.

(e) Officers who find their preferred team(s) filled (due to being bumped) at their selection time may submit a wish list to the scheduling Lieutenant for placement on a "bumped list". This list will be used by the scheduling Lieutenant to fill vacancies based on personnel movement. This list will also be used by the scheduling Lieutenant to facilitate trades.

1. Any officer transferred to Patrol after the posting of the shift schedule will be assigned at the same selection time as the officer immediately below them on the seniority roster. If that selection time has already passed, they may select from any Team with a vacancy.

2. Any officer transferred to a patrol assignment after the completion of the shift selection process will be assigned to a shift by the scheduling Lieutenant based on the needs of the department.

(f) **PATROL PERSONNEL MAY ONLY WORK THE SAME WATCH FOR TWO CONSECUTIVE YEARS.** For the purposes of this policy, regardless of the watch, the 12.5 hour and 10 hour shifts will not be considered the same shift. For example, Officer A works 2 years on Team #1 (day watch) and then 1 shift on Team #4. This would not be considered to be a violation of the 2 year rule.

(g) Once established, shift schedules become the responsibility of each individual watch. Any changes that occur after changeover are the responsibility of the individual Sergeant for each watch and must obtain the approval of the Scheduling Lieutenant.

(h) In the event that an employee transfers out of patrol between shift change periods, the employee who transfers back to patrol as a result should normally fill that slot.

(i) The Scheduling Lieutenant will assign employees completing training to a watch as staffing needs dictate.

401.2.2 SHIFT TRADES

The following procedures are guidelines used for the shift trade process:

(a) Applications for trades or adjustments of schedules must be made to the Scheduling Lieutenant.

(b) Trading of watch assignments between personnel of equal rank or classification is permissible with signed approval of the scheduling Lieutenant and the Watch Commanders of the effected watches or activities, subject to the following limitations:

Patrol Shift Scheduling

1. Any trades made should be arranged and approved at least one month in advance of the start of the shift (June or January shift). Any exceptions will only be allowed at the discretion of the Scheduling Lieutenant.
2. Trading of watches cannot violate the two year rule (See 401.2.1 (f) of this policy).
3. A reasonable balance of senior and junior officers should be maintained.
4. As near as possible, bilingual officers and similar compensated specialties must be equally distributed between all watches.
5. Approval is subject to the needs of the department.

401.3 SELECTION OF ANNUAL VACATION

The selection of annual vacations by employees should commence immediately after the assignment of shifts has been completed, and should be conducted in order by seniority. The selection of annual vacation shall be in accordance with the direction of the Division Commander and any appropriate legal authority.

Unless otherwise directed, members may select only one vacation period per year up to their annual vacation accrual allowance. Selections may be restricted according to the following guidelines:

- (a) Only two officers, or one agent and one officer on the same shift may be off at the same time.
- (b) Only one Sergeant or Lieutenant on the same shift may be off at the same time.
- (c) Only one Lieutenant per shift and no more than a total of two Lieutenants may be off at the same time.
- (d) Only one CSO per shift may be off on scheduled vacation at the same time.
- (e) Any exceptions approved by a Division Commander.

Racial- or Bias-Based Profiling

402.1 PURPOSE AND SCOPE

This policy provides guidance to department members and establishes appropriate controls to ensure that members of the Chula Vista Police Department do not engage in racial- or bias-based profiling or violate any related laws while serving the community.

402.1.1 DEFINITIONS

Definitions related to this policy include:

Racial- or bias-based profiling - An inappropriate reliance on factors such as race, ethnicity, national origin, religion, sex, sexual orientation, economic status, age, cultural group, disability or affiliation with any other similar identifiable group as a factor in deciding whether to take law enforcement action or to provide service. This includes gender identity or expression (Penal Code § 13519.4).

402.2 POLICY

The Chula Vista Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly and without discrimination toward any individual or group.

Race, ethnicity or nationality, religion, sex, sexual orientation, economic status, age, cultural group, disability or affiliation with any other similar identifiable group shall not be used as the basis for providing differing levels of law enforcement service or the enforcement of the law.

402.3 RACIAL- OR BIAS-BASED PROFILING PROHIBITED

Racial- or bias-based profiling is strictly prohibited. However, nothing in this policy is intended to prohibit an officer from considering factors such as race or ethnicity in combination with other legitimate factors to establish reasonable suspicion or probable cause (e.g., suspect description is limited to a specific race or group).

402.4 MEMBER RESPONSIBILITY

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any known instances of racial- or bias-based profiling to a supervisor.

402.4.1 REASON FOR DETENTION

Officers detaining a person shall be prepared to articulate sufficient reasonable suspicion to justify a detention, independent of the individual's membership in a protected class.

Racial- or Bias-Based Profiling

To the extent that written documentation would otherwise be completed (e.g., arrest report, Field Interview (FI) card), the involved officer should include those facts giving rise to the officer's reasonable suspicion or probable cause for the detention, as applicable.

Nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

402.5 SUPERVISOR RESPONSIBILITY

Supervisors shall monitor those individuals under their command for any behavior that may conflict with the purpose of this policy and shall handle any alleged or observed violation of this policy in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.
- (b) Supervisors should periodically review MAV recordings, MDC data and any other available resource used to document contact between officers and the public to ensure compliance with the policy.
 1. Supervisors should document these periodic reviews.
 2. Recordings that capture a potential instance of racial- or bias-based profiling should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should ensure that no retaliatory action is taken against any member of this department who discloses information concerning racial- or bias-based profiling.

402.6 ADMINISTRATION

Each year, the Operations Division Commander shall review the efforts of the Department to prevent racial- or bias-based profiling and submit an overview, including public concerns and complaints, to the Chief of Police.

This report should not contain any identifying information regarding any specific complaint, citizen or officers. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service.

Supervisors shall review the annual report and discuss the results with those they are assigned to supervise.

402.7 TRAINING

Training on racial- or bias-based profiling and review of this policy should be conducted as directed by the Professional Standards Unit.

- (a) All sworn members of this department will be scheduled to attend Peace Officer Standards and Training (POST)-approved training on the subject of racial- or bias-based profiling.

Chula Vista Police Department

Policy Manual

Racial- or Bias-Based Profiling

- (b) Pending participation in such POST-approved training and at all times, all members of this department are encouraged to familiarize themselves with and consider racial and cultural differences among members of this community.
- (c) Each sworn member of this department who received initial racial- or bias-based profiling training will thereafter be required to complete an approved refresher course every five years, or sooner if deemed necessary, in order to keep current with changing racial, identity and cultural trends (Penal Code § 13519.4(i)).

402.8 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

The Professional Standards Unit Manager and the Records Manager or the authorized designee shall ensure that all data required by the Department of Justice (DOJ) regarding citizen complaints of racial bias against officers is collected and reported annually to DOJ (Penal Code § 13012; Penal Code § 13020).

Roll Call Training

404.1 PURPOSE AND SCOPE

Roll Call training is generally conducted at the beginning of the officer's assigned shift. Roll Call provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Roll Call; however officers may conduct Roll Call for training purposes with supervisor approval.

Roll Call should accomplish, at a minimum, the following basic tasks:

- (a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles, and major investigations
- (b) Notifying officers of changes in schedules and assignments
- (c) Notifying officers of new Departmental Directives or changes in Departmental Directives
- (d) Reviewing recent incidents for training purposes
- (e) Providing training on a variety of subjects

404.2 PREPARATION OF MATERIALS

The supervisor conducting Roll Call is responsible for preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in his or her absence or for training purposes.

404.3 RETENTION OF ROLL CALL TRAINING RECORDS

Roll Call training materials and a curriculum or summary shall be forwarded to the Training Manager for inclusion in training records, as appropriate.

Crime and Disaster Scene Integrity

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

406.2 POLICY

It is the policy of the Chula Vista Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

406.3 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

406.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

Crime and Disaster Scene Integrity

406.5 SEARCHES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

406.5.1 CONSENT

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

406.6 EXECUTION OF HEALTH ORDERS

Any sworn member of this department is authorized to enforce all orders of the local health officer that have been issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (Health and Safety Code § 120155).

SWAT and CNT

408.1 PURPOSE AND SCOPE

The Special Weapons and Tactics Team (SWAT) along with the Crisis Negotiation Team (CNT) has been established to provide specialized support in handling critical field operations where intense negotiations and/or special tactical deployment methods beyond the capacity of field officers appear to be necessary. This policy is written to comply with the guidelines established in the Attorney General's Commission on Special Weapons and Tactics Report (September 2002) and the POST 2005 SWAT Operational Guidelines and Standardized Training Recommendations (Penal Code § 13514.1).

408.1.1 OPERATIONAL AND ADMINISTRATIVE POLICY

The Policy Manual sections pertaining to the SWAT Team and CNT are divided into Administrative and Operational Policy and Procedures. Since situations that necessitate the need for such a police response vary greatly from incident to incident and such events often demand on-the-scene evaluation, the Operational Policy outlined in this manual section serves as a guideline to department personnel allowing for appropriate on scene decision making as required. The Administrative Procedures, however, are more restrictive and few exceptions should be taken.

408.1.2 SWAT TEAM DEFINED

A SWAT team is a designated unit of law enforcement officers that is specifically trained and equipped to work as a coordinated team to resolve critical incidents that are so hazardous, complex, or unusual that they may exceed the capabilities of first responders or investigative units including, but not limited to, hostage taking, barricaded suspects, snipers, terrorist acts and other high-risk incidents. As a matter of department policy, such a unit may also be used to serve high-risk warrants, both search and arrest, where public and officer safety issues warrant the use of such a unit.

408.2 LEVELS OF CAPABILITY/TRAINING

408.2.1 LEVEL I

A level I SWAT team is a basic team capable of providing containment and intervention with critical incidents that exceed the training and resources available to line-level officers. This does not include ad hoc teams of officers that are formed around a specific mission, detail or incident (e.g. active shooter response). Generally 5% of the basic team's on-duty time should be devoted to training.

408.2.2 LEVEL II

A level II, Intermediate level SWAT team is capable of providing containment and intervention. Additionally, these teams possess tactical capabilities above the Level I teams. These teams may or may not work together on a daily basis, but are intended to respond to incidents as a team. At least 5% of their on-duty time should be devoted to training with supplemental training for tactical capabilities above the Level I team.

Chula Vista Police Department

Policy Manual

SWAT and CNT

The Chula Vista Police Department SWAT Team is considered a Level II Team.

408.2.3 LEVEL III

A Level III, Advanced level SWAT team is a SWAT team whose personnel function as a full-time unit. Generally 25% of their on-duty time is devoted to training. Level III teams operate in accordance with contemporary best practices. Such units possess both skills and equipment to utilize tactics beyond the capabilities of Level I and Level II teams.

408.3 POLICY

It shall be the policy of this department to maintain a SWAT team and to provide the equipment, manpower, and training necessary to maintain a SWAT team. The SWAT team should develop sufficient resources to perform three basic operational functions:

- (a) Command and Control
- (b) Containment
- (c) Entry/Apprehension/Rescue (React Team)

It is understood it is difficult to categorize specific capabilities for critical incidents. Training needs may vary based on the experience level of the team personnel, team administrators and potential incident commanders. Nothing in this policy shall prohibit individual teams from responding to a situation that exceeds their training levels due to the exigency of the circumstances. The preservation of innocent human life is paramount.

408.3.1 POLICY CONSIDERATIONS

A needs assessment should be conducted to determine the type and extent of SWAT missions and operations appropriate to this department. The assessment should consider the team's capabilities and limitations and should be reviewed annually by the SWAT Commander or his/her designee.

408.3.2 ORGANIZATIONAL PROCEDURES

This department shall develop a separate written set of organizational procedures which should address, at minimum, the following:

- (a) Locally identified specific missions the team is capable of performing.
- (b) Team organization and function.
- (c) Personnel selection and retention criteria.
- (d) Training and required competencies.
- (e) Procedures for activation and deployment.
- (f) Command and control issues, including a clearly defined command structure.
- (g) Multi-agency response.
- (h) Out-of-jurisdiction response.

SWAT and CNT

- (i) Specialized functions and supporting resources.

408.3.3 OPERATIONAL PROCEDURES

This department shall develop a separate written set of operational procedures in accordance with the determination of their level of capability, using sound risk reduction practices. The operational procedures should be patterned after the National Tactical Officers Association and California Association of Tactical Officers Suggested SWAT Best Practices. Because such procedures are specific to SWAT members and will outline tactical and officer safety issues, they are not included within this policy. The operational procedures should include, at minimum, the following:

- (a) Designated personnel responsible for developing an operational or tactical plan prior to, and/or during SWAT operations (time permitting).
 - 1. All SWAT team members should have an understanding of operational planning.
 - 2. SWAT team training should consider planning for both spontaneous and planned events.
 - 3. SWAT teams should incorporate medical emergency contingency planning as part of the SWAT operational plan.
- (b) Plans for mission briefings conducted prior to an operation, unless circumstances require immediate deployment.
 - 1. When possible, briefings should include the specialized units and supporting resources.
- (c) Protocols for a sustained operation should be developed which may include relief, rotation of personnel and augmentation of resources.
- (d) A generic checklist to be worked through prior to initiating a tactical action as a means of conducting a threat assessment to determine the appropriate response and resources necessary, including the use of SWAT.
- (e) The appropriate role for a trained negotiator.
- (f) A standard method of determining whether or not a warrant should be regarded as high-risk.
- (g) A method for deciding how best to serve a high-risk warrant with all reasonably foreseeable alternatives being reviewed in accordance with risk/benefit criteria prior to selecting the method of response.
- (h) Post incident scene management including:
 - 1. Documentation of the incident.
 - 2. Transition to investigations and/or other units.
 - 3. Debriefing after every deployment of the SWAT team.

SWAT and CNT

- (a) After-action team debriefing provides evaluation and analysis of critical incidents and affords the opportunity for individual and team assessments, helps to identify training needs, and reinforces sound risk management practices.
 - (b) Such debriefing should not be conducted until involved officers have had the opportunity to individually complete necessary reports or provide formal statements.
 - (c) In order to maintain candor and a meaningful exchange, debriefing will generally not be recorded.
 - (d) When appropriate, debriefing should include specialized units and resources.
- (i) Sound risk management analysis.
 - (j) Standardization of equipment deployed.

408.4 TRAINING NEEDS ASSESSMENT

The SWAT Commander or his designee shall conduct an annual SWAT Training needs assessment to ensure that training is conducted within team capabilities, department policy and the training guidelines as established by POST (11 C.C.R. § 1084).

408.4.1 INITIAL TRAINING

SWAT team operators and SWAT supervisors/team leaders should not be deployed until successful completion of the POST-certified Basic SWAT Course or its equivalent.

- (a) To avoid unnecessary or redundant training, previous training completed by members may be considered equivalent when the hours and content (topics) meet or exceed department requirements or POST standardized training recommendations.

408.4.2 UPDATED TRAINING

Appropriate team training for the specialized SWAT functions and other supporting resources should be completed prior to full deployment of the team.

SWAT team operators and SWAT supervisors/team leaders should complete update or refresher training as certified by POST, or its equivalent, every 24 months.

Examples of training include:

SWAT Commander and Team Leader Courses, CATO Conference, Snipercraft, Chemical Agents Courses, Breaching Courses, and Less Lethal Courses.

408.4.3 SUPERVISION AND MANAGEMENT TRAINING

Command and executive personnel are encouraged to attend training for managing the SWAT function at the organizational level to ensure personnel who provide active oversight at the scene of SWAT operations understand the purpose and capabilities of the teams.

Hazardous Material Response

412.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees resulting from their exposure. To comply with Title 8, California Code of Regulations, § 5194, the following is to be the policy of this department.

412.1.1 HAZARDOUS MATERIAL DEFINED

A hazardous material is a substance which by its nature, containment and reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

412.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill, or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps, commonly referred to by the acronym "RAIN", should be considered at any scene involving suspected hazardous materials:

- (a) **Recognize:** Make a rapid assessment of the incident. Assessment may be aided by a variety of senses, including what you can see (such as hazmat placards, leaking tanks, or smoke), what you can hear (such as hissing sounds), and what you can smell (such as an unusual odor or an odor of rotten eggs).
- (b) **Avoid:** Minimize exposure to the substance by putting distance between yourself/others and the threat. Steps to minimize exposure may include a determination to evacuate the surrounding area.
- (c) **Isolate:** Take action to isolate or reduce exposure to the hazardous substance using barriers or protective equipment. Provide first aid for injured parties if it can be done safely and without contamination.
- (d) **Notify:** 1) Fire Department. Fire Department personnel will respond accordingly based on the degree of the incident. Additionally, if the incident involves a pesticide spill, it is necessary to notify the San Diego County Department of Environmental Health (Health & Safety Code §10215). 3) Notifying the Department of Toxic Substances Control is mandatory when an officer comes in contact with, or is aware of, the presence of a suspected hazardous substance at a site where an illegal controlled substance is or was manufactured (Health and Safety § 25354.5).

412.3 REPORTING EXPOSURE(S)

Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the

Chula Vista Police Department

Policy Manual

Hazardous Material Response

employee in an employee memorandum that shall be forwarded via chain of command to the Commanding Officer. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to, if appropriate, a crime report or incident report.

412.3.1 SUPERVISOR RESPONSIBILITY

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the Fire Department.

Hostage and Barricade Incidents

414.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

414.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

414.2 POLICY

It is the policy of the Chula Vista Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

414.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

414.3.1 EMERGENCY COMMUNICATIONS

Only an officer who has been designated by the District Attorney or Attorney General may use or authorize the use of an electronic amplifying or recording device to eavesdrop on or record, or both, oral communication in response to an emergency situation involving a hostage or the barricading of a location, and only when (Penal Code § 633.8(b)):

Chula Vista Police Department

Policy Manual

Hostage and Barricade Incidents

- (a) The officer reasonably determines an emergency situation exists that involves the immediate danger of death or serious physical injury to any person within the meaning of 18 USC § 2518(7)(a)(i),

- (e) The contents of any oral communications overheard are recorded on tape or other comparable device.

414.4 FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

414.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

414.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.

414.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a CRU response if appropriate and apprising the CRU Commander of the circumstances. In addition, the following options should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers to restrict such services (e.g., restricting electric power, gas, telephone service).
 - 1. When considering restricting communication services, a supervisor should make the determination that there is reason to believe an emergency situation exists involving immediate danger of death or great bodily harm and that an interruption to communication services is necessary to protect public safety. The supervisor must ensure the Department obtains a court order, in accordance with Public Utilities Code section 7908, prior to requesting the interruption. In the case of an extreme emergency when there is insufficient time to obtain an order prior to the request, application for the order must be submitted within six hours after initiating the interruption (Public Utilities Code § 7908).

Chula Vista Police Department

Policy Manual

Hostage and Barricade Incidents

- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or the Communications Center.
- (i) Identify a media staging area outside the outer perimeter and have the department Public Information Officer or a designated temporary media representative provide media access in accordance with the News Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

414.6 CRISIS RESPONSE UNIT RESPONSIBILITIES

The Incident Commander will decide, with input from the CRU Commander, whether to deploy the CRU during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the CRU Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the CRU. The Incident Commander and the CRU Commander or the authorized designee shall maintain communications at all times.

414.7 REPORTING

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

416.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Chula Vista Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

416.2 POLICY

It is the policy of the Chula Vista Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

416.2.1 INITIAL CALL AND RESPONSE

Upon receipt of a report of a bomb, bomb threat, suspicious device or explosion, a patrol officer should be dispatched in accordance with the following guidelines:

- (a) All reports of explosions, bombings or found devices shall be categorized as priority one calls. All bomb threats where no device has been found shall be categorized as priority two calls.
- (b) A Field Sergeant or Watch Commander shall be notified of all bomb threats, explosions or found devices.
- (c) A "code six" for radio transmissions should be broadcast immediately advising units to not use radios within two city blocks of the incident location.
- (d) Officers should be dispatched via telephone or mobile data systems whenever possible.
- (e) Because police radios continually transmit signals even though the radio is in not actually in use, officers should turn off both their mobile and portable radios when within 300 feet of the bomb threat location. All communication with officers on-scene should be conducted via telephone.
- (f) In the event that a device is found or an explosion occurs, the San Diego County Sheriff's Bomb Squad shall be notified via Sheriff's communications or directly at 467-4660.

416.2.2 FIRST RESPONDER RESPONSIBILITIES

Officers responding to a report of a bomb, bomb threat, suspicious device or explosion should consider the preservation of human life the primary concern. Officers should adhere to the following guidelines:

- (a) When dispatched to a report of a bomb threat or suspicious device, field officers should turn off their mobile radios, portable radios and mobile data devices prior to arriving on scene. Radios should remain off at all times while within 300 feet of the scene or suspected device. Cellular telephones also transmit periodically and should be turned off at all times

Chula Vista Police Department

Policy Manual

Response to Bomb Calls

while within 300 feet of the scene or suspected device. **All communications should be conducted via land line telephone while on-scene of a suspected explosive device.**

- (b) Officers should contact the reporting party and/or the person in charge of the property/building to obtain information about the bomb threat or device.
- (c) If a device has not been found, the officer should consult with the owner of the property or manager when deciding whether or not to evacuate the premises.

416.2.3 FOUND EXPLOSIVES OR SUSPECTED DEVICE

When an officer responds to a call of a suspected explosive device, or when a suspected explosive device is found or there is factual information to believe a bomb exists, the following guidelines should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging. Officers shall not examine, touch or move any package or device that is suspected of being a bomb. Officers shall not transport any suspicious device to the police facility, fire station or other location.
- (b) Notify a field supervisor or Watch Commander immediately. Additional officers should be dispatched if needed to assist with evacuation or perimeter control.
- (c) Turn off all radios, cellular telephones, and other mobile communications and data devices within 300 feet of the device
- (d) Evacuate and secure a perimeter of a minimum of 300 feet around the suspected device, allowing for an entrance for support personnel
- (e) Relay as much initial information as possible without touching the device, including:
 - 1. The suspected threat
 - 2. How made
 - 3. Exact comments
 - 4. Time
 - 5. Location
 - 6. Full description (e.g., size, shape, markings) of the device in question
- (f) Consideration for support personnel such as paramedics and Fire Department personnel
- (g) A search of the area should be conducted for secondary devices or other objects foreign to the area
- (h) Notify the San Diego County Sheriff's Bomb Squad via dispatch. (Notification may also be made through the Sheriff's communications center)
- (i) Found explosive or military ordnance of any type should be handled only by the Bomb Squad
- (j) When in doubt, call for assistance from the Sheriff's Department Bomb Squad

Chula Vista Police Department

Policy Manual

Response to Bomb Calls

416.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Watch Commander is immediately advised and informed of the details. This will enable the Watch Commander to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

416.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

416.4.1 CHULA VISTA POLICE DEPARTMENT FACILITY

If the bomb threat is against the Chula Vista Police Department facility, the Watch Commander will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

416.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Chula Vista Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Watch Commander deems appropriate.

416.4.3 EXPLOSIVES OR SUSPECTED DEVICE FOUND AT OR DELIVERED TO POLICE FACILITY

Generally, procedures for handling a found explosive or suspected device found at the police facility should mirror those of any other location, as prescribed by Policy Manual § 416.23.

If a device is brought into the police facility by a private person, interview them about the device and obtain their name, address, and telephone number for later investigation. Take a report of the incident after resolution. Devices delivered to the facility should be handled in accordance with the following guidelines.

- (a) Small arms ammunition and commercial fireworks should be placed in the bomb basket and logged into property. The Sheriff's Bomb Disposal unit will be notified by the Crime Laboratory personnel at a later date.
- (b) Military ordinance, commercial explosives or unknown devices or materials should not be handled by untrained personnel. Officers should not attempt to move these devices or place them into the bomb basket. Secure an immediate safe zone around the device, and immediately notify the Watch Commander in accordance with Police Manual § 416.42.

Chula Vista Police Department

Policy Manual

Response to Bomb Calls

416.4.4 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

416.5 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the City of Chula Vista, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
 1. No evacuation of personnel and no search for a device.
 2. Search for a device without evacuation of personnel.
 3. Evacuation of personnel without a search for a device.
 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Watch Commander is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

416.5.1 ASSISTANCE

The Watch Commander should be notified when police assistance is requested. The Watch Commander will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Watch Commander determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.

Response to Bomb Calls

- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
 - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
 - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

416.6 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
 - 1. Two-way radios
 - 2. Cell phones
 - 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Watch Commander including:
 - 1. The time of discovery.
 - 2. The exact location of the device.
 - 3. A full description of the device (e.g., size, shape, markings, construction).

Response to Bomb Calls

4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.

416.7 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

416.7.1 CONSIDERATIONS

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

416.7.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Watch Commander
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

Chula Vista Police Department

Policy Manual

Response to Bomb Calls

416.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

416.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Watch Commander should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

Mental Illness Commitments

418.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may take a person into custody for psychiatric evaluation and treatment (5150 commitment) (Welfare and Institutions Code § 5150).

418.2 POLICY

It is the policy of the Chula Vista Police Department to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

418.3 AUTHORITY

An officer having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the officer believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, officers are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

- (a) An individual who is providing or has provided mental health treatment or related support services to the person
- (b) A family member
- (c) The person subject to the determination or anyone designated by the person

418.3.1 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the officers should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
- (b) If at any point the person changes his/her mind regarding voluntary evaluation, officers should proceed with the 5150 commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

418.3.2 RESTRAINTS

If the patient is violent or potentially violent, the officer will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints

Mental Illness Commitments

are desired, the officer will wait while they are being applied to help provide physical control of the patient, if needed.

418.3.3 MENTAL HEALTH DOCUMENTATION

The officer will complete an Application For 72-Hour Detention for Evaluation and Treatment form (MH-302) and provide it to the staff member assigned to that patient. The officer will retain a copy of the 72-hour evaluation for inclusion in the case report. The officer shall also provide a verbal summary to an emergency department staff member regarding the circumstances leading to the involuntary detention.

418.3.4 SECURING OF WEAPONS

If a receiving and secured facility prohibits weapons or if an extraordinary event occurs in the treatment facility and officers determine a need to secure their firearms, the firearm shall be secured in the appropriate gun locker at the facility or in the police unit.

418.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the person's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Officers should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

418.4.1 SECURING OF PROPERTY

When a person is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian or conservator is in possession of the person's personal property, the officer shall take reasonable precautions to safeguard the individual's personal property in his/her possession or on the premises occupied by the person (Welfare and Institutions Code § 5150).

The officer taking the person into custody shall provide a report to the court that describes the person's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the officer shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

Mental Illness Commitments

418.5 TRANSPORTATION

Officers may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Watch Commander approval is required before transport commences.

418.5.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS

- (a) Whenever the handling officer has cause to believe that the future return of any confiscated weapon(s) might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Investigations Division which shall be responsible for initiating a petition to the superior court for a hearing in accordance with Welfare and Institutions Code § 8102(b), to determine whether or not the weapon(s) will be returned.
- (b) The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon(s) have been confiscated unless the Department makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Department shall send written notice to the individual informing him or her of the right to a hearing on the issue and that he or she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon(s).
- (c) If no petition is initiated within the above period, the Department shall make the weapon(s) available for return in accordance with subsection (d) below. If the person does not confirm a desire for a hearing within the prescribed 30 days, the Department may file a petition for an order of default.
- (d) Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid identification and written notification from the California Department of Justice which conforms to the provisions of Penal Code § 12021.3(e).
- (e) In no case in which a firearm or other deadly weapon is not retained as evidence shall the Department be required to retain such firearms or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal in accordance with applicable law (Penal Code § 12021.3(g)).

418.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer should provide the staff member with the written application for 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported

Mental Illness Commitments

and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

418.7 DOCUMENTATION

The officer shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for officer involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

418.7.1 ADVISEMENT

The officer taking a person into custody for evaluation shall advise the person of:

- (a) The officer's name and agency.
- (b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
- (c) The name of the facility to which the person is being taken.
- (d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the officer must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The officer should also ask if the person needs assistance turning off any appliance or water.

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

418.8 CRIMINAL OFFENSES

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.
- (c) Facilitate the individual's transfer to jail.

Mental Illness Commitments

- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

418.9 FIREARMS AND OTHER WEAPONS

Whenever a person is taken into custody for a 5150 commitment, the handling officers should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institute § 8100. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g. safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A search warrant may also be needed before searching for or seizing weapons

The handling officers shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Officers shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see Property and Evidence Policy).

418.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS

Whenever the handling officer has cause to believe that the future return of any confiscated weapon might endanger the person or others, the officer shall detail those facts and circumstances in a report. The report shall be forwarded to the Investigations, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.

The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon has been confiscated, unless the Department makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Department shall send written notice to the individual informing him/her of the right to a hearing on the issue, that he/she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon.

Chula Vista Police Department

Policy Manual

Mental Illness Commitments

418.10 TRAINING

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with mentally disabled persons, 5150 commitments and crisis intervention.

Cite and Release Policy

420.1 PURPOSE AND SCOPE

This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

420.1.1 DISCRETION TO ARREST

While this department recognizes the statutory power of peace officers to make arrests throughout the state, officers are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot and/or fresh pursuit, while following up on crimes committed within the City, while operating as part of a multi-jurisdictional task force, or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

Officers are authorized to use verbal or written warnings to resolve minor traffic and criminal violations when appropriate.

420.2 POLICY

It is the policy of the Chula Vista Police Department to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the Department's mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

420.3 RELEASE BY CITATION

Except in cases where a reason for non-release as described below exists, adults arrested for a misdemeanor offense, including a private persons arrest, shall be released from custody on a citation (Penal Code § 853.6).

The citing officer shall, at the time the defendant signs the notice to appear, call attention to the time and place for appearance and take any other steps he/she deems necessary to ensure that the defendant understands his/her written promise to appear.

420.3.1 FIELD CITATIONS

In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting officer should check the

Chula Vista Police Department

Policy Manual

Cite and Release Policy

booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

420.3.2 RELEASE AFTER BOOKING

In some cases it may not be feasible or desirable to release a person in the field. The person should instead be released on citation after booking at the jail. All bookings shall be approved by the Watch Commander or the authorized designee.

420.4 NON-RELEASE

420.4.1 DISQUALIFYING OFFENSES

An adult arrested on any of the following disqualifying charges shall not be released on citation and shall be transported to the appropriate detention facility or held for court or bail after booking:

Disqualifying offenses include (Penal Code § 1270.1):

- (a) Misdemeanor domestic battery (Penal Code § 243(e)(1)).
- (b) Felony domestic battery (Penal Code § 273.5).
- (c) Serious or violent felonies (Penal Code § 1270.1(a)(1)).
- (d) Violation of a protective order and the arrested person has made threats, used violence or has gone to the protected person's workplace or residence (Penal Code § 273.6).
- (e) Stalking (Penal Code § 646.9).
- (f) Misdemeanor violations of a protective order relating to domestic violence if there is a reasonable likelihood the offense will continue or the safety of the individuals or property would be endangered (Penal Code § 853.6).

420.4.2 REASONS FOR NON-RELEASE

A person arrested for a misdemeanor shall be released on a citation unless there is a reason for non-release. The Watch Commander may authorize a release on citation regardless of whether a reason for non-release exists when it is determined to be in the best interest of the Department and does not present an unreasonable risk to the community (e.g., release of an intoxicated or ill person to a responsible adult).

Reasons for non-release include (Penal Code § 853.6(i)):

- (a) The person arrested is so intoxicated that he/she could be a danger to him/herself or to others. Release may occur as soon as this condition no longer exists.
- (b) The person arrested requires medical examination or medical care or is otherwise unable to care for his/her own safety
 - 1. The Chula Vista Police Department shall not release an arrestee from custody for the purpose of allowing that person to seek medical care at a hospital, and then immediately re-arrest the same individual upon discharge from the hospital, unless

Chula Vista Police Department

Policy Manual

Cite and Release Policy

the hospital determines this action will enable it to bill and collect from a third-party payment source (Penal Code § 4011.10).

- (c) The person is arrested for one or more of the offenses listed in Vehicle Code §§ 40302, 40303 and 40305.
- (d) There are one or more outstanding arrest warrants for the person (see Misdemeanor Warrants elsewhere in this policy).
- (e) The person could not provide satisfactory evidence of personal identification.
 - 1. If a person released on citation does not have satisfactory identification in his/her possession, a right thumbprint or fingerprint should be obtained on the citation form.
- (f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.
- (g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.
- (h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.
- (i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented. Reasons may include:
 - (a) Previous failure to appear is on record
 - (b) The person lacks ties to the area, such as a residence, job or family
 - (c) Unusual circumstances lead the officer responsible for the release of prisoners to conclude that the suspect should be held for further investigation

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Watch Commander for approval and included with the case file in the Police Support Services.

420.5 MISDEMEANOR WARRANTS

An adult arrested on a misdemeanor warrant may be released, subject to Watch Commander approval, unless any of the following conditions exist:

- (a) The misdemeanor cited in the warrant involves violence
- (b) The misdemeanor cited in the warrant involves a firearm
- (c) The misdemeanor cited in the warrant involves resisting arrest
- (d) The misdemeanor cited in the warrant involves giving false information to a peace officer
- (e) The person arrested is a danger to him/herself or others due to intoxication or being under the influence of drugs or narcotics

Cite and Release Policy

- (f) The person requires medical examination or medical care or was otherwise unable to care for his/her own safety
- (g) The person has other ineligible charges pending against him/her
- (h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person
- (i) The person refuses to sign the notice to appear
- (j) The person cannot provide satisfactory evidence of personal identification
- (k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear

Release under this section shall be done in accordance with the provisions of this policy.

420.6 JUVENILE CITATIONS

Completion of criminal citations for juveniles is generally not appropriate with the following exceptions:

- Misdemeanor traffic violations of the Vehicle Code
- Violations of the Chula Vista City codes

All other misdemeanor violations for juveniles shall be documented with a case number and the case should be referred to the Investigations for further action including diversion.

420.7 REQUESTING CASE NUMBERS

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident properly in a report. This section does not preclude an officer from requesting a case number if he/she feels the situation should be documented more thoroughly in a case report.

Foreign Diplomatic and Consular Representatives

422.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Chula Vista Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

422.2 POLICY

The Chula Vista Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

422.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

422.4 ENFORCEMENT

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

- (a) Generally, all persons with diplomatic and consular privileges and immunities may be issued a citation or notice to appear. However, the person may not be compelled to sign the citation.
- (b) All persons, even those with a valid privilege or immunity, may be reasonably restrained in exigent circumstances for purposes of self-defense, public safety or the prevention of serious criminal acts.
- (c) An impaired foreign diplomatic or consular representative may be prevented from driving a vehicle, even if the person may not be arrested due to privileges and immunities.
 1. Investigations, including the request for field sobriety tests, chemical tests and any other tests regarding impaired driving may proceed but they shall not be compelled.
- (d) The following persons may not be detained or arrested, and any property or vehicle owned by these persons may not be searched or seized:
 1. Diplomatic-level staff of missions to international organizations and recognized family members
 2. Diplomatic agents and recognized family members
 3. Members of administrative and technical staff of a diplomatic mission and recognized family members
 4. Career consular officers, unless the person is the subject of a felony warrant
- (e) The following persons may generally be detained and arrested:
 1. International organization staff; however, some senior officers are entitled to the same treatment as diplomatic agents.
 2. Support staff of missions to international organizations
 3. Diplomatic service staff and consular employees; however, special bilateral agreements may exclude employees of certain foreign countries.
 4. Honorary consular officers
 5. Whenever an officer arrests and incarcerates, or detains for investigation for over two hours, a person with diplomatic and consular privileges and immunities, the officer shall promptly advise the person that he/she is entitled to have his/her government notified of the arrest or detention (Penal Code § 834c). If the individual wants his/her government notified, the officer shall begin the notification process.

422.5 DOCUMENTATION

All contacts with persons who have claimed privileges and immunities afforded foreign diplomatic and consular representatives should be thoroughly documented and the related reports forwarded to DOS.

Rapid Response and Deployment Policy

424.1 PURPOSE AND SCOPE

Violence in schools, workplaces and other locations by any individual or group of individuals presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding officers as they make decisions in these rapidly unfolding and tense situations.

424.2 POLICY

The policy of this department in dealing with the crisis situation shall be:

- (a) To obtain and maintain complete operative control of the incident.
- (b) To explore every reasonably available source of intelligence regarding the circumstances, location, and suspect(s) in the incident.
- (c) To attempt, by every means available, to attain any tactical advantage over the responsible individual(s).
- (d) To attempt, whenever feasible, a negotiated surrender of the suspect(s) and release of the hostages through the expertise of the members of this department and others.
- (e) When an emergency situation exists, neutralize the threat as rapidly as reasonably possible to minimize injury and loss of life.

Nothing in this policy shall preclude the use of necessary force, deadly or otherwise, by members of this department in protecting themselves or others from death or serious injury.

424.3 PROCEDURE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to immediately eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

When deciding on a course of action officers should consider:

- (a) Whether sufficient personnel are available on-scene to advance on the suspect. Any advance on a suspect should be made using teams of two or more officers whenever reasonably possible.
- (b) Whether individuals who are under imminent threat can be moved out of danger with reasonable safety.
- (c) Whether the officers have the ability to effectively communicate with others in the field.
- (d) Whether planned tactics can be effectively deployed.

Chula Vista Police Department

Policy Manual

Rapid Response and Deployment Policy

- (e) The availability of rifles, shotguns, shields, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.
- (f) In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).
- (g) If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, the officer should take immediate action, if reasonably possible, to stop the threat presented by the suspect while calling for additional assistance.

Police Activity Outside of Jurisdiction

426.1 PURPOSE AND SCOPE

This policy provides general guidelines for reporting police activity while on or off-duty and occurring outside the jurisdiction of the Chula Vista Police Department.

426.1.1 ASSISTANCE TO AGENCIES OUTSIDE THE CITY

When an officer is on-duty and is requested by an allied agency to participate in law enforcement activity in another jurisdiction, he/she shall obtain prior approval from the immediate supervisor or the Watch Commander. If the request is of an emergency nature, the officer shall notify the Communications Center before responding and thereafter notify a supervisor as soon as practical.

This policy shall not apply to employees specially assigned to a task force, or otherwise specifically assigned to regularly assist allied agencies.

426.1.2 LAW ENFORCEMENT ACTIVITY OUTSIDE THE CITY

Any on-duty officer, except those specially assigned to a task force, who engages in law enforcement activities of any type outside the immediate jurisdiction of the Chula Vista shall notify his or her supervisor or the Watch Commander at the earliest possible opportunity.

The supervisor shall determine if a case report or other documentation of the officer's activity is required.

426.2 OFF-DUTY ENFORCEMENT ACTION

Law enforcement officers, whose on-duty employment involves performing police functions, retain full power and authority to act as peace officers when off-duty. Prior to taking law enforcement action, off-duty officers who observe or who are told of criminal activity should first consider contacting the appropriate law enforcement agency to have on-duty officers/deputies respond. Off-duty officers should, if possible, make mental notes of the criminal incident and attempt to be a good witness to the event. In determining whether or not to intervene, the off-duty peace officer should consider the totality of the situation.

Off-duty officers observing criminal activity should generally take enforcement action only when it is reasonably necessary to prevent death, the possibility of death or serious bodily injury, or significant property damage or loss. In such situations the officer should consider the offense involved, the difficulty that being off-duty tactically and operationally presents, and/or other factors as articulated and observed by the off-duty officer.

If an off-duty officer intervenes in the criminal conduct, he/she shall, if reasonably possible, clearly identify themselves as a police officer, identify their agency, and identify their intent to stop the criminal conduct. Any law enforcement action taken by the officer shall be governed by the policies and procedures, rules and regulations that apply to on duty personnel. When outside the limits of their jurisdiction, but within the State of California, off-duty peace officers may assist any law enforcement officer who appears to be in need of immediate assistance and may assist in the prevention of the commission of any crime involving immediate danger to persons or property, or of

Chula Vista Police Department

Policy Manual

Police Activity Outside of Jurisdiction

the escape of the perpetrator of the offense. Off-duty peace officers outside the State of California do not have police officer powers or status, and therefore have only the rights and obligations of private citizens of that state.

426.2.1 NOTIFICATION REQUIREMENTS

Any off-duty officer who engages in any law enforcement activities, regardless of jurisdiction shall notify the Watch Commander as soon as practical.

The Watch Commander shall determine if a case report or other documentation of the officer's activity is required, determine the need for expediency with the documentation, and should direct the officer accordingly.

Immigration Violations

428.1 PURPOSE AND SCOPE

The immigration status of individuals alone is generally not a matter for police action. The Chula Vista Police Department recognizes and values the diversity of the community it serves. It is incumbent upon all employees of this department to make a personal commitment to equal enforcement of the law and equal service to the public regardless of immigration status. Confidence in this commitment will increase the effectiveness of the Department in protecting and serving the entire community.

428.2 DEPARTMENT POLICY

The U.S. Immigration and Customs Enforcement (ICE) has primary jurisdiction for enforcement of the provisions of Title 8, United States Code dealing with illegal entry.

When assisting ICE at its specific request, or when suspected criminal violations are discovered as a result of inquiry or investigation based on probable cause originating from activities other than the isolated violations of 8 USC § 1304; 8 USC § 1324; 8 USC § 1325 and 8 USC § 1326, this department may assist in the enforcement of federal immigration laws.

428.3 PROCEDURES FOR IMMIGRATION COMPLAINTS

Persons wishing to report immigration violations should be referred to the local office of the U.S. Immigration and Customs Enforcement (ICE). The Employer Sanction Unit of ICE has primary jurisdiction for enforcement of Title 8, United States Code.

428.3.1 BASIS FOR CONTACT

Unless immigration status is relevant to another criminal offense or investigation (e.g., harboring, smuggling, terrorism), the fact that an individual is suspected of being an undocumented alien shall not be the sole basis for contact, detention, or arrest.

Certain criminal situations, however, have a significant negative impact on the health and welfare of our community and may require immediate action by officers. Officers are therefore authorized to detain undocumented persons under the following limited circumstances:

- Reasonable suspicion exists to detain the person for any criminal violation *other than that of being an undocumented alien*.
- The person is contacted during the investigation of a "drop house" (a house or building being utilized as a transfer or holding facility for persons engaged in smuggling undocumented persons).
- The person is contacted during the investigation of a "load vehicle" (a vehicle engaged in smuggling undocumented persons or contraband).
- The person is contacted during the investigation of a "drug house" (a house or building being used to facilitate narcotics trafficking).

Chula Vista Police Department

Policy Manual

Immigration Violations

428.3.2 SWEEPS

The Chula Vista Police Department does not independently conduct sweeps or other concentrated efforts to detain suspected undocumented aliens.

When enforcement efforts are increased in a particular area, equal consideration should be given to all suspected violations and not just those affecting a particular race, ethnicity, age, gender, sexual orientation, religion, socioeconomic status or other group.

The disposition of each contact (e.g., warning, citation, arrest), while discretionary in each case, should not be affected by such factors as race, ethnicity, age, gender, sexual orientation, religion or socioeconomic status.

428.3.3 ICE REQUEST FOR ASSISTANCE

If a specific request is made by ICE or any other federal agency, this department will provide available support services, such as traffic control or peacekeeping efforts, during the federal operation.

Members of this department should not participate in such federal operations as part of any detention team unless it is in direct response to a request for assistance on a temporary basis or for officer safety. Any detention by a member of this department should be based upon the reasonable belief that an individual is involved in criminal activity.

428.3.4 IDENTIFICATION

Whenever any individual is reasonably suspected of a criminal violation (infraction, misdemeanor, or felony), the investigating officer should take reasonable steps to determine the person's identity through valid identification or other reliable sources.

The Office of the San Diego County District Attorney has determined that successful prosecution of criminal violators requires that officers identify suspects with the "functional equivalent of a driver's license" which includes either a California or other state-issued driver's license or identification card or US Military Identification Card. Identification from the home country of foreign nationals, as a practical matter, is of diminished value for prosecution purposes. Absent such necessary identification, successful prosecution will require that foreign national suspects be booked in order to be properly identified. (Source: Formal correspondence dated December 3, 2003, District Attorney, County of San Diego.)

The Mexico Consulate may issue a "Matricula Consular," or "Mexican Consulate Identification Card" to Mexican citizens residing in the United States. This is considered a valid form of identification for victims, witnesses, or reporting persons, but is not satisfactory for suspects or arrestees.

If an individual would have otherwise been released for an infraction or misdemeanor on a citation, the person should be taken to the station and given a reasonable opportunity to verify his/her true identity (e.g., telephone calls). If the person's identity is thereafter reasonably established, the original citation release should be completed without consideration of immigration status.

Immigration Violations

428.3.5 ARREST

If the officer intends to take enforcement action and the individual is unable to reasonably establish his/her true identity, the officer may take the person into custody on the suspected criminal violation (see Vehicle Code § 40302a, and Penal Code § 836, if pertinent to the circumstances). The Watch Commander shall approve all such arrests.

428.3.6 BOOKING

If the officer is unable to reasonably establish an arrestee's identity, the individual may, upon approval of a supervisor, be booked into jail for the suspected criminal violation and held for bail.

A person detained exclusively pursuant to the authority of Vehicle Code § 40302(a) for any Vehicle Code infraction or misdemeanor shall not be detained beyond two hours for the purpose of establishing his/her true identity. Regardless of the status of that person's identity at the expiration of two hours, he/she shall be released on his/her signature with a promise to appear in court for the Vehicle Code infraction or misdemeanor involved.

428.3.7 NOTIFICATION OF IMMIGRATION AND CUSTOMS ENFORCEMENT

Whenever an officer has reason to believe that any person arrested for any offense listed in Health & Safety Code §11369 or any other felony may not be a citizen of the United States and the individual is not going to be booked into county jail, the arresting officer shall cause ICE to be notified for consideration of an immigration hold.

If an officer has an articulable belief that an individual taken into custody for any misdemeanor is an undocumented alien, and after he/she is formally booked there is no intention to transport to the county jail, ICE may be informed by the arresting officer so that ICE may consider placing an immigration hold on the individual.

