

Are you a victim of a **SCAM?**

If you answer YES to any of these, you are probably are!

- Are you sending money to someone you don't know?
- Does the offer seem too good to be true? It most likely is!
- Did someone convince you to send money for an "emergency" which you have not properly verified - such as an illness, injury, arrest, or they're "stuck" in another country?
- Are you sending money to pay for the "fees", "taxes", etc. on an amount you have just "won"; or for a sweepstakes/lottery which you possibly did not even enter?
- Has someone sent you a check or money order for more than what you agreed upon and asked you to either keep or send back the difference?
- Are you being paid, "employed", or using your personal account to cash checks/money orders, or send payments for other people?