In making the determination whether to notify ICE in such circumstances, the officer should, in consultation with a supervisor, consider the totality of circumstances of each case, including, but not limited to:

- (a) Seriousness of the offense
- (b) Community safety
- (c) Potential burden on ICE
- (d) Impact on the immigrant community

Generally, officers will not need to notify ICE when booking arrestees at the county jail. Immigration officials routinely interview suspected undocumented aliens who are booked into the county jail on criminal charges and notification will be handled according to jail operation procedures.

428.3.8 RELEASE OF DETAINED INDIVIDUALS TO ICE

Officers are authorized to release undocumented persons to ICE/CBP if there is no "probable cause" to arrest but there is "reasonable suspicion" that the subject was involved in criminal activity other than an immigration status violation and under the following circumstances. The fact that an

Chula Vista Police Department

Policy Manual

Immigration Violations

individual is suspected of being an undocumented alien alone shall not be the basis for contact, detention, or arrest. After investigation determines a detainee is in violation of Immigration Law officers are authorized to notify ICE/CBP and release the detainee to them at the scene of contact within a reasonable time. In the event of a release to ICE/CBP, the officer will document and submit the reasonable suspicion on a Field Interview card.

- (a) When there is reasonable suspicion that the undocumented person was involved in criminal activity *other than an immigration status violation*, and the duration of the detention would not be unreasonably extended by the release. (When considering extending the time of a detention, additional time may still be considered reasonable when mitigated by a variety of possible factors, such as being located in a remote location or considerations for the safety of the detained person.)
- (b) When the undocumented person was detained during the investigation of a "drop house" (a house or building being utilized as a transfer or holding facility for persons engaged in smuggling undocumented persons).
- (c) When the undocumented person was detained during the investigation of a "load vehicle" (a vehicle engaged in smuggling undocumented persons or contraband).
- (d) When the undocumented person was detained during the investigation of a "drug house" (a house or building being used to facilitate narcotics trafficking).

Officers should not transport undocumented persons to a police facility for the sole purpose of releasing them to INS. Undocumented persons may consent to being voluntarily transported to the police facility in order to complete additional investigation.

Officers shall not release undocumented persons to ICE under any of the following circumstances:

- When the undocumented person is a victim or witness of a crime, unless a determination has been made by investigators to hold them as material witnesses.
- When the undocumented person is contacted during family disturbances.
- When the undocumented person is seeking medical treatment.

428.4 CONSIDERATIONS PRIOR TO REPORTING TO ICE

The Chula Vista Police Department is concerned for the safety of local citizens and thus detection of criminal behavior is of primary interest in dealing with any person. The decision to arrest shall be based upon those factors which establish probable cause and not on arbitrary aspects. Race, ethnicity, age, gender, sexual orientation, religion, and socioeconomic status alone are of no bearing on the decision to arrest.

All individuals, regardless of their immigration status, must feel secure that contacting law enforcement will not make them vulnerable to deportation. Members should not attempt to determine the immigration status of crime victims and witnesses or take enforcement action against them absent exigent circumstances or reasonable cause to believe that a crime victim or witness is involved in violating criminal laws. Generally, if an officer suspects that a victim

Chula Vista Police Department

Policy Manual

Immigration Violations

or witness is an undocumented immigrant, the officer need not report the person to ICE unless circumstances indicate such reporting is reasonably necessary.

Nothing in this policy is intended to restrict officers from exchanging legitimate law enforcement information with any other federal, state or local government entity (8 USC § 1373; 8 USC § 1644).

428.4.1 U-VISA/T-VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U); 8 USC § 1101(a)(15)(T)). A declaration/certification for a U-Visa/T-Visa from the U.S. Citizenship and Immigration Services may be completed on the appropriate U.S. DHS Form supplements (I-918 or I-914) by law enforcement and must include information on how the individual can assist in a criminal investigation or prosecution in order for a U-Visa/T-Visa to be issued.

Any request for assistance in applying for U-Visa/T-Visa status should be forwarded in a timely manner to the Investigations sergeant assigned to supervise the handling of any related case. The Investigations sergeant should do the following:

- (a) Consult with the assigned detective to determine the current status of any related case and whether further documentation is warranted.
- (b) Review the instructions for completing the declaration/certification if necessary. Instructions for completing Forms I-918/I-914 can be found on the U.S. DHS website.
- (c) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the declaration/certification has not already been completed and whether a declaration/certification is warranted.
- (d) Address the request and complete the declaration/certification, if appropriate, in a timely manner.
- (e) Ensure that any decision to complete or not complete the form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed declaration/certification in the case file.

428.4.2 U VISA NONIMMIGRANT STATUS

Under certain circumstances federal law allows temporary immigration benefits to victims and witnesses of certain qualifying crimes (8 U.S.C. § 1101(a)(15)(U)). A petition for a U-Visa from the U.S. Citizenship and Immigration Services must be completed on DHS Form I-918 by the assigned investigator or the assigned prosecutor and must include information on how the individual can assist in a criminal investigation or prosecution in order for a U-Visa to be issued.

Any request for assistance in applying for U-Visa status should be forwarded in a timely fashion to the detective supervisor assigned to supervise the handling of any related case. The detective supervisor should do the following:

- (a) Consult with the assigned detective to determine the current status of any related case and whether an update on the case is warranted.

Chula Vista Police Department

Policy Manual

Immigration Violations

- (b) Review the instructions for completing the certification if necessary. Instructions for completing Form I-918 can be found on the DHS website at <http://www.uscis.gov/portal/site/uscis>.
- (c) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification has not already been completed and that certification is warranted.
- (d) Timely address the request and complete the certification if appropriate.
- (e) Ensure that any decision to complete or not complete the form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed certification in the case file.

428.4.3 HUMAN TRAFFICKING T-VISA

Officers and their supervisors who are assigned to investigate a case of human trafficking shall complete the above process and documents needed for a T-Visa application within 15 business days of the first encounter with the victim, whether or not it is requested by the victim (Penal Code § 236.5).

428.5 UNDOCUMENTED JUVENILES

Juveniles detained or taken into protective custody constitute special circumstances, and the following guidelines should be followed. In all cases involving juveniles, officers shall submit an arrest report detailing the circumstances of the detention and the disposition of the juvenile.

428.5.1 DETENTIONS PURSUANT TO WELFARE AND INSTITUTIONS CODE § 300

- (a) For juveniles less than 14 years of age:
 - 1. If the juvenile's parent or guardian can be located, the juvenile should be released to them regardless of the family's immigration status.
 - 2. If a parent or guardian cannot be located, the juvenile should be transported to the Polinsky Center. The Polinsky Center will determine the status and disposition of the child.
- (b) For juveniles 14 years of age and older:
 - 1. If the juvenile's parent or guardian can be located, the juvenile should be released to them regardless of the family's immigration status.
 - 2. If the juvenile's parent or guardian cannot be located, the juvenile should be released to ICE. Officers are authorized to transport the juvenile to ICE under this circumstance

428.5.2 DETENTIONS PURSUANT TO WELFARE AND INSTITUTIONS CODE § 601

- (a) For juveniles less than 14 years of age:

Chula Vista Police Department

Policy Manual

Immigration Violations

1. If the juvenile's parent or guardian can be located, the juvenile should be released to them regardless of the family's immigration status.
 2. If a parent or guardian cannot be located, the officer should contact juvenile hall authorities. Juvenile hall personnel will determine if the juvenile is appropriate for admission into the Juvenile Hall facility. (Consideration will be given to the severity of the crime and whether the juvenile is on probation. Admission of children under age 14 to Juvenile Hall requires prior approval by a judge.) If the Juvenile Hall does not accept admission, the juvenile should be transported to the Polinsky Center. The Polinsky Center will determine the status and disposition of the child.
- (b) For juveniles 14 years of age and older:
1. If the juvenile's parent or guardian can be located, the juvenile should be released to them regardless of the family's immigration status.
 2. If a parent or guardian cannot be located, the juvenile should be transported to the Juvenile Hall.

Emergency Utility Service

430.1 PURPOSE AND SCOPE

The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

430.1.1 BROKEN WATER LINES

Responsibility for water resources, including reservoirs, water pumps, wells, and other public water equipment, is that of the Sweetwater Authority and the Otay Water District. The Sweetwater Authority is responsible for providing water service to portions of Bonita and the western and central portions of Chula Vista (generally west of the I-805). The Otay Water District is responsible for providing water service to the eastern portion of Chula Vista (generally east of the I-805).

Public agency responsibility ends at the water meter; any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public water agencies can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the public side of the meter, emergency personnel should be called as soon as practical by the Communications Center.

430.1.2 ELECTRICAL LINES

City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The Electric Company or Public Works should be promptly notified, as appropriate.

430.1.3 PUMPS, WELLS, ETC.

Public Works maintains several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

430.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Communications Center.

430.2 TRAFFIC SIGNAL MAINTENANCE

The Signals Division of the Public Works Department provides maintenance for all traffic signals within the City, other than those maintained by the State of California.

Chula Vista Police Department

Policy Manual

Emergency Utility Service

430.2.1 OFFICER'S RESPONSIBILITY

Upon observing a damaged or malfunctioning signal, the officer will advise the Communications Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

Aircraft Accidents

433.1 PURPOSE AND SCOPE

This policy describes situations involving aircraft accidents including responsibilities of personnel, making proper notification, and documentation.

433.2 RESPONSIBILITIES

In the event of an aircraft crash the employee responsibilities are as follows:

433.2.1 OFFICER RESPONSIBILITY

Officers should treat an aircraft crash site as a crime scene until it is determined that such is not the case. If a military aircraft is involved, additional dangers, such as live ordnance or hazardous materials, may be present. The scene may require additional security due to the potential presence of confidential equipment or information.

The duties of the field officers at the scene of an aircraft accident include the following:

- (a) Determine the nature and extent of the accident.
- (b) Request additional personnel and other resources to respond as needed.
- (c) Provide assistance for the injured parties until the arrival of Fire Department personnel and/or other emergency personnel.
- (d) Cordon off and contain the area to exclude unauthorized individuals as soon as practicable.
- (e) Provide crowd control and other assistance until directed otherwise by a supervisor.
- (f) Ensure the Medical Examiner is notified if a death occurs.

Entering an aircraft or tampering with parts or debris is only permissible for the purpose of removing injured or trapped occupants, protecting the wreckage from further damage or protecting the public from danger. If possible, the investigating authority should first be consulted before entering or moving any aircraft or any crash debris. Photographs or sketches of the original positions should be made whenever feasible.

The Fire Department will be responsible for control of the accident scene until the injured parties are cared for and the accident scene has been rendered safe for containment. Thereafter, police personnel will be responsible for preserving the scene until relieved by the investigating authority.

Once the scene is relinquished to the investigating authority, personnel from this agency may assist in containment of the scene until the investigation is completed or assistance is no longer needed.

An airport service worker or the airport manager may respond to the scene to assist the on-scene commander with technical expertise, should it be needed during the operation.

Chula Vista Police Department

Policy Manual

Aircraft Accidents

433.2.2 NATIONAL TRANSPORTATION SAFETY BOARD

The National Transportation Safety Board (NTSB) has the primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft incident, the appropriate branch of the military will be involved in the investigation. The NTSB is concerned with several aspects of a crash as described in this section.

Every effort should be made to preserve the scene to the extent possible in the condition in which it was found until such time as NTSB or other authorized personnel arrive to take charge of the scene.

Military personnel will respond to take charge of any military aircraft involved, whether or not injuries or deaths have occurred.

If the accident did not result in a death or injury and the NTSB elects not to respond, the pilot or owner may assume control of the aircraft.

Removal of the wreckage shall be done under the guidance of the NTSB or military authorities or, if the NTSB is not responding for an on-site investigation, at the discretion of the pilot or the owner.

433.2.3 THE COMMUNICATIONS CENTER RESPONSIBILITIES

Dispatchers are responsible to make notifications as directed once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. Generally, the dispatcher will need to notify the following agencies or individuals when an aircraft accident has occurred.

- (a) Fire Department
- (b) The affected airport tower
- (c) Closest military base if a military aircraft is involved
- (d) Ambulances or other assistance as required

When an aircraft accident is reported to the Police Department by the airport tower personnel the dispatcher receiving such information should verify that the tower personnel will contact the Federal Aviation Administration (FAA) Flight Standards District Office and the National Transportation Safety Board (NTSB). In the event that airport personnel are not involved, the dispatcher should notify the FAA and the NTSB.

433.2.4 POLICE SUPPORT SERVICES MANAGER RESPONSIBILITIES

The Records Manager is responsible for the following:

- (a) Forward and maintain an approved copy of the accident report to the California Department of Aeronautics
- (b) Forward a copy of the report to the Operations Division Commander and the manager of the affected airport

Chula Vista Police Department

Policy Manual

Aircraft Accidents

433.2.5 PUBLIC INFORMATION OFFICER RESPONSIBILITIES

The Department Public Information Officer is responsible for the following:

- (a) Obtain information for a press release from the on-scene commander or his or her designee
- (b) When practical, the Department Public Information Officer should coordinate with the FAA Press Information Officer to prepare a press release for distribution to the Media

Information released to the press regarding any aircraft accident should be handled by the Department Public Information Officer or in accordance with existing policy.

433.3 DOCUMENTATION

Any aircraft accident (crash) within the City, regardless of whether injuries or deaths occur, shall be documented.

Obtaining Air Support

437.1 PURPOSE AND SCOPE

The use of a police helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

437.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made. Requests for helicopter assistance should be made through the Communications Center.

Additionally, Dispatchers should request air support in any of the following situations:

- (a) Vehicular pursuits
- (b) Calls of 11-99
- (c) Extended foot pursuits where the suspect(s) have been contained but not apprehended
- (d) Any other incident where aerial surveillance or pursuit might reasonably assist officers in locating or apprehending suspects and/or vehicles

437.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a helicopter, the Communications Center will call the closest agency having helicopter support available. The Dispatcher should apprise that agency of the specific details of the incident prompting the request.

Unless the specific circumstances of the incident reasonably necessitate otherwise, requests for helicopter support should be made to the following agencies in the following order:

- (a) Sheriff Department "ASTREA"
- (b) San Diego Police Department "ABLE"
- (c) Immigration and Customs Enforcement (ICE) "OMAHA"

Requests for helicopter assistance should be made through the agencies regular business phone, or through radio communications on an allied radio frequency.

437.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Police helicopters may be requested under any of the following conditions:

- (a) When the helicopter is activated under existing mutual aid agreements
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard
- (c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community

Obtaining Air Support

- (d) Extended foot pursuits, or any situation where a suspect(s) has been contained but not apprehended
- (e) When the use of aerial surveillance or helicopters may assist officers in locating or apprehending criminal suspects or vehicles suspected to be involved in criminal activity
- (f) When the use of a helicopter may assist officer by providing an arial platform from which to inspect roof-tops, canyons, or other areas not readily and safely accessible by officers on foot or in vehicles
- (g) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard
- (h) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for officers on the ground.

437.3 FIELD COMMUNICATIONS WITH HELICOPTER

Once the helicopter arrives on frequency, all communications will be the responsibility of the field supervisor on scene or his/her designee. If a supervisor is unavailable, then the senior officer or officer in charge of the incident shall be responsible for communicating with the aircrew.

Only one officer should communicate and direct the helicopter from the scene. All other personnel should avoid radio communications with the air crew unless it is of an urgent nature.

Officers should refrain from attempting to signal the helicopter by waiving their arms or flashing lights into the air, unless an exigency exists or unless specifically requested by the helicopter. Should the helicopter request that an officer attempt to signal them, only one officer should signal the helicopter at a time. All other personnel should avoid attempting to signal the helicopter since multiple signals may confuse the helicopter and delay their assistance.

As soon as the incident is contained or it has been determined that the helicopter is no longer needed, they should be released by the supervisor or officer in charge of the scene.

Detentions And Photographing Detainees

439.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for conducting field interviews (FI) and pat-down searches, and the taking and retention of photographs of persons detained in the field but not arrested. Due to a variety of situations confronting the officer, the decision to FI or photograph a field detainee shall be left to the discretion of the involved officer based on the totality of the circumstances available to them at the time of the detention.

439.2 DEFINITIONS

Detention - Occurs when an officer intentionally, through words, actions or physical force causes an individual to reasonably believe he/she is being required to restrict his/her movement. Detentions also occur when an officer actually restrains a person's freedom of movement.

Consensual Encounter - Occurs when an officer contacts an individual but does not create a detention through words, actions or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Field Interview - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purposes of determining the individual's identity and resolving the officer's suspicions.

Field Photographs - Field photographs are defined as posed photographs taken of a person during a contact, detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-Down Search - This type of search is used by officers in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

Reasonable Suspicion - Occurs when, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

439.3 FIELD INTERVIEWS

Officers may stop individuals for the purpose of conducting an FI where reasonable suspicion is present. In justifying the stop, the officer should be able to point to specific facts which, when taken together with rational inferences, reasonably warrant the stop. Such facts include, but are not limited to, the following:

- (a) The appearance or demeanor of an individual suggests that he/she is part of a criminal enterprise or is engaged in a criminal act.

Chula Vista Police Department

Policy Manual

Detentions And Photographing Detainees

- (b) The actions of the suspect suggest that he/she is engaged in a criminal activity.
- (c) The hour of day or night is inappropriate for the suspect's presence in the area.
- (d) The suspect's presence in the particular area is suspicious.
- (e) The suspect is carrying a suspicious object.
- (f) The suspect's clothing bulges in a manner that suggests he/she is carrying a weapon.
- (g) The suspect is located in proximate time and place to an alleged crime.
- (h) The officer has knowledge of the suspect's prior criminal record or involvement in criminal activity.

439.3.1 INITIATING A FIELD INTERVIEW

An officer may initiate the stop of a person when there is articulable, reasonable suspicion to do so. A person however, should not be detained longer than is reasonably necessary to resolve the officer's suspicions.

Nothing in this policy is intended to discourage consensual contacts. Frequent and random casual contacts with consenting individuals are encouraged by the Chula Vista Police Department to strengthen our community involvement, community awareness and problem identification.

439.3.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigators to utilize available personnel for the following:

- (a) Identify all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department personnel.
 - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness in a department vehicle. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.

Detentions And Photographing Detainees

439.4 PAT-DOWN SEARCHES

A pat-down search of a detained subject may be conducted whenever an officer reasonably believes that the person may possess an object that can be utilized as an offensive weapon or whenever the officer has a reasonable fear for his/her own safety or the safety of others. Circumstances that may establish justification for performing a pat-down search include, but are not limited to the following:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry deadly weapons.
- (e) The appearance and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.
- (g) The age and gender of the suspect.

Whenever possible, pat-down searches should be performed by officers of the same gender.

439.5 FIELD PHOTOGRAPHS

Before photographing any field detainee, the officer shall carefully consider, among other things, the factors listed below.

439.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject of the photograph knowingly and voluntarily gives consent.

439.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. Mere knowledge or suspicion of gang membership or affiliation is not a sufficient justification for taking a photograph without consent. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted into evidence and retained in compliance with this policy.

439.6 SUPERVISOR RESPONSIBILITY

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that

Chula Vista Police Department

Policy Manual

Detentions And Photographing Detainees

supervisor approval is required before each photograph. Access to field photographs shall be strictly limited to law enforcement purposes.

439.7 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be downloaded into the approved electronic file or database with either an associated FI card, incident report, or other memorandum explaining the nature of the contact. Physical photographs collected during the investigation of a crime should be submitted as an evidence item in the related case, following standard evidence procedure. Digital images should be downloaded into the Department's digital image storage database, and should be cross-referenced with the related FI card, incident report, or other memorandum explaining the nature of the contact.

When appropriate, a copy of the photograph and a copy of the associated FI card, incident report, or other memorandum explaining the nature of the contact may be submitted to an investigator or other law enforcement agent for further processing.

When a photograph is taken in association with a particular case, the detective may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. In the case of digital images, a copy of the digital image should be retained as part of the case file.

When a photograph is taken and is relevant to criminal street gang enforcement, either the original or a copy of the photograph may be retained as prescribed by Policy § 442.

All digital images will be maintained by the Evidence Control Unit in the Department's digital image storage database.

439.7.1 PURGING THE FIELD PHOTO FILE

The Crime Lab Manager will be responsible for ensuring that photographs maintained by the Police Department are periodically purged and destroyed in accordance with established law and applicable procedure. Photographs and digital images that continue to serve a legitimate law enforcement purpose may be retained longer than one year provided that a notation of that fact is added to the file for each additional year that they are retained. Access to the FI photo file or digital image database shall be strictly limited to law enforcement purposes.

A photograph need not be purged but may be retained as an updated photograph in a prior booking file if the person depicted in the photograph has been booked at the Chula Vista Police Department and the booking file remains in the Department.

439.8 PHOTO REVIEW POLICY

Any person who has been the subject of a field photograph or an FI by this agency during any contact other than an arrest may file a written request within 30 days of the contact requesting a review of the status of the photograph/FI. The request shall be directed to the office of the Chief of Police who will ensure that the status of the photograph or FI is properly reviewed according to

Chula Vista Police Department

Policy Manual

Detentions And Photographing Detainees

this policy as described below. Upon a verbal request, the Department will send a request form to the requesting party along with a copy of this policy.

439.8.1 REVIEW PROCESS

Upon receipt of such a written request, the Chief of Police or his or her designee will permit the individual to appear in person (any minor must be accompanied by their parent or legal guardian) for a review of the status of the photograph/FI.

Such a meeting will generally be scheduled during regular business hours within 30 days of the receipt of the written request. An extension of the 30-day limit may be made either upon the mutual convenience of the parties or if, at the discretion of the Chief of Police, there appears to be an ongoing legitimate law enforcement interest which warrants a delay. If the delay could jeopardize an ongoing investigation, nothing in this policy shall require the Chief of Police to disclose the reason(s) for the delay.

A meeting for the review of the status of any non-arrest photograph/FI is not intended to be a formal hearing, but simply an informal opportunity for the individual to meet with the Chief of Police or his/her designee to discuss the matter.

After carefully considering the information available, the Chief of Police or designee will determine, generally within 30 days of the original meeting, whether the photograph/FI was obtained in accordance with existing law and Chula Vista Police Department policy and, even if properly obtained, then whether there is any ongoing legitimate law enforcement interest in retaining the photograph/FI.

If the Chief of Police or his/her designee determines that the photograph/FI was obtained in accordance with existing law and department policy and that there is an ongoing legitimate law enforcement interest in retaining the non-arrest photograph, the photograph/FI shall be retained according to this policy and applicable law.

If the Chief of Police or his/her designee determines that the original legitimate law enforcement interest in retaining a non-arrest photograph no longer exists or that it was obtained in violation of existing law or Chula Vista Police Department policy, the original photograph will be destroyed or returned to the person photographed, if requested. All other associated reports or documents, however, will be retained according to department policy and applicable law.

If the Chief of Police or his/her designee determines that the original legitimate law enforcement interest in retaining a non-arrest FI no longer exists or that the original F/I was not obtained in accordance with established law or Chula Vista Police Department policy, the original FI may only be destroyed upon the execution of a full and complete waiver of liability by the individual (and guardian if a minor) arising out of that field contact.

If the Chief of Police or his/her designee determines that any involved Chula Vista Police Department personnel violated existing law or department policy, the Chief of Police or designee shall initiate a separate internal investigation which may result in additional training, discipline or other appropriate action for the involved employees.

Chula Vista Police Department

Policy Manual

Detentions And Photographing Detainees

The person photographed/FI'd will be informed in writing within 30 days of the Chief of Police's determination whether or not the photograph/FI will be retained. This does not entitle any person to any discovery or access to any law enforcement records not otherwise authorized by law.

Criminal Organizations

441.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Chula Vista Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

441.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

441.2 POLICY

The Chula Vista Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

441.3 IDENTIFICATION OF CRIMINAL STREET GANGS / PARTICIPANTS

The Gang Suppression Unit shall be authorized to collect information on individuals who are suspected of participating in a criminal street gang and groups that are suspected of being criminal street gangs.

- (a) A group of three or more individuals shall be designated a criminal street gang when:
1. They have a common name or common identifying sign or symbol
 2. There is evidence, substantiated by crime and informational reports, that a primary activity of the group is the commission of one or more criminal acts enumerated in Policy Manual § 442.2(a)
 3. One or more members individually or collectively have engaged in a pattern of criminal gang activity as defined in Policy Manual § 442.2(a) of this policy
 4. A designated representative of the District Attorney's Office reviews the available evidence and concurs with a Department finding that the group meets the criteria for being a criminal street gang
- (b) An individual shall be designated as a participant in a criminal street gang and included in a gang file, when one or more of the following elements have been verified by a Gang Suppression Unit member and a reasonable basis for believing such affiliation has been established and approved by a supervisor:

Chula Vista Police Department

Policy Manual

Criminal Organizations

1. An individual admits membership in a criminal street gang
 2. A reliable informant or known gang member identifies an individual as a participant in a criminal street gang
 3. An informant of previously untested reliability identifies an individual as a participant in a criminal street gang when that identification is corroborated by independent information
 4. An individual resides in or frequents a particular criminal street gang's area, and affects their style of dress, color of dress, use of jewelry, tattoos, monikers, or any other identifiable mannerism associated to that particular criminal street gang, and where the officer documents reasonable suspicion that the individual is involved in criminal gang activity or enterprise
 5. A person has been arrested in the company of identified criminal street gang members for offenses that are consistent with criminal street gang activity or criminal street gang related crimes
 6. An individual is identified as a gang member in a criminal street gang document or the individual is depicted in a criminal street gang member's photograph(s) in such a manner as to clearly indicate membership in a criminal street gang
 7. An individual otherwise meets the criteria of a criminal street gang participant under the guidelines of a department approved gang intelligence database and/or 28 C.F.R. 23.20.
- (c) An individual may be designated as a gang affiliate only when the individual is known to affiliate with active criminal gang members and an officer has established that there is reasonable suspicion that the individual is involved in criminal activity. An officer's belief must be premised upon reasoning and logic coupled with sound judgment based upon law enforcement experience, rather than a mere hunch or whim.

441.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, FI, photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Police Support Services. Any supporting documentation for an entry shall be retained by the Police Support Services in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Police Support Services are appropriately marked as intelligence information. The Records Manager may not purge such documents without the approval of the designated supervisor.

Criminal Organizations

441.3.2 GANG DATABASES

The Chief of Police may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Employees must obtain the requisite training before accessing any such database.

It is the gang unit supervisor's responsibility to determine whether any report or field interrogation (FI) contains information that would qualify for entry into the database. Prior to designating any person under the age of 18 as a suspected gang member, associate or affiliate in a shared gang database; to submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor (Penal Code § 186.34(b)).

The person or his/her parent or guardian may contest the designation by submitting written documentation which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the department decision within 60 days of receipt of the written documentation contesting the designation (Penal Code § 186.34(c)).

The department shall provide a response to a person or his/her parent or guardian who requests information as to whether a person has been designated as a suspected gang member, associate or affiliate, unless doing so would compromise an active criminal investigation or the health or safety of the minor (Penal Code § 186.34(d)).

The location of the person to be designated shall not be disclosed to the parent or guardian if there is a determination that doing so would compromise an active criminal investigation or the health or safety of the minor (Penal Code § 186.34(e)).

The gang unit supervisor should forward reports or FIs to the Police Support Services after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the Police Support Services supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

441.4 CRIMINAL STREET GANG TEMPORARY FILE

The Crimes of Violence Unit Supervisor may maintain a temporary file of reports and FIs that is separate from any criminal gang intelligence database when an individual or group has been identified as a suspected criminal street gang participant or a suspected criminal street gang but does not meet the criteria necessary for entry into a criminal gang intelligence database.

Inclusion in a temporary file may be done only if there is a reasonable likelihood that, within one year of the contact, the individual or group will meet the criteria for entry into a department

Criminal Organizations

approved criminal gang intelligence database. Reports and FIs will only be included in a temporary gang file with the written authorization of the Crimes of Violence Unit Supervisor. A temporary file of criminal street gang participants or criminal street gangs shall include:

- (a) Names, aliases, monikers, addresses, and other relevant identifying information,
- (b) Gang name,
- (c) Justification used to identify an individual as a criminal street gang participant,
- (d) Vehicle(s) known to be used,
- (e) Cross references to other identified gangs or gang members.

441.4.1 REVIEW AND PURGING OF GANG PARTICIPANT FILE

Temporary files shall not be retained longer than one year. At the end of one year, temporary files must be purged if the information does not qualify for entry into a department approved criminal gang intelligence database.

The Gang Unit Supervisor shall periodically review temporary files to verify that the information was properly obtained and meets the criteria for retention. Validation and purging of temporary criminal street gang files is the responsibility of the Gang Unit Supervisor.

441.4.2 REVIEW AND PURGING OF GANG PARTICIPANT FILE

Temporary files shall not be retained longer than one year. At the end of one year, temporary files must be purged if the information does not qualify for entry into a department approved criminal gang intelligence database.

The Crimes of Violence Unit Supervisor shall periodically review temporary files to verify that the information was properly obtained and meets the criteria for retention. Validation and purging of temporary criminal street gang files is the responsibility of the Crimes of Violence Unit Supervisor.

441.4.3 CRIMINAL GANG INTELLIGENCE DATABASES

While this policy does not establish a criminal gang intelligence database, the Chief of Police may approve one or more criminal gang intelligence databases, such as CALGANG, for use by members of the Gang Unit. Any such database should be compliant with 28 C.F.R. § 23.20 regulating criminal intelligence systems. Employees must obtain the requisite training before accessing any such database.

It is the Gang Unit Supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into a department approved criminal gang intelligence database. The Gang Unit Supervisor should forward any such reports or FIs to the Police Support Services after appropriate database entries are made. The submitting Gang Unit Supervisor should clearly mark the report/FI as Gang Intelligence Information.

It is the responsibility of the Police Support Services Supervisor to retain reports and FIs in compliance with the procedures of the department approved criminal gang intelligence database

Criminal Organizations

and 28 C.F.R. § 23.20. The Police Support Services Supervisor may not purge these reports or FIs without the approval of the Gang Unit Supervisor.

441.4.4 CRIMINAL GANG INTELLIGENCE DATABASES

While this policy does not establish a criminal gang intelligence database, the Chief may approve one or more criminal gang intelligence databases, such as CALGANG, for use by members of the Gang Suppression Unit. Any such database should be compliant with 28 C.F.R. § 23.20 regulating criminal intelligence systems. Employees must obtain the requisite training before accessing any such database.

It is the Crimes of Violence Unit Supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into a department approved criminal gang intelligence database.

It is the responsibility of the Crimes of Violence Unit Supervisor to retain reports and FIs in compliance with the procedures of the department approved criminal gang intelligence database and 28 C.F.R. § 23.20.

441.5 FIELD CONTACTS

Officers who contact individuals who are, or may be participants in criminal street gang activity should complete an FI card and document the reasonable suspicion underlying the contact and the exact circumstances leading to the suspicion that the individual is a criminal street gang participant (e.g., subject states he or she is a member of XYZ gang; XYZ tattoo on right hand near thumb; wearing ball cap with gang name printed in blue or red ink).

- (a) Officers should write the code "GANGZZ" in the Crime Potential section of the FI card. One additional violation may be added, but it should always follow "GANGZZ"; for example, "GANGZZ/11357 HS" or "GANGZZ/459 PC"
- (b) Whenever practical, include information about companions and/or vehicles on the FI card

Photographing known or suspected criminal street gang participants shall be done in accordance with the provisions of Policy Manual § 440 (Photographing of Field Detainees).

441.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

Criminal Organizations

441.7 CRIMINAL STREET GANGS

The Investigations supervisor should ensure that there are an appropriate number of department members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
 - 1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
 - 2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.
 - 3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).
- (b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

441.8 REPORTING CRITERIA AND ROUTING

Incidents that appear to be criminal street gang related shall be documented on a report form and shall at minimum include the following:

- (a) A description of any document, statements, actions, dress or other information that would tend to support the officer's belief that the incident may be related to the activities of a criminal street gang.
- (b) Whether any photographs were taken and a brief description of what they depict.
- (c) What physical evidence, if any, was observed, collected or booked.
- (d) A specific request that a copy of the report be routed to the Gang Unit.

Any photographs taken or evidence collected shall be booked in accordance with current evidence booking procedures.

Watch Commanders

443.1 PURPOSE AND SCOPE

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Lieutenant heads each watch.

443.2 DESIGNATION AS ACTING WATCH COMMANDER

When a Lieutenant is unavailable for duty as Watch Commander, in most instances the senior qualified sergeant shall be designated as acting Watch Commander. This policy does not preclude designating a less senior sergeant as an acting Watch Commander when operational needs require or training permits.

Mobile Audio Video

445.1 PURPOSE AND SCOPE

The Chula Vista Police Department has equipped marked patrol cars with Mobile Audio Video (MAV) recording systems to provide records of events and assist officers in the performance of their duties. This policy provides guidance on the use of these systems.

445.1.1 DEFINITIONS

Definitions related to this policy include:

Activate - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

In-car camera system and Mobile Audio Video (MAV) system - Synonymous terms which refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

MAV technician - Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

Recorded media - Audio-video signals recorded or digitally stored on a storage device or portable media.

445.2 POLICY

It is the policy of the Chula Vista Police Department to use mobile audio and video technology to more effectively fulfill the department's mission and to ensure these systems are used securely and efficiently.

445.3 OFFICER RESPONSIBILITIES

Prior to going into service, each officer will properly equip him/herself to record audio and video in the field. At the end of the shift, each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically, additional recording media may be issued. Only Chula Vista Police Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the officer recording his/her name, serial number, badge or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

Mobile Audio Video

445.4 ACTIVATION OF THE MAV

The MAV system is designed to turn on whenever the unit's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the officer whenever appropriate. When audio is being recorded, the video will also record.

445.4.1 REQUIRED ACTIVATION OF MAV

This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
 - 1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
 - 2. Priority responses
 - 3. Vehicle pursuits
 - 4. Suspicious vehicles
 - 5. Arrests
 - 6. Vehicle searches
 - 7. Physical or verbal confrontations or use of force
 - 8. Pedestrian checks
 - 9. DWI/DUI investigations including field sobriety tests
 - 10. Consensual encounters
 - 11. Crimes in progress
 - 12. Responding to an in-progress call
- (b) All self-initiated activity in which an officer would normally notify the Communications Center
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
 - 1. Domestic violence calls
 - 2. Disturbance of peace calls
 - 3. Offenses involving violence or weapons

Chula Vista Police Department

Policy Manual

Mobile Audio Video

- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording
- (e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

445.4.2 CESSATION OF RECORDING

Once activated, the MAV system should remain on until the incident has concluded. For purposes of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

445.4.3 WHEN ACTIVATION IS NOT REQUIRED

Activation of the MAV system is not required when exchanging information with other officers or during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Chief of Police or the authorized designee for the purpose of conducting a criminal or administrative investigation.

445.4.4 SUPERVISOR RESPONSIBILITIES

Supervisors should determine if vehicles with non-functioning MAV systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of the Communications Center.

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end-of-shift recording procedures are followed.
- (b) Logs reflect the proper chain of custody, including:
 1. The tracking number of the MAV system media.
 2. The date it was issued.
 3. The law enforcement operator or the vehicle to which it was issued.
 4. The date it was submitted.
 5. Law enforcement operators submitting the media.
 6. Holds for evidence indication and tagging as required.
- (c) The operation of MAV systems by new employees is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MAV technician or crime

Mobile Audio Video

scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of an officer.

445.5 REVIEW OF MAV RECORDINGS

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) For use when preparing reports or statements
- (b) By a supervisor investigating a specific act of officer conduct
- (c) By a supervisor to assess officer performance
- (d) To assess proper functioning of MAV systems
- (e) By department investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings
- (g) By an officer who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with permission of the Chief of Police or the authorized designee
- (i) By the media through proper process or with permission of the Chief of Police or the authorized designee
- (j) To assess possible training value
- (k) Recordings may be shown for training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the officer's objection

Mobile Audio Video

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Watch Commander. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

445.6 DOCUMENTING MAV USE

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the back of the records copy of the citation, indicating that the incident was recorded.

445.7 RECORDING MEDIA STORAGE AND INTEGRITY

Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of one year after which time it will be erased, destroyed or recycled in accordance with the established records retention schedule (Government Code § 34090.6).

445.7.1 COPIES OF ORIGINAL RECORDING MEDIA

Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request, a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

445.7.2 MAV RECORDINGS AS EVIDENCE

Officers who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the Chula Vista Police Department should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

445.8 SYSTEM OPERATIONAL STANDARDS

- (a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.
- (b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MAV system may not be configured to record audio data occurring prior to activation.
- (d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating officer's transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.

Chula Vista Police Department

Policy Manual

Mobile Audio Video

- (e) Officers using digital transmitters that are synchronized to their individual MAV shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV-equipped law enforcement vehicles to minimize the possibility of causing electronic or noise interference with the MAV system.
- (g) Officers shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.
- (h) To prevent damage, original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MAV technician.

445.9 MAV TECHNICIAN RESPONSIBILITIES

The MAV technician is responsible for:

- (a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
- (b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MAV technician:
 - 1. Ensures it is stored in a secure location with authorized controlled access.
 - 2. Makes the appropriate entries in the chain of custody log.
- (c) Erasing of media:
 - 1. Pursuant to a court order.
 - 2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.
- (d) Assigning all media an identification number prior to issuance to the field:
 - 1. Maintaining a record of issued media.
- (e) Ensuring that an adequate supply of recording media is available.
- (f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the records retention schedule.

445.10 TRAINING

All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.

Mobile Digital Computer Use

446.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Digital Computer (MDC) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Communications Center.

446.2 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

446.3 POLICY

Chula Vista Police Department members using the MDC shall comply with all appropriate federal and state rules and regulations and shall use the MDC in a professional manner, in accordance with this policy.

446.4 RESTRICTED ACCESS AND USE

MDC use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDC system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDC by another member to their supervisors or Watch Commanders.

Use of the MDC system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDC system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDC system unless directed to do so by a supervisor. Members are required to log off the MDC or secure the MDC when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

446.4.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

Mobile Digital Computer Use

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

446.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Watch Commander or other department-established protocol, all calls for service assigned by a [dispatcher should be communicated by voice over the police radio and electronically via the MDC unless security or confidentiality prevents such broadcasting.

MDC and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a [dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDC.

446.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDC system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDC when the vehicle is not in motion.

446.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Watch Commander are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

446.6 EQUIPMENT CONSIDERATIONS

446.6.1 MALFUNCTIONING MDC

Whenever possible, members will not use vehicles with malfunctioning MDCs. Whenever members must drive a vehicle in which the MDC is not working, they shall notify the Communications Center. It shall be the responsibility of the [dispatcher to document all information that will then be transmitted verbally over the police radio.

Chula Vista Police Department

Policy Manual

Mobile Digital Computer Use

446.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDCs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDC could cause some devices to detonate.

Portable Audio/Video Recorders

448.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of Department issued portable audio/video recording devices by members of this Department while in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment. This policy does not apply to lawful surreptitious audio/video recording or interception of communications for authorized investigative purposes. This policy is not intended to supplant sound officer safety practices in an emergency situation, such as self-defense.

448.2 POLICY

The Chula Vista Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

448.3 MEMBER PRIVACY EXPECTATION

All recordings made by members acting in their official capacity shall remain the property of the Department regardless of whether those recordings were made with Department-issued or personally owned recorders. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

448.4 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder, issued by the Department, and that the recorder is in good working order. Uniformed members shall wear the recorder in a conspicuous manner. Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful.

When using a recorder, the assigned member shall record his/her name, employee number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should activate recorders in anticipation of an anticipated enforcement action in a reasonable effort to comply with this policy. Members shall document the existence of a recording in all reports or other official records of the contact, including an instance where the recorder malfunctioned or the member deactivated the recording. In such instances, members shall indicate the reason for the deactivation.

448.4.1 SUPERVISOR RESPONSIBILITIES

Supervisors should take custody of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved

Portable Audio/Video Recorders

shooting or death or other serious incident, and ensure the data is downloaded (Penal Code § 832.18).

448.5 ACTIVATION OF THE PORTABLE RECORDER

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident. Generally, members shall advise members of the public when they are being recorded. It is suggested that members make the advisement in a language the recorded person(s) can understand, to the extent that members are able to communicate in this language.

The portable recorder should be activated in any of the following situations:

- (a) All anticipated enforcement actions and investigative contacts to include field interviews and traffic stops. Generally, members do not need to record routine report calls where there is no anticipated enforcement action.
- (b) When practical, all suspect, victim, and witness statements.
- (c) When transporting members of the opposite sex.
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording or in the event the member believes the recording would protect the interests of the member or the Department.

Members may encounter special circumstances which should not be recorded:

- (a) Members should not record other public safety personnel without their consent or notification. Members should notify other public safety personnel, such as firefighters, paramedics, or other law enforcement officers as soon as practical when they are being recorded during an incident.
- (b) Members are not required to record non-enforcement contacts, such as citizen flags for directions or non-enforcement related contacts with the public.
- (c) Victims of child abuse or molest generally should not be video recorded, however, audio recording of such victim's statements is encouraged.
- (d) Victims of sexual assault generally should not be video recorded without consent; however, audio recording of such victims' statements is encouraged.
- (e) Victims who are partially unclothed or nude shall generally not be video recorded; however, audio recording is appropriate.
- (f) Suspects who are nude or partially unclothed shall be covered as soon as reasonably possible to protect their personal privacy and dignity.
- (g) Members should generally not record victims or suspects in hospital or emergency room settings. In the event a member elects to make a recording, whether audio or video under this section, the member shall take all reasonable steps in consideration of the HIPPA rights of patients

Chula Vista Police Department

Policy Manual

Portable Audio/Video Recorders

and the privacy of hospital staff. Members may video or audio record a suspect if the suspect's conduct is violent or threatening to staff or to members.

(h) Members should use care when recording pre-planned tactical operations such as search warrants to avoid unnecessary public disclosure of current law enforcement entry tactics.

Members shall remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. This concern also applies when members enter a home in a non-warrant or non-exigent circumstance.

Requests by members of the public to stop recording shall be evaluated similarly, balancing the request for privacy with legitimate law enforcement interest in recording. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder shall be activated in situations described above as soon as practicable.

448.5.1 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Members of the Department may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

448.5.2 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member's direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

448.5.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices shall not be used where an explosive device may be present.

448.6 PROHIBITED USE OF PORTABLE RECORDERS

Members are prohibited from using Department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while

Chula Vista Police Department

Policy Manual

Portable Audio/Video Recorders

on duty or while acting in their official capacity. Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with Department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate Department business purposes, such as training. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Watch Commander. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements.

Recordings shall not be used by any member for the purpose of embarrassment, intimidation or ridicule. As part of the investigative record, recordings shall not be shared with others without a legitimate professional interest in the case, and should be considered "need to know" content.

Members without the "need to know" about the investigation shall be prohibited from viewing the video without the express permission of the division commander.

448.7 RETENTION OF RECORDINGS

Any time a member records any portion of a contact that is required per the categorization schedule, the member shall categorize the video, record the related case number and transfer the file in accordance with current procedures for storing digital files. The member shall also document the existence of the recording in the related case report. Transfers shall occur at the end of the member's shift, or any time the storage capacity is nearing its limit or as otherwise directed by a supervisor.

While using Body Worn Cameras in conjunction with Evidence.com, members shall use the categorization and notation functions of Evidence.com to make notes within the system on cases where enforcement action was taken or for videos which should be retained. Notes such as case numbers, suspect names, and citation numbers will facilitate flagging videos for review, discovery and retention.

Members need not make notes on every recording, only recordings which should be retained according to the categorization schedule. Members using Taser Axon in conjunction with Evidence.com shall designate retention of their videos in Evidence.com according to the nature of the incident (felony, misdemeanor, traffic stop, field interview, etc.) by using the categorization feature. Uncategorized videos will be deleted after 90 days so it is critical that videos are appropriately categorized.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact or citizen complaint); the member shall promptly notify a supervisor of the existence of the recording. Supervisors, managers or evidence administrators may re-categorize recordings as they deem necessary.

The Department shall take all reasonable measures to ensure the security of stored recordings, whether audio or video, in an effort to prevent unauthorized access to said stored recordings.

448.7.1 RETENTION REQUIREMENTS

It is the responsibility of the member making the recording to affirmatively categorize recordings in Evidence.com based upon the circumstances of the incident. All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 90 days.

While it is critical to retain recordings of evidentiary value, it is almost as important that files of insignificant incidents are deleted in a timely fashion according to schedule. The following retention schedule should serve as a guide; however, the camera program supervisor or any other supervisor or manager may extend the retention schedule of a recording based upon the significance of a case:

- (a) Homicides -permanent retention in Evidence.com AND all videos shall be recorded to a backup media, such as DVDs and logged into evidence in the Crime Lab.
- (b) Cases involving potential civil liability to the City -Until manually deleted
- (c) Felony -three year retention
- (d) All instances involving use of force, to include muscling techniques -three year retention
- (e) Misdemeanors (including traffic related misdemeanors) - 2 year retention
- (f) Citations - 2 year retention
- (g) Field Interviews - 2 yea retention
- (h) Uncategorized (NO ACTION REQUIRED) - routine incident with no apparent investigative value -90 day retention

448.8 REVIEW OF RECORDINGS

Audio and video recordings are designated by the Department as investigative records and are not subject to routine release through requests via the California Public Records Requests Act (CPRA), the Freedom of Information Act (FOIA), or other non-court ordered requests for audio or video records.

When preparing written reports, members should review their recordings as a resource and shall be granted access to review them upon request. However, members should not use the fact that a recording was made as a reason to write a less detailed report. With the exception of a timely public safety statement, members who are involved in a critical incident shall be allowed to review their own recording of the incident prior to giving a voluntary or compelled statement. Under no circumstances will such a delay be longer than 48 hours after the incident in the event of a compelled statement.

In the event that the recording of a member involved in a critical incident is damaged, destroyed, of poor quality or in the event that other members' recordings offer a better perspective of the critical incident than that of the subject member(s), members may be allowed to review the recordings of

Chula Vista Police Department

Policy Manual

Portable Audio/Video Recorders

other members involved in said critical incident prior to giving a voluntary or compelled statement.

In such rare instances, at the discretion of the Chief of police, members may be allowed to review another member's recording if the other member was in the immediate proximity of the subject member and their recording offered the same scene orientation and perspective of the incident

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct, reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance. Recordings may also be randomly audited by the Professional Standards Unit or Body Worn Camera program supervisor for quality control purposes.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police when the Chief determines such release is in the public's interest and the release will not compromise the integrity of the ongoing investigation.
- (d) For purposes of training law enforcement personnel once the case has been adjudicated. Such training use shall not be disparaging or demeaning to members of the Department or the subjects of the recording. Examples of useful recordings may include contact and cover, pursuits, tactics or de-escalation techniques.

The Chief of Police shall have final Departmental authority in determining the release of recordings where not otherwise required by court order, statutory authority or other lawful authority.

All recordings shall be reviewed by the Departmental Custodian of Records prior to public release (see PDM 810 -Records Release and Security). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

448.9 EDITING, TAMPERING OR COPYING

All audio and video recordings are part of the investigative record and shall be preserved in their original format without deletion, editing or tampering according to the retention schedule.

Members may not delete, copy, photograph, video record, or otherwise tamper with Department recordings without the express permission of the primary Body Worn Camera system administrator. Unauthorized tampering, editing or deletion of a video may result in discipline, up to and including termination.

Evidence.com has editing features which may be used to redact or obscure portions of recordings which may be sensitive. The editing features do not modify or alter the original recording; rather they create a second edited version for special circumstances. Only designated program personnel will have access to editing features.

Medical Marijuana

450.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California's medical marijuana laws.

450.1.1 DEFINITIONS

Definitions related to this policy include:

Cardholder - A person issued a current identification card.

Compassionate Use Act (CUA) (Health and Safety § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

Identification card - A valid document issued by the State Department of Health Services to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

Medical marijuana - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

Medical Marijuana Program (MMP) (Health and Safety § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

Patient - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

Primary caregiver - A person designated by the patient, who has consistently assumed responsibility for the patient's housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

Statutory amount - No more than eight ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered).

Medical Marijuana

450.2 POLICY

It is the policy of the Chula Vista Police Department to prioritize resources to forgo making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

California's medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The Chula Vista Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

450.3 INVESTIGATION

Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a cardholder.
- (c) Investigations when a medicinal claim is made by a non-cardholder.

450.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the officer should proceed with a criminal investigation. A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

450.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER

A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is reasonable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person is otherwise in violation of the provisions of the MMP.
- (d) The person possesses marijuana but not for personal medical purposes.

Officers who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

Chula Vista Police Department

Policy Manual

Medical Marijuana

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient's medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

450.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the officer reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or, delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Officers are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Officers should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Officers should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

450.3.4 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production or use:

- (a) Because enforcement of medical marijuana laws can be complex, time consuming and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
 1. The suspect has been identified and can be easily located at a later time.
 2. The case would benefit from review by a person with expertise in medical marijuana investigations.
 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
 4. Other relevant factors, such as available department resources and time constraints prohibit making an immediate arrest.

Chula Vista Police Department

Policy Manual

Medical Marijuana

- (b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, officers should consider the following when determining whether the form and amount is reasonably related to the patient's needs:
 - 1. The amount of marijuana recommended by a medical professional to be ingested.
 - 2. The quality of the marijuana.
 - 3. The method of ingestion (e.g., smoking, eating, nebulizer).
 - 4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
 - 5. Whether the marijuana is being cultivated indoors or outdoors, the climate, etc.
- (c) Before proceeding with enforcement related to collective gardens or dispensaries, officers should consider conferring with a supervisor, the Bureau of Medical Marijuana Regulation or other member with special knowledge in this area and/or appropriate legal counsel. Licensing, zoning and other related issues can be complex. Patients, primary caregivers and cardholders who collectively or cooperatively cultivate marijuana for medical purposes are provided a defense under MMP (Health & Safety Code § 11362.775; Business and Professions Code § 19320 et seq.).
- (d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

450.3.5 EXCEPTIONS

This policy does not apply to, and officers should consider taking enforcement action for the following:

- (a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).
- (b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).
- (c) Smoking marijuana (Health and Safety Code § 11362.79):
 - 1. In any place where smoking is prohibited by law.
 - 2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
 - 3. On a school bus.
 - 4. While in a motor vehicle that is being operated.
 - 5. While operating a boat.
- (d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

Medical Marijuana

450.3.6 INVESTIGATIONS INVOLVING A STATE LICENSEE

No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Officers should consider conferring with a supervisor, the Bureau of Medical Marijuana Regulation or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 19317; Business and Professions Code § 19319).

450.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

450.5 PROPERTY AND EVIDENCE RESPONSIBILITIES

The Evidence Control Supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Evidence Control Supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Evidence Control Supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Evidence Control Supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigations Supervisor.

Bicycle Patrol

452.1 PURPOSE AND SCOPE

The Chula Vista Police Department has authorized the use of bicycle patrol for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

452.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the School Resource Unit supervisor or the Watch Commander.

452.3 SELECTION OF PERSONNEL

The Chief of Police or his/her designee may designate a supervisor for the overall supervision and management of a bicycle patrol program. The Bicycle Patrol Supervisor shall be of the rank of Sergeant or above. Absent a specific designation otherwise by the Chief of Police or his/her designee, the School Resource Office supervisor(s) shall be responsible for the overall supervision and management of a bicycle patrol program.

452.3.1 BICYCLE PATROL UNIT SUPERVISOR

The Bicycle Program Supervisor(s) shall designate a Bicycle Patrol Coordinator, who will assist in the management of the bicycle patrol program. Duties of the Bicycle Patrol Coordinator shall include, but are not necessarily limited to:

- (a) Periodic inspection and maintenance of bicycles and bicycle patrol equipment
- (b) Scheduling of regular preventative maintenance on bicycle patrol equipment
- (c) Scheduling of repairs for malfunctioning or broken bicycle patrol equipment
- (d) Assisting unit supervisors in the evaluation of work performance of officers conducting bicycle patrol duties
- (e) Evaluation of the overall bicycle patrol program, and making recommendations to the Bicycle Patrol Supervisor for additional training, policy, or equipment needs.

452.4 TRAINING

Participants in the program must complete an initial Department-approved bicycle-training course after acceptance into the program. The initial training shall minimally include the following:

Chula Vista Police Department

Policy Manual

Bicycle Patrol

- Bicycle patrol strategies.
- Bicycle safety and accident prevention.
- Operational tactics using bicycles.

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment including the helmet and riding gloves.

452.5 UNIFORMS AND EQUIPMENT

Bicycles officers shall wear the departmentally approved uniform and safety equipment while operating the police bicycle.

The required bicycle uniform consists of the standard short sleeve uniform shirt or black Coolmax® type shirt with department approved badge and patches and black bicycle patrol pants or shorts with uniform appearance. Bicycle officers shall wear black tennis shoes and white ankle socks, or specialized riding shoes (such as clip less or toe clips) provided they are black in color.

Bicycle officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment. Additional required safety equipment includes departmentally approved helmet, riding gloves, protective eyewear and approved footwear. Soft body armor/vest is also required.

Optional equipment includes jacket in colder weather; turtleneck shirts or sweaters are permitted when worn under the uniform shirt, radio head set and microphone. Bicycle officers may use approved specialized pedals, purchased at their own expense, provided the standard pedals are replaced at the conclusion of the officers shift.

Generally, personnel assigned to the Street Team and the School Resource Office will temporarily be assigned required uniform and safety equipment for bicycle patrol use. Other employees who volunteer to train in or operate a bicycle patrol must provide their own uniform and safety equipment at their own expense.

Officers will be responsible for obtaining necessary forms, citation books and other needed equipment to keep available while on bike patrol.

452.6 CARE AND USE OF PATROL BICYCLES

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white in color with a "POLICE" decal affixed to each side of the crossbar or the bike's saddlebag. Every such bicycle shall be equipped with front and rear reflectors front lights and a siren/horn satisfying the requirements of Vehicle Code §2800.1(b).

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bag(s) sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.

Chula Vista Police Department

Policy Manual

Bicycle Patrol

Each bicycle gear bag shall include a first aid kit, tire pump, repair tool, tire tube, and security lock. These items are to remain with/on the bicycle at all times.

Each bicycle shall be equipped with a steady or flashing blue warning light that is visible from the front, sides, or rear of the bicycle. (Vehicle Code § 21201.3)

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to insure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, contact a School Resource Unit supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance twice yearly to be performed by a department approved repair shop/technician.

At the end of a bicycle assignment, bicycle officers shall conduct an inspection of the bicycle and equipment to insure proper working order for the next officer. The bicycle shall be returned clean and ready for the next tour of duty.

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, each officer assigned an electric bicycle shall periodically rotate the batteries on the respective charges to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of the School Resource Unit supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

452.6.1 MAINTENANCE OF PATROL BICYCLES

Any officer conducting bicycle patrol duties may use repair equipment to inflate, repair, or change patrol bicycle tires. Otherwise only authorized bicycle mechanics or other persons designated by the Bicycle Patrol Supervisor or Coordinator are authorized to utilize bicycle repair tools or to perform maintenance on patrol bicycles.

Bicycle repair tools shall not be removed from the bicycle storage area without the permission of the Bicycle Patrol Supervisor.

452.7 OFFICER RESPONSIBILITY

Officers must operate the bicycle in compliance with the vehicle code under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and tactical considerations. Officers may ride on sidewalks and other pedestrian areas. Officers must use caution and care when operating the bicycle without lighting equipment or riding in pedestrian areas.

Chula Vista Police Department

Policy Manual

Bicycle Patrol

Officers are exempt from the rules of the road under the following conditions (Vehicle Code § 21200(b)(1)):

- In response to an emergency call
- While engaged in rescue operations
- In the immediate pursuit of an actual or suspected violator of the law

Bicycle officers may be excellent public relations representatives to the community, and are encouraged to promote the Department by making frequent personal contact with members of the community.

Foot Pursuits

456.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

456.2 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

Foot Pursuits

456.3 GENERAL GUIDELINES

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another, or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the [dispatcher or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer definitely known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

456.4 RESPONSIBILITIES IN FOOT PURSUITS

Chula Vista Police Department

Policy Manual

Foot Pursuits

456.4.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the [dispatcher of his/her location and the status of the pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

456.4.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

456.4.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Chula Vista Police Department

Policy Manual

Foot Pursuits

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

456.4.4 THE COMMUNICATIONS CENTER RESPONSIBILITIES

Upon notification or becoming aware that a foot pursuit is in progress, the [dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Watch Commander as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

456.5 REPORTING REQUIREMENTS

The initiating officer shall complete appropriate crime/arrest reports documenting, at minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
 - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

Chula Vista Police Department

Policy Manual

Foot Pursuits

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

456.6 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

Automated License Plate Readers (ALPRs)

460.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

460.2 ADMINISTRATION

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Chula Vista Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Administrative Services Division Commander. The Administrative Services Division Commander will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

460.2.1 ALPR ADMINISTRATOR

The Administrative Services Division Commander shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.
- (b) Training requirements for authorized users.
- (c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.
- (d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.
- (e) The title and name of the current designee in overseeing the ALPR operation.
- (f) Working with the Custodian of Records on the retention and destruction of ALPR data.
- (g) Ensuring this policy and related procedures are conspicuously posted on the department's website.

460.3 OPERATIONS

Use of an ALPR is restricted to the purposes outlined below. Department members shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

- (a) An ALPR shall only be used for official law enforcement business.

Automated License Plate Readers (ALPRs)

- (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (e) No ALPR operator may access department, state or federal data unless otherwise authorized to do so.
- (f) If practicable, the officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

460.4 DATA COLLECTION AND RETENTION

The Administrative Services Division Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

All ALPR data downloaded to the server should be stored for a minimum of one year (Government Code § 34090.6) and in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

460.5 ACCOUNTABILITY

All data will be closely safeguarded and protected by both procedural and technological means. The Chula Vista Police Department will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).
- (b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (c) ALPR system audits should be conducted on a regular basis.

For security or data breaches, see the Records Release and Maintenance Policy.

Automated License Plate Readers (ALPRs)

460.6 POLICY

The policy of the Chula Vista Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

460.7 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

- (a) The agency makes a written request for the ALPR data that includes:
 - 1. The name of the agency.
 - 2. The name of the person requesting.
 - 3. The intended purpose of obtaining the information.
- (b) The request is reviewed by the Administrative Services Division Commander or the authorized designee and approved before the request is fulfilled.
- (c) The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

460.8 TRAINING

The Training Manager should ensure that members receive department-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

Transportation of Prisoners

461.1 PURPOSE AND SCOPE

Employees should take all necessary precautions while transporting prisoners to protect the lives and safety of the employee, the public and the person in custody.

461.2 TRANSPORTING VEHICLE

All prisoners should be transported in vehicles equipped with prisoner cages, unless circumstances reasonably require transport in another type of vehicle.

In the event a vehicle equipped with a prisoner cage is not available, the decision to transport a prisoner in another type of vehicle should be made only after careful consideration of all relevant factors including, but not limited to:

- The type of offense the prisoner is suspected of
- The number of prisoners to be transported
- Other exigent circumstances such as the location of arrest, the existence of large crowds, or other environmental factors that necessitate immediate transport of the prisoner out of the area
- The level of experience of the transporting employee(s)

If it becomes necessary to transport a prisoner without a prisoner cage, the prisoner should be handcuffed behind his/her back and placed in the rear seat immediately behind the driver. A second officer should ride in the rear seat to the immediate right of the prisoner and keep the prisoner under constant observation during transport. Employees shall not transport an unattended prisoner in the back seat of any vehicle not equipped with a prisoner cage.

461.2.1 SEARCHING, HANDCUFFING, AND SEATBELTS

Before engaging in prisoner transport, employees should properly apply double-locked handcuffs to all prisoners, with their hands behind their back and palms facing outward, except in the following circumstances:

- (a) When the prisoner is pregnant
- (b) When the prisoner has a physical condition, handicap, or injury that could be aggravated by standard handcuffing procedures

Employees may use reasonable discretion in deciding whether to handcuff young juveniles. Handcuffs should be used to control unruly or potentially violent juveniles of any age.

Prisoners shall not be handcuffed or physically secured to any part of the vehicle during transport. Additional approved restraint devices may be used to secure a prisoner who violently resists arrest or who manifests mental disorders such that he/she poses a threat to himself or to the public.

Transportation of Prisoners

Prior to transport, all prisoners shall be thoroughly searched for weapons and contraband. The transporting officer should search the prisoner regardless of other searches that may or may not have been conducted by other personnel.

Prisoners being transported shall be properly secured by safety restraints (such as seatbelts) in accordance with §1022 of this Policy Manual.

Transporting officers shall abide by any rules or regulations relating to any jail or other custodial facility to which the prisoner is transported.

461.3 ADDITIONAL TRANSPORT REGULATIONS

Prisoners of opposite sexes should not be transported together unless arrested together and non-combative.

The transporting officer should use care when assisting a prisoner into the vehicle for transport. The physical well-being of prisoners shall be monitored during transit. Particular attention should be directed to persons reported or suspected of being under the influence of drugs and/or alcohol or who have a history or propensity for violence.

Prisoners who report/display symptoms of serious illness during transit shall be taken to the nearest emergency room for treatment.

- (a) Escorting officers shall remain with the patient at all times unless relieved by other authorized personnel.
- (b) Potentially violent persons in custody shall be restrained at all times in the treatment facility unless such restraint would interfere with essential treatment.
- (c) Any wheelchairs, crutches, prosthetic devices, and medication should be transported with, but not in the possession of, the prisoner.

Prisoners shall not be left in vehicles for extended periods of time during hot weather. When left in the vehicle for short periods of time, the front windows should be lowered for ventilation and/or the air conditioning turned on.

Prisoners shall not be left unattended after being placed into a police vehicle. If it becomes necessary for the transporting officer to conduct business away from the prisoner, another officer should be instructed to watch the prisoner.

Prior to initiating the transport, the officer should provide the Communications Center with the starting location and destination of transport. When male officers are transporting female prisoners, they shall also include the starting mileage from their vehicle odometer and ensure the dispatcher replies with the actual time.

In the event a prisoner makes accusations of illegal force, sexual misconduct or other unprofessional conduct, the transporting officer should activate his/her voice recorder and notify a supervisor as soon as practical.

Chula Vista Police Department

Policy Manual

Transportation of Prisoners

Officers shall not engage in enforcement activities while transporting prisoners unless failure to act would risk death or serious bodily injury to another. In serious but not non-life-threatening situations, officer should call for back-up assistance and may remain on-hand until such assistance has arrived.

Homeless Persons

462.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Chula Vista Police Department recognizes that members of the homeless community are often in need of special protection and services. The Chula Vista Police Department will address these needs in balance with the overall mission of this department. Therefore, officers will consider the following when serving the homeless community.

462.1.1 POLICY

It is the policy of the Chula Vista Police Department to provide law enforcement services to all members of the community, while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

462.2 HOMELESS COMMUNITY LIAISON

The Chief of Police will designate a member of this department to act as the Homeless Liaison Officer. The responsibilities of the Homeless Liaison Officer include the following:

- (a) Maintain and make available to all department employees a list of assistance programs and other resources that are available to the homeless.
- (b) Meet with social services and representatives of other organizations that render assistance to the homeless.
- (c) Maintain a list of the areas within and near this jurisdiction that are used as frequent homeless encampments.
- (d) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include:
 1. Proper posting of notices of trespass and clean-up operations.
 2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.
- (e) Be present during any clean-up operation conducted by this department involving the removal of personal property of the homeless to ensure that the rights of the homeless are not violated.
- (f) Develop training to assist officers in understanding current legal and social issues relating to the homeless.

Chula Vista Police Department

Policy Manual

Homeless Persons

462.3 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent that such services may be appropriate.

462.3.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event that a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder, and if so, proceed in accordance with the Adult Abuse Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution, even when a homeless victim indicates that he/she does not desire prosecution.

462.4 PERSONAL PROPERTY

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a

Homeless Persons

supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the department Homeless Liaison Officer. When practicable, requests by the public for clean-up of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the department Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

462.5 MENTAL ILLNESS AND MENTAL IMPAIRMENT

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (see the Crisis Intervention Incidents Policy).

When a mental illness hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

462.6 ECOLOGICAL ISSUES

Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

Reporting of Auto Theft

463.1 PURPOSE AND SCOPE

Auto theft crimes sometimes involve complex situations and may cross jurisdictional boundaries. Unlike other crimes involving the theft of property, auto thefts are immediately entered into the Stolen Vehicle System (SVS) and the Department of Justice (DOJ) computer system. The Law Enforcement agency entering the information takes responsibility for the accuracy of the information and data entry regardless of jurisdiction or where the crime occurred. This policy is meant to provide guidance in the reporting of auto theft crimes.

463.2 AUTO THEFT CRIMES OCCURRING IN OTHER JURISDICTIONS

As a general rule, the Department will not take auto theft reports when the crime occurred in another jurisdiction.

463.2.1 AUTO THEFT CRIMES OCCURRING ELSEWHERE IN SAN DIEGO COUNTY

If the crime occurred in another jurisdiction within the County of San Diego, the reporting party should be referred to that jurisdictional agency. That agency is responsible for completing a report of the auto theft.

463.2.2 AUTO THEFT CRIMES OCCURRING OUTSIDE OF SAN DIEGO COUNTY

If the crime occurred outside of San Diego County, a "courtesy report" may be taken on behalf of the jurisdiction in which the crime occurred. When evaluating whether or not it is appropriate to take a courtesy report, employees should consider the following:

- (a) The reporting party's reason for not reporting the matter to the correct jurisdictional agency
- (b) The location of the victim and their ability to directly report the matter to the correct jurisdictional agency
- (c) Whether there are any suspects detained or arrested in connection to the stolen vehicle, such as during the discovery of a previously-unreported stolen vehicle

When taking a courtesy report, the reporting officer should clearly mark the report as a "Courtesy Report". The Police Support Services Unit should mail a copy of the report to the jurisdictional agency.

Normally vehicle information related to a "Courtesy Report" of auto theft should not be entered into SVS. The jurisdictional agency is responsible for entering the vehicle's information into SVS. The victim should be advised that there will be a delay in entering the information into SVS.

However, in certain circumstances the reporting officer or communications officer may determine that immediate entry into SVS is appropriate. These circumstances may include, but are not necessarily limited to, the following:

Chula Vista Police Department

Policy Manual

Reporting of Auto Theft

- The stolen vehicle is equipped with LOJAK or other vehicle recovery system where immediate entry into SVS may help accelerate the recovery of the vehicle and/or the apprehension of a criminal suspect
- The vehicle was stolen as a part of another crime in which there is a reasonable likelihood of bodily injury to any person, additional property damage, or risk to the general public that may be limited by immediate entry into SVS
- The jurisdictional agency fails to respond or cannot be immediately contacted
- Other situations where immediate entry into SVS is deemed reasonably appropriate

463.2.3 AUTO THEFT CRIMES OCCURRING IN MEXICO

If the crime occurred in Mexico or any other foreign country, the California Highway Patrol has jurisdiction. The victim should be referred to the CHP to report the crime.

The Department should not respond to the International Border to handle the recovery of stolen vehicles that are found entering into the United States from Mexico. The San Diego Police Department has jurisdiction at the San Ysidro Port of Entry, and may take the report and recover the vehicle. Other agencies may have jurisdiction at other Ports of Entry.

Solicitors

465.1 PURPOSE AND SCOPE

Non-profit groups have rights to free speech, canvassing, soliciting and fundraising that supersede local ordinances intended to register solicitors or prohibit solicitation of alms. While it has long been established that solicitors working for non-profits have the right to operate on some types of private property, such as shopping centers, case law has also upheld their right to solicit in residential neighborhoods. Additionally, case law has upheld the free speech rights of canvassers or solicitors who are soliciting on behalf of a non-profit organization, even if a for-profit company employs them. In other words, a person's right to free speech is not chilled despite the fact they work for a for-profit company, as long as the solicitation is on behalf of a non-profit organization.

The purpose of this policy is to outline protocols for dealing with persons employed by registered 501(c)(3) organizations who may be engaged in the following activities in residential neighborhoods:

- Canvassing
- Soliciting alms
- Public education campaigns

Nothing in this policy is intended to prohibit the enforcement of municipal codes intended to regulate for-profit businesses.

465.2 ENFORCEMENT

Local regulations relating to prohibitions against begging and soliciting of alms are not enforceable for non-profit (501(c)(3)) organizations. However a local regulation prohibiting soliciting on private property posted with a "No Soliciting" sign is still enforceable (Chula Vista Municipal Code § 9.12.030).

Officers should consider the following factors when contacting canvassers or solicitors for non-profit groups:

- Citizens have a right to call about anyone disturbing the peace or anyone they feel is suspicious.
- Officers should make contact with complainants and establish whether or not they have posted a "No Soliciting" sign (or similar) to prevent soliciting.
- If properly posted and probable cause exists to believe the solicitor violated Chula Vista Municipal Code § 9.12.030, the violator may be issued a citation.
- If there are no signs, employees should attempt to educate the resident about the solicitation law but should not cite the canvasser or solicitor.

Chula Vista Police Department

Policy Manual

Solicitors

- If a citizen complains that someone in a neighborhood is suspicious and the subject identifies himself as a canvasser for a non-profit group, you have the right to detain them for a reasonable time to investigate their claim.

Employees are encouraged to contact a supervisor for guidance when enforcing solicitation regulations.

Public Recording of Law Enforcement Activity

466.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

466.2 POLICY

The Chula Vista Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

466.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the officers.
 - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

466.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

Public Recording of Law Enforcement Activity

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

466.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

466.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

Chula Vista Police Department

Policy Manual

Public Recording of Law Enforcement Activity

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

First Amendment Assemblies

467.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

467.2 POLICY

The Chula Vista Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

467.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Chula Vista Police Department

Policy Manual

First Amendment Assemblies

467.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

467.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Communications Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

467.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

467.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Chula Vista Police Department

Policy Manual

First Amendment Assemblies

- The potential time, duration, scope and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or the race, ethnicity, national origin or religion of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

467.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for the following:

- (a) Command assignments, chain of command structure, roles and responsibilities
- (b) Staffing and resource allocation
- (c) Management of criminal investigations
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields)
- (e) Deployment of specialized resources
- (f) Event communications and interoperability in a multijurisdictional event
- (g) Liaison with demonstration leaders and external agencies
- (h) Liaison with City government and legal staff
- (i) Media relations
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation
- (k) Traffic management plans
- (l) First aid and emergency medical service provider availability
- (m) Prisoner transport and detention
- (n) Review of policies regarding public assemblies and use of force in crowd control
- (o) Parameters for declaring an unlawful assembly
- (p) Arrest protocol, including management of mass arrests
- (q) Protocol for recording information flow and decisions
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force
- (s) Protocol for handling complaints during the event

First Amendment Assemblies

467.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Mutual Aid and Outside Agency Assistance Policy).

467.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

467.7 USE OF FORCE

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and TASER® devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

First Amendment Assemblies

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

467.8 ARRESTS

The Chula Vista Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

467.9 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the News Media Relations Policy).

467.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

First Amendment Assemblies

467.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, the Communications Center records/tapes
- (g) Media accounts (print and broadcast media)

467.11.1 AFTER-ACTION REPORTING

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

467.12 TRAINING

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Department should, when practicable, train with its external and mutual aid partners.

Civil Disputes

468.1 PURPOSE AND SCOPE

This policy provides members of the Chula Vista Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by California law.

468.2 POLICY

The Chula Vista Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

468.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

468.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

Civil Disputes

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

468.4.1 STANDBY REQUESTS

Officer responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

468.5 VEHICLES AND PERSONAL PROPERTY

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

468.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Suspicious Activity Reporting

469.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

469.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Race, ethnicity, national origin or religious affiliation should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include, but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphpered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

469.2 POLICY

The Chula Vista Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

469.3 RESPONSIBILITIES

The Investigations Division Commander and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Investigations Division Commander include, but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

Chula Vista Police Department

Policy Manual

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

469.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any civilian member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

469.5 HANDLING INFORMATION

The Police Support Services will forward copies of SARs, in a timely manner, to the following:

- Investigations supervisor
- Crime Analysis Unit
- Other authorized designees

Medical Aid and Response

470.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons who appear to be in need of medical aid and establishes a law enforcement response to such situations.

470.2 POLICY

It is the policy of the Chula Vista Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

470.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR and use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Communications Center and request response by emergency medical services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 1. Signs and symptoms as observed by the member.
 2. Changes in apparent condition.
 3. Number of patients, sex and age, if known.
 4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
 5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

Medical Aid and Response

470.4 TRANSPORTING ILL AND INJURED PERSONS

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

470.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

470.5.1 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Medical Aid and Response

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

470.6 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

470.7 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Operations Division Commander should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

Medical Aid and Response

470.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100014; 22 CCR 100017; 22 CCR 100018).

470.8.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Manager who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact the Communications Center as soon as possible and request response by EMS.

470.8.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

470.8.3 AED TRAINING AND MAINTENANCE

The Training Manager should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100021; 22 CCR 100022; 22 CCR 100029).

The Training Manager is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100021).

470.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Members may administer opioid overdose medication in accordance with protocol specified by the licensed health care provider who prescribed the overdose medication for use by the member and (Civil Code § 1714.22; 22 CCR 100019).

- (a) When trained and tested to demonstrate competence following initial instruction.
- (b) When authorized by the medical director of the LEMSAs.
- (c) In accordance with California Peace Officer Standards and Training (POST) standards.

470.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Manager.

Chula Vista Police Department

Policy Manual

Medical Aid and Response

Any member who administers an opioid overdose medication should contact the Communications Center as soon as possible and request response by EMS.

470.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Manager will ensure that the Records Manager is provided enough information to meet applicable state reporting requirements.

470.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Manager should ensure training is provided to members authorized to administer opioid overdose medication. Training should be coordinated with the local health department and comply with the requirements in 22 CCR 100019 and any applicable POST standards (Civil Code § 1714.22).

Crisis Intervention Incidents

471.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

471.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

471.2 POLICY

The Chula Vista Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

471.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

Crisis Intervention Incidents

471.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief of Police should designate an appropriate Division Commander to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

471.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
 1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

Crisis Intervention Incidents

471.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

471.7 INCIDENT ORIENTATION

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the [dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

471.8 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.

Crisis Intervention Incidents

- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Patrol Division Commander.

Evaluate whether a critical incident stress management debriefing for involved members is warranted.

471.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

471.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Mental Illness Commitments Policy.

471.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS

Civilian members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

Chula Vista Police Department

Policy Manual

Crisis Intervention Incidents

471.11 EVALUATION

The PERT Lieutenant designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

471.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This department will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with mentally disabled persons, welfare checks and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

500.2 TRAFFIC OFFICER_DEPUTY DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the Chula Vista Police Department. Information provided by the California Statewide Integrated Traffic Reporting System (SWITRS) is a valuable resource for traffic accident occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance (Vehicle Code § 41603). The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

Chula Vista Police Department

Policy Manual

Traffic Function and Responsibility

500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

500.3.2 CITATIONS

Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

500.3.3 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Vehicular manslaughter
- (b) Felony and misdemeanor driving under the influence of alcohol/drugs
- (c) Felony or misdemeanor hit-and-run
- (d) Refusal to sign notice to appear
- (e) Any other misdemeanor at the discretion of the officer, such as reckless driving with extenuating circumstances

500.4 SUSPENDED OR REVOKED DRIVERS LICENSES

If an officer contacts a traffic violator for driving on a suspended or revoked license, the officer may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the officer. The officer shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The officer will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be forwarded to the Department of Motor Vehicles.

500.5 HIGH-VISIBILITY VESTS

The Chula Vista Police Department has provided ANSI Class II high-visibility vests to reduce the danger to employees who may be exposed to hazards presented by passing traffic, construction vehicles and disaster recovery equipment (23 CFR 634).

Traffic Function and Responsibility

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the employee.

500.5.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

High-visibility vests shall be maintained by the officer. They can also be stored in the trunk of each patrol vehicle and investigation unit, in the side box of each police motorcycle and in the saddlebag or gear bag of each police bicycle. Each vest should be stored inside the re-sealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The training manager should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

Traffic Collision Reporting

502.1 PURPOSE AND SCOPE

The Chula Vista Police Department prepares traffic collision reports in compliance with the California Highway Patrol Collision Investigation Manual (CIM) and as a public service makes traffic collision reports available to the community with some exceptions.

502.2 RESPONSIBILITY

The Traffic Unit supervisor or his or her designee will be responsible for distribution of the Collision Investigation Manual. The Traffic Unit will receive all changes in the state manual and ensure conformity with this policy.

502.3 TRAFFIC COLLISION REPORTING

All traffic collision reports taken by members of this department shall be forwarded to the Traffic Bureau for approval and data entry into the Records Management System. The Police Support Services unit will be responsible for monthly reports on traffic collision statistics to be forwarded to the Operations Division Commander, or other persons as required.

502.4 REPORTING SITUATIONS

All injury traffic and certain non-injury collisions shall be documented on either a Traffic Collision Report or a Non-Injury Collision form (commonly referred to as a "T-Form").

A Traffic Collision Report shall be taken for any of the following circumstances:

- (a) Where there is death or injury to any persons involved in the collision
- (b) Where the collision involves an identifiable misdemeanor or felony violation, including but not limited to "hit-and-run" collisions
- (c) Where the collision involves a city-owned vehicle and results in any injury, damage to non-city property, or damage to city property totaling \$750 or more
- (d) Where the circumstances of the collision or scene suggest a reasonable risk of city liability, including but not limited to collisions occurring in construction zones and collisions involving malfunctioning traffic control devices

Non-injury traffic collisions (either on public or private property), absent other circumstances, do not generally require a police response or report. However certain non-injury collisions may require a police response and/or documentation where the circumstances indicate that a police response is reasonably warranted.

The following circumstances are meant as guidelines in responding to, investigating, and reporting traffic collisions.

Chula Vista Police Department

Policy Manual

Traffic Collision Reporting

502.4.1 TRAFFIC COLLISIONS INVOLVING CITY VEHICLES

The communications center should document the name and telephone number for all reporting parties. As soon as reasonably practical the Watch Commander should notify the on-call Traffic supervisor. The collision investigation and report should be completed by a traffic enforcement officer or other qualified employee. A minimum of two traffic officers should respond to conduct the investigation.

502.4.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES

As soon as reasonably practical the Watch Commander should notify the on-call Traffic supervisor. The Traffic supervisor or Watch Commander may determine whether the collision investigation and report will be completed by a traffic enforcement officer or a patrol officer. In making this determination the Traffic supervisor or Watch Commander should consider the immediate availability of traffic unit personnel, the nature and severity of any injuries, the potential for criminal prosecution, and any factors which may increase city liability.

502.4.3 TRAFFIC COLLISIONS WITH OTHER CITY EMPLOYEES OR OFFICIALS

The collision investigation and report should be completed by a traffic officer if they are readily available. In the absence of a traffic officer, a patrol officer should complete the collision investigation and report.

For the purposes of this section, visible injuries do not include injuries consisting of only minor lacerations, scratches, or redness.

502.4.4 TRAFFIC COLLISIONS ON PRIVATE PROPERTY

The collision investigation and report should be completed by a Community Service Officer if they are readily available. In the absence of a Community Service Officer, a patrol officer should complete the collision investigation and report. An on-duty traffic officer may also complete the collision investigation and report as appropriate.

502.4.5 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS

Non-injury traffic collisions (either on public or private property), absent other circumstances, do not generally require a police response or report. However certain non-injury collisions may require a police response and/or documentation where the circumstances indicate that a police response is reasonably warranted.

Non-injury collisions that warrant a police response and that should be documented on a Traffic Collision Report include, but are not necessarily limited to, the following examples:

- (a) Hit-and-Run collisions.
- (b) Collisions involving intoxicated drivers, unlicensed drivers, or drivers with a suspended or revoked driver's license.
- (c) Collisions involving members of this Department, employees of the City of Chula Vista, vehicles owned by the City of Chula Vista, or employees of any other government agency that requests a report.

Chula Vista Police Department

Policy Manual

Traffic Collision Reporting

- (d) Collisions involving damage in excess of \$750 to equipment or property owned by the City of Chula Vista or any other government entity.
- (e) Collisions that reasonably represent a risk of civil liability to the City of Chula Vista. This may include but is not necessarily limited to collisions in construction zones, collisions involving a malfunctioning traffic signal, collisions involving City employees, etc.
- (f) Collisions involving any misdemeanor or felony criminal violation.

Other non-injury collisions may warrant a police response but do not necessarily require a police report. Where a police report is taken employees may utilize a short narrative (commonly referred to as a "box narrative") or an alternate approved Department form (such as a "T-Form") as reasonably appropriate. Examples of non-injury collisions that may warrant a police response but do not require a police report include, but are not necessarily limited to, the following:

- Collisions resulting in a disturbance or argument.
- Collisions where any party refuses to exchange information with any other party.
- Collisions involving suspicious circumstances.
- Collisions where a Police Department supervisor has requested a police response.
- Collisions blocking traffic or otherwise creating a hazard.

Dispatchers receiving calls of non-injury collisions with no unusual circumstances should be aware of the Police Department's historical role responding to and documenting non-injury traffic collisions. Where appropriate Dispatchers may advise callers reporting non-injury collisions that the matter is considered "civil" and the Police Department does not routinely respond to non-injury collisions. Dispatchers may also provide the caller with guidance with how to proceed, such as obtaining the other driver's information, contacting their insurance company, etc. Callers may also be provided with a CAD incident number in lieu of a case number for documentation and/or documentation purposes.

Dispatchers receiving calls of non-injury collisions with unusual circumstances, or where the caller insists on a police response, should contact a supervisor (such as a Police Dispatch Supervisor, Sergeant or Watch Commander) for guidance or approval prior to dispatching personnel to the incident. In some cases an exception to the policy may be appropriate in the interests of customer service.

502.4.6 COUNTER REPORTS (NON-INJURY)

All non-injury traffic collisions where neither party remains at the scene, excluding non-injury hit-and-run collisions, may only be documented as a "Counter Report" at the front counter of the Police Department during normal business hours. Counter Reports should be completed by the reporting party using the counter report package available at the front counter. A case number should be issued to the reporting party by front counter personnel.

Chula Vista Police Department

Policy Manual

Traffic Collision Reporting

502.4.7 LATE REPORTS (COMPLAINT OF PAIN ONLY)

All collisions involving complaint of pain only, where neither party remains at the scene, including hit-and-run collisions involving complaint of pain only, may only be documented as a "Late Report" at the front counter of the Police Department during normal business hours. Late Reports should be completed by the reporting party using the counter report package available at the front counter. A case number should be issued to the reporting party by front counter personnel.

502.4.8 LATE REPORTS (MINOR VISIBLE INJURY)

The collision investigation and report should be completed by a Community Service Officer if they are readily available. In the absence of a Community Service Officer, a patrol officer should complete the collision investigation and report. An on-duty traffic officer may also complete the collision investigation and report as appropriate.

For the purposes of this report, a simplified "box narrative" may be completed in lieu of a full narrative, so long as the collision is not unreasonably complex and there is not a reasonable risk of city liability.

502.4.9 COLLISIONS INVOLVING CITY-OWNED VEHICLES (NON-POLICE VEHICLES)

The collision investigation and report should be completed by a patrol officer. A traffic officer may also complete the investigation and report as appropriate. For collisions where there are no injuries, and damage totals less than \$750 and is limited to city property, a traffic collision report is not required.

A supervisor should be immediately notified of all traffic collisions involving city-owned vehicles regardless of damage.

502.4.10 COLLISIONS INVOLVING POLICE VEHICLES

The collision investigation and report should be completed by a patrol Agent. A traffic officer may also complete the investigation and report as appropriate. For collisions where there are no injuries, and damage totals less than \$750 and is limited to city property, a traffic collision report is not required.

A supervisor should be immediately notified of all traffic collisions involving police vehicles regardless of damage.

502.5 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION

In the event of a serious injury or death related traffic collision, the Watch Commander shall notify the Traffic Lieutenant to relate the circumstances of the traffic collision and seek assistance from the Traffic Bureau. In the absence of a Traffic Lieutenant, the Watch Commander or any supervisor may assign an accident investigator or motor officer to investigate the traffic collision.

Vehicle Towing and Release

510.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Chula Vista Police Department. Nothing in this policy shall require the Department to tow a vehicle.

510.2 STORAGE AND IMPOUNDS

When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

Authorized department members may order the storage or impound of a vehicle pursuant to federal, state, or local statutory authority, including related sections of the California Vehicle Code (§ 22651, et seq.).

Impounded and stored vehicles should be taken to the tow company yard, unless alternate arrangements are necessary for evidence collection or other circumstances.

In cases where a vehicle is impounded and is illegally parked, the officer should issue the vehicle a parking citation.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

510.2.1 VEHICLE STORAGE REPORT

Department members requesting towing, storage or impound of a vehicle shall complete a vehicle impound report and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850).

510.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Communications Center. Such requests from the driver or owner of the involved vehicle are considered "private tows", and need not be documented on a vehicle impound report.

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call the on-call towing service for the City of Chula Vista. The officer will then store the vehicle using a vehicle impound report.

Chula Vista Police Department

Policy Manual

Vehicle Towing and Release

510.2.3 STORAGE AT ARREST SCENES

A vehicle may be impounded per section 22651(h)(1) CVC **only when all of the following conditions are met** :

- (a) The driver is arrested for an alleged offense **and is taken into physical custody**. This section is not applicable if the subject is released at the scene with a citation or otherwise released pursuant to 849 P.C.
- (b) There is no one there to legally remove the vehicle (such as a valid and unimpaired passenger), and
- (c) The impounding officer documents at least one of the following concerns in a police report:
 - 1. The vehicle is creating a hazard,
 - 2. The vehicle is impeding traffic,
 - 3. The vehicle presents a reasonable threat to public safety, or
 - 4. The vehicle is reasonably subject to theft or vandalism because it is parked in a high crime area.

The above-mentioned concerns are generally referred to as the "Community Caretaker" doctrine. This doctrine requires that it be necessary to remove the vehicle from its current location and that there is no one there to legally remove it. In determining if a situation meets the requirements of the Community Caretaker doctrine officers are permitted to use their professional expertise.

Where a vehicle is stopped and legally parked, and where the requirements of the Community Caretaking doctrine can-not be reasonably met, the vehicle should not be impounded under the authority of 22651(h)(1) CVC. (People v. Williams 125 Cal. App. 4th 756).

510.2.4 IMPOUNDMENT AT SOBRIETY CHECKPOINTS

Where a driver stopped during a sobriety checkpoint and cited for being unlicensed in violation of CVC 12500, state law stipulates the vehicle may only be impounded after the officer makes a reasonable attempt to contact the registered owner to obtain his or her authorization to release the vehicle to an alternate valid and unimpaired driver. A vehicle in this circumstance may be impounded only in accordance with the following:

- (a) If the registered owner is with the vehicle or otherwise immediately available at the time of citation, the R/O shall be allowed to release the vehicle to an alternate licensed and unimpaired driver (including his or herself) by the end of the checkpoint. The officer shall document on the "officer copy" of the citation the name and driver's license number of the person to whom the vehicle is released.
- (b) If the registered owner is not in the vehicle or immediately, the officer shall make a reasonable attempt to contact the registered owner and obtain their permission to release the vehicle to a licensed and unimpaired driver by the end of the checkpoint. The officer shall document on the "officer copy" of the citation the name and driver's license number of the person to whom the vehicle is released.

Chula Vista Police Department

Policy Manual

Vehicle Towing and Release

1. The definition of a "reasonable attempt" will largely be defined by the specific circumstances of the moment, but should usually involve reasonable efforts to locate a telephone number for the R/O (such as from the driver or passenger, from documents inside the vehicle, or from other law enforcement sources) and attempting to contact the R/O by phone.
- (c) If the registered owner is contacted but is unable to produce a licensed and unimpaired driver by the end of the checkpoint, or the registered owner does not authorize the release of the vehicle, or reasonable attempts to contact the registered owner have been unsuccessful, the vehicle may be impounded without delay.
1. Any vehicle so removed shall not be placed on a 30-day hold.
 2. The officer shall clearly document in the impound report their attempts to contact the registered owner and the specific circumstances authorizing impound of the vehicle (i.e. vehicle not picked up by the end of the checkpoint).

510.2.5 DRIVING A NON-CITY VEHICLE

Vehicles which have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

510.2.6 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly notify the specified authorized towing service. The officer should be advised when the request has been made. The dispatcher shall update the corresponding CAD incident record to reflect the name of the tow company and the time that notification was made.

The authorized towing company is generally whichever towing company is currently on-call for the department, but a different towing company may called when specifically requested by the vehicle's owner or the owner's agent. If the authorized towing company is not available for whatever reason, the dispatcher may call the next towing service in rotation from the list of approved towing companies, and shall make appropriate entries in CAD.

Dispatch personnel shall promptly enter pertinent data from the completed storage form (CHP Form 180) into the Stolen Vehicle System (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

510.2.7 POLICE SUPPORT SERVICES RESPONSIBILITY

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or review should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Police Support Services to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by first-class mail (Vehicle Code § 22851.3(d); Vehicle Code §

Chula Vista Police Department

Policy Manual

Vehicle Towing and Release

22852(a); Vehicle Code § 14602.6(a)(2)). The notice shall include the following (Vehicle Code § 22852(b)):

- (a) The name, address, and telephone number of this Department.
- (b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage.
- (c) The authority and purpose for the removal of the vehicle.
- (d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, writing, or by telephone within 10 days of the date appearing on the notice.

510.2.8 REMOVAL BY PRIVATE PERSONS

California Vehicle Code § 22658(a) gives the owner or person in lawful control of private property, the right to remove vehicles parked on their property to the nearest public garage, if they have displayed in plain view on the property, a sign prohibiting public parking and containing the telephone number of the Police Department. It is the private person's responsibility to call for a tow.

The Police Department will not respond to or assist with private impounds unless otherwise directed by a supervisor.

510.2.9 VEHICLES STORED FOR EVIDENCE

Sworn personnel may order a vehicle stored for evidence with the approval of an investigator or any supervisor. Depending on the nature of the incident and the reasons for the storage, the vehicle may be towed to a private tow-company storage lot, the police facility, or to a City-owned long-term storage facility. Most vehicles stored for evidence processing should be stored at the police facility, while vehicles used in the commission of a crime but not needing evidence processing should be stored at City-owned long-term storage.

Whenever a vehicle is stored for evidence or for evidence processing, the storing officer should notify the Watch Commander and the supervisor in-charge of the appropriate investigative unit.

The police facility is equipped with drive-in storage bays for vehicles stored for evidence processing. These bays are equipped with the necessary tools to safely store and process vehicles. Department personnel should use these bays only when a stored vehicle require evidence processing that cannot be completed by an officer, and only with a supervisor's approval. Employees may not use these bays simply to have them searched and their contents inventoried and/or recovered, or to request crime lab processing that could otherwise be completed by an officer in the field (i.e. basic fingerprinting and/or basic photography).

Whenever a vehicle is stored at the police facility, an employee should follow the vehicle to the facility in order to document proper chain of custody. Employees should use appropriate signage, "drip pans", or other tools as directed by the Crime Lab to protect the security of the stored vehicle and the cleanliness and safety of the police facility. Vehicles with significant leaks of gasoline, oil or other hazardous fluids should not be transported to the police facility.

Chula Vista Police Department

Policy Manual

Vehicle Towing and Release

510.3 TOWING SERVICES

The City of Chula Vista has a contractual agreement for all tow companies doing business in the City of Chula Vista. These tow companies will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action
- (b) When a vehicle is being held as evidence in connection with an investigation
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal from the streets of vehicles obstructing traffic in violation of state or local regulations.

Tow company agreements are awarded based on several specifications. These specifications may include, but are not necessarily limited to:

- (a) Response Requirements:
 1. Equipment Standards: Contract tow companies are required to respond with proper equipment and the drivers must have proper knowledge to operate that equipment.
 2. Response Times: Tow companies are required to respond and be on-scene within 20 Minutes of being called.
- (b) Complaint Procedures:
 1. Complaints against tow companies shall be referred to a Traffic Sergeant.
 2. A memo describing the complaint and copy of the dispatch complaint printout should be submitted to the Traffic Sergeant for investigation.
 3. The Traffic Sergeant will contact the tow company and conduct an investigation of the incident.
 4. If it is determined that the company is in violation of the contract, the findings will be forwarded to the Division Commander and the Principal Management Assistant for further action.

510.4 VEHICLE INVENTORY

It is the impounding employee's responsibility that all property in a stored or impounded vehicle be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. However containers that are closed and locked, and for which there is no key or combination available, shall not be forced open but shall be noted on the impound report.

Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in police custody, to provide for the safety of officers, and to protect the Department against fraudulent claims of lost, stolen, or damaged property.

Chula Vista Police Department

Policy Manual

Vehicle Towing and Release

510.5 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) which are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

510.6 RELEASE OF VEHICLE

The Department will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

- (a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3 and Vehicle Code § 22850.5).
- (b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3 and Vehicle Code § 22850.5).
- (c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license and applicable fees paid prior to the end of the 30-day impoundment period if the vehicle was stolen, if the driver reinstates his/her driver's license, if the driver acquires a license and proper insurance, or under other circumstances as set forth in Vehicle Code § 14602.6.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.

510.7 30 DAY HOLDS

A vehicle that has been impounded per section 22651(p) CVC where the driver has been cited for a violation of section 12500(a), 14601, 14601.1, 14601.2, 14601.3, 14601.4, 14601.5, or 14604 and the vehicle is not impounded pursuant to section 22655.5, must be held for 30-days pursuant to 14602.6(a)(1) CVC where all of the following conditions are satisfied:

Vehicle Towing and Release

- (a) Evidence exists that previous deterrents have not been effective. Examples include: the driver's record shows one or more convictions for driving unlicensed or with a suspended or revoked license; the driver's record shows multiple suspensions, for any reason, with verified proof of service; the Stolen Vehicle System (SVS) shows that the vehicle has been previously stored for 22651(p) CVC or 14602.6(a)(1) CVC.
- (b) Officers must make a reasonable effort to ensure the non-existence of a driver's license or that the driving privilege is actually suspended or revoked at the time of the enforcement contact, and that proper notice has been served. **Note: If the driver has not been served notice of suspension or revocation, the officer shall issue a form DL310A, "Verbal Notice by Peace Officer or DMV Employee," and seize the driver's license if it is in the person's possession. The DL310A and the driver's license shall be mailed to the DMV at the end of the shift. Under these circumstances, the vehicle will be impounded per Section 22651(p) CVC.**
- (c) The driver shall be cited for a violation of Section 12500(a), 14601, 14601.1, 14601.2, 14601.3, 14601.4, 14601.5, or 14604 in addition to the violation which initiated the enforcement contact.
- (d) The vehicle is physically upon a highway, public lands, or on private property after having been on a highway or public lands.

Unlike impounds under the Community Caretaking doctrine, 14602.6(a) CVC is considered a civil forfeiture and therefore has a very different intent from regular "non-hold" impounds. Whenever a driver is cited and vehicle is impounded under 14602.6(a) CVC, that person has already been convicted of a crime and is again driving without a valid license - which is very different than a single instance of merely driving without a current valid license. (Bennis v. Michigan, 516 U.S. 442 (1996)). Therefore a vehicle may be impounded under this section even though the requirements of the Community Caretaking doctrine may not be met.

Officers shall mark the "Agency Hold" box and indicate a "Licensing Hold for 30 days" in the storage authority/reason space provided on the impound report. The circumstances of the enforcement contact and justification for the 30-day impound hold per Section 14602.6 CVC must be contained in the narrative portion of the impound report.

510.8 IMPOUNDS FOR OTHER AGENCIES

Whenever an officer is involved in assisting other law enforcement agencies where that agency has primary jurisdiction over the vehicle and its occupants, the disposition of the vehicle will be the responsibility of that agency.

Vehicle Impound Hearings

512.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

512.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the Chula Vista Police Department, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code § 22650(a); Vehicle Code § 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

512.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(b)). The Traffic Sergeant will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code § 22851.3(e)(2); Vehicle Code § 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code § 14602.6(b); Vehicle Code § 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code § 14602.6(b) or 14602.8(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations

Chula Vista Police Department

Policy Manual

Vehicle Impound Hearings

where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.
 - 1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.
- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Division Commander. The hearing officer will recommend to the appropriate Division Commander that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

Impaired Driving and Evidence Collection

514.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

514.2 POLICY

The Chula Vista Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

514.3 INVESTIGATIONS

Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

514.4 FIELD TESTS

The Traffic Lieutenant should identify the primary field sobriety tests (FSTs) and any approved alternate tests for officers to use when investigating violations of DUI laws.

514.5 CHEMICAL TESTS

A person is deemed to have consented to a chemical test or tests under any of the following (Vehicle Code § 23612):

- (a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.
- (b) The person is under 21 years of age and is arrested by an officer having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).
- (c) The person is under 21 years of age and detained by an officer having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
- (d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).
- (e) The person is dead, unconscious or otherwise in a condition that renders him/her incapable of refusal (Vehicle Code § 23612(a)(5)).

514.5.1 CHOICE OF TEST

A person arrested for DUI has the choice of whether the test is of his/her blood or breath, and the officer shall advise the person that he/she has that choice. If the person arrested either is incapable, or states that he/she is incapable, of completing the chosen test, the person shall submit to the remaining test.

Impaired Driving and Evidence Collection

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the officer may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

514.5.2 BREATH TEST

The Traffic Lieutenant should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Traffic Lieutenant.

When the arrested person chooses a breath test, the handling officer shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The officer should also require the person to submit to a blood test if the officer has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an alcoholic beverage and any drug. Evidence of the officer's belief shall be included in the officer's report (Vehicle Code § 23612(a)(2)(C)).

514.5.3 BLOOD TEST

Only persons authorized by law to withdraw blood shall collect blood samples (Vehicle Code § 23158). The withdrawal of the blood sample should be witnessed by the assigned officer. No officer, even if properly certified, should conduct the blood withdrawal.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be drawn for alternate testing. Unless medical personnel object, two samples should be drawn and retained as evidence, so long as only one puncture is required.

If an arrestee cannot submit to a blood test because he/she is a hemophiliac or is using an anticoagulant, he/she shall not be required to take a blood test. Such inability to take a blood test should not be treated as a refusal. However, the person may be required to complete another available and viable test.

514.5.4 URINE TESTS

If a urine test will be performed, the person should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff of the same sex as the person giving the sample. The person tested should be allowed sufficient privacy to maintain his/

Impaired Driving and Evidence Collection

her dignity, to the extent possible, while still ensuring the accuracy of the specimen (Vehicle Code § 23158(i)).

The collection kit shall be marked with the person's name, offense, Chula Vista Police Department case number and the name of the witnessing officer. The collection kit should be refrigerated pending transportation for testing.

514.6 REFUSALS

When a person refuses to provide a viable chemical sample, officers should:

- (a) Advise the person of the requirement to provide a sample (Vehicle Code § 23612).
- (b) Audio-record the admonishment and the response if practicable.
- (c) Document the refusal in the appropriate report.

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of order of suspension upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

514.6.1 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained (Penal Code § 1524); or
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol in the person's blood stream. Exigency can be established by the existence of special facts such as a lengthy delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

514.6.2 FORCED BLOOD SAMPLE

If a person indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the person to submit to such a sample without physical resistance. This dialogue should be recorded on audio and/or video if practicable.

Impaired Driving and Evidence Collection

- (d) Ensure that the withdrawal is taken in a medically approved manner.
- (e) Ensure the forced withdrawal is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied is reasonable under the circumstances:
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the suspect becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood being withdrawn may be permitted.
- (g) Ensure the use of force and methods used to accomplish the blood sample draw are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

514.7 ARREST AND INVESTIGATION

514.7.1 WARRANTLESS ARREST

In addition to the arrest authority granted to officers pursuant to Penal Code § 836, an officer may make a warrantless arrest of a person that the officer has reasonable cause to believe has been driving under the influence of an alcoholic beverage or any drug, or under the combined influence of the same when (Vehicle Code § 40300.5):

- (a) The person is involved in a traffic accident.
- (b) The person is observed in or about a vehicle that is obstructing the roadway.
- (c) The person will not be apprehended unless immediately arrested.
- (d) The person may cause injury to him/herself or damage property unless immediately arrested.
- (e) The person may destroy or conceal evidence of a crime unless immediately arrested.

514.7.2 STATUTORY WARNING

An officer requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

514.7.3 PRELIMINARY ALCOHOL SCREENING

Officers may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The officer shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, he/she shall be advised

Impaired Driving and Evidence Collection

that the PAS test is voluntary. The officer shall also advise the person that submitting to a PAS test does not satisfy his/her obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

514.7.4 PRELIMINARY ALCOHOL SCREENING FOR MINORS

If an officer lawfully detains a person under 21 years of age who is driving a motor vehicle and the officer has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the officer shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the officer may request the person to submit to chemical testing of his/her blood, breath or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the officer shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

514.7.5 OFFICER_DEPUTY RESPONSIBILITIES

The officer serving the arrested person with a notice of an order of suspension shall immediately (Vehicle Code § 23612):

- (a) Forward a copy of the completed notice of suspension or revocation form and any confiscated driver's license to the Department of Motor Vehicles (DMV).
- (b) Forward a sworn report to DMV that contains the required information in Vehicle Code § 13380.
- (c) Forward the results to the appropriate forensic laboratory if the person submitted to a blood or urine test.

514.8 RECORDSBUREAU RESPONSIBILITIES

The Records Manager will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

514.9 ADMINISTRATIVE HEARINGS

The supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any officers who receive notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

Officers called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified. The Police Support Services should forward this to the prosecuting attorney as part of the case file.

Impaired Driving and Evidence Collection

514.10 TRAINING

The Training Manager should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Manager should confer with the prosecuting attorney's office and update training topics as needed.

Traffic Citations

516.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

516.2 RESPONSIBILITIES

The Traffic Unit Lieutenant or manager shall be responsible for the development and design of all Department traffic citations in compliance with state law and the Judicial Council.

The Quartermaster shall be responsible for the supply and accounting of all traffic citations issued to employees of this department.

516.3 DISMISSAL OF TRAFFIC CITATIONS

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Traffic Bureau Manager. Upon a review of the circumstances involving the issuance of the traffic citation, the Traffic Bureau Manager may request the Operations Division Commander to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the officer may request the court to dismiss the citation.

516.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Traffic Bureau.

516.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the officer issuing the citation shall prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.

516.6 DISPOSITION OF TRAFFIC CITATIONS

The court and file copies of all traffic citations issued by members of this department shall be forwarded to the employee's immediate supervisor for review. The citation copies shall then be filed with the Police Support Services.

Upon separation from employment with the department, all employees issued traffic citations books shall return any unused citations to the Department Quartermaster.

Traffic Citations

516.6.1 REFUSAL TO SIGN TRAFFIC CITATION

When a violator refuses to sign a traffic citation the citing officer shall refer the violator to the printed information on the face of the citation directly above the space provided for his/her signature. The violator shall be informed that signing a citation does not constitute an admission of guilt, but merely a signed promise to appear and answer to the charge. When the violator has been advised and continues to refuse to sign the citation, the citing officer shall request that a supervisor respond to the scene. The supervisor shall, whenever possible, resolve the matter at the scene.

After every reasonable effort has been made to obtain the violator's signature on a citation and they still refuse to sign, the violator shall be arrested. The violator shall be taken without delay before a magistrate or booked into jail if no magistrate is available. When a person who refuses to sign a citation is arrested, the violator shall be booked for the cited offense(s) pursuant to Vehicle Code § 40302(b). An arrest report shall be completed, detailing the circumstances of the initial stop or contact, the refusal to sign, and the subsequent arrest.

516.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE

Disposition of notice of parking violation appeals is conducted pursuant to Vehicle Code § 40215.

516.7.1 APPEAL STAGES

Appeals may be pursued sequentially at three different levels:

- (a) Administrative reviews are conducted by the Traffic Bureau, in concert with the issuing officer, who will review written/documentary data. Requests for administrative reviews are available on the "Request to Dismiss" form, available at the front desk or Traffic Bureau of the Chula Vista Police Department. These requests are informal written statements outlining why the notice of parking violation should be dismissed. Copies of documentation relating to the notice of parking violation and the request for dismissal must be mailed to the current mailing address of the processing agency. The Finance Department has final authority during administrative review.
- (b) If the appellant wishes to pursue the matter beyond an administrative review, a Superior Court review may be presented in person by the appellant after an application for review and designated filing fees have been paid to The Superior Court of California.

516.7.2 TIME REQUIREMENTS

Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

- (a) Requests for an administrative review must be postmarked within 21 calendar days of issuance of the notice of parking violation, or within 14 calendar days of the mailing of the Notice of Delinquent Parking (Violation Vehicle Code § 40215(a)).
- (b) Requests for administrative hearings must be made no later than 21 calendar days following the notification mailing of the results of the administrative review (Vehicle Code § 40215(b)).

Chula Vista Police Department

Policy Manual

Traffic Citations

- (c) An administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to Vehicle Code § 40200 - 40225. The person requesting the hearing may request one continuance, not to exceed 21 calendar days (Vehicle Code § 40215).
- (d) Registered owners of vehicles may transfer responsibility for the violation via timely affidavit of non-liability when the vehicle has been transferred, rented or under certain other circumstances (Vehicle Code § 40209 and Vehicle Code § 40210).

516.7.3 COSTS

- (a) There is no cost for an administrative review.
- (b) Appellants must pay the full amount due for the citation, or provide satisfactory proof of their inability to pay, before receiving an administrative hearing.
- (c) An appeal through Superior Court requires prior payment of filing costs including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the Superior Court.

516.8 JUVENILE CITATIONS

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency, and the type of offense should be considered before issuing the juvenile a citation.

Disabled Vehicles

520.1 PURPOSE AND SCOPE

Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

520.2 OFFICER RESPONSIBILITY

When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practical.

520.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

520.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

520.3.2 MOVING STRANDED VEHICLES

Police vehicles not equipped with push bumpers shall not be used to push, pull or tow stranded vehicles.

520.3.3 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

520.3.4 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

520.4 PUBLIC ACCESS TO THIS POLICY

This written policy is available upon request.

72-Hour Parking Violations

524.1 PURPOSE AND SCOPE

This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of the Chula Vista City Ordinance regulating 72-hour parking violations and abandoned vehicles under the authority of Vehicle Code § 22669.

524.2 MARKING VEHICLES

Vehicles suspected of being in violation of the City of Chula Vista 72-Hour Parking Ordinance shall be marked and noted on the Chula Vista Police Department Marked Vehicle Card. No case number is required at this time.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the Marked Vehicle Card.

All Marked Vehicle Cards shall be submitted to the Traffic Bureau for computer data entry.

If a marked vehicle has been moved or the markings have been removed during a 72-hour investigation period, the vehicle shall be marked again for the 72-hour parking violation and a Marked Vehicle Card completed and forwarded to the Traffic Bureau.

Parking citations for the 72-hour parking ordinance shall not be issued when the vehicle is stored for the 72-hour parking violation.

524.2.1 MARKED VEHICLE FILE

The Traffic Bureau shall be responsible for maintaining a file for all Marked Vehicle Cards.

Parking control officers assigned to the Traffic Bureau shall be responsible for the follow up investigation of all 72-hour parking violations noted on the Marked Vehicle Cards.

524.2.2 VEHICLE STORAGE

Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report shall be completed by the officer authorizing the storage of the vehicle.

The storage report form shall be submitted to the Police Support Services immediately following the storage of the vehicle. It shall be the responsibility of the Police Support Services to immediately notify the Stolen Vehicle System (SVS) of the Department of Justice in Sacramento (Vehicle Code § 22851.3(b)). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS)(Vehicle Code § 22854.5).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Police Support Services to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice to all such individuals shall be sent first-class or certified mail pursuant to Vehicle Code § 22851.3(d).

Emergency Response Cost Recovery

527.1 PURPOSE AND SCOPE

Any person who is under the influence of an alcoholic beverage or any drug, or the combined influence of an alcoholic beverage and any drug, whose negligent operation of a motor vehicle caused by that influence proximately causes any incident resulting in an appropriate emergency response, and any person whose intentionally wrongful conduct proximately causes any incident resulting in an appropriate emergency response, is liable for the expense of an emergency response by a public agency to the incident (Government Code § 53150).

The City of Chula Vista and the Chula Vista Police Department shall enact the provisions of Emergency Response Cost Recovery program as outlined in Government Code § 53150 in order to recover the expenses of emergency responses by police personnel.

527.1.1 PROGRAM OUTLINE

Government Code § 53150 allows a public agency to recover expenses of an emergency response, not to exceed \$12,000 per each incident, from any incident caused by a person who is under the influence of an alcoholic beverage or any drug, or the combined influence of an alcoholic beverage and/or drug, while negligently operating a motor vehicle, boat or vessel, or civil aircraft. This statute also allows for the recovery of expenses against any person whose intentionally wrongful conduct proximately causes any incident resulting in an appropriate emergency response, such as, but not limited to, police pursuits and evading arrests.

The monetary charge to the liable person is collectable by the City of Chula Vista in the same manner as an obligation under a contract.

The monetary charges to be billed will be direct costs to the City for the emergency response including cost of repairing or replacing City property damaged or destroyed due to the person's conduct and/or acts; the hourly salary and fringe benefit costs of the police and/or other City personnel who directly respond to an incident for the time spent to complete the emergency response.

527.2 CRITERIA FOR PROGRAM

The Emergency Response Cost Recovery program should be applied whenever a subject is arrested for any of the following circumstances:

(a) Driving under the influence of alcohol and/or drugs (DUI), defined as:

1. Driving under the influence of alcohol and/or drugs is evidenced by objective symptoms observed by the arresting officer and a blood, breath, or urine test above the legal limit (currently .08 alcohol level); and
2. Negligent operation of motor vehicle is evidenced by an accident as defined under the Vehicle Code, Sections 21100 et seq.; and

Chula Vista Police Department

Policy Manual

Emergency Response Cost Recovery

3. The incident evidenced by an accident was proximately caused by driving under the influence of alcohol and/or drugs; and
 4. The incident necessitated an emergency response by police or fire units responding to the incident. The emergency response does not need to entail the use of emergency lights and siren.
- (b) Other criminal acts resulting from unlawful conduct while operating a motor vehicle, including:
1. A motor vehicle was operated in an intentionally wrongful or negligent manner which proximately causes any incident resulting in an appropriate emergency response, or
 2. A motorist attempts to evade arrest for acts involving operation of a motor vehicle with intentionally wrongful or negligent conduct which injures another person or damages property, or
 3. A motorist rammed or threatened to ram police vehicles or property while attempting to evade arrest.
 4. The incident necessitated an emergency response by police or fire units responding to the incident. The emergency response does not need to entail the use of emergency lights and siren.
- (c) Criminal acts resulting in damage to City property:
1. Any criminal act that defaces, damages or destroys property belonging to the City of Chula Vista. Examples of such incidents are: the criminal removal of posted signs, vandalism, damages from burglary, arson, etc.
 2. The incident necessitated an emergency response by police or fire units responding to the incident. The emergency response does not need to entail the use of emergency lights and siren.

527.3 PROGRAM PROCEDURES

Whenever personnel respond to the circumstances specified in §527.2 of this Policy Manual, the primary case officer or his/her designee should complete the Emergency Cost Recovery form. The completed form should be attached to the collision report and submitted the Traffic Unit. Only one form is required per incident. In driving related incidents, the officer who is responsible for completing the collision report shall complete the Emergency Cost Recovery form.

The electronic form is accessible on the citywide "H" driver, inside the folder titled "POLICE" is the folder titled Cost Recovery Risk Management. Once completed, save the report in the same folder on the shared drive so Risk Management can access it. Title the report using the case number and date of the incident. (ex. 10-00000 MMDDYY) Print a copy of the ECR and include it in your report.

Chula Vista Police Department

Policy Manual

Emergency Response Cost Recovery

Upon receipt of a properly completed Emergency Cost Recovery form, a Traffic Sergeant or his/her designee should review the form for accuracy and completeness. The form should be forwarded to the City's Finance Department.

Police Department personnel shall cooperate with the Finance Department for the purposes of accurate claims and billing.

Chapter 6 - Investigation Operations

Investigation and Prosecution

600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.2 POLICY

It is the policy of the Chula Vista Police Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.3 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.3.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigations supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.4 INITIAL INVESTIGATION

600.4.1 OFFICER RESPONSIBILITIES

An officer responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
 1. An initial statement from any witnesses or complainants.
 2. A cursory examination for evidence.

Chula Vista Police Department

Policy Manual

Investigation and Prosecution

- (b) If information indicates a crime has occurred, the officer shall:
1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Watch Commander.
 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
 5. Collect any evidence.
 6. Take any appropriate law enforcement action.
 7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

600.4.2 CIVILIAN MEMBER RESPONSIBILITIES

A civilian member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

600.5 DISCONTINUATION OF INVESTIGATIONS

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.

Investigation and Prosecution

- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

600.6 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.7.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Chula Vista Police Department

Policy Manual

Investigation and Prosecution

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.7.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

600.8 MODIFICATION OF CHARGES FILED

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Division Commander or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

Sexual Assault Investigations

602.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

602.1.1 DEFINITIONS

Definitions related to this policy include:

Sexual assault - Any crime or attempted crime of a sexual nature, to include, but not limited to, offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates, law enforcement officers, forensic medical examiners, including sexual assault nurse examiners (SANEs) if possible, forensic laboratory personnel and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

602.2 POLICY

It is the policy of the Chula Vista Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

602.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with SART.

Sexual Assault Investigations

602.4 INVESTIGATION AND REPORTING

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

602.4.1 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to the Communications Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

Victims are often reluctant or embarrassed to discuss details. Recanting or changing one or more aspects of a prior statement is not necessarily an indication of false reporting or that the case is unfounded. If the responding officer has reason to believe the incident may be without merit, he/she should document the evidence and inconsistencies. Due to physical and emotional trauma, and the myths and stereotypes associated with sexual assault, inconsistencies in the victim's report are not uncommon. No opinions of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (42 USC § 3796gg-8; Penal Code § 637.4).

602.4.2 VICTIM RIGHTS

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

Whenever there is an alleged sexual assault the assigned officer shall accomplish the following:

- (a) Immediately provide the victim with the "Victims of Domestic Violence" card containing the names and locations of rape victim counseling centers within the county and their 24-hour counseling service telephone numbers (Penal Code § 264.2(a)).
- (b) Advise the victim of the right to have a victim advocate and a support person present at any interview by law enforcement as provided in Penal Code § 679.04.
- (c) If the victim is transported to a hospital for any medical evidentiary or physical examination, the officer shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2(b)(1)).

Sexual Assault Investigations

1. Prior to any such examination the assigned officer shall ensure that the victim has been properly informed of his/her right to have a sexual assault victim counselor and at least one other support person present (Penal Code § 264.2(b)(2)).
2. A support person may be excluded from the examination by the officer or the medical provider if his/her presence would be detrimental to the purpose of the examination (Penal Code § 264.2(b)(4)).

602.4.3 VICTIM CONFIDENTIALITY

Officers investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting officer shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this department shall not publicly disclose the name or address of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

602.4.4 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, it is critical to the investigation that a urine sample from the victim be collected by a medical professional.

Subject to available resources and other law enforcement considerations which may affect the ability to process and analyze rape kits, other sexual assault victim evidence and other crime scene evidence, any member of this department assigned to investigate a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned officer should further ensure that the results of any such test have been timely entered into and checked against both the Department of Justice Cal-DNA database and the Combined DNA Index System (CODIS).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned officer shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18 month period (Penal Code § 680(d)).

Chula Vista Police Department

Policy Manual

Sexual Assault Investigations

602.4.5 VICTIM NOTIFICATION OF DNA STATUS

- (a) Upon receipt of a written request from a sexual assault victim or the victim's authorized designee, the assigned officer may inform the victim of the status of the DNA testing of any evidence from the victim's case (Penal Code § 680).
1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 2. Absent a written request, no member of this department is required to, but may, communicate with the victim or the victim's authorized designee regarding the status of any DNA testing.
- (b) Subject to the commitment of sufficient resources to respond to requests for information, sexual assault victims shall further have the following rights (Penal Code § 680):
1. To be informed if a DNA profile of the assailant was obtained from the testing of the rape kit or other crime scene evidence from their case.
 2. To be informed if there is a match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the Department of Justice Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.
 3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the Department of Justice Databank of case evidence.
- (c) Provided that the sexual assault victim or the victim's authorized designee has kept the assigned officer informed with regard to current address, telephone number and email address (if available), any victim or the victim's authorized designee shall, upon request, be advised of any known significant changes regarding the victim's case (Penal Code § 680).
1. Although such information may be communicated orally, the assigned officer should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
 2. No officer shall be required or expected to release any information which might impede or compromise any ongoing investigation.

602.4.6 DESTRUCTION OF EVIDENCE

Any destruction of evidence related to a sexual assault shall occur only after victim notification is made as required pursuant to Penal Code § 680 and only in compliance with the Property and Evidence Policy.

602.4.7 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigations supervisor.

Classification of a rape case as unfounded requires the Investigations supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement,

Sexual Assault Investigations

there must be corroborating evidence to support the recanted information before the case should be determined as unfounded.

602.4.8 AUDITING CASE DISPOSITIONS

The Investigations supervisor will ensure case dispositions are reviewed on a periodic basis using an identified group that is independent of the investigation process. The SART and/or victim advocates should be considered for involvement in this audit.

602.5 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigations supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

602.6 TRAINING

Subject to available resources, periodic training will be provided to:

- (a) Members who are first responders. This includes, but is not limited to, the following topics:
 - 1. Initial response to sexual assaults
 - 2. Legal issues
 - 3. Victim advocacy
 - 4. Victim's response to trauma
- (b) Qualified investigators who should receive advanced training on additional topics. This includes, but is not limited to, the following:
 - 1. Interviewing sexual assault victims
 - 2. SART
 - 3. Medical and legal aspects of sexual assault investigations
 - 4. Serial crimes investigations
 - 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP)

Digital Evidence Unit

603.1 PURPOSE AND SCOPE

This policy establishes the responsibilities and duties of the Digital Evidence Unit; hereinafter referred to as DEU.

603.2 POLICY

DEU is responsible for obtaining and managing digital evidence, including data from mobile devices, for the purpose of providing detectives with evidence that may assist in their investigation.

DEU is also responsible for fulfilling digital evidence requests from the San Diego County District Attorney's office such as 911 call recordings, radio transmissions, and Body Worn Camera (BWC) evidence.

DEU Investigators may include full-time sworn and non-sworn employees including Community Service Officers and Civilian Analysts. Sworn personnel may also be assigned to DEU as a collateral duty provided they meet the minimum training requirements.

603.3 TRAINING

Personnel assigned to DEU shall, at a minimum, attend basic training related to mobile device extraction techniques provided by established and reputable organizations that may include local, state, and federal law enforcement agencies, and/or vendor provided training required for specific extraction devices, platforms, or techniques.

603.4 RESPONSIBILITIES

Job duties include but are not limited to:

- (a) Extraction and analysis of data from mobile devices.
- (b) Obtaining other electronic communication data, including data from service providers.
- (c) Preparing reports.
- (d) Court testimony.
- (e) Training Officers and Detectives on proper evidence collection and preservation related to digital evidence.
- (f) Purchase and maintenance of equipment related to digital evidence investigations.
- (g) Ensuring quality control.
- (h) Researching, evaluating and testing new technologies.
- (i) Ensuring compliance with the Electronic Communications Privacy Act (ECPA) and other legal standards and requirements related to digital evidence.

Digital Evidence Unit

603.5 WORK REQUESTS

The DEU Work Request Form should be submitted with any evidence given to the unit. Legal authority (search warrant, consent form, etc.) must be provided with the actual work request before any forensic examination. Legal authority for 4th waivers need not be attached.

603.6 RECEIVING EVIDENCE

Evidence shall be presented to DEU in the following manner:

- (a) The evidence may be impounded in Evidence (Crime Lab) and a work request presented to DEU. DEU personnel will then retrieve the property directly from Evidence.
- (b) The evidence may be submitted directly to DEU. In some cases the requesting officer shall maintain custody of the evidence throughout the examination. If custody is transferred to DEU, it shall be done through the formal work request process and recorded for chain of custody.
- (c) If the evidence is left with DEU for longer than the time necessary for a walk in examination/ extraction, then DEU shall formally obtain custody of the evidence and shall ensure the completion of a Chain of Custody Form.
- (d) In all cases, the chain of custody of all evidence shall be maintained and documented.

Impounded evidence shall remain in the custody of DEU for only as long as the active examination requires. The DEU Investigator must return the evidence to the Crime Lab or the requester once the examination is complete and the evidence is no longer needed. In all cases the chain of custody shall be documented.

603.7 CASE ASSIGNMENTS

Cases are prioritized based upon the discretion of the DEU Investigator, with final approval by the DEU Supervisor. Generally cases are prioritized based upon the severity of the threat or crime. Other time sensitive situations that may affect prioritization may include examples such as: evidence needed for court, evidence that must be returned to the victim quickly, or evidence subject to rapid destruction.

DEU will scan and attach to the case folder all DEU generated written reports and printed documents related to the digital evidence investigation. All digital evidence will be saved to an appropriate media and provided directly to the investigating officer or logged into evidence (or both).

Multiple cases may be worked simultaneously. It is the responsibility of the DEU Investigator to maintain proper management of the evidence and documentation.

DEU will maintain workload statistics (extractions, completed cases, backlogged cases, etc.).

603.8 MOBILE DEVICE EXAMINATION PROCEDURES

The following steps should be taken into consideration when examining a mobile device:

Chula Vista Police Department

Policy Manual

Digital Evidence Unit

- (a) Attempt to prohibit the transmission/reception of data as soon as practical (e.g. Faraday fabric, aluminum foil, metal "arson evidence" container, airplane mode, etc.).
- (b) Document what measures were taken to prohibit the transmission/reception of data and any alterations made to the mobile device. Note: A Faraday device may not block all radio frequency transmissions for some mobile devices. Document any observed transmission activity.
- (c) If the mobile device is not functioning, it may be repaired by a person trained in mobile device repair techniques. These repairs may include removing and replacing internal parts or cleaning corrosion caused by water damage or age.
 - 1. The mobile device shall be carefully disassembled and inspected. If corrosion is evident on critical components it shall be cleaned as appropriate. If the corrosion is widespread, the entire circuit board may be cleaned using cleaning solution and an ultrasonic cleaner.
 - 2. If a critical component is physically damaged it may be repaired or replaced by personnel trained in such repairs. Replacement parts may be found from online distributors or in the unit's mobile device collection. Photographic documentation of the repair will be kept in the case. If the replacement part is easily removable (i.e. not soldered to the circuit board) it may be removed from the mobile device prior to returning the device.
- (d) Check for passwords and consider disabling it if possible.
- (e) If it is not possible to prohibit the transmission/reception of data to the device, turn the device off.
- (f) As soon as possible, attempt to power the device by an external power source or ensure it has enough power reserves to prevent it from turning off prior to examination. Change the battery prior to examination if the device cannot be powered during examination.
 - 1. Note: When a radio frequency blocking device is utilized, the cellular phone may boost its wireless signal strength in an attempt to connect with the cellular network. The power consumption will increase during this activity and drain the battery. The power cable may act as an antenna, so the cable must also be shielded to prevent the transmission/reception of radio frequencies.
- (g) Perform examination of the mobile device as soon as possible.
 - 1. Note: Some devices may require constant power from the battery to maintain volatile memory.
- (h) In most cases, if SIM or SD cards are in the device when it is received, the device will be processed as received. At the discretion of the DEU Investigator, the SD or SIM cards may be extracted separately from the device.
- (i) A write blocker must be used when extracting data from removable storage media independent of the mobile device.
- (j) In most instances, the DEU Investigator will perform the highest level extraction available for a device and supplement it with a logical extraction. As each case is different, extractions performed will depend on the type of device and the specifics of the case.

Digital Evidence Unit

603.9 DEU REPORTING

A mobile device examination report should include the following information, as appropriate:

- (a) The equipment and set up used in the examination.
- (b) Brief description of steps taken during examination.
- (c) Supporting materials such as printouts of particular items of evidence, digital copies of evidence and chain of custody documentation.
- (d) Details of findings:
 - 1. Specific data related to the request.
 - 2. Other data that supported the findings.
 - 3. String searches, keyword searches and text string searches
 - 4. Indicators of ownership, which could include program registration data.
 - 5. Description of relevant programs on the examined items.
 - 6. Techniques used to hide or mask data such as encryption, steganography, hidden attributes, hidden partitions and file name anomalies.
 - 7. Requests to the DEU Investigator for information pursuant to a search warrant such as decryption of data that is not recoverable with current tools employed by the unit.
- (e) As appropriate, the following (or similar) wording will be included in each report:
 - 1. Where possible, all evidence mobile devices are disconnected from the network when returned. Enabling network connection on these devices may result in loss of all currently stored data.
 - 2. Pursuant to the California Electronic Communications Privacy Act (ECPA) under Penal Code Section 1546.1(d), it is the investigating officer's responsibility to seal any portion of that data set which is found to be unrelated to the objective of the warrant, such that it is not subject to further review, use or disclosure without a court order.

603.10 LEGAL AUTHORITY

It is the responsibility of the DEU Investigator to ensure there is sufficient legal authority and supporting documentation prior to examination of any device or digital evidence.

The DEU Investigator may need to specifically inquire about potential confidential or privileged information per the Privacy Protection Act that may be encountered while processing the submitted evidence.

603.11 DEVICE IDENTIFICATION

When possible, record the manufacturer, model, and identifiers (e.g. IMEI, MEID) of the submitted equipment, and also its condition.

Digital Evidence Unit

603.12 ISOLATION OF DEVICE

Stop the reception and transmission of data by powering down the device using a transmission blocking barrier, or device setting (e.g. Airplane Mode), if applicable.

603.13 PRIVILEGED DATA

In the event that a DEU Investigator encounters documents or data files which the DEU Investigator believes may be legally privileged, the DEU Investigator will immediately stop the analysis and contact the submitting Officer or Detective for guidance as to how to proceed.

603.14 EVIDENCE OF OTHER CRIMES

If a DEU Investigator discovers evidence of another crime(s) that is outside the scope of the submitted legal authority, they will notify the submitting officer of the discovery and nature of any evidence of other crime(s) outside the scope of the original search warrant.

NOTE: Analysis per the original legal authority can be continued, but only to include the original search criteria.

603.15 DATA ANALYSIS

In cases where there is a request for DEU to review and analyze digital evidence, the DEU Investigator should become familiar with the circumstances of the crime or incident, the parties involved, and any potential evidence. The DEU Investigator should seek to provide any assistance, advice, or expertise to assist in the investigation.

603.16 EXTRACTED DATA MANAGEMENT

Any digital evidence obtained by DEU shall be stored on an appropriate medium (CD/DVD/Blu-ray/flash drive/hard drive). One copy may be kept as the master by DEU and/or the submitting officer and another copy impounded in the Property Room.

The Master Copy will have all of the extracted data files, including any partial or empty folders accumulated during the extraction process and shall be logged into evidence.

The copies created for release will have only the readable data file(s). A copy of the Master Copy will be provided to the DDA as part of any discovery request.

The data on the Master Copy may also be maintained on unit hard drives.

603.17 VALIDATION

Licensed software is generally regarded as reliable by merit of the testing and validation conducted by the developer, as well as by the widespread use in the digital forensic community; however, additional internal verification may be required.

603.18 REFERENCE DEVICES

Reference Devices are devices (e.g., phones, tablets, etc.) which are used for testing, training, or parts.

Digital Evidence Unit

A log will be maintained of the reference device collection which will, at a minimum, document the following:

- (a) Type of device.
- (b) A unique reference number.
- (c) Manufacturer, model, serial number and/or unique manufacturer numbers.

603.19 EQUIPMENT UPDATES

Software and equipment manufacturers update their products periodically. In order to maintain the most current updates and upgrades, annual or bi-annual renewal of service fees may be required by manufacturers.

Without the most current update product, probative data may not be found on some devices at time of processing.

Updates will be applied first to the tools/devices in use in the laboratory. The newly updated tools will then be performance checked.

603.20 RETENTION OF UPDATES AND UPGRADES

The current software version of the equipment and firmware, when possible, must be archived.

603.21 PERFORMANCE CHECK AFTER AND UPDATE OR MAINTENANCE

A performance check of equipment using the control devices will be conducted after the installation of an update or if any maintenance is performed.

A new tool that is being installed to replace a defective tool will be verified (performance checked) prior to its first use on casework. This is for new tools being used with an established method.

Performance checks will involve an acquisition in which the equipment or technique can retrieve data which has been placed on the device specifically for validation / performance check purposes. Acquired data files will be compared to the control device data files.

If a performance check fails, a previous version of the tool may continue to be used until a compatible version upgrade is available. The supervisor and staff will be immediately notified.

603.22 FAILED PERFORMANCE CHECK

If any tool fails a performance check, no analytical work will be conducted with that tool until the source of the problem has been determined and corrected.

The tool will be marked as "Out of Service."

The unit supervisor and staff will be notified of the failed performance check as soon as possible.

Digital Evidence Unit

603.23 INTEGRITY OF TRANSFERRED DATA

Transfer of data from one medium to another (e.g., flash drive to hard drive or flash drive to flash drive) will be verifiable through a hashing algorithm.

Asset Forfeiture

606.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses. Property may be seized for forfeiture as provided in this policy.

606.1.1 DEFINITIONS

Definitions related to this policy include:

Forfeiture- The process by which legal ownership of an asset is transferred to a government or other authority.

Property subject to forfeiture- The following may be subject to forfeiture:

(a) Property related to a narcotics offense (Health and Safety Code § 11470; Health and Safety Code § 11470.1), which includes:

1. Property (not including real property or vehicles) used, or intended for use, as a container for controlled substances, materials to manufacture controlled substances, etc.
2. Interest in a vehicle (car, boat, airplane, other vehicle) used to facilitate the manufacture, possession for sale or sale of specified quantities of controlled substances.
3. Money, negotiable instruments, securities or other things of value furnished or intended to be furnished by any person in exchange for a controlled substance, proceeds traceable to an exchange, etc.
4. Real property when the owner is convicted of violating Health and Safety Code § 11366, Health and Safety Code § 11366.5 or Health and Safety Code § 11366.6 (drug houses) when the property was not used as a family residence or for other lawful purposes, or property owned by two or more persons, one of whom had no knowledge of its unlawful use.
5. The expenses of seizing, eradicating, destroying or taking remedial action with respect to any controlled substance or its precursors.

(b) Property related to criminal profiteering (may include gang crimes), to include (Penal Code § 186.2; Penal Code § 186.3):

1. Any property interest, whether tangible or intangible, acquired through a pattern of criminal profiteering activity.
2. All proceeds acquired through a pattern of criminal profiteering activity, including all things of value that may have been received in exchange for the proceeds immediately derived from the pattern of criminal profiteering activity.

Seizure- The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

Chula Vista Police Department

Policy Manual

Asset Forfeiture

606.2 POLICY

The Chula Vista Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Chula Vista Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

606.3 ASSET SEIZURE

Before seizing any currency, vehicle or personal property pursuant to Health & Safety Code § 11470, a patrol officer should contact a narcotics detective. The following guidelines will be observed:

- (a) All property received for forfeiture shall be checked to determine if the property has been reported stolen.
- (b) The seizing officer will log currency and other property potentially subject to forfeiture utilizing current Property room protocols and procedures.
- (c) Vehicles subject to potential forfeiture will be temporarily parked in the basement of the Chula Vista Police Department (space permitting). Vehicles that have a salvaged title, extremely high mileage or a significant outstanding loan balance will generally not be processed for forfeiture. Personal property located in a seized vehicle shall be removed and booked into Property as either evidence or for safekeeping.
- (d) The assigned narcotics detective will contact the San Diego County District Attorney's Asset Forfeiture Unit for authorization to initiate asset forfeiture proceedings.
- (e) The assigned narcotics detective will coordinate the service of the appropriate seizure paperwork on all the parties who have potential standing to claim the assets.
- (f) Currency subject to seizure will be deposited in the San Diego County District Attorney's Asset Forfeiture Unit's bank account. The deposit receipt will be logged into the Chula Vista Police Department's property room under the original case number.

606.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination the assigned narcotics detective and the San Diego County District Attorney's Asset Forfeiture Unit

- (a) Property subject to forfeiture authorized for seizure under the authority of a search warrant or court order.
- (b) Property subject to forfeiture not authorized for seizure under the authority of a search warrant or court order when any of the following apply (Health and Safety Code § 11471; Health and Safety Code § 11488):

Chula Vista Police Department

Policy Manual

Asset Forfeiture

1. The property subject to forfeiture is legally seized incident to an arrest.
2. There is probable cause to believe that the property was used or is intended to be used in a violation of the Uniform Controlled Substances Act and the seizing officer can articulate a nexus between the property and the controlled substance offense that would lead to the item being property subject for forfeiture.

Officers aware of assets that may be forfeitable as a result of criminal profiteering or human trafficking should consider contacting the district attorney regarding a court order to protect the assets (Penal Code § 186.6; Penal Code § 236.6). Whenever practicable, a search warrant or court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

606.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the San Diego County District Attorney's Asset Forfeiture Unit's current minimum forfeiture thresholds should not be seized.
- (b) Real property is not subject to seizure, absent exigent circumstances, without a court order (Health and Safety Code § 11471).
- (c) A vehicle which may be lawfully driven on the highway if there is a community property interest in the vehicle by a person other than the suspect and the vehicle is the sole vehicle available to the suspect's immediate family (Health and Safety Code § 11470).
- (d) Vehicles, boats or airplanes owned by an "innocent owner," such as a common carrier with no knowledge of the suspected offense (Health and Safety Code § 11490).

606.3.3 SEIZED VEHICLES

Vehicles seized subject to forfeiture will be taken to the police facility for temporary storage until the matter can be reviewed by the Narcotics Enforcement Team. The officer seizing the vehicle shall notify the Narcotics Enforcement Team supervisor of the seizure of the vehicle and circumstances of the seizure as soon as possible.

If the vehicle cannot be driven, a tow truck will be used to tow the vehicle to the police facility.

Personal property located in a seized vehicle shall be removed and booked into Property as either evidence or for safekeeping.

606.4 MAINTAINING SEIZED PROPERTY

The Evidence Control Supervisor is responsible for ensuring compliance with the following:

- (a) All property received for forfeiture is reasonably secured and properly stored to prevent damage and preserve its condition.

Chula Vista Police Department

Policy Manual

Asset Forfeiture

(b) All property received for forfeiture is retained in the same manner as evidence until forfeiture is finalized or the property is returned to the claimant or the person with an ownership interest.

(c) Property received for forfeiture is not used unless the forfeiture action has been completed.

606.5 DISPOSITION OF FORFEITED PROPERTY

Forfeited funds distributed under Health and Safety Code § 11489 et seq. shall only be used for purposes allowed by law, but in no case shall a peace officer's employment or salary depend upon the level of seizures or forfeitures he/she achieves (Health and Safety Code § 11469).

The Department may request a court order so that certain uncontaminated science equipment is relinquished to a school or school district for science classroom education in lieu of destruction (Health and Safety Code § 11473; Health and Safety Code § 11473.5).

Informants

607.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

607.1.1 DEFINITIONS

Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the Chula Vista Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Chula Vista Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

607.2 POLICY

The Chula Vista Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

607.3 USE OF INFORMANTS

607.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

607.3.2 JUVENILE INFORMANTS

The use of informants under the age of 13 is prohibited.

Except for the enforcement of laws related to the commercial sale of alcohol or tobacco products the use of any juvenile 13 years of age or older as an informant is only permitted when authorized by court order (Penal Code § 701.5).

In all cases, a juvenile 13 years of age or older may only be used as an informant with the written consent of each of the following:

- (a) The juvenile's parents or legal guardians
- (b) The juvenile's attorney, if any
- (c) The court in which the juvenile's case is being handled, if applicable
- (d) The Chief of Police or the authorized designee

Informants

607.3.3 INFORMANT AGREEMENTS

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

607.4 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Division Commander, Narcotics Enforcement Team supervisor or their authorized designees.
 - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.
- (c) Informants shall be told they are not acting as police officers, employees or agents of the Chula Vista Police Department, and that they shall not represent themselves as such.
- (d) The relationship between department members and informants shall always be ethical and professional.
 - 1. Members shall not become intimately involved with an informant.
 - 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Narcotics Enforcement Team supervisor.
 - 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (e) Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Narcotics Enforcement Team supervisor.
- (f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

607.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and,

Chula Vista Police Department

Policy Manual

Informants

if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.
- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

607.5 INFORMANT FILES

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Narcotics Enforcement Team. The Narcotics Enforcement Team supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Division Commander, Narcotics Enforcement Team supervisor or their authorized designees.

The Investigations Division Commander should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Narcotics Enforcement Team supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

607.5.1 FILE SYSTEM PROCEDURE

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

Chula Vista Police Department

Policy Manual

Informants

- (a) Name and aliases
- (b) Date of birth
- (c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos or other distinguishing features
- (d) Photograph
- (e) Current home address and telephone numbers
- (f) Current employers, positions, addresses and telephone numbers
- (g) Vehicles owned and registration information
- (h) Briefs of information provided by the informant and his/her subsequent reliability
 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (i) Name of the officer initiating use of the informant
- (j) Signed informant agreement
- (k) Update on active or inactive status of informant

607.6 INFORMANT PAYMENTS

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Narcotics Enforcement Team supervisor will discuss the above factors with the Operations Division Commander and recommend the type and level of payment subject to approval by the Chief of Police.

607.6.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

- (a) Payments are to be paid in cash from a Narcotics Enforcement Team buy/expense fund.
 1. The Narcotics Enforcement Team supervisor shall sign the voucher for cash payouts from the buy/expense fund.
- (b) To complete the payment process for any amount, the officer delivering the payment shall complete a cash transfer form.

Chula Vista Police Department

Policy Manual

Informants

1. The cash transfer form shall include the following:
 - (a) Date
 - (b) Payment amount
 - (c) Chula Vista Police Department case number
 - (d) Informant Number
2. The cash transfer form shall be signed by the informant.
3. The cash transfer form will be kept in the informant's file.

607.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be notified of the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the notice. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

607.6.3 AUDIT OF PAYMENTS

The Narcotics Enforcement Team supervisor or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every year, the Chief of Police or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

Truth Verification

608.1 PURPOSE AND SCOPE

Truth verification devices, such as polygraph and Computer Voice Stress Analysis (CVSA) technologies, are authorized for use by qualified members approved by the Chief of Police or his/her designee. The Department generally uses CVSA technology for truth verification purposes, and CVSA technology may generally be substituted wherever a polygraph examination is called for in this Policy Manual. The Department reserves the right to use alternate qualified truth verification technologies including but not necessarily limited to polygraph technology.

608.2 USE OF TRUTH VERIFICATION DEVICES

Truth verification devices, including the Computer Voice Stress Analyzer (CVSA), may be used solely for the purpose of conducting as criminal investigations, pre-employment background investigations, or administrative investigations where authorized by the Chief of Police and in accordance with applicable laws and agreements with relevant bargaining units.

Whenever any truth verification device is used for a truth verification examination, the examining employee shall adhere to all applicable policies and guidelines of the instrument manufacturer. Whenever a CVSA is used for a truth verification examination, the examiner shall also adhere to the policies and guidelines of the National Institute for Truth Verification (NITV).

Employees are prohibited from requiring or requesting any complaining witness, in a case involving the use of force, violence, duress, menace, or threat of great bodily harm in the commission of any sex offense, to submit to a truth verification examination as a prerequisite to filing an accusatory pleading (Penal Code § 637.4).

608.2.1 VIDEOTAPING OF TRUTH VERIFICATION EXAMINATIONS

Examining employees shall videotape all truth verification examinations. Exceptions may be granted by the Unit Supervisor where the examination takes place outside the police facility, where the examination is the result of a covert audio or video tape, or where videotaping equipment is not reasonably available.

Videotapes of truth verification examinations for criminal investigations shall be booked as criminal evidence.

608.2.2 EXAMINATION TECHNIQUES

Truth examiners shall only use only those examination techniques authorized by the Department including, but not necessarily limited to, defense barrier removal, question formulation, and examination formats.

608.2.3 CONFIDENTIALITY OF ADMINISTRATIVE INVESTIGATIONS

608.2.5 USE AND MAINTENANCE OF TRUTH VERIFICATION EQUIPMENT

Truth Verification Equipment shall be the responsibility of the Truth Verification Unit, under the direction of the Unit Supervisor. Only authorized members of the Truth Verification Unit may handle truth verification equipment. All other employees are prohibited from handling or operating truth verification equipment.

608.3 REPORTING OF TRUTH VERIFICATION EXAMINATIONS

All reports of truth verification examinations shall be written in accordance with the direction of the Unit Supervisor. Truth verification examinations using the Computer Voice Stress Analyzer shall also be written in accordance with the recommendations of the National Institute for Truth Verification and the International Association of Computer Voice Stress Analysts.

608.3.1 RETENTION AND STORAGE OF TRUTH VERIFICATION RECORDS

Records of truth verification examinations shall be considered confidential. The Department will provide space to store and secure truth verification records. All truth verification records are the property of the Chula Vista Police Department. However, responsibility for the maintenance and security of those records shall be the responsibility of each truth verification examiner. In the event an examiner separates from the Truth Verification Unit, that employee shall deliver all truth verification records and equipment to the Unit Supervisor.

Truth verification examiners shall maintain their written records, examination charts and videotapes in accordance with the following:

- (a) Criminal investigations resulting in criminal conviction: The examiner shall retain the original examination report and related charts for that period of time the suspect is in physical custody as a result of a criminal conviction. The videotape shall be booked as evidence. Neither a copy of the examination report nor a copy of the related charts shall be retained with the criminal case file.
- (b) Criminal investigations not resulting in criminal conviction: The examiner shall retain the original examination report and related charts for as long as the statute of limitations for the alleged criminal offense(s) has not elapsed. The videotape shall be booked as evidence. Neither a copy of the examination report nor a copy of the related charts shall be retained with the criminal case file.
- (c) Pre-employment background investigations: The examiner shall retain the original examination report, related charts, and videotape for a period of three years from the date of examination, after which the documents and videotape shall be destroyed. The examiner

Truth Verification

shall also deliver a copy of the examination report and all related charts to the background investigator, for retention in the background file.

- (d) Administrative investigations: The examiner shall deliver the original examination report, related charts, and videotape to the administrative investigator, for retention in the investigation file. The examiner shall not make or retain copies of any related document or videotape.

608.4 TRUTH VERIFICATION UNIT

The Truth Verification Unit shall be assigned to the Professional Standards Unit, under the operational command of the Professional Standards Unit Lieutenant. The Truth Verification Unit shall consist of a Unit Supervisor, a Senior Truth Verification Examiner, and a number of Truth Verification Examiners as determined by the Chief of Police.

Assignment to the Truth Verification Unit is considered a collateral assignment and, as such, is not subject to the regular departmental rotation of personnel assignments.

608.4.1 APPLICATION AND ELIGIBILITY FOR ASSIGNMENT

Employees must be off probation upon application to the Truth Verification Unit. Applications shall only be accepted upon the announcement of a vacancy and request for applications.

608.4.2 TRUTH VERIFICATION EXAMINER RESPONSIBILITIES

Truth Verification Examiners are expected to fulfill a 6-year minimum commitment to the Truth Verification Unit. Employees promoted to the rank of Agent or Sergeant are still expected to fulfill the minimum commitment. Employees promoted to the rank of Lieutenant should be separated from the unit.

Truth Verification Examiners are responsible for the lawful and appropriate use of truth verification equipment and protocols, which includes, but is not necessarily limited to the following:

- (a) Obtaining and maintaining standardized certification for truth verification equipment, which shall include successfully completing a basic certification course before using truth verification equipment, and successfully completing one recertification course and one advanced instruction course at least once every three years from the date of basic certification

Eyewitness Identification

609.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques.

609.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process -Any field identification, live lineup or photographic identification.

Field identification -A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

609.2 POLICY

This department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

609.3 INTERPRETIVE SERVICES

Officers should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating officer should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

609.4 EYEWITNESS IDENTIFICATION FORM

The Investigations supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process and any related forms or reports should provide:

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Chula Vista Police Department

Policy Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An admonishment that the suspect may or may not be among those presented and that the witness is not obligated to make an identification.
- (f) An admonishment to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (g) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.

The process and related forms should be reviewed at least annually and modified when necessary.

609.5 EYEWITNESS IDENTIFICATION

Officers are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Officers should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified, or failed to identify, the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

609.5.1 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS

When practicable, the person composing the lineup and the person presenting the lineup should not be directly involved in the investigation of the case. When this is not possible, the member presenting the lineup must take the utmost care not to communicate the identity of the suspect in any way.

When practicable, the employee presenting a lineup to a witness should not know which photograph or person is the suspect.

Other persons or photos used in any lineup should bear similar characteristics to the suspect to avoid causing him/her to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The employee presenting the lineup to a witness should do so sequentially and not simultaneously (i.e., show the witness one person at a time). The witness should view all persons in the lineup.

Eyewitness Identification

The order of the suspect or the photos and fillers should be randomized before being presented to each witness.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating officer should contact the appropriate prosecuting attorney before proceeding.

609.5.2 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination or show-up identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the officer should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.
 - 2. The distance between the witness and the suspect.
 - 3. Whether the witness could view the suspect's face.
 - 4. The quality of the lighting when the suspect was observed by the witness.
 - 5. Whether there were distracting noises or activity during the observation.
 - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, officers should bring the witness to the location of the suspect, rather than bring the suspect to the witness.
- (e) A person should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the suspects one at a time.
- (g) A person in a field identification should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies an individual as the perpetrator, officers should not conduct any further field identifications with other witnesses for that suspect. In such instances

Eyewitness Identification

officers should document the contact information for any additional witnesses for follow up, if necessary.

609.6 DOCUMENTATION

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report. Witness comments of how certain he/she is of the identification or non-identification should be quoted in the report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

Arson Investigations

610.1 PURPOSE AND SCOPE

Arson investigation is unique in that it requires close cooperation between Police and Fire Departments and the specific responsibilities of each agency must be understood by all. This policy is intended to guide personnel in the reporting and investigation of arson crimes.

610.2 POLICE DEPARTMENT RESPONSIBILITIES

While the Fire Department has the responsibility of investigating every fire to determine the cause and point of origin of a fire, the Police Department has the responsibility for investigating the crime of arson or any other offense and for arresting offenders.

Fire Department Inspectors are generally called out by Fire Department personnel in the following circumstances:

- Incendiary or suspicious fires
- Any structure fire with a loss in excess of \$50,000.00
- Any bomb or suspected bomb related incident
- When an arrest has been made for arson
- Fires or explosions involving fatalities or serious injuries
- When there is doubt as to the cause of a structure fire
- Suspicious or incendiary vehicle fires when there is a known suspect(s)
- Grass or rubbish fires when there is a known suspect(s)

Police Department personnel are generally notified if the fire is suspicious in nature and/or if a crime is suspected. Responding employees shall investigate the criminal nature of the fire and should attempt to collect information from the Fire Inspector about the circumstances, nature, origin and, when known, cause of the fire. In most cases, the Fire Department investigator will complete a Cause and Origin Fire Report and cross-reference it to the related police report.

If there is probable cause to believe a crime has been committed, a crime report shall be taken.

If the fire is merely suspicious in nature but cannot be confirmed to be the result of a criminal act, a "Miscellaneous Incident" report should be taken.

610.3 RESPONSIBILITIES AT THE CRIME SCENE

When any officer is called to a fire scene, he/she is responsible for the preservation of the scene until the Fire Department Inspector arrives. The officer is responsible for witness statements, documenting the scene and evidence collection including photographs. Department employees should cooperate with and assist the Fire Inspector as practical.

Arson Investigations

Evidence at fire scenes should be documented and collected by the investigating officer, unless otherwise requested by the Fire Inspector. If it appears a criminal fire was set for the purposes of destroying evidence of another crime (such as a homicide, burglary, or robbery), the Fire Department inspector should be notified and a Police Department Arson Investigator called out.

610.4 CALL OUT OF POLICE INVESTIGATORS AND/OR CRIME LAB

Either the Fire Inspector or investigating officer may determine if a Police Department Arson Investigator and/or the Crime Lab is needed at the scene. Requests for Police personnel should be forwarded to the on-duty Watch Commander.

During regular business hours, the investigating officer may telephone the Arson Investigator directly in order to brief him/her of the circumstances or request guidance or assistance.

Brady Material Disclosure

611.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information#?”) to a prosecuting attorney.

611.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information -Information known or possessed by the Chula Vista Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

611.2 POLICY

The Chula Vista Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Chula Vista Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

611.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

Chula Vista Police Department

Policy Manual

Brady Material Disclosure

611.4 DISCLOSURE OF PERSONNEL INFORMATION

Whenever it is determined that *Brady* information is located in the personnel file of a member of this department who is a material witness in a criminal case, the following procedure shall apply:

- (a) In the event that a *Pitchess* motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of *Brady* information in the officer's personnel file.
- (b) The prosecuting attorney should then be requested to file a *Pitchess* motion in order to initiate an in camera review by the court.
- (c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.
- (d) The Custodian of Records shall accompany all relevant files during any in camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (e) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
 1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

611.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

611.6 TRAINING

Department members should receive periodic training on the requirements of this policy.

Miranda Rights

612.1 PURPOSE AND SCOPE

Several court decisions from the U.S. Supreme Court, the California Supreme Court, and the 9th Circuit Court of Appeals (which includes California) have clarified the Miranda rule and its potential impact on the civil liability of the Department and its members. The purpose of this policy is to establish guidelines to follow when, in the course of a custodial interrogation or interview, a subject invokes his/her Miranda rights.

612.2 CUSTODIAL INTERROGATIONS

The Miranda rule will be strictly adhered to. No custodial interrogation shall proceed without first giving the suspect his/her Miranda rights. No suspect in-custody should be interrogated "outside Miranda".

- (a) The only recognized exception to the Miranda rule is the "Emergency Rescue" or "Public Safety" exception. (i.e. When your question or questions are reasonably prompted by a concern for the safety of another person, a victim, the defendant, or the public at large, or by a concern for your own personal safety.)

Officers will not continue interrogations after a custodial suspect invokes his/her Miranda rights.

Unmanned Aerial System (UAS) Operations

613.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of an unmanned aerial system (UAS) and for the storage, retrieval and dissemination of images and data captured by the UAS.

613.1.1 DEFINITIONS

Definitions related to this policy include:

Unmanned Aerial System (UAS) - An unmanned aircraft of any type that is capable of sustaining directed flight, whether preprogrammed or remotely controlled (commonly referred to as an unmanned aerial vehicle (UAV)), and all of the supporting or attached systems designed for gathering information through imaging, recording or any other means.

613.2 POLICY

Unmanned aerial systems may be utilized to enhance the department's mission of protecting lives and property when other means and resources are not available or are less effective. Any use of a UAS will be in strict accordance with constitutional and privacy rights and Federal Aviation Administration (FAA) regulations.

613.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Absent a warrant or exigent circumstances, operators and observers shall adhere to FAA altitude regulations and shall not intentionally record or transmit images of any location where a person would have a reasonable expectation of privacy (e.g., residence, yard, enclosure). Operators and observers shall take reasonable precautions to avoid inadvertently recording or transmitting images of areas where there is a reasonable expectation of privacy. Reasonable precautions can include, for example, deactivating or turning imaging devices away from such areas or persons during UAS operations.

613.4 PROGRAM COORDINATOR

The Chief of Police will appoint a program coordinator who will be responsible for the management of the UAS program. The program coordinator will ensure that policies and procedures conform to current laws, regulations and best practices and will have the following additional responsibilities:

- Coordinating the FAA Certificate of Waiver or Authorization (COA) application process and ensuring that the COA is current.
- Ensuring that all authorized operators and required observers have completed all required FAA and department-approved training in the operation, applicable laws, policies and procedures regarding use of the UAS.
- Developing uniform protocol for submission and evaluation of requests to deploy a UAS, including urgent requests made during ongoing or emerging incidents. Deployment of a UAS shall require written authorization of the Chief of Police or the authorized designee, depending on the type of mission.

Unmanned Aerial System (UAS) Operations

- Developing protocol for conducting criminal investigations involving a UAS, including documentation of time spent monitoring a subject.
- Implementing a system for public notification of UAS deployment.
- Developing an operational protocol governing the deployment and operation of a UAS including, but not limited to, safety oversight, use of visual observers, establishment of lost link procedures and secure communication with air traffic control facilities.
- Developing a protocol for fully documenting all missions.
- Developing a UAS inspection, maintenance and record-keeping protocol to ensure continuing airworthiness of a UAS, up to and including its overhaul or life limits.
- Developing protocols to ensure that all data intended to be used as evidence are accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, authenticity certificates and date and time stamping, shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.
- Developing protocols that ensure retention and purge periods are maintained in accordance with established records retention schedules.
- Facilitating law enforcement access to images and data captured by the UAS.
- Recommending program enhancements, particularly regarding safety and information security.
- Ensuring that established protocols are followed by monitoring and providing periodic reports on the program to the Chief of Police.

613.5 USE OF UAS

Only authorized operators who have completed the required training shall be permitted to operate the UAS.

Use of vision enhancement technology (e.g., thermal and other imaging equipment not generally available to the public) is permissible in viewing areas only where there is no protectable privacy interest or when in compliance with a search warrant or court order. In all other instances, legal counsel should be consulted.

UAS operations should only be conducted during daylight hours and a UAS should not be flown over populated areas without FAA approval.

613.6 PROHIBITED USE

The UAS video surveillance equipment shall not be used:

- To conduct random surveillance activities.
- To target a person based solely on individual characteristics, such as, but not limited to race, ethnicity, national origin, religion, disability, gender or sexual orientation.

Unmanned Aerial System (UAS) Operations

- To harass, intimidate or discriminate against any individual or group.
- To conduct personal business of any type.

The UAS shall not be weaponized.

613.7 RETENTION OF UAS DATA

Data collected by the UAS shall be retained as provided in the established records retention schedule.

Warrant Service

614.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

614.2 POLICY

It is the policy of the Chula Vista Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

614.3 OPERATIONS MANAGER

The operations manager (see the Operations Planning and Deconfliction Policy) shall review all risk assessment forms with the involved supervisor to determine the risk level of the warrant service.

The operations manager will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

614.4 SEARCH WARRANTS

Officers should receive authorization from their supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete the risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations manager for review and classification of risk (see the Operations Planning and Deconfliction Policy).

614.5 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete the risk assessment form and submit it to the appropriate supervisor and the operations manager for review and classification of risk (see the Operations Planning and Deconfliction Policy).

Warrant Service

If the warrant is classified as high risk, service will be coordinated by the operations manager. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

614.6 WARRANT PREPARATION

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime warrant execution.
- (b) A clear explanation of the affiant's training, experience and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).

614.7 HIGH-RISK WARRANT SERVICE

The operations manager or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.

Warrant Service

- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.
- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.

614.8 DETENTIONS DURING WARRANT SERVICE

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

614.9 ACTIONS AFTER WARRANT SERVICE

The unit supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

614.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The unit supervisor will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment

Chula Vista Police Department

Policy Manual

Warrant Service

- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the unit supervisor. The supervisor should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The supervisor should ensure that members of the Chula Vista Police Department are utilized appropriately. Any concerns regarding the requested use of Chula Vista Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations manager or unit supervisor is unavailable, the Watch Commander should assume this role.

If officers intend to serve a warrant outside Chula Vista Police Department jurisdiction, the unit supervisor should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Chula Vista Police Department when assisting outside agencies or serving a warrant outside Chula Vista Police Department jurisdiction.

614.11 MEDIA ACCESS

No advance information regarding warrant service operations shall be released without the approval of Command Staff. Any media inquiries or press release after the fact shall be handled in accordance with the News Media Relations Policy.

614.12 TRAINING

The Training Manager should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

Operations Planning and Deconfliction

615.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

615.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

615.2 POLICY

It is the policy of the Chula Vista Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

615.3 OPERATIONS MANAGER

The Chief of Police will designate a member of this department to be the operations manager.

The operations manager will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations manager will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The manager will also have the responsibility for coordinating operations that are categorized as high risk.

615.4 RISK ASSESSMENT

615.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

The officer should gather available information that includes, but is not limited to:

Chula Vista Police Department

Policy Manual

Operations Planning and Deconfliction

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

615.4.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations manager.

The supervisor and operations manager shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

615.4.3 HIGH-RISK OPERATIONS

If the operations manager, after consultation with the involved supervisor, determines that the operation is high risk, the operations manager should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
 - 1. SWAT
 - 2. Additional personnel
 - 3. Outside agency assistance
 - 4. Special equipment
 - 5. Medical personnel
 - 6. Persons trained in negotiation

Operations Planning and Deconfliction

7. Additional surveillance
 8. Canines
 9. Evidence Control or analytical personnel to assist with cataloguing seizures
 10. Forensic specialists
 11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
- (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
- (d) Coordinate the actual operation.

615.5 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered into the San Diego Law Enforcement Coordination Center (SDLECC) to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

615.6 OPERATIONS PLAN

The operations manager should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan. Any formal plan should have copies of any existing tactical plans attached.

The plan should address such issues as:

- (a) Operation goals, objectives and strategies.
- (b) Operation location and people:
1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials,

Chula Vista Police Department

the potential for multiple dwellings or living spaces, availability of keys/door combinations), including aerial photos, if available, and maps of neighboring yards and obstacles, diagrams and other visual aids

3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service)
 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
 2. How all participants will be identified as law enforcement.
- (e) Whether deconfliction submissions are current and all involved individuals, groups and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.
- (j) Contingencies for handling children, dependent adults, animals and other people who might be at the location in accordance with the Child Abuse, Adult Abuse, Child and Dependent Adult Safety and Animal Control policies.
- (k) Communications plan
- (l) Responsibilities for writing, collecting, reviewing and approving reports.

615.6.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

615.7 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

Chula Vista Police Department

Policy Manual

Operations Planning and Deconfliction

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel will be directed to read the search warrant. Any items to be seized should be identified at the briefing.
- (c) The unit supervisor shall ensure that all participants are visually identifiable as law enforcement officers.
 - 1. Exceptions may be made by the operations manager for officers who are conducting surveillance or working under cover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
 - 1. It is the responsibility of the unit supervisor to ensure that the Communications Center is notified of the time and location of the operation, and to provide a copy of the operation plan prior to officers arriving at the location.
 - 2. If the radio channel needs to be monitored by the Communications Center, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operation plan.
 - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

615.8 SWAT PARTICIPATION

If the operations manager determines that SWAT participation is appropriate, the manager and the SWAT supervisor shall work together to develop a written plan. The SWAT supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the SWAT supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

615.9 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of Command Staff. Any media inquiries or press release after the fact shall be handled in accordance with the News Media Relations Policy.

615.10 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any SWAT debriefing.

615.11 TRAINING

The Training Manager should ensure officers and SWAT team members who participate in operations subject to this policy should receive periodic training including, but not limited to,

Chula Vista Police Department

Policy Manual

Operations Planning and Deconfliction

topics such as legal issues, deconfliction practices, operations planning concepts and reporting requirements.

Chapter 7 - Equipment

Department Owned and Personal Property

700.1 PURPOSE AND SCOPE

The purpose of this policy is to enhance accountability for Department equipment and specify individual and command responsibilities. During the scope of duties employees may suffer occasional loss or damage to personal or department property while performing their assigned duty. Certain procedures are required depending on the loss and ownership of the item.

700.2 CARE OF DEPARTMENTAL PROPERTY

Employees shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of department property assigned or entrusted to them. An employee's intentional or negligent abuse or misuse, or, through an act of negligence, the loss of department property may lead to discipline including, but not limited to the cost of repair or replacement.

- (a) Employees shall promptly report through their chain of command, any loss, damage to, or unserviceable condition of any department issued property or equipment assigned for their use.
- (b) The use of damaged or unserviceable department property should be discontinued as soon as practical and replaced with comparable Department property as soon as available and following notice to a supervisor.
- (c) Except when otherwise directed by competent authority or required by exigent circumstances, department property shall only be used by those to whom it was assigned. Use should be limited to official purposes and in the capacity for which it was designed.
- (d) Department property shall not be thrown away, sold, traded, donated, destroyed, or otherwise disposed of without proper authority.
- (e) In the event that any Department property becomes damaged or unserviceable, no employee shall attempt to repair the property without prior approval of a supervisor.
- (f) Department equipment must be returned in good condition before an extended leave of absence, resignation, discharge, retirement or upon request from a supervisor.

Department issued equipment shall not be used for personal use without prior authorization from a supervisor.

700.2.1 REPORTING REQUIREMENT

In the event that department equipment or property is damaged, lost, or stolen, employees are responsible for the following before the employee goes off duty:

- (a) Submit a detailed report to their immediate supervisor explaining any lost, or damaged departmental property or equipment issued for or assigned to their use.
- (b) Submit an Equipment Replacement/Reissue form (P.D. 614) to their supervisor so that a replacement can be issued.

Chula Vista Police Department

Policy Manual

Department Owned and Personal Property

- (c) A lost or stolen property report will be completed in all cases. If the loss occurs in another jurisdiction, employees should attempt to obtain a copy of the report. If the report is unavailable, the case number should be included in the memo for the follow-up.
- (d) The employee's supervisor will review the circumstances of the loss or theft in order to determine whether the loss or theft was unavoidable or was attributable to negligence or carelessness. That supervisor will then make recommendations to the Division Commander regarding responsibility.
- (e) The memorandum and P.D. 614 should be forwarded to the Quartermaster.

700.2.2 UNIFORMS AND PERSONAL ISSUED EQUIPMENT

Uniformed personnel requesting uniform items for replacement/exchange should submit a P.D. 614 and forward the form through the appropriate chain of command. The approved form will be forwarded to the Quartermaster and the Quartermaster will contact the personnel to replace/exchange those items listed.

700.3 FILING CLAIMS FOR PERSONAL PROPERTY

Employees may submit a request for reimbursement of personal property that is damaged or lost in the course of their duties. Employees should expect that, unless required by department authority, the decision to use personal property for job-related duties is theirs alone. The decision to use personal property for job-related duties inherently involves some risk that the property may be lost or damaged. Employees accept the sole responsibility for any loss or damage that occurs as a result of this decision. As such, the reimbursement or replacement of personal property shall be at the sole discretion of the Chief of Police or his designee. The Department will not replace or repair luxurious or overly expensive items (jewelry, exotic equipment, etc.) that are not reasonably required as a part of work.

Any employee wishing to submit a request for reimbursement or replacement of personal property should submit a verbal report to their immediate supervisor as soon as circumstances permit.

Claims for reimbursement for damage or loss of personal property should also include an Equipment Replacement/Reissue form (P.D. 614) to the employee's immediate supervisor. The form should be submitted before the employee goes off duty or within any time frame as directed by a supervisor. The supervisor may require a separate written report of the loss or damage.

The supervisor should direct a memo to the appropriate Division Commander, which shall include the results of their investigation and whether the employee followed proper procedures. The supervisor's report shall address whether reasonable care was taken to prevent the loss or damage.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police.

Chula Vista Police Department

Policy Manual

Department Owned and Personal Property

700.4 LOSS OR DAMAGE OF PROPERTY OF ANOTHER

Officers and other employees intentionally or unintentionally may cause damage to the real or personal property of another while performing their duties. Any employee who damages or causes to be damaged any real or personal property of another while performing any law enforcement functions, regardless of jurisdiction, shall report it as provided below.

- (a) A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.
- (b) A written report shall be submitted before the employee goes off duty or within the time frame directed by the supervisor to whom the verbal report is made. The written report may, with the supervisor's permission, take the form of an e-mail.

700.4.1 DAMAGE BY PERSON OF ANOTHER AGENCY

If employees of another jurisdiction cause damage to real or personal property belonging to the City, it shall be the responsibility of the employee present or the employee responsible for the property to make a verbal report to his/her immediate supervisor as soon as circumstances permit. The employee shall submit a written report before going off duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor's written report, shall promptly be forwarded to the appropriate Division Commander.

700.5 ISSUING OF TEMPORARY-USE EQUIPMENT

Employees are prohibited from obtaining, using, borrowing, or otherwise checking out department-owned equipment for temporary use (such as radios, batteries, lapel microphones, Tasers, RADAR guns, LIDAR guns, PAS devices, spare shotguns, Pepperball launchers, etc.) except as authorized and in accordance with this policy.

For the purposes of this policy, "temporary-use equipment" is defined as department owned equipment that is available for temporary use by any employee and is serialized, bar coded, or otherwise labeled and identified as property of the Chula Vista Police Department. Temporary-use equipment does not include any department-owned equipment permanently assigned to an employee (such as weapons, leather gear, ballistic vests, uniforms, etc.), nor any equipment issued to an employee for extended assignments (such as special police radios for K9 or task force assignments, etc.)

Temporary-use equipment is normally stored in the Patrol Equipment Room, although certain specialized equipment may be stored elsewhere. The following personnel are authorized to checkout temporary-use equipment:

- All sworn supervisors, mid-managers, and managers
- Agents assigned to the Patrol Division
- Community Service Officers assigned to the Patrol Division
- Other personnel as approved by a Division Commander

Chula Vista Police Department

Policy Manual

Department Owned and Personal Property

Each investigative unit supervisor is authorized to assign no more than one employee to access the Patrol Equipment Room and checkout temporary-use equipment. Additionally some specialized units (such as SWAT, the Crisis Negotiation Team, the Range, and others) may assign employees, with the permission of a Division Commander, to access the Patrol Equipment Room and checkout temporary-use equipment. Members of specialized units authorized to check out temporary-use equipment are limited to checking out equipment for the sole use of their respective specialized unit.

Employees checking out temporary-use equipment shall adhere to all procedures and protocols specified by department policy or order, or as directed by the Quartermaster or a supervisor. These protocols should normally include the appropriate use of the bar code tracking system. Employees checking out temporary-use equipment shall assign equipment to a specific officer using the bar code tracking system, and should not remove equipment "in batches" for later issuance. Unless otherwise authorized by a supervisor, all employees shall return any temporary-use equipment before the end of their work shift or duty assignment.

Employees issued temporary-use equipment are responsible for the care of that equipment, in accordance with § 700.2 of this Policy Manual. It is the responsibility of the employee to assure that the records for any equipment checked out to them is correct and accurate. Employees may be held responsible for equipment not checked in. For this reason employees are encouraged to take extra steps to assure their equipment was properly checked-out, that the correct bar code number was recorded in the tracking system, that the correct identification number was recorded in the tracking system, and that the equipment is properly checked-in upon its return.

Personal Communication Devices

702.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

702.2 POLICY

The Chula Vista Police Department allows members to utilize department-issued PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on-duty, or used off-duty in any manner reasonably related to the business of the Department, will be subject to monitoring and inspection consistent with the standards set forth in this policy.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

702.3 PRIVACY EXPECTATION

702.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue a PCD. Department-issued PCDs are provided as a convenience to facilitate on-duty performance only. Such devices and the associated telephone number shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.

 1. Consent
 2. Search Warrant
 3. Court Order

Except with prior express authorization from their supervisor, members are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing memorandum of understanding or collective bargaining agreements, or if the member has prior express authorization from his/her supervisor, the member may engage in business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members are not entitled compensation in cases of de minimis use of PCD's while off duty. De minimus use pertains to short, minor, or relatively insignificant communications while off duty.

Personal Communication Devices

702.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) All PCDs in the workplace should be set to silent or vibrate mode when practical.
- (b) A PCD may not be used to conduct personal business while on-duty, except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times, unless an emergency exists.
- (c) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (d) Members are prohibited from taking pictures, audio or video recordings or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means, without the express authorization of the Chief of Police or the authorized designee, may result in discipline.
- (e) Members will limit access to social networking sites for any purpose that is not official department business. Limited access to personal social networking sites should occur on an authorized break time.
- (f) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

702.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.

702.8 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, civilian members who are operating department vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (Vehicle Code § 23123; Vehicle Code § 23123.5). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

Facial Recognition Device Use

703.1 PURPOSE AND SCOPE

This Department procedure establishes guidelines for Department personnel using facial recognition field identification technology. This procedure applies to all members of the Department.

703.1.1 DEFINITIONS

Definitions related to this policy include:

Face First – An Android facial recognition application that operates over secure cellular wireless connectivity. A probe image is acquired then transmitted to the application, where a biometric algorithm compares the probe image with images already on file and associated with personal identifying information. The application then returns a photographic list of potential match candidates back to the officer via the Android device. The officer reviews the list and makes a judgment, based on a visual assessment, whether the person present matches a photo within the candidate list.

TACIDS (Tactical Identification System) – The regional facial recognition system ARJIS, in cooperation with the San Diego Sheriff's Department's Jail Information Management System, maintains in support of legitimate law enforcement efforts to provide public safety.

Enrolled image – Sheriff's booking photograph from TACIDS database.

ARJIS AUP for Facial Recognition - Automated Regional Justice Information System Acceptable Use Policy for Facial Recognition.

703.1.2 BACKGROUND

San Diego regional law enforcement mobile facial recognition technology was developed for the express purpose of assisting officers in identifying persons lawfully detained or otherwise the subject of a criminal investigation, when those persons are unwilling or unable to provide proof of their identity as required by law.

Facial recognition refers to an automated process of matching facial images, utilizing algorithms and biometric scanning technologies. A biometric indicator is any human physical or biological feature that can be measured and used for the purpose of automated or semi-automated identification.

During enrollment, the facial recognition system acquires a facial image and measures distinctive characteristics including but not limited to the distance between the eyes, width of the nose, and the depth of the eye sockets. These characteristics are known as nodal points and each human face has multiple nodal points recognizable by facial recognition software.

Facial Recognition Device Use

The nodal points are extracted from the facial image and are transformed through the use of algorithms into a unique file called a template. A template is a reduced set of data that represents the unique features of the enrolled person's face. For identification purposes, the facial recognition system compares the biometric template created from the image captured in the field with all biometric templates stored in the database. For verification purposes, the biometric template of the claimed identity will be retrieved from the database and compared with the biometric template data created from the recently captured facial image.

Officers from authorized agencies use an ARJIS enabled tablet or smartphone to access TACIDS to take a photograph of the individual. Once the photo has been submitted to TACIDS, a biometric algorithm compares the image to the local San Diego booking database (currently about 1.4 million images) and potential matches are returned within 10 to 15 seconds, in ranked order, based on the confidence level of the match.

The confidence score is mathematically calculated based on the accuracy of the biometric algorithm. If the system determines that there are potential matches, the photo captured in the field and the matching booking photos can be viewed side by side to further assist the officer in determining whether there is an actual match. Data from the booking records are displayed along with the images to assist the officer in identifying the individual.

Access to and use of TACIDS data is for official law enforcement purposes only. Accessing and/or releasing data from TACIDS for non-law enforcement purposes is prohibited.

703.2 POLICY

When practical, and when it will not negatively impact officer safety, law enforcement officers should first request verification of an individual's identity through a query of his or her name, date of birth, and other self-reported identifiers. When verification is not possible, or if the officer reasonably suspects the self-reported information is false, officers may request facial recognition field identification results.

A. Obtaining Probe Images for Comparison

The policy of the Chula Vista Police Department in regards to taking photographs of individuals is the same for juveniles and adults. An officer may photograph a person either in the field or at a police station under the following conditions:

1. The person is under arrest for a crime; or
2. The person is being detained as a suspect in a particular crime; or
3. The person is being legally detained for a criminal investigation.

B. Requesting Facial Recognition Comparison Information

Officers may request a facial recognition comparison from TACIDS for the following reasons:

Facial Recognition Device Use

1. To identify a suspect of a criminal investigation; or
2. To aid in locating a missing person; or
3. To identify an individual for whom a warrant has been issued.

C. Requirements for Users Accessing TACIDS

Prior to utilizing TACIDS an agency and all individual users must comply with the following:

1. Be an ARJIS public safety member agency;
2. Be a CLETS-certified agency;

Only those authorized law enforcement personnel who have met the minimum requirements of completing CLETS certification, and background checks required for access to criminal justice data may access TACIDS.

Authorized users must have an ARJIS account and are mandated to follow the procedures for establishing complex passwords that must be changed every 90 days. TACIDS users are required to sign an agreement upon issuance of a TACIDS-enabled device certifying that they have read and will comply with ARJIS AUP for Facial Recognition.

D. Deletion of Stored Images on Device

After completing the request for facial recognition field identification results, the image used for comparison shall be manually deleted from the device used to capture the image.

E. Data Limitations

The TACIDS system exists for the sole purpose of identifying individuals for authorized public safety purposes. The photographs taken in the field are matched only against the Sheriff's booking photo database. No other databases, such as drivers' licenses photo databases, are linked to or accessible via TACIDS. In addition there is no interface of TACIDS to any form of video surveillance.

703.3 RESTRICTIONS

A. Law enforcement officers shall not request facial recognition field identification results when an individual presents a valid driver license or state identification card unless:

1. The officer reasonably suspects the driver license or identification card is forged, altered, or otherwise fraudulent; or

Facial Recognition Device Use

2. The officer reasonably suspects the individual is presenting, as his or her own, a driver license or identification card issued to another person.

B. Law enforcement officers shall only access the personal identifying information of an individual whose facial image is contained in the results of a facial recognition field identification query:

1. After determining that the individual's enrolled image reasonably matches the probe image submitted for comparison; or

2. When the personal identifying information of the person in the enrolled comparison photo would reasonably assist the officer in verifying the identity of the person arrested or detained.

C. Dissemination of facial images and other personal identifying information obtained through the use of a facial recognition field identification tool is prohibited, subject only to the following specific exceptions:

1. Public Safety exception – When the Chief of Police reasonably determines that an individual poses a threat of substantial harm to the public, facial images and relevant personal identifying information may be released to the public.

2. Warrant exception – When a warrant has been issued for a known suspect, and the suspect's facial image has been verified, the suspect's facial image may be publicly disclosed for the purpose of locating the suspect or protecting the public.

3. Missing Person exception – Upon verification, the facial image of an individual reported missing may be publicly disclosed to help authorities locate the missing person.

703.4 TRAINING

Department Members shall be trained in the following areas prior to utilizing facial recognition field identification:

A. The proper and legal use of facial images for facial recognition purposes;

B. How to take high quality facial images in the field for best results;

C. How to interpret the facial recognition comparison results obtained via a facial recognition field identification tool and not base decisions entirely upon the comparison results;

D. The appropriate use and sharing of information obtained from a facial recognition identification tool; and

E. The deletion of the probe image used for comparison from the device used to capture the image.

Members who have not received this training may not utilize facial recognition field identification technology.

Vehicle Maintenance

704.1 PURPOSE AND SCOPE

Employees are responsible for assisting in maintaining Department vehicles so that they are properly equipped, properly maintained, properly refueled and present a clean appearance.

704.2 DEFECTIVE VEHICLES

Proper documentation shall be promptly completed by the employee who first becomes aware of the defective condition, describing the correction needed. The paperwork shall be promptly forwarded to vehicle maintenance for repair.

704.3 VEHICLE EQUIPMENT

Certain items shall be maintained in all department vehicles for emergency purposes and to perform routine duties.

704.3.1 PATROL VEHICLES

Employees using a vehicle shall remove any trash or debris at the end of their shift. Confidential material should be placed in a designated receptacle provided for the shredding of this matter.

704.6 CIVILIAN EMPLOYEE USE

Civilian employees using marked vehicles shall ensure all weapons are removed from vehicles before going into service. Civilian employees shall also prominently display the "out of service" placards or lightbar covers at all times. Civilian employees shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.

Requisitioning and Issuing of Supplies and Repair Service Requests

705.1 PURPOSE AND SCOPE

The purpose of this policy is to insure the efficient delivery of supplies and equipment to the department and to manage resources by mandating compliance with department and city purchasing practices. Requests to repair equipment and problems with the facility will be directed to the proper departments or vendors for prompt resolution. Daily use issued equipment will be checked out by authorized personnel and accounted for at all times.

705.2 ORDERING AND RECEIVING OF SUPPLIES AND EQUIPMENT

Only the department Quartermaster, and other staff with the express permission of the Chief of Police or his designee, is authorized to order department supplies and equipment. Other employees ordering supplies and equipment may be held personally responsible for payment.

Anyone requesting supplies or equipment, other than perishable office supplies, should complete a Purchasing Request form (P.D. 500). The form should be signed by a unit supervisor or manager and forwarded to the Quartermaster. The Quartermaster will route the request through the appropriate chain of command for approval. The Quartermaster will notify the requestor when the supplies/equipment have been received, inventoried and available for pick-up.

Employees are encouraged to notify the Quartermaster in advance about any personal packages being delivered to the department.

705.2.1 PERISHABLE OFFICE SUPPLIES

Perishable office supplies are those everyday use items (pens, paper, staples, etc.). Each department unit is expected to stock and maintain their own stock of perishable office supplies. Units may request replenishment of perishable office supplies from the Quartermaster.

705.3 REQUEST FOR SERVICE OR REPAIRS

Emergency repairs are repairs if not immediately attended to could cause damage to the building or equipment and become a safety hazard to the employees (broken pipes, overflowing bathroom fixtures, etc.). Employees aware of any equipment in need of emergency repair shall immediately notify the communications center. The communications center will notify public works for the appropriate city or vendor to respond.

Employees aware of any other circumstances requiring repair should submit a Service Request form (P.D. 501) through the employees chain of command.

City credit cards should not be used for the routine purchasing of supplies and equipment. Any purchases made with city credit cards shall be in the accordance with the Finance Department

Chula Vista Police Department

Policy Manual

procedures. Normally, a Purchasing Request form (P.D. 500) should be completed and processed like any other request for supplies/equipment.

705.5 ELECTRONIC WASTE

Waste commonly referred to as "electronic waste" or "e-waste", which includes but is not limited to batteries, computers and computer components, televisions, and computer monitors, shall not be disposed of in a trash receptacle. All e-waste should be turned into the Quartermaster for proper disposal in accordance with county and/or state regulations.

Vehicle Use

706.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the City of Chula Vista to provide assigned take-home vehicles.

706.2 POLICY

The Chula Vista Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments and other considerations.

706.2.1 INSPECTION PRIOR TO USE

All vehicles should be inspected for damage or mechanical defects prior to use. The interior compartment of marked patrol vehicles should also be inspected thoroughly. Any contraband or weapons that are discovered should be reported to a supervisor.

Mechanical or radio defects should be immediately reported to the appropriate authority. Employees finding damage to any vehicle should check the vehicle's Damage File in the Watch Commander's office or notify their unit supervisor. Any damage not previously documented in the file should be reported to a supervisor immediately.

To eliminate potential complaints, horns and sirens should not be tested in the in the parking garage or nearby residential areas.

706.2.2 VEHICLE OPERATIONS

Employees operating City-owned vehicles or operating any other vehicle while on-duty shall obey all rules of the road applicable to the jurisdiction they are in. Driving during hours of darkness without headlights is generally prohibited, except when necessary to facilitate officer safety or to accomplish reasonable enforcement objectives.

The engine should be turned off and the key removed from the ignition whenever exiting the vehicle, unless the officer remains in the immediate vicinity of the vehicle and within reasonable control of its operation. The parking brake should be effectively set, and the transmissions placed in Park before exiting the vehicle. When parking, on-duty employees assigned to patrol should attempt to park their vehicles in a manner that facilitates rapid exit in case of an emergency, and in such a fashion that does not require backing up to exit. When backing, employees should use extra caution and carefully check the rear of their vehicles for hazards. If two employees are available and rearward visibility limited, one employee should be used to safely guide the other employee in the backing process.

Chula Vista Police Department

Policy Manual

Vehicle Use

Employees shall comply with all parking regulations, except as necessary to facilitate officer safety or to accomplish enforcement objectives. (Government vehicles that are clearly marked, or are equipped with an "E" (Government) license plate are exempt from parking meter enforcement within the city limits.) Employees should not block private drives, and should avoid blocking access to private property whenever reasonably possible. When necessary to do so, members should complete their activity as soon as possible so that business operations are not disrupted, or otherwise move their vehicle(s) at the earliest reasonable possibility.

When emergency lights are utilized on freeways to conduct a traffic stop, the lights should be extinguished as soon as reasonably possible. Use of the vehicle's four-way flashers is recommended.

Department vehicles are not designed for jumping curbs, and jumping curbs is generally prohibited. Sworn personnel may jump a curb when reasonably necessary in the performance of their duties. Whenever jumping a curb, the following procedures should be followed:

- (a) Curb height must be low enough to allow the vehicle to clear without damage.
- (b) Approach the curb at an angle less than 45-degrees.
- (c) Stop the vehicle before touching the curb.
- (d) Use low speed, less than 5 MPH.
- (e) Move one wheel at a time, slowly over the curb.

Whenever the undercarriage of a vehicle strikes a curb, strikes the surface of the roadway, or otherwise "bottoms out", the operating employee should contact a supervisor to determine if the circumstances are classified as a police equipment collision. Depending on the circumstances, vehicles should generally be reported to the repair facility for inspection of the undercarriage.

Drivers that "bottom out" or strike a curb should write it up to have the undercarriage inspected for damage AND submit a short memo to the Watch Commander describing the incident for the unit file.

Employees should use caution with food and beverages in vehicles equipped with mobile data devices. Employees may be held responsible for any damage that occurs.

Battery jumper cables shall only be used on City owned vehicles due to possible liability from damaging alternators or batteries.

706.2.3 RESPONSIBILITIES AFTER USE

Prior to returning a vehicle, employees are responsible for refueling the vehicle regardless of number of miles driven. Employees shall obtain permission from a supervisor if circumstances do not permit refueling.

Employees should remove all trash and debris from the vehicle after use, and return the vehicle in a clean condition. Any defects or damage should be reported.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

706.3.4 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency

Chula Vista Police Department

706.3.6 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Chief of Police, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, he/she should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors at any time. However, access to historical data by other than supervisors will require Division Commander approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

706.3.7 KEYS

Members are authorized to purchase one spare department vehicle key at their own expense. The loss of a key shall be promptly reported in writing to the Professional Standards Unit through the member's chain of command.

706.3.9 ALCOHOL

Members who have consumed alcohol are prohibited from operating any department vehicle unless it is required by the duty assignment (e.g., task force, undercover work). Regardless of assignment, members may not violate state law regarding vehicle operation while intoxicated.

706.3.10 PARKING

Except when responding to an emergency or when urgent department-related business requires otherwise, members driving department vehicles should obey all parking regulations at all times.

Chula Vista Police Department

Policy Manual

Vehicle Use

Department vehicles should be parked in assigned stalls. Members shall not park privately owned vehicles in stalls assigned to department vehicles or in other areas of the parking lot that are not so designated unless authorized by a supervisor. Privately owned motorcycles shall be parked in designated areas.

706.3.11 ACCESSORIES AND/OR MODIFICATIONS

There shall be no modifications, additions or removal of any equipment or accessories without written permission from the assigned vehicle program manager.

706.3.12 CIVILIAN MEMBER USE

Civilian members using marked emergency vehicles shall ensure that all weapons have been removed before going into service. Civilian members shall prominently display the "out of service" placards or light bar covers at all times. Civilian members shall not operate the emergency lights or siren of any vehicle unless expressly authorized by a supervisor.

706.4 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Department vehicles may be assigned to individual members at the discretion of the Chief of Police. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform his/her regular assignment.

706.4.1 ON-DUTY USE

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief of Police or the authorized designee.

706.4.2 UNSCHEDULED TAKE-HOME USE

- (d) Off-street parking will be available at the member's residence.
- (e) Vehicles will be locked when not attended.
- (f) All firearms, weapons and control devices will be removed from the interior of the vehicle and properly secured in the residence when the vehicle is not attended, unless the vehicle is parked in a locked garage.

Chula Vista Police Department

Policy Manual

Vehicle Use

706.4.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence, the nature of the member's duties, job description and essential functions, and employment or appointment status. Residence in the City of Chula Vista is a prime consideration for assignment of a take-home vehicle. Members who reside outside the City of Chula Vista may be required to secure the vehicle at a designated location or the Department at the discretion of the Chief of Police.

Members are cautioned that under federal and local tax rules, personal use of a City vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Chief of Police or a Division Commander gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.
- (c) Vehicles will not be used when off-duty except:
 - 1. In circumstances when a member has been placed on call by the Chief of Police or Division Commanders and there is a high probability that the member will be called back to duty.
 - 2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or travelling to or from a work-related activity or function.
 - 3. When the member has received permission from the Chief of Police or Division Commanders.
 - 4. When the vehicle is being used by the Chief of Police, Division Commanders or members who are in on-call administrative positions.
 - 5. When the vehicle is being used by on-call investigators.
- (d) While operating the vehicle, authorized members will carry and have accessible their duty firearms and be prepared to perform any function they would be expected to perform while on-duty.
- (e) The two-way communications radio, MDC and global positioning satellite device, if equipped, must be on and set to an audible volume when the vehicle is in operation.
- (f) Unattended vehicles are to be locked and secured at all times.
 - 1. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging).
 - 2. All weapons shall be secured while the vehicle is unattended.
 - 3. All department identification, portable radios and equipment should be secured.

Chula Vista Police Department

Policy Manual

Vehicle Use

- (g) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Chief of Police or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be removed and properly secured in the residence (see the Firearms Policy regarding safe storage of firearms at home).
- (h) Vehicles are to be secured at the member's residence or the appropriate department facility, at the discretion of the Department when a member will be away (e.g., on vacation) for periods exceeding one week.
 - 1. If the vehicle remains at the residence of the member, the Department shall have access to the vehicle.
 - 2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.
- (i) The member is responsible for the care and maintenance of the vehicle.

706.4.4 ENFORCEMENT ACTIONS

When driving a take-home vehicle to and from work outside of the jurisdiction of the Chula Vista Police Department or while off-duty, an officer shall not initiate enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions and Law Enforcement Authority policies).

Officers may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Officers driving take-home vehicles shall be armed, appropriately attired and carry their department-issued identification. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.

706.4.5 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.
- (d) The Department shall be notified of problems with the vehicle and approve any major repairs before they are performed.
- (e) When leaving the vehicle at the maintenance facility, the member will complete a vehicle repair card explaining the service or repair, and leave it on the seat or dash.
- (f) All weapons shall be removed from any vehicle left for maintenance.

Vehicle Use

- (g) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

706.5 UNMARKED VEHICLES

Vehicles are assigned to various divisions and their use is restricted to the respective division and the assigned member, unless otherwise approved by a division supervisor. Any member operating an unmarked vehicle shall record vehicle usage on the sign-out log maintained in the division for that purpose. Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall also record the use with the Watch Commander on the shift assignment roster.

706.6 DAMAGE, ABUSE AND MISUSE

When any department vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see the Traffic Collision Reporting Policy).

Damage to any department vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Watch Commander. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

706.7 TOLL ROAD USAGE

Law enforcement vehicles are not routinely exempted from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating department vehicles on a toll road shall adhere to the following:

- (a) Members operating department vehicles for any reason other than in response to an emergency shall pay the appropriate toll charge or utilize the appropriate toll way transponder. Members may submit a request for reimbursement from the City for any toll fees incurred in the course of official business.
- (b) Members passing through a toll plaza or booth during a response to an emergency shall notify, in writing, the appropriate Division Commander within five working days explaining the circumstances.

706.8 COMMUNICATION CENTER RESPONSIBILITIES

Upon notification from any employee, the Communications Center should note the use of a toll road on the appropriate CAD incident report.

706.9 ATTIRE AND APPEARANCE

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

Respiratory Protection

707.1 PURPOSE AND SCOPE

Sworn personnel shall be trained in the use of a respirator, maintenance and selection in accordance with the Code of Federal Regulation and California Code of Regulations. Medical screening and fit testing shall be provided for sworn personnel in accordance with California Peace Officer Standards & Training.

Respirators are regulated, in part, by the following authorities:

- Title 29, Code of Federal Regulations, Part 1910.134
- Title 8, California Code of Regulations, Section 5144
- POST Bulletin 04-01

707.1.1 RESPIRATORY PROTECTION PROGRAM ADMINISTRATION

The Department PSU Sergeant shall be the Program Administrator for administering the Department's Respiratory Protection Program.

The Program Administrator shall be responsible for the overall administration, evaluation, maintenance and equipment of the program. Duties shall include, but not necessarily be limited to, the following:

- (a) Performing a hazard assessment of job tasks requiring respirator use and will revise the assessment any time work process changes may potentially affect exposure.
- (b) Ensuring an adequate supply of appropriate cleaning and disinfection material is available for use.
- (c) Coordinating and overseeing training.
- (d) Managing medical evaluations and fit testing.
- (e) Monitoring and revising policy as needed.
- (f) Arranging for repair or replacement of equipment as needed.
- (g) Assuring the maintenance of training, inspection, maintenance, and other program records.
- (h) Conducting periodic evaluations to ensure that the provisions of this program are being implemented. Evaluations should include consultations with employees who use respirators and their supervisors, site inspections, job task assessment and a review of program records.
- (i) Review the overall program and written policies with the Risk Management division on an annual basis.

Respiratory Protection

707.2 RESPIRATOR SELECTION

Only respirators approved and certified by National Institute for Occupational Safety and Health (NIOSH), or jointly by NIOSH and the Mine Safety Health Administration (MSHA) shall be authorized for use. Respirators used for emergency response to chemical, biological, radiological, and nuclear (CBRN) environments shall also have CBRN approval.

The Program Administrator or his/her designee shall authorize respirators for all applications. Selection of authorized respirators should be based upon a complete and thorough evaluation of the nature of the hazard, the extent of the hazard, work requirements and conditions, and the limitations of available respirators.

707.3 USE OF A RESPIRATOR

A respirator is generally required for situations where significant quantities of chemical agents are deployed (such as during crowd control or in the unlikely event of the release of CBRN materials). The decision to don a respirator may rest in the hands of individual employees, however the use of respirators shall be in accordance with this policy. If an employee believes that a respirator is needed for an application not otherwise included in this policy, the employee shall notify his/her supervisor or the Program Administrator.

The use of a respirator is authorized for the following applications:

- (a) Deployment of Chemical Agents
- (b) Protection from CBRN Environments
- (c) Protection in Biohazard Environments
- (d) Department-authorized Training
- (e) Other applications approved by the Program Administrator or his/her designee

All other uses of a respirator are prohibited.

Whenever a respirator is authorized for a limited specific application, that respirator should not be used for any other application without the specific approval of the Program Administrator.

Respirators shall be used when an officer is in sustained contact with a person who is suspected of carrying an active infection with a serious airborne respiratory disease, such as tuberculosis, and who cannot be masked.

To prevent facial hair from inhibiting a proper seal of the respirator face piece, employees should be prepared to shave clean before any use of a respirator. Employees who have facial hair should keep a shaving kit readily available for use in the event respirator protection is necessary.

707.3.1 PRESCRIPTION EYEWEAR

Contact lenses should not be worn inside any respirator. Only corrective eyewear frames approved by the respirator manufacturer with a specific full facepiece should be worn with that respirator.

Chula Vista Police Department

Policy Manual

Respiratory Protection

The employee's corrective eyewear prescription may determine the type of eyewear for respirators in the proper mount. The Department shall purchase necessary lenses and frames, and insure they are mounted properly inside the respirator as per the manufacturer's recommendations.

707.3.2 CLEANING, MAINTENANCE, STORAGE AND INSPECTION

Officers should thoroughly inspect respirators prior to use. Inspection of a respirator should include positive and negative pressure fit-checks. Supervisors shall ensure employees perform inspections as required.

If the employee determines a respirator is dirty, noticeably difficult to breathe through, or malfunctioning, the employee shall immediately cease use of the respirator and return the respirator to the Program Administrator for maintenance. Repairs will be made by trained individuals according to manufacturer's recommendations with NIOSH-approved components.

All respirators should be completely washed, sanitized, and repaired after each use or, when used for multiple days, at the end of each day. Employees should use only those cleaning and disinfection materials and instructions provided by the Department. Employees shall notify their supervisor and/or the Program Administrator if supplies are low or unavailable. Respirators that have been contaminated with chemical, biological or radioactive agents may require special decontamination procedures and officers should contact the Program Administrator for special instructions.

Respirators should be stored in the issued carrying case to protect against damage, contamination, dust, sunlight, extreme temperatures, moisture and damaging chemicals.

Respirators not issued to individual employees for personal storage shall be stored with clearly visible labels and shall be readily accessible for immediate use. Stored respirators shall be inspected at least monthly by the supervisor in charge of the storage area. Only qualified respirator users as described in this policy may access emergency respirators from storage.

707.3.3 DISPOSAL OF RESPIRATORS

Respirators shall be disposed in biohazard containers, and shall be disposed in accordance with the Department's Exposure Control Plan maintained by the Department Quartermaster.

707.4 MEDICAL EVALUATION FOR RESPIRATOR USE

All employees, as a part of the successful completion of a pre-employment physical examination, are considered medically qualified to use a respirator.

Additional mandatory medical evaluations may be required when fit testing indicates a need, when an employee reports medical symptoms related to the use of a respirator, when recommended by a physician, supervisor or the Program Administrator and with an increase in physiological burden on an officer (i.e. additional gear). The Program Administrator shall coordinate medical evaluations with the Risk Management division.

Respiratory Protection

707.4.1 RESPIRATOR FIT TESTING

Fit testing for respirator use is required annually. Fit testing shall be conducted with the specific size, make and model of respirator that the employee will use. Each employee shall be initially fit tested with the selected respirator to assure that the outside shell of the respirator seals properly against the face.

All respirator users shall pass a quantitative fit test with any tight fitting facepiece respirator that he/she will use. Quantitative fit testing shall be done annually, or immediately upon any change of the user's face that would cause the respirator sealing surface to seat differently. Respirators with tight-fitting facepieces do not seal properly when facial hair comes between the sealing surface of the facepiece and the face. Respirators shall not be worn where any condition prevents a good face seal. Such conditions may be a growth of beard, sideburns, temple pieces on glasses, or other items that inhibit a proper seal. To assure proper protection to the wearer, each time the respirator is donned the wearer should check the fit of the face piece. Any condition that prevents a respirator from forming a gas tight, dust tight seal shall prohibit that user from wearing that respirator.

During periods of fit testing, every employee to be fit tested should arrive clean-shaven.

Properly trained fit test personnel shall perform the fit testing using a portacount machine.

Employees who are issued an APR are prohibited from wearing any Department-issued respirator prior to passing the initial fit test or any time they do not pass the fit test.

The Program Administrator will coordinate and arrange fit testing with the assistance of Risk Management.

707.4.2 SWAT AND MOBILE FIELD FORCE

Upon selection and every two years thereafter, sworn employees who are active members of the S.W.A.T. or Mobile Field Force teams will be required to complete a medical evaluation (consisting of a respirator physical examination) from a designated occupational medical provider, as authorized by the Risk Management Division.

707.5 TRAINING

Each employee authorized for respirator use shall be trained with the specified type of respirator that they will be required to use. The training shall be of sufficient content and duration to ensure that the user is competent in handling and using the specified respirators. Respirator training will consist of initial training and annual refresher training. Training objectives may be met by viewing the POST video on respiratory protective equipment.

707.6 PROGRAM RECORDS

The Program Administrator will maintain copies of all training, inspection and maintenance records except for medical records and fit test records.

Medical records and fit test records are confidential and shall be forwarded to the Risk Management division. Medical records may be available for employees to review at the Human Resources division within two days following a request.

Department Lockers

709.1 PURPOSE AND SCOPE

The purpose of this policy is to establish regulations and standards for wardrobe lockers and patrol equipment lockers.

709.2 TYPES OF LOCKERS

The following types of lockers are generally available for use at the police facility.

709.2.1 WARDROBE LOCKERS

As used in this policy, "Wardrobe Lockers" includes those lockers located within either the men's or women's locker rooms of the police facility, generally designed to store clothing, equipment, and other effects of assigned personnel.

Wardrobe Lockers may be assigned to sworn peace officers, Police Service Officers, Community Service Officers, Parking Control Officers, Reserve Volunteer Police Officers, and other uniformed employees with the authorization of a Division Commander.

Only one Wardrobe Locker shall be issued to an employee. Each Wardrobe Locker is equipped with a pre-installed combination lock on its exterior door. No other locking devices may be used on the exterior of Wardrobe Lockers.

The interior of each Wardrobe Locker is equipped with a separate, internal, smaller locker to which may be attached a separate locking device. Locking devices used for this purpose must be supplied by the employee at their own expense.

The Professional Standards Unit shall maintain a secure file of the combinations to all Wardrobe Lockers.

709.2.2 EQUIPMENT LOCKERS

As used in this policy, "Equipment Lockers" includes those lockers located within the parking garage of the police facility, generally designed to store patrol equipment and patrol duty bags.

Equipment Lockers may be assigned to the following classifications while assigned to the Patrol Division:

- (a) Sworn peace officers
- (b) Community Service Officers
- (c) School Resource Officers
- (d) Uniformed Traffic Officers
- (e) Parking Enforcement Officers

Only one Equipment Locker shall be issued to an employee. Each Equipment Locker is equipped with two potential locking devices on its exterior door, including a pre-installed key lock and a

Chula Vista Police Department

Policy Manual

Department Lockers

separate latch to which a combination padlock may be attached. Each employee assigned an Equipment Locker will be assigned a key to their locker. The employee has the option of using either the key lock alone, or attaching a separate combination padlock. Any separate combination padlocks used for this purpose must be supplied by the employee at their own expense, and shall meet the following guidelines:

- (a) The padlocks shall be 1-7/8 inches (48mm) wide, have a plain black dial with white numbering, and a stainless steel body and stainless steel shackle without black bumpers or other exterior coatings. Examples of padlocks meeting these guidelines include the "Master Lock" brand, model number 1500 (or its subsequent derivative), and other similar designs.

Equipment Lockers are limited. Equipment Lockers are intended to be used by personnel actively assigned to the Patrol Division. Any Department member transferring out of a Patrol Division assignment shall contact the Professional Standards Unit and vacate their Equipment Locker.

709.2.3 TEMPORARY WARDROBE LOCKERS

As used in this policy, "Temporary Wardrobe Lockers" includes those lockers located within either the men's or women's locker rooms of the police facility, not permanently assigned to any employee, and available for the temporary use of any Police Department employee.

The locker rooms are equipped with a limited number of Temporary Wardrobe Lockers, for the temporary use by personnel not otherwise assigned Wardrobe Lockers. These lockers shall be for short-term use only, and must be vacated no later than the end of the employee's workday. Personnel using the temporary lockers should not occupy the locker for more than 12 consecutive hours, and may only use one locker at a time.

709.3 USE OF LOCKERS

Employees are prohibited from posting or affixing stickers, posters, markings of any kind, or other similar devices which may include, but are not necessarily limited to, nametags, nameplates, and other similar items.

Employees shall not hang any items from the exterior of the lockers or any other part of the locker room. This includes, but is not necessarily limited to, towels, uniforms and equipment. All items should be stored inside of the locker.

Only one employee is allowed to occupy any one locker at any one time. Sharing of lockers is prohibited. Employees shall not switch lockers without the authorization of the Professional Standards Unit.

709.4 SECURITY OF LOCKER ROOMS

Due to the hazardous nature of equipment commonly stored in locker rooms, access to the locker rooms is limited to Police Department employees and other individuals authorized by the Professional Standards Unit. Employees should not grant access to the locker rooms to any non-police personnel unless they are escorted by authorized personnel.

Electronic Personal Assistive Mobility Device

711.1 PURPOSE AND SCOPE

The Department may maintain "electronic personal assistive mobility devices" (EPAMD), such as the Segway "Human Transporter" or "Personal Transporter", for use by Department personnel. An EPAMD is an effective tool for a variety of law enforcement applications. The purpose of this policy is to establish procedures for the safe use of an EPAMD as a tool for law enforcement operations.

711.1.1 DEFINITION

An EPAMD is defined as a self-balancing, non-tandem two-wheeled device, that can turn in place, designed to transport only one person, with an electric propulsion system averaging less than 750 watts (1 horsepower), the maximum speed of which, when powered solely by a propulsion system on a paved level surface, is less than 12.5 miles per hour (California Vehicle Code §313).

Examples of an EPAMD include the Segway Human Transporter, Segway Personal Transporter, and other similar devices.

711.2 OPERATION OF AN EPAMD

Operation of an EPAMD is limited to those Department personnel who have successfully completed training from a designated EPAMD instructor.

- (a) Department EPAMDs shall be for authorized use only. Authorized use includes, but is not limited to, the following:
1. To deliver mail and other items between the Police Department and other buildings within one square mile of the Police Department
 2. For special event operations approved by a Traffic Unit supervisor including parades, concerts, community events, and other special event operations where the Segway HT will provide enhanced police operations and services
 3. Police special enforcement operations (such as a "Segway Beat") for high visibility patrol
 4. Recruiting or other events to showcase department technology
- (b) Department personnel operating an EPAMD shall exercise safe riding techniques, which shall include the following:
1. Operators shall wear a certified bike helmet in a size appropriate to the rider. Operators shall have a chin strap fastened at all times.
 2. The EPAMD shall be operated at safe speeds.
 3. An operator of an EPAMD is considered a pedestrian (California Vehicle Code §467) and should obey all laws and regulations applicable to pedestrians, unless reasonably necessary while responding to an emergency. Operators shall obey the "rules of the road" as outlined in California Vehicle Code §21280-21283.

Chula Vista Police Department

Policy Manual

Electronic Personal Assistive Mobility Device

4. Operators of an EPAMD shall prevent non-certified riders from operating the EPAMD.
- (c) Department personnel operating an EPAMD shall also exercise proper care for the EPAMD, including:
1. Except when responding to an emergency, operators of an EPAMD shall take appropriate precautions to assure the device is completely stopped and turned off before leaving it unattended.
 2. Wherever practical, the EPAMD should not be left outside unattended.
 3. If the EPAMD is dropped, thrown, or falls as the result of an emergency, operators shall inspect the device for damage and malfunction before continuing operation.
 4. Any equipment malfunctions or damage should be reported immediately to the Quartermaster and an on-duty supervisor.

711.2.1 COLLISIONS INVOLVING AN EPAMD

Although persons operating an EPAMD are considered "pedestrians" by California Vehicle Code § 467, collisions resulting in damage to any City or private property should be reported immediately to the employee's supervisor and subsequently to the Risk Management Division. Collisions resulting in damage in excess of \$750.00 or in injury to any person shall be reported as a traffic collision on the appropriate collision report form.

711.3 EPAMD TRAINING

Training in the operation of an EPAMD should, at a minimum, consist of the following:

- (a) Presentation of the EPAMD and its potential usage. Where available, this should include a short video or multimedia presentation from the EPAMD manufacturer about the safe operation of the device;
- (b) Equipment inspection, general equipment operation and safety procedures;
- (c) Demonstration of safe operational skills in the presence of a designated EPAMD instructor. The demonstration of safe operational skills shall include the following:
 1. Standing on the EPAMD
 2. Turning with the EPAMD
 3. Riding the EPAMD over various municipal terrains, which may include but are not limited to sidewalks, driveways, and uneven surfaces;
- (d) Demonstrating effective and safe control of the EPAMD in the presence of a designated EPAMD instructor; and
- (e) A review and acknowledgement of this policy.

The Training Unit shall maintain records of certified EPAMD operators and designated instructors.

Cash Handling, Security and Management

712.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure department members handle cash appropriately in the performance of their duties.

This policy does not address cash-handling issues specific to the Property and Evidence and Informants policies.

712.2 POLICY

It is the policy of the Chula Vista Police Department to properly handle and document cash transactions and to maintain accurate records of cash transactions in order to protect the integrity of department operations and ensure the public trust.

712.3 PETTY CASH FUNDS

The Chief of Police shall designate a person as the fund manager responsible for maintaining and managing the petty cash fund.

Each petty cash fund requires the creation and maintenance of an accurate and current transaction ledger and the filing of invoices, receipts, cash transfer forms and expense reports by the fund manager.

712.4 PETTY CASH TRANSACTIONS

The fund manager shall document all transactions on the ledger and any other appropriate forms. Each person participating in the transaction shall sign or otherwise validate the ledger, attesting to the accuracy of the entry. Transactions should include the filing of an appropriate receipt, invoice or cash transfer form. Transactions that are not documented by a receipt, invoice or cash transfer form require an expense report.

712.5 PETTY CASH AUDITS

The fund manager shall perform an audit no less than once every six months. This audit requires that the fund manager and at least one command staff member, selected by the Chief of Police, review the transaction ledger and verify the accuracy of the accounting. The fund manager and the participating member shall sign or otherwise validate the ledger attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and an immediate reporting of the discrepancy to the Chief of Police.

Transference of fund management to another member shall require a separate petty cash audit and involve a command staff member.

A separate audit of each petty cash fund should be completed on a random date, approximately once each year by the Chief of Police or the City.

Cash Handling, Security and Management

712.6 ROUTINE CASH HANDLING

Those who handle cash as part of their property or Narcotics Enforcement Team supervisor duties shall discharge those duties in accordance with the Property and Evidence and Informants policies.

Members who routinely accept payment for department services shall discharge those duties in accordance with the procedures established for those tasks.

712.7 OTHER CASH HANDLING

Members of the Department who, within the course of their duties, are in possession of cash that is not their property or that is outside their defined cash-handling responsibilities shall, as soon as practicable, verify the amount, summon another member to verify their accounting, and process the cash for safekeeping or as evidence or found property, in accordance with the Property and Evidence Policy.

Cash in excess of \$1,000 requires immediate notification of a supervisor, special handling, verification and accounting by the supervisor. Each member involved in this process shall complete an appropriate report or record entry.

Chapter 8 - Support Services

Crime Analysis

800.1 PURPOSE AND SCOPE

Crime analysis should provide currently useful information to aid operational personnel in meeting their tactical crime control and prevention objectives by identifying and analyzing methods of operation of individual criminals, providing crime pattern recognition, and providing analysis of data from field interrogations and arrests. Crime analysis can be useful to the Department's long range planning efforts by providing estimates of future crime trends and assisting in the identification of enforcement priorities.

800.2 DATA SOURCES

Crime analysis data is extracted from many sources including, but not limited to:

- Crime reports
- Field Interview cards
- Parole and Probation records
- Computer Aided Dispatch data
- Statewide Integrated Traffic Reporting System (SWITRS)

800.3 CRIME ANALYSIS FACTORS

The following minimum criteria should be used in collecting data for Crime Analysis:

- Frequency by type of crime
- Geographic factors
- Temporal factors
- Victim and target descriptors
- Suspect descriptors
- Suspect vehicle descriptors
- Modus operandi factors
- Physical evidence information

800.4 CRIME ANALYSIS DISSEMINATION

For a crime analysis system to function effectively, information should be disseminated to the appropriate units or persons on a timely basis. Information that is relevant to the operational and tactical plans of specific line units should be sent directly to them. Information relevant to the development of the Department's strategic plans should be provided to the appropriate staff units. When information pertains to tactical and strategic plans, it should be provided to all affected units.

Communication Operations

802.1 PURPOSE AND SCOPE

The basic function of the communications system is to satisfy the immediate information needs of the law enforcement agency in the course of its normal daily activities and during emergencies. The latter situation places the greatest demands upon the communications system and tests the capability of the system to fulfill its functions. Measures and standards of performance are necessary to assess the effectiveness with which any department, large or small, uses available information technology in fulfillment of its missions.

802.2 COMMUNICATION OPERATIONS

This department provides 24-hour telephone service to the public for information or assistance that may be needed in emergencies. The ability of citizens to telephone quickly and easily for emergency service is critical. This department provides access to the 911 system for a single emergency telephone number. This department has two-way radio capability providing continuous communication between the Communications Center and officers.

802.2.1 COMMUNICATIONS LOG

Mandatory staffing requirements for the Communications Center shall be in accordance with the direction of the Division Commander overseeing Communications.

The Police Dispatch Supervisor (PDS) for each shift shall be responsible for ensuring that the staffing requirements for their shift are met including overtime coverage. PDS's are also responsible for scheduling both voluntary and mandatory overtime shifts, approving, monitoring and recording all overtime used on their shift.

Unless approved by a PDS, and agreed to by the employee, overtime that is consecutive with a regular work shift should not exceed 6 hours and overtime that is on a day off should not exceed 16 hours.

Employees with less than 8 hours off between scheduled work periods (i.e. relief shifts, meetings, training, shift changes, overtime already worked or scheduled to be worked) should not be mandated to work overtime unless necessary to meet staffing requirements. The PDS's should make every effort to ensure that the employee is released from duty as soon as a relief is available.

Failure to report for a voluntary or mandatory overtime assignment will be considered an unauthorized leave of absence and is subject to disciplinary action.

802.3 RADIO COMMUNICATIONS

Operations are more efficient and officer safety is enhanced when dispatchers, supervisors, and fellow officers know the status of officers, their locations and the nature of cases.

Chula Vista Police Department

Policy Manual

Communication Operations

Calls for service shall be prioritized by the circumstances of the situation rather than by code section and multiple calls with the same priority assignment should be evaluated to determine urgency.

Access to the Communications Center shall be limited to the Communications Center members, the Watch Commander, command staff and department members with a specific business-related purpose.

802.3.1 OFFICER IDENTIFICATION

Identification systems are based on factors such as patrol beat or officer assignment, and officer specialty. Employees should use the entire call sign (such as "one-twelve john") when initiating communication with the dispatcher. The use of the call sign allows for a brief pause so that the dispatcher can acknowledge the appropriate unit. Employees initiating communication with other agencies shall use their entire call sign preceded by the city name (such as "Chula Vista one-twelve john"). This requirement does not apply to continuing conversation between the mobile unit and dispatcher once the mobile unit has been properly identified.

802.4 COMMUNICATIONS RECORDS

It shall be the responsibility of the Communications Center to record all relevant information on calls for criminal and non-criminal service or self-initiated activity. Employees shall attempt to elicit as much information as possible to enhance the safety of the officer and assist in anticipating conditions to be encountered at the scene. Desirable information would include, at a minimum, the following:

- Incident number
- Date and time of request
- Name and address of complainant, if possible
- Type of incident reported
- Location of incident reported
- Identification of officer(s) assigned as primary and backup
- Time of dispatch
- Time of the officer's arrival
- Time of officer's return to service
- Disposition or status of reported incident

802.5 RADIO COMMUNICATIONS

The police radio system is for official use only, to be used by dispatchers to communicate with department members in the field. All transmissions shall be professional and made in a calm, businesslike manner, using proper language and correct procedures. Such transmissions shall include, but are not limited to:

Chula Vista Police Department

Policy Manual

Communication Operations

- (a) Members acknowledging the dispatcher with their radio identification call signs and current location.
- (b) Dispatchers acknowledging and responding promptly to all radio transmissions.
- (c) Members keeping the dispatcher advised of their status and location.
- (d) Member and dispatcher acknowledgements shall be concise and without further comment unless additional information is needed.

A supervisor shall be notified of radio procedure violations or other causes for complaint. All complaints and violations will be investigated and reported to the complainant's supervisor and processed through the chain of command.

802.5.1 FEDERAL COMMUNICATIONS COMMISSION COMPLIANCE

Chula Vista Police Department radio operations shall be conducted in accordance with Federal Communications Commission (FCC) procedures and requirements.

802.5.2 RADIO IDENTIFICATION

Radio call signs are assigned to department members based on factors such as duty assignment, uniformed patrol assignment and/or member identification number. Dispatchers shall identify themselves on the radio with the appropriate station name or number, and identify the department member by his/her call sign. Members should use their call signs when initiating communication with the dispatcher. The use of the call sign allows for a brief pause so that the dispatcher can acknowledge the appropriate department member. Members initiating communication with other law enforcement or support agencies shall use their entire radio call sign, which includes the department station name or number.

802.6 DOCUMENTATION

It shall be the responsibility of the Communications Center to document all relevant information on calls for service or self-initiated activity. Dispatchers shall attempt to elicit, document and relay as much information as possible to enhance the safety of the member and assist in anticipating conditions that may be encountered at the scene. Desirable information would include, at a minimum:

- Incident control number.
- Date and time of request.
- Name and address of the reporting person, if possible.
- Type of incident reported.
- Involvement of weapons, drugs and/or alcohol.
- Location of incident reported.
- Identification of members assigned as primary and backup.
- Time of dispatch.

Communication Operations

- Time of the responding member's arrival.
- Time of member's return to service.
- Disposition or status of reported incident.

802.7 CONFIDENTIALITY

Information that becomes available through the Communications Center may be confidential or sensitive in nature. All members of the Communications Center shall treat information that becomes known to them as confidential and release that information in accordance with the Protected Information Policy.

Automated data, such as Department of Motor Vehicle records, warrants, criminal history information, records of internal police files or medical information, shall only be made available to authorized law enforcement personnel. Prior to transmitting confidential information via the radio, an admonishment shall be made that confidential information is about to be broadcast.

802.8 TRAINING AND CERTIFICATION

Dispatchers shall receive training consistent with minimum standards established by POST (Penal Code § 13510).

802.9 CALL HANDLING

This Department provides members of the public with access to the 9-1-1 system for a single emergency telephone number.

When a call for services is received, the dispatcher will reasonably and quickly attempt to determine whether the call is an emergency or non-emergency, and shall quickly ascertain the call type, location and priority by asking four key questions:

- Where?
- What?
- When?
- Who?

If the dispatcher determines that the caller has a hearing and/or speech impairment or disability, he/she shall immediately initiate a connection with the individual via available TDD/TTY equipment or Telephone Relay Service (TRS), as mandated by the Americans with Disabilities Act (ADA).

If the dispatcher determines that the caller is a limited English proficiency (LEP) individual, the dispatcher should quickly determine whether sufficient information can be obtained to initiate an appropriate response. If language assistance is still needed, the language is known and a language-appropriate authorized interpreter is available in the Communications Center, the dispatcher should immediately connect the LEP caller to the authorized interpreter.

Chula Vista Police Department

Policy Manual

Communication Operations

If no authorized interpreter is available or the dispatcher is unable to identify the caller's language, the dispatcher will contact the contracted telephonic interpretation service and establish a three-party call connecting the dispatcher, the LEP individual and the interpreter.

Dispatchers should be courteous, patient and respectful when dealing with the public.

802.9.1 EMERGENCY CALLS

A call is considered an emergency when there is an immediate or potential threat to life or serious property damage, and the timely arrival of public safety assistance is of the utmost importance. A person reporting an emergency should not be placed on hold until the dispatcher has obtained all necessary information to ensure the safety of the responding department members and affected individuals.

Emergency calls should be dispatched immediately. The Watch Commander shall be notified of pending emergency calls for service when department members are unavailable for dispatch.

806.1.1 NUMERICAL FILING SYSTEM

Case reports are filed numerically within the Police Support Services by Police Support Services personnel.

Reports are numbered commencing with the last two digits of the current year followed by a sequential number beginning with 00001 starting at midnight on the first day of January of each year. As an example, case number YY-00001 would be the first new case beginning January 1 of a new year.

806.2 FILE ACCESS AND SECURITY

All reports including, but not limited to, initial, supplemental, follow-up, evidence, and all reports critical to a case shall be maintained in a secure area within the Police Support Services accessible only to authorized Police Support Services personnel. Access to report files after hours or when records personnel are otherwise not available may be obtained through the Watch Commander.

Chula Vista Police Department employees shall not access, view or distribute, or allow anyone else to access, view or distribute any record, file or report, whether hard copy or electronic file format, except in accordance with department policy and with a legitimate law enforcement or business purpose or as otherwise permissible by law.

Generally, original reports shall not be removed from the Police Support Services. Should an original report be needed for any reason the requesting employee shall first obtain authorization from the Records Manager. All original reports removed from the Police Support Services shall be recorded on the Report Check-Out Log which shall constitute the only authorized manner by which an original report may be removed from the Police Support Services.

All personnel who are involved in the restoration of serial numbers will observe the following guidelines. This policy complies with Penal Code § 11108.9.

808.2 PROCEDURE

- (c) Accurately record/document the condition of the gun when received. Note the positions of the various components such as the safeties, cylinder, magazine, slide, hammer, etc. Accurately record/document cylinder chamber and magazine contents. Package the ammunition separately.
- (d) If the firearm is to be processed for fingerprints or trace evidence, process before the serial number restoration is attempted. First record/document important aspects such as halos on the revolver cylinder face or other relevant evidence that might be obscured by the fingerprinting chemicals.

808.2.2 PROPERTY BOOKING PROCEDURE

Any employee taking possession of a firearm with removed/obliterated serial numbers shall log the firearm into evidence/property following Department procedures. The employee logging the firearm shall indicate on the evidence/property form the serial numbers have been removed or obliterated.

The Custodian of Records shall also assist in describing the information technology and physical location in which the record exists (Government Code § 6253.1).

The responsibilities of this position include, but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, National Law Enforcement Telecommunications System (NLETS), Department of Motor Vehicle (DMV) records and California Law Enforcement Telecommunications System (CLETS).
- (b) Developing, disseminating and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy.

812.4.2 RELEASE OF CORI

Only the persons listed below are authorized to release CORI. Each authorized person releasing CORI is responsible to ensure that each request granted appears legitimate and that the requester is an authorized recipient with a right and need to know.

Access to the databases for the DMV is for the purpose of enforcing the law.

It is prohibited to inquire into the DMV computer databases when not taking specific law enforcement action or conducting an authorized department investigation.

812.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Manager for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Police Support Services to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should generally not be transmitted by radio, cellular telephone or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of officers, other department members or the public is at risk.

Nothing in this policy is intended to prohibit broadcasting warrant information.

812.5.1 REVIEW OF CRIMINAL OFFENDER RECORD

Individuals requesting to review their own California criminal history information shall be referred to the Department of Justice (Penal Code § 11121).

Members shall also ensure that unencrypted protected information is only transmitted across computer networks that have been approved by the Department of Justice for the transmission of protected information. Examples of networks approved for protected information include all internal network infrastructure maintained by the Police Department, and external network infrastructure used to communicate to or from Department-owned mobile devices using 2-factor authentication. Examples of networks that are not approved for protected information include but are not limited to: publically accessible networks such as the internet, email beyond the Department's domain (chulavistapd.org), non-secure or "guest" WiFi services, IP-based communication platforms such as Skype or Voice-over-IP (VOIP) telephony, and all mobile messaging services such as text messages, SMS, MMS, Twitter, and Facebook Messenger. Protected information may be transmitted over publically accessible networks when that information has been encrypted in accordance with established policies.

812.7 TRAINING

Chula Vista Police Department

Policy Manual

Protected Information

812.7.1 COMPUTER TERMINAL SECURITY

Computer terminal equipment capable of providing access to automated criminal offender record information is located in the Police Support Services, the Communications Center, the Professional Standards Unit, Patrol, and in the Investigations to preclude access by unauthorized persons.

No employee shall be authorized to operate computer terminal equipment with access to CORI until the operator has completed the appropriate training.

The Administrative Services Division Commander may appoint other department employees to the role of Custodian of Criminal Records, who will share the same responsibilities regarding criminal records.

The Administrative Services will ensure that he/she makes the appropriate applications and notifications to the California Department of Justice regarding the Department's Custodian of Criminal Record appointments, per the requirements of Penal Code § 11102.2.

This subsection is not intended to interfere with any other employee acting as a custodian of records for other statutory purposes but is narrowly tailored to address issues of criminal history records.

812.7.4 SYSTEM HISTORY INFORMATION

CCH information is provided in written form on a monthly basis to the ACC. This information contains all criminal history inquiries requested during the previous month. These reports shall be maintained for a minimum of three years.

Any request made through the CLETS system shall be tracked for a minimum of five years and some requests can be traced for a period of fifteen years. Any requests for previously obtained CLETS information shall only be obtained through the Professional Standards Office.

812.9 PENALTIES FOR MISUSE OF RECORDS

Penal Code §§ 11140 and 11144 make it a misdemeanor to furnish, buy, receive, or possess Department of Justice rap sheets without authorization by a court, statute, or case law.

Title 11, California Administrative Code § 702 provides that authorized persons or agencies violating the Regulations Regarding the Security of Criminal Offender Record Information in California may lose direct access to CORI maintained by the California Department of Justice.

Each person who uses Livescan will sign on with his/her own police ID number and unique password. The agency copy of the applicant Livescan form shall be maintained for a minimum of three years.

Computers and Digital Evidence

814.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

814.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
 2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number, evidence sheet number, and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Log all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, officers should document the following in related reports:
 1. Where the computer was located and whether or not it was in operation.
 2. Who was using it at the time.
 3. Who claimed ownership.
 4. If it can be determined, how it was being used.

Computers and Digital Evidence

- (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

814.2.1 BUSINESS OR NETWORKED COMPUTERS

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

814.2.2 FORENSIC EXAMINATION OF COMPUTERS

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

814.3 SEIZING DIGITAL STORAGE MEDIA

Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Evidence Control to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

Computers and Digital Evidence

814.4 SEIZING PCDS

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. When possible, the device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

814.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

814.5.1 COLLECTION OF DIGITAL EVIDENCE

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

814.5.2 SUBMISSION OF DIGITAL MEDIA

- (a) The following are required procedures for the submission of digital media used by cameras or other recorders:
 1. The recording media (smart card, compact flash card or any other media) shall be brought to the Department and downloaded into the Department web-server before the employees end of shift for submission into evidence. Once logged into the Department web-server the camera operator shall erase the files from the recording media.
 2. As soon as possible following the collection of evidence, the camera operator is to remove the recording media from the digital camera and place the recording media into the provided envelope. The recording media and envelope are then to be kept in the camera case until the recording media can be downloaded for evidence.
 3. The camera operator logging in the recorded media should print a copy of the digital files and give them to the case officer to attach with the report.

Chula Vista Police Department

Policy Manual

Computers and Digital Evidence

- (b) In the event the camera operator is using a compact disc (CD) camera the digital images shall be copied from the temporary hard disk directly to a non-rewritable disc (CD) by the person who saved the images.
1. No alterations of the images shall be made while on the temporary hard disk.
 2. When copying images from the temporary hard disk to a CD, the person who saved or copied the images to the CD will immediately confirm all files were completely and accurately copied.
 3. The camera operator who copied the images to a CD will permanently write on the CD with the camera operators initials, date, and case number.

Seizure and Release of Firearms

815.1 PURPOSE AND SCOPE

California Law provides that all firearm owners who want to retrieve seized weapons from the Department must first receive clearance from the Department of Justice, regardless of whether the firearm was seized as evidence or just for safekeeping.

815.2 SEIZURE OF FIREARMS

Any employee seizing a firearm shall document in an official report the circumstances leading to the seizure of the firearm, along with specific details about the make, model, serial number and caliber of the firearm, where available. Firearms seized as "found property" turned in for destruction should be documented in a "Miscellaneous Incident" report.

Employees should check firearm serial numbers through law enforcement databases (such as CLETS) prior to booking the weapon.

Whenever a firearm is seized from a private person, the seizing employee should notify the person of the following:

- (a) Whether the weapon is being seized for evidence or for other reasons.
- (b) Firearms seized for evidence may not be released without the approval of the District Attorney and an Investigations Division Sergeant
- (c) Persons seeking the release of any seized firearm, regardless of the reason for seizure, must submit application for the release of the firearm, along with the appropriate fees, to the California Department of Justice, Bureau of Firearms. Firearms shall not be released without the approval of the Department of Justice.
 1. The application for the release of a firearm shall be filed on the appropriate form as required by the California Department of Justice. This form is available at the Department of Justice's website, at <http://www.ag.ca.gov/firearms/>.
- (d) Upon receipt of authorization from the Department of Justice, the owner of the firearm should contact the Chula Vista Police Department within 30 days to make an appointment to receive their weapon.

Seized firearms should be logged into property in accordance with Policy § 804, and in accordance with the direction of the Property Room, Crime Lab, Investigator, or any supervisor.

815.3 RELEASE OF FIREARMS

Firearms seized for evidence may not be released without the approval of the District Attorney and the Department Investigations Division. No Firearm may be released to a private party without written authorization from the Department of Justice.

815.3.1 RELEASE OF FIREARMS TO LAW ENFORCEMENT AGENCIES

Department employees may periodically seize a firearm owned by an allied law enforcement agency. Nothing in this policy is intended to prohibit the release of firearms to any bona-fide law enforcement agency, provided the releasing employee confirms the identity and authority of the person to whom the firearm is to be released, and provided the employee receives the authorization of the Watch Commander or an Investigations supervisor. Whenever a firearm is released to an allied law enforcement agency, the releasing employee shall document that release on the appropriate form or report, to be kept on file at the Department.

Animal Control

823.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for animal control officers and Chula Vista Police Department personnel in dealing with animal control related calls for service and to set forth procedures regarding animal control services, the handling of injured animals, and the abatement of animal nuisances.

823.2 ANIMAL CONTROL OFFICER RESPONSIBILITY

The Animal Control Officer (ACO) shall be responsible for enforcing local, state and federal laws relating to animals, and for appropriately resolving or referring animal problems as outlined in this policy.

During hours when the ACO is on duty, requests for animal control services shall be assigned by the Communications Center or the Watch Commander.

Requests for assistance by the ACO shall be acknowledged and responded to promptly.

823.3 OFFICER RESPONSIBILITY

During hours when the Animal Control Officer is off-duty, or if the ACO is otherwise unavailable, the following animal related calls for service will be handled by the appropriate on-duty officer.

Officers may be dispatched to animal related calls and should take appropriate actions to control the situation until the arrival of an ACO. Due to the hazards of handling animals without proper equipment, responding officers generally should not attempt to capture and pick up any animal, but should keep the animal under observation until the arrival of the ACO. The following are examples of when an officer may consider acting before the arrival of the ACO:

- (a) When there is a threat to the public safety.
- (b) When animal has bitten someone, officers should take measures to confine the animal and prevent further injury.
- (c) When an animal is creating a traffic hazard.
- (d) When the owner/handler has been arrested and there is no other alternative placement for the animal.
- (e) When the animal is gravely injured.

823.3.1 ANIMAL CRUELTY COMPLAINTS

Officers shall conduct a preliminary investigation on all reports of animal cruelty and forward the information to the ACO for follow-up. Officers shall not hesitate to take any immediate actions deemed necessary. The assistance of an animal control officer may be requested to assist with the investigation when appropriate for the purpose of handling the disposition of any animal(s) associated with the case.

Chula Vista Police Department

Policy Manual

Animal Control

823.3.2 STRAY DOGS

If the dog has a license or can otherwise be identified, the owner should be contacted, if possible. If the owner is contacted, the dog should be released to the owner and a citation may be issued if appropriate. If a dog is taken into custody, it shall be transported to the Animal Shelter (9am-4pm) or to the holding pens, making sure the animal has food, water, and bedding.

The animal pick-up form must be completely filled out and placed in the ACO's box. Release of impounded dogs requires a fee be paid. Releases will be handled by the ACO.

The ACO will transport any animals in the holding pens to the Animal Shelter as soon as he/she comes on duty. Once a dog has been taken into custody, all releases should be handled by the Animal Shelter. In cases where the ACO is not available, the Watch Commander shall designate an alternate to transport so that any animals are not held in the holding pens unnecessarily for extended periods.

823.3.3 ANIMAL BITE REPORTS

Officers shall obtain as much information as possible for forwarding to the ACO for follow-up. Officers shall instruct the owner of a biting animal, if contacted, to keep the animal confined on the property until contacted by the ACO. If the animal is a stray, then every effort shall be made to capture and impound the animal immediately.

823.3.4 PUBLIC NUISANCE CALLS RELATING TO ANIMALS

Officers shall obtain and forward to the ACO as much information as possible regarding the nature of the complaint, complaining person, owner information (if possible), location of problem, etc. Officers will also document any actions taken, citation(s) issued, related report numbers, etc.

In the event responding officers cannot fulfill urgent requests for service because the animal is difficult or dangerous to handle, the ACO may be called to duty to handle. If the ACO is unavailable, the patrol supervisor may request the assistance of an animal control officer from an allied agency.

All requests to call in the ACO must be approved by a field supervisor or the Watch Commander.

823.4 DECEASED ANIMALS

Deceased animals on public property will be removed and properly disposed of by the ACO.

823.5 INJURED ANIMALS

When any injured domesticated animal is brought to the attention of a member of this agency, all reasonable attempts shall be made to contact the owner or responsible handler. When the owner or responsible handler cannot be located and the animal is not an immediate danger to the community, it shall be taken to a doctor of veterinary medicine as described below (Penal Code 597.1).

- (a) During normal business hours, the animal should be taken to an authorized veterinary care clinic by the on duty ACO.

Chula Vista Police Department

Policy Manual

Animal Control

- (b) If after normal business hours, the animal should be taken to the authorized Veterinary Emergency and Critical Care Services Clinic.
- (c) The only exception to the above is when the animal is an immediate danger to the community or the owner of the animal is identified and takes responsibility for the injured animal.
 - 1. When the need to kill a seriously injured or dangerous animal is necessary, the department Firearms Policy shall be followed. The decision to dispose of a seriously injured animal will rest with the on-duty Watch Commander.
- (d) Injured wildlife should be referred to the SPCA, Marine Mammal Center or Department of Fish and Wildlife as applicable. The SPCA will not pick up common pigeons (red legs), starlings, bats or skunks.
- (e) When handling dead or injured animals department employees shall attempt to identify and notify the owner of the final disposition of the animal.
- (f) Each incident shall be documented and, at minimum, include the name of the reporting party and veterinary hospital and/or person to whom the animal is released. If the ACO is off duty, the information will be forwarded for follow-up.

823.6 CITATIONS

It should be at the discretion of the handling officer or the Field Supervisor as to the need for, or advisability of, the issuance of a citation for a violation.

823.7 POST-ARREST PROCEDURES

The arresting officer should make a reasonable effort to ensure that animals or pets under a person's care will be provided with adequate care when that person is arrested. This is only required when there is no person to provide care and the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animals.

Relatives or neighbors may be contacted, with the owner's consent, to care for the animals. If no persons can be found or the owner does not consent, the appropriate animal control authority should be notified.

Chapter 9 - Custody

Jail Facility

900.1 PURPOSE AND SCOPE

This policy establishes guidelines for the booking, housing, security and release of prisoners at the Chula Vista Police Department's Jail Facility.

In addition to this policy, the Department shall maintain the Chula Vista Police Department Jail Operations Manual on a current basis to reflect the procedures being followed within the Jail Facility (Title 15 § 1029 California Code of Regulations).

For the purposes of evaluating and regulating operations and conduct of Department members assigned to or operating within the Jail Facility, the Jail Operations Manual shall be considered an addendum to the overarching Chula Vista Police Department Policy Manual. Employees assigned to or operating within the Jail Facility are required to read and obtain necessary clarification of both this Policy Manual and the Jail Operations Manual.

The policies of the Jail Facility also include the following Policy Manual sections:

- Policy Manual § 300 Use of Force
- Policy Manual § 306 Leg Restraint Device
- Policy Manual § 308 Control Devices and Techniques
- Policy Manual § 324 Temporary Custody of Juveniles
- Policy Manual § 418 Mental Illness Commitments
- Policy Manual § 420 Cite and Release Policy
- Policy Manual § 422 Arrest and Detention of Foreign Nationals
- Policy Manual § 428 Immigration Violations
- Policy Manual § 514 Drunk driving Evidence and Collection

This policy also provides guidelines to address the health and safety of adults taken into temporary custody by members of the Chula Vista Police Department for processing prior to being released or transferred to a housing or other type of facility.

Temporary custody of juveniles is addressed in the Temporary Custody of Juveniles Policy.

Chula Vista Police Department

Policy Manual

Jail Facility

Custodial searches are addressed in the Custodial Searches Policy.

900.1.1 TRANSPORTATION OF PRISONERS

Generally and when circumstances permit, prisoners of the opposite sex, or adult and juvenile prisoners, should not be transported in the same vehicle unless they are physically separated by a solid barrier. If segregating prisoners is not practicable, officers should be alert to inappropriate physical or verbal contact between them and take appropriate action as necessary.

Whenever a prisoner is to be transported from the Chula Vista City Jail to another facility by a member of this department the transporting officer shall be responsible for the following:

- (a) Verify that the identity of each prisoner to be transported matches the booking paperwork.
- (b) Ensure that all pertinent documentation accompanies the prisoner, such as copies of booking forms, medical records when appropriate, an itemized list of the prisoner's property, warrant copies, etc.
- (c) Ensure that any known threat or danger the prisoner may pose, such as escape risk, suicide potential, or medical condition, is recorded on the prisoner's booking documentation and is transported with the prisoner to the next facility. The transporting officer shall ensure such threat or danger is communicated to intake personnel at the facility.

900.1.2 JAIL COMPLIANCE OFFICER

The Department shall assign a Jail Compliance Officer (JCO) to monitor the department's compliance with jail standards/regulations and to propose and implement policy and training. The Chief of Police or his/her designee shall appoint the JCO and he/she shall report directly to the Chief of Police or his/her designee on jail matters. The duties of the Jail Compliance Officer may be assigned to the Jail Manager or to a separate employee as a collateral assignment, at the discretion of the Chief of Police.

Responsibilities of the Jail Compliance Officer shall include, but are not necessarily limited to, the following:

- Draft policies that meet the operational needs of the department and comply with those standards adopted by the Board of Corrections and are defined in the California Code of Regulations (Title 15 & 24), Health and Safety Code (§11551-§11563), Penal Code (§4004-§4030).
- Implement training programs to insure that the custodial staff meets the standards as outlined in Title 15 of the California Code of Regulations.
- Coordinate in-house training programs that comply with Board of Corrections standards and when logistically possible, offer those approved programs to outside agencies.
- Conduct regular inspections of the jail facility to insure that basic health and sanitation standards are being met.

Jail Facility

- Review documents prepared by the custodial staff to insure compliance with safety checks, classification, medical assistance and visitation issues. In the event that the JCO discovers non-compliance with policy or state law, he/she will notify the jail manager immediately in writing of the discrepancies.
- Coordinate with the Board of Corrections, the San Diego County Grand Jury, the Superior Court and the San Diego County Health Department on Audits and inspections of the facility.

The Chief of Police or the authorized designee shall ensure a staffing plan is prepared and maintained, indicating assigned personnel and their duties. The plan should ensure that at least one member who meets the training standards established by the corrections Standards Authority (CSA) for general fire and life safety and is trained in fire and life safety procedures relating specifically to the facility is on duty at all times (15 CCR 1028).

The staffing plan shall be available for biennial review by CSA staff. The review recommendations of the CSA biennial review shall be forwarded to the City, as required by (15 CCR 1027).

900.2 PRISONER SUPERVISION AND CLASSIFICATION

The supervision and classification of all prisoners will be in accordance with the Jail Operations Manual.

900.2.1 PRISONER CLASSIFICATION, SCREENING AND SEGREGATION

It is the policy of the Chula Vista Police Department Jail to segregate prisoners in compliance with the requirements noted in Title 15 of the California Code of Regulations.

- (a) It is necessary to establish a prisoner classification procedure wherein each prisoner will be evaluated, prior to housing, according to categories of sex, age, criminal sophistication, seriousness of crime charged, assaultive/non-assaultive behavior, medical problems, mental state (including developmental disabilities) and sexual orientation, and housed in order to provide for the safety of prisoners and staff (15 CCR § 1050).
- (b) As part of the booking procedure, the booking officer should evaluate each incoming prisoner using the Prisoner Classification and Screening Form. This form may be incorporated into an electronic jail management database. This form shall be completed in its entirety in order to properly assign prisoners according to sex, age, criminal sophistication, seriousness of crime charged, physical or mental health needs, assaultive/non-assaultive behavior, restrictions, cell assignments and other criteria to ensure the safety of the prisoner and staff.
- (c) During the booking procedure, the booking officer shall ask the prisoner if he/she is contemplating suicide. The officer shall evaluate the prisoner for other signs or indications that the prisoner may be suicidal. If there is any suspicion that the prisoner may be suicidal, he/she shall be transported to the county jail or appropriate mental health facility. The

Chula Vista Police Department

Policy Manual

Jail Facility

receiving staff shall be notified in writing (e.g., noted on the booking sheet, 5150 form, etc.) that the suspect may be suicidal.

- (d) It is the responsibility of the on duty Police Services Officer to ensure that the Prisoner Classification and Screening Form has been properly completed. After the completion of the form, the Watch Commander will be required to authorize, on a case-by-case basis, the placement of each prisoner in the Jail who is not immediately released or transported to the county jail.
 - 1. The prisoner will then be housed or transported.
 - 2. The completed classification form will be retained with the booking record.
- (e) Before placing any prisoner into a temporary holding cell with any other prisoner, members shall consider whether the prisoner may be at a high risk of being sexually abused based on all available known information (28 CFR 115.141).
- (f) If a prisoner will be housed overnight in the same cell with any other prisoner, he/she shall be screened to assess his/her risk of being sexually abused by other prisoners or of being sexually abusive toward other prisoners. Members shall ask the prisoner about his/her own perception of vulnerability and shall consider the following criteria to screen prisoners for risk of sexual victimization, including (28 CFR 115.141):
 - 1. Whether the prisoner has a known or apparent mental, physical or developmental disability.
 - 2. The age of the prisoner.
 - 3. The physical build and appearance of the prisoner.
 - 4. Whether the prisoner has previously been incarcerated.
 - 5. The nature of the prisoner's alleged offense and criminal history.
- (g) Any prisoner identified as being at a high risk for sexual victimization shall be provided with heightened protection. This may include continuous, direct sight and sound supervision, single-cell housing or placement in a cell that is actively monitored on video by a staff member who is available to immediately intervene, unless no such option is reasonably feasible (28 CFR 115.113; 28 CFR 115.141).

900.2.2 TEMPORARY DETENTION OF JUVENILES

When a member of this department takes a juvenile into custody, that juvenile must be handled in a different manner than adults. Policy Manual § 324 is incorporated as a part of this manual and should be consulted regarding the policies and procedures for the temporary custody of juveniles.

All juvenile detentions will be logged per the provisions of Policy Manual § 324.

Jail Facility

900.2.3 HANDCUFFING OF PREGNANT ARRESTEES

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety and in no event shall persons known to be pregnant or in recovery following delivery be restrained by the use of leg irons, waist chains or handcuffs behind the body.

No arrestee who is in labor, delivery or recovery after delivery shall be otherwise handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers or others (Penal Code § 6030).

900.2.4 REPORTING PHYSICAL HARM OR SERIOUS THREAT OF PHYSICAL HARM

Any Temporary Holding Facility incident that results in physical harm or serious threat of physical harm to an employee, inmate or other person shall be documented per the Use of Force Policy, On-Duty Injuries Policy or other applicable reporting process. A copy of all reports generated regarding the above circumstances shall be submitted to the Facility Manager as soon as reasonably practicable. The Facility Manager will retain a record of these reports for inspection purposes (15 CCR § 1044).

900.3 PRISONER TELEPHONE CALLS

Every prisoner, whether adult or juvenile, detained in the Temporary Holding Facility shall be entitled to at least three completed telephone calls immediately upon being booked and no later than three hours after arrest. Either the arresting officer or the booking officer must ask the arrested person if he/she is a custodial parent with responsibility for a minor child as soon as practicable but no later than three hours after the arrest, except where this may be physically impossible. If the person is a custodial parent with responsibility for a minor child, the person shall be entitled to make two additional telephone calls for the purpose of arranging care for the minor child (Penal Code § 851.5).

There is no obligation for the officer to make a call on a prisoner's behalf - for example in the case of a person that is so intoxicated that he or she cannot make a call. An officer is not required to wake an intoxicated person three hours after booking so that they may complete a call.

There is also no limitation on the amount of time a prisoner's phone call must last. A prisoner should be given sufficient time on the phone to contact whomever he/she desires and to arrange for necessary items because of his/her arrest. The phone calls are not intended to be lengthy conversations and the officer may use his or judgment in determining the duration of the calls.

900.3.1 TELEPHONE CALL PROCEDURES

The Department will pay the cost of local calls. Long distance calls must be paid by the prisoners using a private vendor under contract with the Department.

Calls between the prisoner and his/her attorney shall be deemed confidential and shall not be monitored, eavesdropped upon or recorded.

The provisions of Penal Code § 851.5 shall be posted in bold block type in a conspicuous place within the Temporary Holding Facility.

Jail Facility

900.4 HANDLING OF PRISONER'S PROPERTY

Officers shall take care in the handling of prisoner's property to avoid discrepancies or losses.

The personal property of an individual in custody should be removed, inventoried and processed as provided in the Custodial Searches Policy, unless the individual requests a different disposition.

For example, an individual may request property (i.e., cash, car or house keys, medications) be released to another person. A request for the release of property to another person must be made in writing. Release of the property requires the recipient's signature on the appropriate form.

Any personal property belonging to the prisoner but retained by the officer, such as a driver's license, wallet, and other similar property, shall be placed in a property bag, and sealed. A list of the property shall be included on the booking form. Any property too large to be kept in the Jail Facility shall be booked into property for safekeeping.

Weapons belonging to the prisoner shall not be brought into the Jail Facility or placed into the prisoner's property for inventory, but secured outside the Jail Facility until they can be booked into evidence or safe keeping.

Property belonging to the prisoner, but retained by the officer as evidence, shall be logged according to procedures. The prisoner shall be advised that such property will be kept as evidence and where demanded, the officer will issue the prisoner a receipt. Such receipt may be a copy of the property booking form, written out in the officer's handwriting or typed for his/her personal signature. It should include the description of the property (but not its value), the case number, date, time, officer's badge number and signature. Where a receipt is issued, it should be mentioned in the arrest report.

If the individual is transferred to another facility or court, the member transporting the individual is required to obtain the receiving person's signature as notice of receipt. The Department shall maintain a copy of the property receipt.

The Watch Commander shall be notified whenever an individual alleges that there is a shortage or discrepancy regarding his/her property. The Watch Commander shall attempt to prove or disprove the claim.

900.6.1 USE OF PRIVATE SECURITY GUARDS FOR TRANSPORTATION

The Department may contract with private security guard firms (PSG) for the transportation of prisoners. The use of a PSG is intended to free up uniformed patrol resources for calls for service, proactive enforcement and other priority activities. But caution should be exercised to avoid placing PSG in a position that is unreasonably hazardous or that requires them to make significant

Chula Vista Police Department

Policy Manual

Jail Facility

decisions on behalf of the Department. Each mission given to PSG must be carefully evaluated for potential hazards and risks. In some cases, the use of a Department employee rather than PSG may be preferred.

Police Services Officers may call for the use of a PSG to transport a prisoner unless circumstances reasonably suggest otherwise. The decision to use PSG should be based on a careful evaluation of a variety of factors. PSG should only be used when the risk of violence or escape is deemed to be minimal. Examples where PSGs may generally be used include, but are not limited to the following circumstances:

- (a) Transporting cooperative pre-arraignment prisoners from CVPD Jail to another jail facility.
- (b) Transporting cooperative prisoners from a hospital after being cleared for incarceration, regardless of whether the prisoner had been under guard of PSGs or Department officers.
- (c) Transporting prisoners in accordance with other contracts or agreements. This includes duties related to contracts with the United States Marshals Service.

PSGs should only be used for cooperative prisoners. PSGs shall not be used in any circumstance involving combative prisoners, prisoners that represent a heightened security risk, prisoners that require medical or psychiatric treatment, or for unusual or non-routine circumstances. Examples where PSGs shall not be used include, but are not limited to the following circumstances:

- (a) Transporting prisoners to medical facilities or psychiatric facilities for evaluation, treatment or clearance.
- (b) Transporting or guarding combative prisoners or those that present a heightened risk of violence or escape.
- (c) Any other circumstance that presents an increased risk to the Department or increased hazard to PSG.

In all circumstances the on-duty Watch Commander has discretion to require or deny the use of a PSG.

Custodial Searches

902.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Chula Vista Police Department facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

902.1.1 DEFINITIONS

Definitions related to this policy include:

Custody search - An in-custody search of an individual and of his/her property, shoes and clothing, including pockets, cuffs and folds on the clothing, to remove all weapons, dangerous items and contraband.

Physical body cavity search - A search that includes a visual inspection and may include a physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of an individual, and the vagina of a female person.

Strip search - A search that requires an individual to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks, anus or outer genitalia. This includes monitoring an individual who is changing clothes, where his/her underclothing, buttocks, genitalia or female breasts are visible.

902.2 DEFINITIONS OF SEARCHES

Pat-Down Search - This is the normal type of search used by officers in the field to check an individual for weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the prisoner, or other prisoners.

Booking Search - This search is used in the jail and again involves a thorough patting down of an individual's clothing. All pockets, cuffs, etc., on the clothing are checked to locate all personal property, contraband, or weapons. The prisoner's personal property is taken and inventoried.

Strip Search or Visual Body Cavity Search - This is a search that requires a person to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks or genitalia of such person (Penal Code § 4030(d)(2)). This includes monitoring of an arrestee showering or changing clothes where the arrestee's underclothing, buttocks, genitalia or female breasts are visible to the monitoring employee.

Physical Body Cavity Search - This is a search that includes physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of a person, and the vagina of a female person (Penal Code §§ 4030(d)(1) and 4030(d)(3)).

Custodial Searches

902.3 PAT DOWN SEARCHES

When any officer has reasonable suspicion to believe that a person being lawfully detained may possess weapons or other dangerous items, or in such circumstances the officer reasonably believes that the individual may present a threat to officer safety, that officer may conduct a normal pat-down search of that individual.

Prior to detaining any individual in any police vehicle, an officer should conduct a normal pat-down search of that individual.

Whenever practical, a pat-down search of an individual should be conducted by an officer of the same sex as the person being searched. Absent the availability of a same sex officer, it is recommended that a witness officer be present during any pat-down search of an individual of the opposite sex as the searching officer.

902.4 SEARCHES AT POLICE FACILITIES

Custody searches shall be conducted on all individuals in custody, upon entry to the Chula Vista Police Department facilities. Except in exigent circumstances, the search should be conducted by a member of the same sex as the individual being searched. If a member of the same sex is not available, a witnessing member must be present during the search.

Custody searches should also be conducted any time an individual in custody enters or re-enters a secure area, or any time it is reasonably believed that a search is necessary to maintain the safety and security of the facility.

902.5 STRIP SEARCHES

No person held at a Chula Vista Police Department facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the person has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

- (a) The detection of an object during a pat-down search that may be a weapon or contraband and cannot be safely retrieved without a modified strip search or strip search.
- (b) Circumstances of a current arrest that specifically indicate the person may be concealing a weapon or contraband. A felony arrest charge or being under the influence of a controlled substance should not suffice as reasonable suspicion absent other facts.
- (c) Custody history (past possession of contraband while in custody, assaults on staff, escape attempts).
- (d) The person's actions or demeanor.
- (e) Criminal history (level of experience in a custody setting).

No transgender or intersex prisoner shall be searched or examined for the sole purpose of determining the prisoner's genital status. If the prisoner's genital status is unknown, it may be

 - 10. The facts upon which the member based his/her belief that the individual was concealing a weapon or contraband.
- (g) No member should view an individual's private underclothing, buttocks, genitalia or female breasts while that individual is showering, performing bodily functions or changing clothes, unless he/she otherwise qualifies for a strip search. However, if serious hygiene or health issues make it reasonably necessary to assist the individual with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the individual's consent and/or otherwise protect his/her privacy and dignity.

- (a) There is probable cause to believe that the individual is concealing a weapon or other dangerous item that cannot be recovered by a more limited search.
- (b) There is probable cause to believe that the individual is concealing controlled substances or evidence that cannot be recovered by a more limited search, and there is no reasonable alternative to ensure the individual cannot destroy or ingest the substance during transportation.

These special-circumstance field strip searches shall only be authorized and conducted under the same restrictions as the strip search procedures in this policy, except that the Watch Commander authorization does not need to be in writing.

902.6 PHYSICAL BODY CAVITY SEARCH

Physical body cavity searches shall be subject to the following (Penal Code § 4030):

- (a) No individual shall be subjected to a physical body cavity search without written approval of the Watch Commander and only upon a search warrant. - (b) Only a physician, nurse practitioner, registered nurse, licensed vocational nurse or Emergency Medical Technician Level II licensed to practice in California may conduct a physical body cavity search.
- (c) Except for the physician or licensed medical personnel conducting the search, persons present must be of the same sex as the individual being searched. Only the necessary department members needed to maintain the safety and security of the medical personnel shall be present.
- (d) Privacy requirements, including restricted touching of body parts and sanitary condition requirements, are the same as required for a strip search.
- (e) All such searches shall be documented, including:

904.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

No detainee or prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Detainee or prisoner victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

904.5.5 CONCLUSIONS AND FINDINGS

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Manager. The Chief of Police or City Manager shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with detainees or prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with detainees or prisoners by a contractor or volunteer.

904.6 RETALIATION PROHIBITED

All detainees, prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Watch Commander or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for detainee or prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for detainees, prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

Prison Rape Elimination

The Watch Commander or the authorized designee shall identify a staff member to monitor the conduct and treatment of detainees, prisoners or members who have reported sexual abuse and of detainees or prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of detainees or prisoners, such monitoring shall also include periodic status checks.

904.7 REVIEWS AND AUDITS

904.7.1 INCIDENT REVIEWS

An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

- (a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.
- (b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.
- (c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.
- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Chief of Police and the PREA Coordinator. The Chief of Police or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

904.7.2 DATA REVIEWS

The facility shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files and sexual abuse incident reviews (28 CFR 115.187).

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices and training. An annual report shall be prepared that includes (28 CFR 115.188):

- (a) Identification of any potential problem areas.

Chula Vista Police Department

Policy Manual

Prison Rape Elimination

- (e) An assessment of the department's progress in addressing sexual abuse.

The report shall be approved by the Chief of Police and made readily available to the public through the department website or, if it does not have one, through other means. Material may be redacted from the reports when publication would present a clear and specific threat to the safety and security of the Temporary Holding Facility. However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from Chula Vista Police Department facilities and private facilities with which it contracts shall be made readily available to the public at least annually through the department website or, if it does not have one, through other means. Before making aggregated sexual abuse data publicly available, all personal identifiers shall be removed (28 CFR 115.189).

904.8 RECORDS

The Department shall retain all written reports from administrative and criminal investigations pursuant to this policy for as long as the alleged abuser is held or employed by the Department, plus five years (28 CFR 115.171).

All other data collected pursuant to this policy shall be securely retained for at least 10 years after the date of the initial collection unless federal, state or local law requires otherwise (28 CFR 115.189).

904.9 TRAINING

All employees, volunteers and contractors who may have contact with detainees or prisoners shall receive department-approved training on the prevention and detection of sexual abuse and sexual harassment within this facility. The Training Manager shall be responsible for developing and administering this training as appropriate, covering at a minimum (28 CFR 115.131):

- The Department's zero-tolerance policy and the right of detainees and prisoners to be free from sexual abuse and sexual harassment, and from retaliation for reporting sexual abuse or harassment.
- The dynamics of sexual abuse and harassment in confinement settings, including which detainees and prisoners are most vulnerable.
- The right of detainees, prisoners and staff members to be free from sexual abuse and sexual harassment, and from retaliation for reporting sexual abuse or harassment.
- Detecting and responding to signs of threatened and actual abuse.
- Communicating effectively and professionally with all detainees and prisoners.

Chula Vista Police Department

Policy Manual

Prison Rape Elimination

- Techniques for interviewing sexual abuse victims.
- Proper use of *Miranda* and *Garrity* warnings.
- Sexual abuse evidence collection in confinement settings.
- Criteria and evidence required to substantiate a case for administrative action or prosecution referral.

The Training Manager shall maintain documentation that employees, volunteers, contractors and investigators have completed required training and that they understand the training. This understanding shall be documented through individual signature or electronic verification.

All current employees and volunteers who may have contact with detainees or prisoners shall be trained within one year of the effective date of the PREA standards. The agency shall provide annual refresher information to all such employees and volunteers to ensure that they understand the current sexual abuse and sexual harassment policies and procedures.

- (e) Employee referral and recruitment incentive programs.
- (f) Consideration of shared or collaborative regional testing processes.

The Division Commander shall avoid advertising, recruiting and screening practices that tend to stereotype, focus on homogeneous applicant pools or screen applicants in a discriminatory manner.

The Department should strive to facilitate and expedite the screening and testing process, and should periodically inform each candidate of his/her status in the recruiting process.

The background report and all supporting documentation shall be maintained in accordance with the established records retention schedule.

Candidates will be evaluated based on merit, ability, competence and experience, in accordance with the high standards of integrity and ethics valued by the Department and the community. The California Commission on Peace Officer Standards and Training (POST) developed a Job Dimensions list, which is used as a professional standard in background investigations.

Validated, job-related and nondiscriminatory employment standards shall be established for each job classification and shall minimally identify the training, abilities, knowledge and skills required to perform the position's essential duties in a satisfactory manner. Each standard should include performance indicators for candidate evaluation. The Department of Human Resources should maintain validated standards for all positions.

Evaluation of Employees

1002.1 PURPOSE AND SCOPE

The objective of the evaluation system is to record work performance for both the Department and the employee, giving recognition for good work and providing a guide for improvement where needed. The employee performance evaluation report is a gauge in measuring performance and is used for making personnel decisions relating to merit increase, promotion, reassignment, discipline, demotion and termination. The report also provides a guide for mutual work planning and review and an opportunity to convert general impressions into a more objective history of work performance based on job standards.

1002.2 POLICY

The Chula Vista Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to sex, race, color, national origin, religion, age, disability or other protected classes.

1002.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and civilian supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Evaluation of Employees

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

1002.3.1 RESERVE OFFICER EVALUATIONS

Reserve officer evaluations are covered under the Reserve Officers Policy.

1002.4 FULL TIME PROBATIONARY PERSONNEL

Civilian personnel are on probation for 12 months before being eligible for certification as permanent employees. An evaluation is completed quarterly for all full-time civilian personnel during the probationary period.

Sworn personnel hired and required to attend a California police academy are on probation for 18 months before being eligible for certification as permanent employees. Sworn personnel hired that are not required to attend a California police academy (including laterals and entry-level employees) are on probation for 12 months before being eligible for certification as permanent employees. Probationary officers are evaluated during their probationary period daily while in training, and quarterly while out of training.

Probationary employees shall receive an "End of Probation" evaluation at the conclusion of their probationary period. If the employee's end of probation falls between May 1st and July 1st, there will be no need to complete a regular evaluation in July of that year. If the employee's end of probation falls on or before April 30th, an interim regular evaluation shall be completed in addition to the "End of Probation" evaluation to cover the period of time up to the July 1st regular evaluation date. This is to ensure no employee goes longer than 15 months without receiving a yearly evaluation.

1002.5 FULL-TIME PERMANENT STATUS PERSONNEL

Permanent employees are subject to three types of performance evaluations:

- (a) **Regular** - Except as otherwise required by this policy, an Employee Performance Evaluation shall be completed at least once each year by the employee's immediate supervisor, in accordance with the following schedule:
 - 1. For personnel assigned to uniformed patrol, an Employee Performance Evaluation shall be completed on the last day of the employee's assigned shift.
 - 2. For all other personnel, an Employee Performance Evaluation shall be completed on July 1st of each year.
- (b) **Transfer** - If an employee is transferred from one assignment to another in the middle of an evaluation period, then partial evaluations shall be completed by both the previous and the current supervisor. Each supervisor shall evaluate the employee based on the time period for which the employee was assigned to the supervisor. Both partial evaluations shall be submitted as one package.

Chula Vista Police Department

Policy Manual

Evaluation of Employees

- (c) **Special** - A special evaluation may be completed any time the rater and the rater's supervisor feel one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

Each supervisor is responsible for meeting quarterly with each employee for the purposes of assessing the employee's progress and identifying training needs. The supervisor should also meet at least twice per year with their direct mid-manager to review the employee's performance. These meetings shall be documented on the quarterly evaluation checklist and attached to the performance evaluation.

Mid-Managers shall conduct annual meetings with their Division Commander to discuss the performance of their employees.

1002.5.1 RATINGS

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. Performance measures included herein are based, in part, on the overall expectation of the employee performance by the Department (to include subordinates, peers, supervisors and managers). Standards are based on the employee's knowledge and application of the Department policy, any training bulletins, department directives or other general orders, standard operating procedures, and the orders and commands of supervisors, to include written directives such as the "State of the Watch" expectations.

The definition of each rating category is as follows:

(O) Outstanding - Is actual performance well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

(AS) Above Standard - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected, but is not of such rare nature to warrant outstanding.

(MS) Meets Standards - Is the performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

(SS) Sub-Standard (improvement needed) - Is a level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.

(U) Unsatisfactory - Performance is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

(NA) Not Applicable - The performance measure is not applicable to the employee's position, assignment, or duties, or was not observed by the supervisor.

Space for written comments is provided next to each performance measure in the rater comments section. Additional space is provided at the end of the performance evaluation. These sections

Chula Vista Police Department

Policy Manual

Evaluation of Employees

allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. Any rating under any job dimension marked sub-standard or unsatisfactory shall be substantiated in the rater comments section. The supervisor is also encouraged to include written comments for any ratings of above standard and outstanding.

1002.6 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Permanent employees may also write comments in the Employee Comments section of the performance evaluation report.

1002.7 EVALUATION REVIEW

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the rater's supervisor (generally a mid-manager or Division Commander). That supervisor shall review the evaluation for fairness, impartiality, uniformity, and consistency. That supervisor shall evaluate the supervisor on the quality of ratings given.

All completed performance evaluations shall be forwarded to the Division Commander for final review and approval.

1002.8 EVALUATION DISTRIBUTION

The original performance evaluation shall be maintained in the employee's personnel file for the tenure of the employee's employment. A copy will be given to the employee and a copy may be forwarded to Human Resources if required by City Policy.

Transfer and Rotation Policy

1004.1 PURPOSE AND SCOPE

The purpose of this policy is to establish required and desirable qualifications for transfer within the ranks of the Chula Vista Police Department, and to establish uniform rotation procedures. This will ensure that Officers, Agents, Sergeants, and Lieutenants have opportunities to work in a variety of assignments.

1004.2 DEFINITION OF ASSIGNMENTS

For the purposes of this policy, the following definitions shall apply.

- (a) "Department-wide rotation" or "annual rotation" means the date on which most personnel transfers occur annually, and shall be the first day of the first full pay period in July.
- (b) "Grant funded position" means a specialty assignment for any rank whose funding is for a pre-determined length of time.
- (c) "Minimum commitment" means the length of time officers and agents are required to remain in a specialty assignment and shall be two years from the date of assignment. Minimum commitments apply each time personnel attain a new specialty assignment. Minimum commitments are imposed primarily because of training demands and the length of time to attain competence.
- (d) "Specialty assignment" means full-time positions for all sworn ranks within the Department that are not considered uniformed Patrol (Patrol K9 assignments are specialty assignments). These assignments shall be filled by competitive processes but are not considered promotions.

1004.2.1 TERM LIMITS OF ASSIGNMENTS

Term limits shall be established for assignments outside of uniformed patrol operations. It is the intent of the Department to allow more employees a chance to compete for, and work in, various positions that will expand their knowledge and enhance their careers. Extensions may be allowed in assignments when doing so will ensure operational effectiveness.

- (a) Term limits are established for specialty assignments in order to allow employees the opportunity to compete for, and work in, various positions that will expand their knowledge and enhance their careers.
- (b) Term limits for specialty assignments are generally calculated to start and end in conjunction with the Department-wide rotation date. For assignments not occurring on an annual rotation date, terms will be calculated to start either at the previous annual rotation date or the following annual rotation date, whichever is nearer.
- (c) The term limit for specialty assignments for all ranks and positions is four years. Sworn personnel assigned to any grant funded position shall be limited to a term of four years or the life of the position, whichever is less.

Transfer and Rotation Policy

- (d) Selection or reassignment to a specialty assignment from a different specialty assignment shall not constitute the beginning of a new term.

1004.2.2 ELIGIBILITY FOR ASSIGNMENTS

Officers and agents are eligible for specialty assignments upon completion of probation. Sergeants and lieutenants are eligible for specialty assignments regardless of probationary status. Officers and agents who are in specialty assignments are eligible for other specialty assignments only after completing the minimum commitment. Sergeants and lieutenants are generally exempt from minimum commitments. Additionally, officers and agents who return for any reason to uniformed Patrol from a specialty assignment must complete one year in uniformed Patrol before being eligible.

Officers and agents who voluntarily return to uniformed Patrol before their minimum commitment is fulfilled shall not be eligible for another specialty assignment until one year after the expiration of that minimum commitment.

Personnel are eligible for positions to be filled at the Department-wide rotation date if they meet the requirements of this section on or before that date. Personnel are eligible for positions to be filled on any other date if they meet these requirements on or before the position announcement closing date.

1004.2.3 EXTENSION OF ASSIGNMENT

Assignments may be extended beyond the term limits. Extensions for any specialty assignment shall be considered on a case-by-case basis and are at the discretion of the Chief of Police. Supervisors' requests for subordinate extensions shall be in writing to the Division Commander. Unit effectiveness, employee performance, unit makeup, and opportunity for other qualified candidates are some of the considerations for granting extensions.

Extensions shall be two years in length and personnel shall not be extended in a position more than twice for any one assignment.

Sworn personnel who are promoted while in a specialty assignment should return to uniformed Patrol as soon as practical. If the operational effectiveness of an assignment dictates an extension of newly promoted personnel, unit supervisors may recommend an extension of up to one year. These extensions are at the discretion of the Chief of Police.

1004.3 SELECTION PROCESS

In order to assist with timely scheduling of the uniformed Patrol Division, vacancies for any positions scheduled to be filled upon a regularly scheduled Patrol shift-change should be completed within 120 days of the shift-change. Vacancies for positions scheduled to be filled at other times should be completed as soon as reasonably practical.

- (a) Position announcements for any vacancy shall be published for no more than fifteen calendar days and no less than ten. Specialty assignment announcements shall be sent to all eligible personnel by Department-wide email at a minimum.

Chula Vista Police Department

Policy Manual

Transfer and Rotation Policy

- (b) If there is no interest in a specialty assignment after the first announcement period ends, a second announcement shall be published. During the second announcement period, the assignment shall be available to all personnel at the appropriate rank regardless of probation, time in uniformed Patrol or any other eligibility limitations listed in this policy.
- (c) If there is no interest in a specialty position after the second announcement period ends, the least-senior sworn member may be mandated to the position. For specialty assignments in which both officers and agents are eligible, the least senior agent may be mandated to the position.
- (d) In order to assist with timely scheduling of the uniformed Patrol Division, selections for specialty assignments to be filled at the Department-wide rotation date should be completed within 90 days of that date. Position vacancies occurring at other times of the year shall be filled as soon as practical.

1004.3.1 EVALUATION OF APPLICANTS

Multiple applicants for any position shall take part in a competitive process, to include but not necessarily limited to, an interview panel of at least two persons (generally the unit supervisor and the unit manager or designee). The interview panel will transmit their recommendation to the division commander after the process is complete. The following conditions shall be used in evaluating candidates for transfer:

- (a) Presents a professional, neat appearance;
- (b) Demonstrates:
 - 1. Emotional stability and maturity
 - 2. Sound judgment/decision making (preceding three years of relevant discipline history may be considered)
 - 3. Personal integrity
 - 4. Honesty
 - 5. Leadership
 - 6. Initiative
 - 7. Ability to confront and/or deal with issues both positive and/or negative
 - 8. Ability to conform to organizational goals and objectives

1004.3.2 SELECTION OF APPLICANT

The Division Commander will evaluate interview panel recommendations and consent before any employee is selected for a position. Candidates not selected for a specialty assignment shall remain in an eligibility pool for a period of six months from the closing date of the position announcement. Subsequent vacancies may be filled from this pool. The division lieutenant has the option of re-interviewing candidates for these positions.

Chula Vista Police Department

Policy Manual

Transfer and Rotation Policy

The Division Commander may reassign personnel within the Division to provide the most effective and efficient service.

Specialty unit supervisors shall create and distribute personnel schedule change calendars for successful candidates as soon as practical.

The Professional Standards Unit shall maintain a personnel "career history" record of all transfers.

1004.3.3 FINAL AUTHORITY

The Chief of Police is the final authority for all selections, transfers, assignments, and extensions may assign personnel as needed in order to maintain an effective and efficient organization.

1004.3.4 IMPLEMENTATION OF THIS POLICY

- (a) Upon implementation, this policy shall immediately be in effect for all ranks and positions. All terms and conditions of assignments shall be redefined in accordance with this policy, except for the following onetime provision upon the Department wide rotation date in July of 2010: Personnel who have completed a three or four year term in a specialty assignment as defined by this policy and personnel who have completed an extension after a three or four year term shall be eligible to compete with other eligible candidates for the position they currently hold. Note: The effective date of this policy was 03-11-10.
- (b) Personnel selected to remain in their assignment under the preceding conditions shall be granted a two year extension. These personnel may be eligible for an additional two year extension under the terms of in this policy.

1004.3.5 POLICY MODIFICATIONS

Revisions to this policy shall be referred to a committee of representatives from the affected rank, CVPOA, and management.

1004.4 ROTATION OF COMMUNITY SERVICE OFFICERS

For the purposes of evaluating assignments of Community Service Officers, "Special Assignments" includes all assignments other than the Patrol Division, and shall include assignments in the Traffic Unit.

1004.4.1 DURATION OF SPECIALIZED ASSIGNMENTS

All specialized assignments will be four years. Community Service Officers selected for a specialized assignment must remain in the assignment for at least one year before they apply for another specialized assignment. Reassignment from one specialized assignment to another shall not constitute the beginning of a new four-year term.

1004.4.2 VOLUNTARY ASSIGNMENT

When a specialized assignment becomes vacant, any Community Service Officer who has completed probation, or who has received the authorization of the Chief of Police or his or her designee, may apply for the position. Eligible applicants shall be interviewed as part of a

Chula Vista Police Department

Policy Manual

Transfer and Rotation Policy

competitive process. The Division Commander will have authority in determining appointment to a specialty assignment.

The Community Service Officer who is currently serving in the assignment may reapply but shall only be considered if there are no other qualified applicants. All extensions will be considered separately and are based solely on the needs of the organization at the discretion of the Chief of Police or his or her designee.

1004.4.3 MANDATORY ASSIGNMENT

If there are no applicants for the specialty assignment and the Community Service Officer leaving the assignment does not want to reapply, a Community Service Officer may be ordered to fill the assignment. The order of appointment should start with the Community Service Officer with the least seniority in the department that has completed probation and meets the minimum requirements for the position.

The Chief of Police or his or her designee may override the selection of a minimally qualified candidate if necessary. In such cases, the Chief of Police or his or her designee may mandate the most qualified Community Service Officer to the assignment.

The specialty or investigations Unit Supervisor and/or Division Lieutenant should determine the minimum qualifications for a Specialty Position. If the first Community Service Officer in order of lowest department seniority is not qualified, then the next in order of lowest seniority should be considered and thereon until the assignment is filled.

1004.4.4 PATROL ROTATION

Community Service Officers assigned Patrol shall rotate the first pay period in January and the regular patrol rotation period in July of each year. Community Service Officers in specialty assignments will only rotate in July during the department-wide shift change.

Shift trades may occur at the beginning of the rotation with notification to the scheduling Lieutenant at least 60 days before the new rotation begins. Tracking of the trades and notification to the scheduling Lieutenant will be done by the CSO scheduling representative(s). Final approval of the trade is at the discretion of the Operations Division Commander. Once the traded shift is completed, the CSO in that shift will return to their scheduled rotation slot. There will be no limit to the number of times someone may trade, as long as there is adequate staffing. All trades remain at the discretion of the Operations Division Commander.

Community Service Officers transferring out of Specialty Assignments will return to the open slot in the rotation left by the Patrol CSO going into the Special Assignment. If two or more slots open at the same time, they will be selected by seniority.

Assignment as a CSO Scheduling Representative is on a voluntary and collateral basis, with the knowledge that this position has no overtime available. All CSO scheduling shall be done during regularly scheduled duty hours.

Chula Vista Police Department

Policy Manual

Transfer and Rotation Policy

The patrol rotation will be coordinated by a committee of representatives of Community Service Officers, the Lieutenant assigned as the liaison to Community Service Officers and the Patrol Lieutenant in charge of Patrol scheduling.

1004.4.5 POLICY MODIFICATIONS

Modifications to the policy relating to the rotation of Community Service Officers shall be referred to a committee of representatives from CVEA/SEIU Local 221 and the Operations Division Captain or his or her designee(s).

Reporting of Employee Convictions

1009.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the Department of any past and current criminal convictions.

The Administrative Services Supervisor shall submit in a timely manner a notice to the Commission on Peace Officer Standards and Training (POST) of any appointment, termination, reinstatement, name change or status change regarding any peace officer, reserve peace officer, public safety dispatcher and records supervisor employed by this department (11 CCR 1003).

The Administrative Services Supervisor shall submit in a timely manner a notice to POST of a felony conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this department or any former peace officer if this department was responsible for the investigation (11 CCR 1003).

1009.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

California and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

1009.3 OTHER CRIMINAL CONVICTIONS

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on an employee's ability to fully perform the duties of the job.

Moreover, while legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this department may be inherently in conflict with law enforcement duties and the public trust.

1009.4 REPORTING PROCEDURE

All members of this department and all retired officers with an identification card issued by the Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of

Chula Vista Police Department

Policy Manual

Reporting of Employee Convictions

retired officers) in writing of any past or current criminal arrest or conviction regardless of whether or not the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the Department shall further promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing if the member or retiree becomes the subject of a domestic violence restraining order or similar court order.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member on his/her own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

1009.5 PROCEDURE FOR RELIEF

Pursuant to Penal Code § 29855, a peace officer may petition the court for permission to carry a firearm following a conviction under state law. Federal law, however, does not provide for any such similar judicial relief and the granting of a state court petition under Penal Code § 29855 will not relieve one of the restrictions imposed by federal law. Therefore, relief for any employee falling under the restrictions imposed by federal law may only be obtained by expungement of the conviction. Each employee shall seek relief from firearm restrictions on their own time and through their own resources.

Pursuant to Family Code § 6389(h), an individual may petition the court for an exemption to any restraining order, which would thereafter permit the individual to carry a firearm as a part of their employment. Relief from any domestic violence or other restriction shall also be pursued through the employee's own resources and on the employee's own time.

Pending satisfactory proof of relief from any legal restriction imposed on an employee's duties, the employee may be placed on administrative leave, reassigned or disciplined. The Department may, but is not required to return an employee to any assignment, reinstate any employee or reverse any pending or imposed discipline upon presentation of satisfactory proof of relief from any legal restriction set forth in this policy.

Drug- and Alcohol-Free Workplace

1011.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace.

1011.2 POLICY

It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

1011.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public. Such use shall not be tolerated (41 USC § 8103).

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Watch Commander or appropriate supervisor as soon as the member is aware that he/she will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, he/she shall be immediately removed and released from work (see Work Restrictions in this policy).

1011.3.1 USE OF MEDICATIONS

Members should avoid taking any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to his/her immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair his/her abilities, without a written release from his/her physician.

Possession of medical marijuana or being under the influence of marijuana on- or off-duty is prohibited and may lead to disciplinary action.

1011.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Chula Vista Police Department

Policy Manual

Drug- and Alcohol-Free Workplace

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

1011.5 EMPLOYEE ASSISTANCE PROGRAM

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

1011.6 WORK RESTRICTIONS

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

1011.7 REQUESTING SCREENING TESTS

The supervisor may request an employee to submit to a screening test under the following circumstances:

- (a) The supervisor reasonably believes, based upon objective facts, that the employee is under the influence of alcohol or drugs that are impairing his/her ability to perform duties safely and efficiently.
- (b) The employee discharges a firearm, other than by accident, in the performance of his/her duties.
- (c) During the performance of his/her duties, the employee drives a motor vehicle and becomes involved in an incident that results in bodily injury to him/herself or another person, or substantial damage to property.

1011.7.1 SUPERVISOR RESPONSIBILITY

The supervisor shall prepare a written record documenting the specific facts that led to the decision to request the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.

Chula Vista Police Department

Policy Manual

Drug- and Alcohol-Free Workplace

- (b) The result of the test is not admissible in any criminal proceeding against the employee.
- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

1011.7.2 SCREENING TEST REFUSAL

An employee may be subject to disciplinary action if he/she:

- (a) Fails or refuses to submit to a screening test as requested.
- (b) After taking a screening test that indicates the presence of a controlled substance, fails to provide proof, within 72 hours after being requested, that he/she took the controlled substance as directed, pursuant to a current and lawful prescription issued in his/her name.
- (c) Violates in provisions of this policy.

1011.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

1011.9 CONFIDENTIALITY

The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained separately from the employee's other personnel files.

Sick Leave

1013.1 PURPOSE AND SCOPE

Employees of this department are provided with a sick leave benefit that gives them continued compensation during times of absence due to personal or family illness. The number of hours available and terms of use are detailed in the employee's respective personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA), the California Family Rights Act, leave related to domestic violence, sexual assault, stalking or for organ or bone marrow donor procedures (29 CFR 825; Government Code § 12945.2; Labor Code § 230.1; Labor Code § 1510).

1013.2 EMPLOYEE RESPONSIBILITIES

Sick leave may be used for absences caused by illness, injury, diagnosis, care or treatment for existing health conditions, temporary disability (including pregnancy/maternity), or for medical, dental or vision exams or medical treatment of the employee or the employee's immediate family when it is not possible to schedule such appointments during non-working hours.

Sick leave is not considered vacation, and abuse of sick leave may result in discipline and/or denial of sick-leave benefits. Employees on sick leave shall not engage in other employment or self-employment, or participate in any sport, hobby, recreational or other activity which may impede recovery from the injury or illness.

Upon return to work, employees shall complete and submit a leave request describing the type of leave used and the specific amount of time taken.

1013.2.1 NOTIFICATION

Employees shall notify the Communications Center or appropriate supervisor as soon as they are aware that they will not be able to report to work. At a minimum, employees shall make such notification no less than one hour before the start of their scheduled shift. If an employee is unable to contact the Communications Center in the case of an emergency, every effort should be made to have a representative contact the supervisor or Communications Center on the employee's behalf. (Labor Code § 246).

When the necessity for leave is foreseeable, such as an expected birth or planned medical treatment, the employee shall, whenever possible, provide the Department with no less than 30-days notice of the intent to take leave. (Labor Code § 246).

1013.3 EXTENDED ILLNESS

Employees on extended absences shall, if possible, contact their unit supervisor at three-day intervals to provide an update on their absence and expected date of return. Employees absent from duty due to personal illness in excess of three consecutive days may be required to furnish

Sick Leave

a statement from their health care provider supporting the use of sick leave and/or the ability to return to work.

Nothing in this section precludes a supervisor, with cause, from requiring a health care provider's statement if three or fewer sick days are taken after the first three days of paid sick leave are used in a 12-month period.

1013.4 SUPERVISOR RESPONSIBILITY

Supervisors should monitor sick leave usage and regularly review the attendance of employees under their command to ensure that the use of sick leave is consistent with this policy. Supervisors should address sick-leave use in the employee's performance evaluation when it has negatively affected the employee's performance or ability to complete assigned duties, and when unusual amounts of sick leave by the employee has had a negative impact on department operations. When appropriate, supervisors should counsel employees regarding the excessive use of sick leave and should consider referring the employee to the Employee Assistance Program.

1013.5 REQUIRED NOTICES

The Personnel Manager shall ensure:

- (a) Written notice of the amount of paid sick leave available is provided to employees as provided in Labor Code § 246.
- (b) A poster is displayed in a conspicuous place for employees to review that contains information on paid sick leave as provided in Labor Code § 247.

Communicable Diseases

1015.1 PURPOSE AND SCOPE

This policy is intended to provide guidelines for department personnel to assist in minimizing the risk of contracting and/or spreading communicable diseases and to minimize the incidence of illness and injury. The policy will offer direction in achieving the following goals:

- (a) To manage the risks associated with blood borne pathogens (BBP), aerosol transmissible diseases, and other potentially infectious substances.
- (b) To assist department personnel in making decisions concerning the selection, use, maintenance, limitations, storage, and disposal of personal protective equipment (PPE).
- (c) To protect the privacy rights of all department personnel who may be exposed to or contract a communicable disease during the course of their duties.
- (d) To provide appropriate treatment and counseling should an employee be exposed to a communicable disease.

1015.2 PROCEDURES FOR EXPOSURE TO BLOOD, BODILY FLUIDS OR AEROSOL TRANSMISSIBLE DISEASES

All department personnel who may be involved in providing emergency medical care, or who come in contact with another person's blood or body fluids (e.g., during an altercation or while attending to any injured person), shall follow these procedures and guidelines. For purposes of this policy, contact with blood or body fluids is synonymous with "blood borne pathogen exposure" as defined in Health and Safety Code § 121060.1.

Exposure to blood or other potentially infectious materials includes, but is not limited to, the contact of such substances with the eye, mouth, other mucous membranes, non-intact skin, needle sticks, human bites, cuts or abrasions or any exposure that otherwise qualifies under Health and Safety Code § 121060.1 or 8 CCR § 5193.

Exposure to an aerosol transmissible disease is any event in which all of the following have occurred (8 CCR 5199).

- (a) An employee has been exposed to an individual who is case or a suspected case of a reportable aerosol transmissible disease, or to a work area or to equipment that is reasonably expected to contain aerosol transmissible pathogens associated with a reportable aerosol transmissible disease.
- (b) The exposure occurred without the benefit of applicable exposure controls required by this policy.
- (c) It reasonably appears from the circumstances of the exposure that transmission of disease is sufficiently likely to require medical evaluation.

Chula Vista Police Department

Policy Manual

Communicable Diseases

1015.2.1 UNIVERSAL PRECAUTIONS

All human blood and body fluids such as saliva, urine, semen, and vaginal secretions are to be treated as if they are known to be infectious. Where it is not possible to distinguish between body fluid types, all body fluids are to be assumed potentially infectious.

1015.2.2 PERSONAL PROTECTIVE EQUIPMENT

Personal protective equipment is the last line of defense against communicable disease. Therefore, the following equipment is provided for all personnel to assist in the protection against such exposures:

- Disposable latex gloves (Keeping a box in the car is recommended.)
- Rescue (CPR) mask with a one-way valve
- Anti-bacterial gel (or similar substance) to clean the skin at an emergency site.

The protective equipment is available from the Quartermaster. It is the officer's responsibility to keep, maintain, and inspect their protective equipment at the start of each shift and replace any equipment damaged, missing or as otherwise needed.

1015.2.3 IMMUNIZATIONS

All department personnel who, in the line of duty, may be exposed to or have contact with a communicable disease shall be offered appropriate treatment immunization in accordance with the City's Risk Management policy.

1015.2.4 WORK PRACTICES

All personnel shall use the appropriate barrier precautions to prevent skin and mucous membrane exposure whenever contact with blood or body fluid is anticipated.

Disposable gloves shall be worn on all medical emergency responses. Disposable gloves shall be worn before making physical contact with any patient and/or when handling items (e.g., evidence, transportation vehicle) soiled with blood or other body fluids. Should one's disposable gloves become contaminated with blood or other body fluids, the gloves shall be disposed of as contaminated waste. Care should be taken to avoid touching other items (e.g., pens, books, and personal items in general) while wearing the disposable gloves in a potentially contaminated environment.

All procedures involving blood or other potentially infectious materials shall be done in a way to minimize splashing, spraying, or otherwise generating droplets of those materials.

Eating, drinking, smoking, applying lip balm, and handling contact lenses shall be prohibited in areas where a potential for an exposure exists.

1015.3 DISPOSAL AND DECONTAMINATION

The following procedures will apply to the disposal and decontamination after responding to an event that involved contact with a person's blood or body fluids:

Chula Vista Police Department

Policy Manual

Communicable Diseases

1015.3.1 USE OF WASTE CONTAINERS

Employees shall dispose of biohazard with the on-scene fire response vehicle, or at the attending clinic/hospital with their approval, or in an appropriately marked biohazard waste container at the station immediately upon arrival.

The biohazard waste container located at the station shall be collapsible, leakproof, red in color or appropriately labeled with a biohazard warning and routinely emptied.

1015.3.2 DECONTAMINATION OF SKIN AND MUCOUS MEMBRANES

Personnel shall wash their hands immediately (on-scene if possible), or as soon as possible following the removal of potentially contaminated gloves. Antibacterial soap and warm water or an approved disinfectant shall be used to wash one's hands, paying particular attention to the fingernails.

If an employee's intact skin contacts someone else's blood or bodily fluids or other potentially infectious materials, the employee shall immediately wash the exposed part of his/her body with soap and warm water and/or an approved disinfectant, as soon as possible. If the skin becomes grossly contaminated, body washing shall be followed by an approved hospital strength disinfectant. If large areas of the employee's skin are contaminated, the employee shall shower as soon as possible, using warm water and soap and/or an approved disinfectant. Medical treatment should be obtained.

Contaminated non-intact skin (e.g., injured skin, open wound) shall be cleaned using an approved disinfectant and then dressed or bandaged as required. Medical treatment is required in accordance with the City's Risk Management policy.

All hand, skin, and mucous membrane washing that takes place in the station shall be done in the designated cleaning or decontamination area. Cleaning shall not be done in the kitchen, bathrooms, or other locations not designated as the cleaning or decontamination area.

1015.3.3 SHARPS AND ITEMS THAT CUT OR PUNCTURE

All personnel shall avoid using or holding sharps (needles) unless needed to do so while assisting a paramedic, or collecting them for evidence. Unless required for evidentiary reasons related to evidence preservation, employees are not to recap sharps. If recapping is necessary, a one-handed method shall be employed to avoid a finger prick. Disposal, when practicable, shall be into a puncture proof biohazard container.

All sharps and items that cut or puncture (e.g., broken glass, razors, and knives) shall be treated cautiously to avoid cutting, stabbing, or puncturing one's self or any other person. In addition, if a sharp object contains known or suspected blood or other bodily fluids, that item is to be treated as a contaminated item. If the item is not evidence, touching it with the hands shall be avoided. Rather, use a device such as tongs, or a broom and a dustpan to cleanup debris. If the material must be hand held, protective gloves must be worn.

Chula Vista Police Department

Policy Manual

Communicable Diseases

1015.3.4 DISPOSABLE PROTECTIVE EQUIPMENT

Contaminated disposable supplies (gloves, dressings, CPR mask) shall be transported with the patient or suspect in the ambulance or police vehicle. The waste material shall then be disposed of in a biohazard waste container at the hospital or police station. Disposable gloves are to be worn while placing the waste into the waste biohazard container, placing the gloves in with the waste when through.

1015.3.5 DECONTAMINATION OF PERSONAL PROTECTIVE EQUIPMENT

After using any reusable personal protective equipment, it shall be washed or disinfected and stored appropriately. If the personal protective equipment is non-reusable (e.g., disposable gloves), it shall be discarded in a biohazard waste container as described in Policy Manual § 1016.3.4.

Any personal protective equipment that becomes punctured, torn, or loses its integrity, shall be removed as soon as feasible. The employee shall wash up and replace the personal protective equipment if the job has not been terminated. If this situation resulted in a contaminated non-intact skin event, Policy Manual § 1016.3.2 shall be implemented.

Contaminated reusable personal protective equipment that must be transported prior to cleaning it shall be placed into a biohazard waste bag and transported in the ambulance, paramedic truck or police vehicle. Gloves shall be worn while handling the biohazard waste bag and during placement into the biohazard waste container, and then included in with the waste.

1015.3.6 DECONTAMINATION OF NON-DISPOSABLE EQUIPMENT

Contaminated non-disposable equipment (e.g., flashlight, gun, baton, clothing, portable radio) shall be decontaminated as soon as possible. If it is to be transported, it shall be done by first placing it into a biohazard waste bag.

Grossly contaminated non-disposable equipment items shall be transported to a hospital, fire station, or police station for proper cleaning and disinfecting. Porous surfaces such as nylon bags and straps shall be brushed and scrubbed with a detergent and hot water, laundered and allowed to dry. Non-porous surfaces (e.g., plastic or metal) shall be brushed and scrubbed with detergent and hot water, sprayed with a bleach solution, rinsed, and allowed to dry. Delicate equipment (e.g., radios) should be brushed and scrubbed very carefully using a minimal amount of a type of germicide that is approved by Environmental Protection Agency (EPA) .

While cleaning equipment, pay close attention to handles, controls, portable radios, and corners (tight spots). Equipment cleaning shall not be done in the kitchen, bathrooms, or other areas not designated as the cleaning/decontamination area.

Contaminated equipment should be cleaned using an approved EPA germicide or a 1:100 solution of chlorine bleach (one-quarter-cup of bleach per one gallon of water) while wearing disposable gloves and goggles. Large particles of contaminants such as vomit, feces, blood clots, etc. should first be removed (using a disposable towel or other means to prevent direct contact) and properly disposed of.

Chula Vista Police Department

Policy Manual

Communicable Diseases

1015.3.7 DECONTAMINATION OF CLOTHING

Contaminated clothing such as uniforms and undergarments shall be removed as soon as feasible and rinsed in cold water to prevent the setting of bloodstains. If the clothing may be washed in soap and hot water, do so as soon as possible. If the clothing must be dry cleaned, place it into a biohazard waste bag and report the matter to a supervisor or Watch Commander. Dry cleaning of contaminated clothing may be done at the Department's expense with the approval of a Division Commander.

Contaminated leather boots shall be brushed and scrubbed with detergent and hot water. If the contaminant soaked through the boot, the boot shall be discarded.

1015.3.8 DECONTAMINATION OF VEHICLES

Officers who transport prisoners who have been identified as infected with a communicable disease and have left traces of fluid in the back seat of the patrol car shall decontaminate the vehicle using the following guidelines:

- When small amounts of biological fluid are present officers shall wipe up the fluid using the germicidal disposable wipes provided by the department. Latex gloves and a particle mask shall be worn when wiping up fluid.
- When medium amounts of biological fluid are present officers should take the vehicle out of service. The vehicle should be documented as being out of service for exposure to a biological fluid. The Communications Center will contact the city custodial staff to have the vehicle decontaminated.
- When large amounts of biological fluid are present officers shall take the vehicle out of service. The vehicle shall be documented and a supervisor notified to evaluate whether a biohazard company will need to be contacted to decontaminate the vehicle.

Officers exposed to these types of situations shall notify a supervisor so an exposure report can be completed.

1015.3.9 DECONTAMINATION OF STATION AND CLEANING AREA

The Risk Management division of the Human Resources Department may designate a location at the station that will serve as the area for cleaning/decontamination. This area is to be used to keep equipment clean and sanitary and for the employees to wash any potential contamination from their bodies. This area is to be thoroughly cleaned after each use and to be maintained in a clean and sanitary order at all times between each use. The application of cosmetics, smoking cigarettes, food and drink are prohibited in this designated area at all times.

1015.4 POST-EXPOSURE REPORTING AND FOLLOW-UP REQUIREMENTS

In actual or suspected exposure incidents, proper documentation and follow-up action must occur to limit potential liabilities and to ensure the best protection and care for the employee(s).

Chula Vista Police Department

Policy Manual

Communicable Diseases

1015.4.1 EMPLOYEE RESPONSIBILITY TO REPORT EXPOSURE

To provide appropriate and timely treatment should exposure occur, all employees shall verbally report the exposure to their immediate supervisor and complete a written exposure report as soon as possible following the exposure or suspected exposure. That report shall be submitted to the employee's immediate supervisor. Additionally, employees should document in the exposure report whether they would like the person who was the source of the exposure to be tested for communicable diseases.

1015.4.2 SUPERVISOR REPORTING REQUIREMENTS

The supervisor on duty shall investigate every exposure that occurs as soon as possible following the incident, while gathering the following information:

- (a) Names and payroll identification numbers of the employee(s) exposed
- (b) Date and time of incident
- (c) Location of incident
- (d) What potentially infectious materials were involved
- (e) Source of material or person
- (f) Current location of material or person
- (g) Work being done during exposure
- (h) How the incident occurred or was caused
- (i) PPE in use at the time of incident
- (j) Actions taken post-event (clean-up, notifications, etc.).

The supervisor shall use the above information to prepare a written summary of the incident, its causes, and recommendations for avoiding similar events. This report should be completed in accordance with City procedures for reporting duty-related illness or injury (forms HR-206, HR-207, and HR-208), and shall be forwarded to the City's Risk Manager.

1015.4.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Any employee who was exposed or who suspects he/she was exposed to HIV or to hepatitis B or C in the line of duty should be seen by a physician or qualified health care provider as soon as possible. The doctor or qualified health care provider should be provided with the supervisor's report and the employee's medical records relevant to the visit and examination. The blood of the exposed employee shall be tested.

The health care professional will provide the ECO and/or the City's Risk Manager with a written opinion/evaluation of the exposed employee's medical condition. This opinion should only contain the following information:

- If a post-exposure treatment is indicated for the employee.
- If the employee received a post-exposure treatment.

Chula Vista Police Department

Policy Manual

Communicable Diseases

- Confirmation that the employee received the evaluation results.
- Confirmation that the employee was informed of any medical condition resulting from the exposure incident and whether further treatment or evaluation will be required.
- Whether communicable disease testing from the source is warranted, and if so, which diseases should the testing include.

All other findings or diagnosis shall remain confidential and are not to be included in the written report.

1015.4.4 COUNSELING

The Department shall provide the exposed employee (and his/her family if necessary) the opportunity for counseling and consultation.

1015.4.5 CONFIDENTIALITY OF REPORTS

Most of the information involved in the process must remain confidential.

The Risk Manager is responsible for maintaining records containing the employee's treatment status and the results of examinations, medical testing, and follow-up procedures that took place as a result of an exposure.

The Risk Manager shall be responsible for maintaining the name of the employee and copies of any information provided to the consulting health care professional as a result of an exposure.

This information is confidential and shall not be disclosed to anyone without the employee's written consent (except as required by law).

1015.5 SOURCE TESTING

Testing for communicable diseases of a person who was the source of an exposure should be sought when it is desired by the exposed employee or when it is otherwise appropriate. There are five methods to obtain such testing. These methods are:

- (a) Obtaining voluntary consent from any person who may be the source of an exposure to cover testing for any communicable disease.
- (b) Filing a report with the county health officer when an employee is exposed to the bodily fluids of an arrestee. The county health officer may pursue testing for HIV or hepatitis B or C (Penal Code § 7510 et seq.).
- (c) Seeking consent for testing or applying for a court order for HIV, hepatitis B and hepatitis C testing (Health and Safety Code § 121060 et seq.).
- (d) Seeking a court order when the person who may be the source of an exposure will not consent to testing and the exposure does not fall under the statutory schemes for testing. This covers testing for any communicable disease as deemed appropriate by a health care professional and documented in the request for the court order.

Chula Vista Police Department

Policy Manual

Communicable Diseases

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing an adult or juvenile when an employee of the Chula Vista Police Department qualifies as a crime victim (Penal Code § 1524.1).

1015.5.1 EXPOSURE FROM A NON-ARRESTEE

Upon notification of an employee's exposure to a person who was not arrested, the ECO should attempt to determine if the person who was the source of the exposure will voluntarily consent to testing. If consent is indicated, the following steps should be taken:

- (a) A licensed health care provider should notify the person to be tested of the exposure and make a good faith effort to obtain voluntary informed consent from the person or his/her authorized legal representative to perform a test for HIV, hepatitis B, hepatitis C and other communicable diseases the health care provider deems appropriate.
- (b) The voluntary informed consent obtained by the health care provider must be in writing and include consent for three specimens of blood for testing. The ECO should document the consent as a supplement to the Exposure Control Report.
- (c) The results of the tests should be made available to the source and the exposed employee.

If consent is not obtained, the ECO should promptly consult with City Attorney and consider requesting that a court order be sought for appropriate testing.

1015.5.2 EXPOSURE FROM AN ARRESTEE

Upon notification of an exposure to an employee by a person who was arrested, the ECO should take the following steps:

- (a) Comply with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (b) Take reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).
- (c) In all cases, comply with the reporting and testing scheme of Penal Code § 7510 et seq. This includes completing a State Department of Health Services Form CDPH 8479 and submitting it to the County Health Officer with a copy of the Exposure Control Report by the end of the employee's shift. If submission by the end of the shift is not practicable, it must occur as soon as possible but no later than two days after the incident. The exposed employee's name should not appear on this form.
- (d) Remain in contact with the County Health Officer to determine whether testing of the arrestee will occur and whether the testing satisfies the medical needs of the employee.
- (e) The results of the tests should be made available to the donor and the exposed employee.

Chula Vista Police Department

Policy Manual

Communicable Diseases

Since there is potential for overlap between the two statutory schemes, the ECO is responsible for coordinating the testing with the County Health Officer to prevent unnecessary or duplicate testing.

In the rare event that the exposed employee is not covered by either statutory scheme, the ECO should seek consent or a court order in the same manner as for a non-arrestee.

Smoking and Tobacco Use

1017.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in Chula Vista Police Department facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

1017.2 POLICY

The Chula Vista Police Department recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy (Government Code § 7597; Labor Code § 6404.5).

1017.3 SMOKING AND TOBACCO USE

Smoking and tobacco use by members is prohibited anytime members are in public view representing the Chula Vista Police Department.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco product inside City facilities and vehicles.

1017.4 ADDITIONAL PROHIBITIONS

No person shall use tobacco products within 20 feet of a main entrance, exit or operable window of any public building (including any department facility), or buildings on the campuses of the University of California, California State University and California community colleges, whether present for training, enforcement or any other purpose (Government Code § 7596 et seq.).

1017.4.1 NOTICE

The Chief of Police or the authorized designee should ensure that proper signage is posted at each entrance to the Department facility (Labor Code § 6404.5).

Personnel Complaints

1019.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the Chula Vista Police Department. This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

1019.2 POLICY

The Chula Vista Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any collective bargaining agreements.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

1019.2.1 COMPLAINTS AGAINST SUPERIORS OR CHIEF OF POLICE

Complaints against superior officers by members of the Department shall be in writing, directed to the superior officer's appropriate chain of command, with supporting facts and circumstances. Complaints against the Chief of Police shall be made in writing to the City Manager, with supporting facts and circumstances.

1019.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

1019.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

Informal - A matter in which the Unit Manager is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

Formal - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or

Chula Vista Police Department

Policy Manual

Personnel Complaints

referred to the Professional Standards Unit, depending on the seriousness and complexity of the investigation.

1019.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.
- (b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

1019.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1019.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the police facility and be accessible through the department website. Forms may also be available at other City facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1019.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

If requested, a complainant shall be provided with a copy of his/her statement at the time it is filed with the Department (Penal Code § 832.7).

1019.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint.

Chula Vista Police Department

Policy Manual

Personnel Complaints

On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

1019.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows

1019.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 1. The original complaint form will be directed to the Lieutenant of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Division Commander or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complaints in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Lieutenant and then the Professional Standards Unit.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Lieutenant will notify the chain of command as soon as practicable.
- (e) Promptly contacting the Department of Human Resources and the Professional Standards Unit for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.
- (f) Forwarding unresolved personnel complaints to the Professional Standards Unit, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.

Chula Vista Police Department

Policy Manual

Personnel Complaints

- (h) Investigating a complaint as follows:
 - 1. Making reasonable efforts to obtain names, addresses and telephone numbers of witnesses.
 - 2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
 - 3. Collect all evidence and take other applicable photographs.
- (i) Ensuring that the procedural rights of the accused member are followed (Government Code § 3303 et seq.).
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1019.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a member of the Professional Standards Unit, the following applies to members covered by the Public Safety Officers Procedural Bill of Rights Act (POBR) (Government Code § 3303):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty. If the member is off-duty, he/she shall be compensated.
- (b) Unless waived by the member, interviews of an accused member shall be at the Chula Vista Police Department or other reasonable and appropriate place.
- (c) No more than two interviewers should ask questions of an accused member.
- (d) Prior to any interview, a member shall be informed of the nature of the investigation, the name, rank and command of the officer in charge of the investigation, the interviewing officers and all other persons to be present during the interview.
- (e) All interviews shall be for a reasonable period and the member's personal needs should be accommodated.
- (f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers. Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
- (g) A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a Lybarger advisement and after the investigator has consulted with the prosecuting agency.
- (h) The interviewer shall record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

Chula Vista Police Department

Policy Manual

Personnel Complaints

- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any officer solely because the officer has been placed on a prosecutor's Brady list or the name of the officer may otherwise be subject to disclosure pursuant to Brady v. Maryland. However, an investigation may be based on the underlying acts or omissions for which the officer has been placed on a Brady list or may otherwise be subject to disclosure pursuant to Brady v. Maryland (Government Code § 3305.5).

1019.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete and essentially follow the format outlined on the PD-591 memorandum.

1019.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1019.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

Chula Vista Police Department

Policy Manual

Personnel Complaints

The assigned investigator or supervisor shall ensure that within 30 days of the final disposition of the complaint, the complainant is provided written notification of the disposition (Penal Code § 832.7(e)).

1019.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

Lockers and storage spaces may only be administratively searched in the member's presence, with the member's consent, with a valid search warrant or where the member has been given reasonable notice that the search will take place (Government Code § 3309).

1019.7.1 ESTABLISHING VIOLATIONS

When determining whether or not a violation has occurred, the standard of proof shall be a preponderance of evidence. Proof beyond a reasonable doubt is not required. Existence of facts establishing a violation of a law, ordinance, or rule, is all that is necessary to support any allegation as a basis for a charge. It is not necessary that a formal criminal complaint be filed or sustained.

Any officer or employee violating their oath and trust by committing any offense punishable under the laws of the United States, State of California, or Ordinance of the City of Chula Vista, or who violates any provisions of the rules and regulations or procedures of the Police Department or the Civil Service rules, or who disobeys any lawful order, or who is guilty of conduct reflecting unfavorably on the City, City Administration or Police Department, or who is incompetent to perform their duties, is subject to disciplinary action.

1019.7.2 DISCIPLINARY PENALTIES

Any officer or employee shall be subject to a written advise, written reprimand, transfer of assignment, reduction in pay and/or rank, suspension without pay, dismissal from the Department, or any combination of the foregoing penalties, according to the nature and seriousness of the offense.

In determining the level of disciplinary action to recommend, the Division Commander should follow the guidelines of progressive discipline and the lowest appropriate form of discipline should be imposed. After review of the circumstances, the Division Commander may direct the employee to attend specialized training to correct the conduct and may impose any of the following:

- (a) **Written Advise:** To be used when a member has violated a Department regulation, performed a task improperly or used poor judgment in carrying out their responsibilities.
- (b) **Written Reprimand:** To be used after serious or repeated violations of department regulations or procedures.

Chula Vista Police Department

Policy Manual

Personnel Complaints

- (c) Suspension, Reduction in Rank and/or Pay, Transfers, Loss of Specialty Assignment, Dismissals: To be used after a written reprimand has failed to improve employee behavior, or after significant violations of Department regulations or procedures or violations of the law.

1019.7.3 DISCLOSURE OF FINANCIAL INFORMATION

An employee may be compelled to disclose personal financial information under the following circumstances (Government Code § 3308):

- (a) Pursuant to a state law or proper legal process
- (b) Information exists that tends to indicate a conflict of interest with official duties
- (c) If the employee is assigned to or being considered for a special assignment with a potential for bribes or other improper inducements

1019.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

1019.8.1 RETENTION AND DESTRUCTION OF DISCIPLINARY RECORDS

Chula Vista City Council Resolution # 2003-398 requires that records of disciplinary and internal affairs investigations, reports, witness statements, and findings be retained for a period of at least six years and then may be destroyed. The retention and destruction of all internal affairs and disciplinary records shall be in accordance with Policy Manual § 1026.8.

1019.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

Chula Vista Police Department

Policy Manual

Personnel Complaints

No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

The Chula Vista Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

1019.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review and include their comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

1019.10.1 DIVISION COMMANDER RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Division Commander of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Division Commander may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Division Commander may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Division Commander shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

1019.10.2 CHIEF OF POLICE RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Division Commander for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a pre-disciplinary procedural due process hearing (Skelly) by providing written notice of the charges, proposed action and reasons for the proposed action. Written notice shall be provided within one year from the date of discovery of the misconduct (Government Code § 3304(d)). The Chief of Police shall also provide the member with:

- (a) Access to all of the materials considered by the Chief of Police in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief of Police within ten days of receiving the notice.

Chula Vista Police Department

Policy Manual

Personnel Complaints

1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.
2. If the member elects to respond orally, the presentation may be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

1019.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

1019.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

1019.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

Chula Vista Police Department

Policy Manual

Personnel Complaints

During any administrative appeal, evidence that an officer has been placed on a Brady list or is otherwise subject to Brady restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. Thereafter, such Brady evidence shall be limited to determining the appropriateness of the penalty (Government Code § 3305.5).

1019.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and those members other than non-probationary employees may be released from employment for non-disciplinary reasons (e.g., failure to meet standards) without adherence to the procedures set forth in this policy or any right to appeal. However, any probationary officer subjected to an investigation into allegations of misconduct shall be entitled to those procedural rights, as applicable, set forth in the Peace Officer Bill of Rights (Government Code § 3303; Government Code § 3304). At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Chief of Police or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Chief of Police shall be final.

1019.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Files Policy.

Seat Belts

1021.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Vehicle Code § 27315.5).

1021.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

1021.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1021.3 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES

Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

1021.4 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1021.5 POLICY

It is the policy of the Chula Vista Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

Seat Belts

1021.6 TRANSPORTING CHILDREN

Children under the age of 8 shall be transported in compliance with California's child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

1021.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

1021.8 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Body Armor

1023.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1023.2 POLICY

It is the policy of the Chula Vista Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1023.2.1 USE OF SOFT BODY ARMOR

While on-duty and working any uniformed field assignment, all sworn personnel shall wear either their Department issued body armor or personal body armor approved by the Professional Standards Unit.

Officers may be exempt from wearing body armor if they have a related medical condition and provide the Department with a report from a medical doctor. The medical report will be maintained in the personnel file of the individual officer. Medical exemptions are subject to periodic review and officers may be required to have them renewed or reevaluated.

Officers in plainclothes assignments are normally not required to wear body armor. In the event that plainclothes officers are involved in pre-planned assignments that are potentially dangerous such as high-risk warrants, surveillance of dangerous suspects, etc. they shall wear body armor unless otherwise directed by their supervisor.

Supervisors should conduct periodic inspections to ensure compliance with this policy.

All requests for disclosure, which result in access to an employee's personnel file(s), shall be logged in the corresponding file.

1025.5.1 RELEASE OF CONFIDENTIAL INFORMATION

Except as provided by this policy or pursuant to lawful process, no information contained in any confidential peace officer personnel file shall be disclosed to any unauthorized person(s) without the express consent of the involved officer or written authorization of the Chief of Police or his or her designee.

Any person who maliciously, and with the intent to obstruct justice or the due administration of the laws, publishes, disseminates, or otherwise discloses the residence address or telephone number of any member of this department may be guilty of a misdemeanor (Penal Code § 146e).

Pursuant to Penal Code § 832.7(e), the disposition of any citizen's complaint shall be released to the complaining party within 30 days of the final disposition. This release shall be limited to the disposition and shall not include what discipline, if any was imposed.

Uniformed patrol and traffic officers shall request clearance from the Communications Center prior to taking a meal period. Uniformed officers shall take their breaks within the City limits unless on assignment outside of the City. Uniformed officers should provide the Communications Center of their location when taking a meal period.

In the Patrol Division, no more than three field units should be on their meal period at the same time. No more than two field units shall take their meal periods at the same location unless authorized by a supervisor. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor. Field officers will take their breaks in their assigned areas, subject to call and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of the Communications Center.

The time spent for the meal period shall not exceed the authorized time allowed.

Lactation Break Policy

1034.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child (29 USC § 207 and Labor Code §§ 1030-1032).

1034.2 POLICY

It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing infant child (29 USC § 207 and Labor Code § 1030).

1034.3 LACTATION BREAK TIME

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Such breaks, if feasible, should be taken at the same time as the employee's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Employees desiring to take a lactation break shall notify the Communications Center or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1034.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public (29 USC § 207 and Labor Code § 1031).

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

Policy Manual

Lactation Break Policy

1034.5 STORAGE OF EXPRESSED MILK

Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

Overtime Compensation Requests

1037.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit an Overtime Request as soon as practical after overtime is worked.

1037.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete an Overtime Request form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed the maximum number of total accumulated hours as defined by the current employee Memorandum of Understanding.

1037.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administrative Services Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

1037.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Watch Commander.

1037.2.2 SUPERVISORS RESPONSIBILITY

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request. Approved Overtime Request forms shall be immediately forwarded to the appropriate payroll clerk for processing.

Chula Vista Police Department

Policy Manual

Overtime Compensation Requests

1037.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding (MOU) provides that a minimum number of hours will be paid, (e.g., three hours for Court). In such cases the requesting employee shall document the hours of the day actually worked, but shall record to total number of hours to be paid in accordance with the MOU.

1037.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR

When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
1 to 15 minutes	1/4 hour
16 to 30 minutes	1/2 hour
31 to 45 minutes	3/4 hour
46 to 60 minutes	1 hour

1037.3.2 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other officer, the Watch Commander or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

Use of Compensatory Time

1038.1 PURPOSE AND SCOPE

In accordance with the Fair Labor Standards Act, employees requesting the use of accumulated compensatory time shall be permitted to use such time within a "reasonable period" after making the request. A "reasonable period" is determined by normal work schedules, peak workloads, staffing requirements for providing service, and available substitutes. The purpose of this policy is to provide a departmental standard for determining a "reasonable period" as specified in the Fair Labor Standards Act, and to provide guidelines for the request and use of accumulated compensatory time.

1038.2 GUIDELINES FOR REQUESTING AND USING COMPENSATORY TIME

Employees requesting the use of compensatory time should file a written request with their immediate supervisor no less than 72-hours in advance of the requested time off. Requests for the use of compensatory time that are received less than 72-hours in advance of the requested time off may be denied.

Employees requesting the use of compensatory time should submit their request on a Leave Request Form. Supervisors receiving requests for the use of compensatory time should sign or initial the request form, and should write the date and time upon which the request form was received, so as to help assure consistency and fairness in meeting the time frame outlined in this section.

1038.3 EXCEPTIONS

Exceptions to this policy may be made at the discretion of the requesting employee's manager or their designee, and shall be based upon reasonable and articulable need.

Outside Employment

1039.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1039.1.1 DEFINITIONS

Outside Employment - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

Outside Overtime - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1039.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police and the Director of Human Resources. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid for one year. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

1039.2.1 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

Any outside employment permit may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his or her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been

Chula Vista Police Department

Policy Manual

Outside Employment

reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit

- (b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline
- (c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

1039.3 PROHIBITED OUTSIDE EMPLOYMENT

- (a) Consistent with the provisions of Government Code § 1126, the Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:
 - 1. Involves the employee's use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage
 - 2. Involves the employee's receipt or acceptance of any money or compensation from anyone other than this department for the performance of an act which the employee would be required or expected to render in the regular course of his/her employment as a member of this department
 - 3. Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control inspection, review, audit or enforcement of any other employee of this department
 - 4. Involves time demands that would render performance of the employee's duties for this department less efficient
- (b) Additionally, although the decision to authorize outside employment will depend on a variety of circumstances, the following activities will generally be prohibited:
 - 1. Outside employment while one's employment with the Chula Vista Police Department is probationary
 - 2. Outside employment by any private investigative agency
 - 3. Outside employment by any business who's primary function is the sale or dispensing of alcoholic beverages

5. Outside employment by any business which would tend to reflect unfavorably on the Chula Vista Police Department

1039.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

Consistent with the provisions of Penal Code § 70, and because it would further create a potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position within the city limits of Chula Vista.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must obtain the approval of the Chief of Police in advance of the desired service. Such outside extra duty overtime assignments will be assigned, monitored and paid through the Department.

- (a) The applicant will be required to enter into an indemnification agreement prior to approval.
- (b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.
- (c) Should such a request be approved, any employee working outside overtime shall be subject to the following conditions:
 1. The officer(s) shall wear the departmental uniform/identification.
 2. The officer(s) shall be subject to the rules and regulations of this department.
 3. No officer may engage in such outside employment during or at the site of a strike, lockout, picket, or other physical demonstration of a labor dispute.

- (d) No officer may engage in outside employment as a peace officer for any other public agency without prior written authorization of the Chief of Police.

1039.3.2 OUTSIDE OVERTIME ARREST AND REPORTING PROCEDURE

Any employee making an arrest or taking other official police action while working in an approved outside overtime assignment shall be required to complete all related reports in a timely manner pursuant to department policy. Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment.

1039.3.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Division Commander, undercover officers or officers assigned to covert operations shall not be eligible to work overtime or other assignments in a uniformed or other capacity which might reasonably disclose the officer's law enforcement status.

Outside Employment

1039.4 DEPARTMENT RESOURCES

Employees are prohibited from using any department equipment or resources in the course of or for the benefit of any outside employment. This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1039.4.1 REVIEW OF FINANCIAL RECORDS

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest (Government Code § 3308; Government Code § 1126). Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Permits section of this policy.

1039.5 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his or her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees shall also promptly submit in writing to the Chief of Police any material changes in outside employment including any change in the number of hours, type of duties, or demands of any approved outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

1039.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Chief of Police whether such outside employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

Criteria for revoking the outside employment permit include, but are not limited to, the following:

Chula Vista Police Department

- (b) The outside employment performed requires the same or similar physical ability, as would be required of an on-duty member.
- (c) The employee's failure to make timely notice of their intentions to their supervisor.

When the disabled member returns to full duty with the Chula Vista Police Department, a request (in writing) may be made to the Chief of Police to restore the permit.

Occupational Disease and Work-Related Injury Reporting

1041.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding the timely reporting of occupational diseases, psychiatric injuries and work-related injuries.

1041.1.1 DEFINITIONS

Definitions related to this policy include:

Occupational disease or work-related injury - An injury, disease or psychiatric injury arising out of employment (Labor Code § 3208; Labor Code § 3208.3; Labor Code § 3212 et seq.).

1041.2 POLICY

The Chula Vista Police Department will address occupational diseases and work-related injuries appropriately, and will comply with applicable state workers' compensation requirements (Labor Code § 3200 et seq.).

1041.3 RESPONSIBILITIES

1041.3.1 MEMBER RESPONSIBILITIES

Any member sustaining any occupational disease or work-related injury shall report such event as soon as practicable, but within 24 hours, to a supervisor, and shall seek medical care when appropriate.

1041.3.2 SUPERVISOR RESPONSIBILITIES

A supervisor learning of any occupational disease or work-related injury should ensure the member receives medical care as appropriate.

Supervisors shall ensure that required documents regarding workers' compensation are completed and forwarded promptly. Any related Citywide disease- or injury-reporting protocol shall also be followed.

Supervisors shall determine whether the Major Incident Notification and Illness and Injury Prevention policies apply and take additional action as required.

1041.3.3 DIVISION COMMANDER RESPONSIBILITIES

The Division Commander or designee who receives a report of an occupational disease or work-related injury should review the report for accuracy and determine what additional action should be taken. The report shall then be forwarded to the Chief of Police, the City's risk management entity, and the Administrative Services Division Commander to ensure any required Division of Occupational Health and Safety Administration (Cal/OSHA) reporting is made as required in the illness and injury prevention plan identified in the Illness and Injury Prevention Policy.

Chula Vista Police Department

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that he/she desired no medical attention at the time of the report. By signing, the member does not preclude his/her ability to later seek medical attention.

1041.5 SETTLEMENT OFFERS

When a member sustains an occupational disease or work-related injury that is caused by another person and is subsequently contacted by that person, his/her agent, insurance company or attorney and offered a settlement, the member shall take no action other than to submit a written report of this contact to his/her supervisor as soon as possible.

1041.5.1 NO SETTLEMENT WITHOUT PRIOR APPROVAL

No less than 10 days prior to accepting and finalizing the settlement of any third-party claim arising out of or related to an occupational disease or work-related injury, the member shall provide the Chief of Police with written notice of the proposed terms of such settlement. In no case shall the member accept a settlement without first providing written notice to the Chief of Police. The purpose of such notice is to permit the City to determine whether the offered settlement will affect any claim the City may have regarding payment for damage to equipment or reimbursement for wages against the person who caused the disease or injury, and to protect the City's right of subrogation, while ensuring that the member's right to receive compensation is not affected.

Temporary Modified-Duty Assignments

1053.1 PURPOSE AND SCOPE

The purpose of this policy is to establish procedures for assigning employees to modified duty. Temporary modified-duty assignments may be available to employees who have incurred a duty-related illness or injury and, due to restrictions or limitations, are unable to perform their regular assigned duties. Non-duty related illnesses or injuries may also be considered for eligibility in accordance with this policy. Eligibility for modified-duty assignment is subject to the approval of the Chief of Police or his/her designee.

Modified-duty assignments are intended to provide an employee with the ability to continue working within the limits of his/her restrictions and limitations on a temporary basis while providing the Department with a productive employee during the interim period.

The Department will engage in a good faith interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability.

1053.2 POLICY

Subject to operational considerations, the Chula Vista Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

1053.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act (Government Code § 12940 et seq.) shall be treated equally, without regard to any preference for a work-related injury.

No position in the Chula Vista Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

- (b) Employees shall promptly submit a status report for each visit to their treating health care provider and shall immediately notify their supervisor of any change in restrictions or limitations as determined by their health care provider. An employee assigned to a modified-duty assignment shall provide a duty status report to their supervisor no less than once every 30 days while the employee is on modified duty.
- (c) Supervisors shall keep the Division Commander apprised of the employee's status and ability to perform the modified-duty assignment. Modified-duty assignments that extend beyond 60 days will require a written status report and a request for an extension to the Division Commander with an update of the employee's current status and anticipated date of return to regular duty. Extensions require approval of the Chief of Police.
- (d) When it is determined that an employee on modified duty will return to regular duty, the supervisor shall notify the Division Commander and complete and process a change of shift/

If at any point during the pregnancy it becomes necessary for the employee to take a leave of absence, such leave shall be granted consistent with the City's Personnel Rules and Regulations regarding family and medical care leave.

1053.6 PROBATIONARY EMPLOYEES

Probationary employees who are assigned to a temporary modified-duty assignment may have their probation extended by a period of time equal to the employee's assignment to modified duty.

1053.7 MAINTENANCE OF CERTIFICATION AND TRAINING

Employees assigned to modified duty shall maintain all certification, training and qualifications appropriate to both their regular and temporary duties, provided the certification, training or qualifications are not in conflict with any limitations or restrictions. Employees who are assigned to modified duty shall inform their supervisor of any inability to maintain any certification, training or qualifications.

Employee Speech, Expression and Social Networking

1057.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

1057.1.1 APPLICABILITY

This policy applies to all forms of communication including, but not limited to, film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file-sharing sites.

1057.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Chula Vista Police Department will carefully balance the individual employee's rights against the Department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

1057.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of the Chula Vista Police Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family or associates.

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Chula Vista Police Department or its employees.

- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Chula Vista Police Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

1057.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Chula Vista Police Department or identify themselves in any way that could be reasonably perceived as representing the Chula Vista Police Department in order to do any of the following, unless specifically authorized by the Chief of Police (Government Code § 3206; Government Code § 3302):

However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

This includes the department e-mail system, computer network or any information placed into storage on any department system or device.

It also includes records of all key strokes or web-browsing history made at any department computer or over any department network.

The fact that access to a database, service or website requires a user name or password will not create an expectation of privacy if it is accessed through a department computer or network. However, the Department may not require an employee to disclose a personal user name or password or open a personal social website, except when access is reasonably believed to be relevant to the investigation of allegations of work related misconduct (Labor Code § 980).

- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.

Peer Support

1058.1 PURPOSE AND SCOPE

It is the Department's intent to provide proactive measures with regard to employee health and well-being issues. As a basic step towards this intention, employees serving as members of the Peer Support Team will be available to respond to assist members involved in critical incidents or other employees in need of assistance as the result of a stressful incident. Department employees in need of peer support services may request help from the Peer Support Team for incidents involving a spouse or immediate family member when the situation creates a traumatic impact on the employee or their immediate family members.

The purpose of this policy is to provide personnel with guidelines pertaining to utilization for the Peer Support Team.

1058.1.1 DEFINITION

Early Intervention Assistance Program

1059.1 PURPOSE AND SCOPE

The Early Intervention Assistance Program (EIAP) is committed to promoting employee success through non-disciplinary methods. The EIAP is a data based management tool designed to identify employees whose performance exhibits potential problems, and then to provide interventions and assistance. Intervention and assistance may include counseling, training and/or referral, based on the particular needs and input of the employee.

Through Early Intervention, behaviors which could lead to diminished work performance are more easily identified. Early Intervention is implemented through the employee's supervisor with support from EIAP, and occurs immediately after a behavior is identified.

Historically, the Chula Vista Police Department has used components of an Early Intervention system to assist employees, however there has never been a formalized process or procedure.

All documentation regarding EIAP is considered confidential.

EIAP applies to all Department employees.

1059.2 BACKGROUND

Early Intervention systems have emerged as an important mechanism for police accountability.

Research supports that certain work related experiences may contribute to the deterioration of employee work performance. Studies show that early referrals to appropriate resources for assistance or training may help employees continue to perform well.

In an Early Intervention system, performance data is entered into a computerized database. The data includes departmental use of force reports, citizen complaints, employee involvement in civil litigation, and other performance indicators. The main benefit of an Early Intervention system is its capacity to spot patterns of performance and to intervene before problems lead to a serious incident such as a lawsuit or citizen complaint.

An Early Intervention system is a non-disciplinary tool and is officially separate from the formal disciplinary system. It is designed to help employees improve their performance through counseling, training, or coaching. No record of participation in an Early Intervention program is placed in an employee's personnel file, although a separate record of participation is maintained.

One or more of the incidents identified by an Early Intervention system may warrant formal disciplinary action that is officially recorded, but identification by the Early Intervention system remains separate from the disciplinary process.

1059.3 DEFINITIONS

Early Intervention Assistance Program (EIAP) – A data based management tool designed to identify employees whose performance exhibits potential problems, and then to provide interventions and assistance, usually counseling or training, to correct those performance issues.

Chula Vista Police Department

Policy Manual

Early Intervention Assistance Program

Indicators – Categories of employee activity that are used to make comparisons with established Department thresholds.

Intervention - Counseling/ coaching an employee or referring employee to appropriate resources.

Thresholds – Number or percentage which initiates the beginning of an Early Intervention notification.

1059.4 RESPONSIBILITIES

EIAP Supervisor – Oversees the program and monitors system alert notifications. Is responsible for disseminating alert information to an employee's direct supervisor and for following up to ensure proper guidelines were followed and completed.

First Line Supervisor – Responsible for reviewing alerts assigned by the EIAP Supervisor. Will review the information and determine if any assistance and/or training is necessary. The First Line Supervisor will collaborate with the Division Commander on an agreed course of action.

Division Commander – Collaborates with the First Line Supervisor and approves the recommended course of action.

Professional Standards Unit – Maintains the Early Intervention database by confirming records are accurate and purge guidelines are followed. The Professional Standards Unit also ensures confidentiality and proper procedures are followed.

1059.5 EARLY INTERVENTION PROCESS

Upon receiving information of a qualified indicator, the employee's First Line Supervisor will promptly enter the information into the Early Intervention system. Once an established threshold is met, the EIAP Supervisor will receive an alert notification. The EIAP Supervisor will review the notification and forward to the employee's First Line Supervisor.

The First Line Supervisor will review the forwarded notification and evaluate the circumstances of the notification. This typically requires looking at not only the current incident, but previous incidents which contributed to meeting the threshold. If it is determined the notification raises no concerns, the First Line Supervisor will notify the EIAP Supervisor the situation was examined and no further action is needed. The EIAP Supervisor will then close out the notification with a brief summary of the investigation in the Early Intervention System, noting no further action recommended.

If the First Line Supervisor determines there is an identified need for assistance and/or training, the First Line Supervisor will recommend various forms of assistance. The employee is not obligated to use the referral for assistance or the recommended training. The employee's response to the recommendation will be noted by the First Line Supervisor in the database.

If the notification results in a determination of a skillset deficiency, training can be mandated to immediately assist with the deficiency. The training may be conducted at the direction of the First Line Supervisor or in coordination with the CVPD Training Unit.

Chula Vista Police Department

Policy Manual

Early Intervention Assistance Program

The outcome of the training will be documented by the First Line Supervisor in the Early Intervention System, and the EIAP Supervisor will be notified of the completed process.

1059.6 CONFIDENTIALITY OF DATA

Information, data and any documents compiled during the Early Intervention process shall be considered confidential and will not be subject to discovery or release except as provided by law.

Internal and external access to data in the system will be governed under the same process as access to an employee's personnel file as outlined in the Department Personnel Files Policy. All information contained in the database will be considered part of the employees personnel file.

1059.7 RETENTION AND PURGING

Except as incorporated in separate training or disciplinary records, all indicators and documents shall be purged from the Early Intervention System and all other locations within the Department in accordance with the established retention schedule and as described in the Personnel Files Policy.

All members should report and/or take reasonable steps to correct unsafe or unhealthy work conditions, practices or procedures in a timely manner. Members should make their reports to a supervisor (as a general rule, their own supervisors).

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area or item, except those necessary to correct the existing condition.

The Administrative Services Division Commander shall ensure that the appropriate documentation is completed for each inspection.

1060.7.1 EQUIPMENT

Members are charged with daily vehicle inspections of their assigned vehicles and of their personal protective equipment (PPE) prior to working in the field. Members shall complete the Identified Hazards and Correction Record form if an unsafe condition cannot be immediately corrected. Members should forward this form to their supervisors.

Any member sustaining any work-related illness or injury, as well as any member who is involved in any accident or hazardous substance exposure while on-duty shall report such event as soon as practicable to a supervisor. Members observing or learning of a potentially hazardous condition are to promptly report the condition to their immediate supervisors.

A supervisor receiving such a report should personally investigate the incident or ensure that an investigation is conducted. Investigative procedures for workplace accidents and hazardous substance exposures should include:

1061.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

1061.2 POLICY

The Chula Vista Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

1061.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Chief of Police or Human Resources.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

1061.5 SUPERVISOR RESPONSIBILITIES
