3. SPECIAL TAX RATES

A. Maximum Special Tax Obligation

The Maximum Special Tax Obligation applicable to an Assessor's Parcel subject to a DIF Deferral Agreement in the Initial Fiscal Year applicable to such Assessor’s Parcel shall be determined pursuant to Table 1 below.

Table 1
Initial Fiscal Year Maximum Special Tax Obligation

| Assessor's Parcel No. | Maximum Special Tax Obligation |
|------------------------------|---------------------------------------|
| 618-010-17 | 1,600,000 |

Commencing on July 1 of the Fiscal Year following the Initial Interest Accrual Date, the Maximum Special Tax Obligation for such Assessor's Parcel shall increase on July 1 of each Fiscal Year by an amount equal to two percent (2%) of the Maximum Special Tax Obligation in effect for the prior Fiscal Year.

B. Assigned Special Tax Obligation

On July 1 of each Fiscal Year commencing the Special Tax Commencement FY, the CFD Administrator shall determine the Assigned Special Tax Obligation for that Fiscal Year.

The Assigned Special Tax Obligation in any given Fiscal Year commencing the Special Tax Commencement FY shall be the sum of the Deferred DIF Obligation plus the Accrued Interest Obligation. If for any Fiscal Year the Assigned Special Tax Obligation is determined to be greater than the Maximum Special Tax Obligation, then the Assigned Special Tax Obligation shall be equal to the Maximum Special Tax Obligation.

C. Deferred DIF Obligation

The Deferred DIF Obligation applicable to an Assessor's Parcel classified as Undeveloped Property shall be zero.

The initial Deferred DIF Obligation applicable to an Assessor's Parcel classified as Developed Property shall be determined by the CFD Administrator at the time of issuance of a Building Permit for such Assessor's Parcel. The Deferred DIF Obligation shall be equal to the sum of the applicable DIFs specified in the DIF Deferral Agreement for each Building Permit issued for Assessor's Parcels within CFD No. 17-I. The amount of each DIF included in the DIF Fee Obligation for an Assessor's Parcel shall be based on the fee schedule applicable to such DIF in effect at the time of issuance of such Building Permit.

The Deferred DIF Obligation in any Fiscal Year applicable to an Assessor's Parcel of Developed Property shall be equal to the Deferred DIF Obligation in the prior Fiscal Year less any Annual Special Tax for Facilities payments made in the prior Fiscal Year.

If a partial prepayment is made pursuant to Section 6.B below, the Deferred DIF Obligation will also be reduced by the applicable amount of the Deferred DIF Obligation that was prepaid.

D. Accrued Interest Obligation

The Accrued Interest Obligation in the Initial Fiscal Year applicable to an Assessor's Parcel classified as Developed Property for which a Certificate of Occupancy has not been issued prior to July 1 of such Fiscal Year shall be zero.

The Accrued Interest Obligation applicable to any Assessor's Parcel classified as Developed Property shall commence to accrue on the Initial Interest Accrual Date. The Accrued Interest Obligation applicable to such Assessor's Parcel in the Initial Accrued Interest Obligation FY shall be equal to two percent (2%) of the Deferred DIF Obligation as of July 1 of such Fiscal Year multiplied by a fraction the numerator of which is the number of calendar days from and including the Initial Interest Accrual Date to and including June 30th of such Fiscal Year and the denominator of which is 365. The Accrued Interest Obligation for each subsequent Fiscal Year prior to the Special Tax Commencement FY shall be equal to the Accrued Interest Obligation in the prior Fiscal Year plus two percent (2%) of the Deferred DIF Obligation as of July 1 of the prior Fiscal Year.

The Accrued Interest Obligation in the Special Tax Commencement FY and each subsequent Fiscal Year applicable to an Assessor's Parcel classified as Developed Property shall be equal to the Accrued Interest Obligation as of July 1 of the prior Fiscal Year less any Annual Special Tax for Accrued Interest payments made in the prior Fiscal Year.

If a partial prepayment is made pursuant to Section 6.B below, the Deferred DIF Obligation will also be reduced by the applicable amount of the Accrued Interest Obligation that was prepaid.

E. Annual Special Tax

The Annual Special Tax for Developed Property in any Fiscal Year commencing the Special Tax Commencement FY shall be equal to (i) the Annual Special Tax for Facilities plus (ii) the Annual Special Tax for Accrued Interest plus (iii) the Annual Special Tax for Current Interest.

The Annual Special Tax for Facilities in any Fiscal Year commencing the Special Tax Commencement FY shall be equal to the Deferred DIF Obligation on July 1 of the Special Tax Commencement FY times the Repayment Rate in Table 2 below that corresponds with such Fiscal Year. In each subsequent Fiscal Year, the Annual Special Tax for Facilities will remain unchanged until the Deferred DIF Obligation is paid in full.

The Annual Special Tax for Accrued Interest in any Fiscal Year commencing the Special Tax Commencement FY shall be equal to the Accrued Interest Obligation on July 1 of the Special Tax Commencement FY times the Repayment Rate in Table 2 below that corresponds with such Fiscal Year. In each subsequent Fiscal Year, the Annual Special Tax for Accrued Interest will remain unchanged until the Accrued Interest Obligation is paid in full.

The Annual Special Tax for Current Interest in any Fiscal Year commencing the Special Tax Commencement FY shall be equal to the Deferred DIF Obligation on July 1 of such Fiscal Year times the Current Interest Rate in Table 2 below that corresponds with such Fiscal Year.

**Table 2
Amortization Table**

| Fiscal Year | Repayment Rate | Current Interest Rate |
|--|----------------|-----------------------|
| Initial Accrued Interest Obligation FY through the Fiscal Year preceding the Special Tax Commencement FY | 0% | 0% |
| Special Tax Commencement FY through the Special Tax Final FY | 5% | 2% |

4. METHOD OF APPORTIONMENT

Commencing with the Special Tax Commencement FY and for each following Fiscal Year, the CFD Administrator shall apportion the Assigned Special Tax Obligation as set forth below.

First: All Original Parcels that are reflected on the Assessor’s Parcel Maps applicable to the current Fiscal Year will be assigned a Maximum Special Tax Obligation and Assigned Special Tax Obligation in accordance with Section 3 above.

Second: All Original Parcels that are not reflected on the Assessor’s Parcel Maps applicable to the current Fiscal Year will be assigned a Maximum Special Tax Obligation and Assigned Special Tax Obligation in accordance with Section 3 above as if such parcels still existed in their previous form.

Third: The Maximum Special Tax Obligation and Assigned Special Tax Obligation that were calculated in the Second step above will be assigned to each applicable Successor Parcel based on the amount of Taxable Acreage contained in such Successor Parcel divided by the amount of Taxable Acreage contained in the relevant Original Parcel. The sum of the Maximum Special Tax Obligations of each group of Successor Parcels shall be equal to Maximum Special Tax Obligation of the applicable Original Parcel that was determined in the Second step. Likewise, the sum of the Assigned Special Tax Obligations of each group of Successor Parcels shall be equal to Assigned Special Tax Obligation of the applicable Original Parcel that was determined in the Second step.

Fourth: The Special Tax shall be levied on each Assessor’s Parcel of Developed Property at 100% of the applicable Annual Special Tax.

Successor Parcels that are assigned a Maximum Special Tax Obligation and an Assigned Special Tax Obligation in the current Fiscal Year will be considered Original Parcels in the following Fiscal Year.

Notwithstanding the above, under no circumstances will the Special Tax levied in any Fiscal Year against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased as a result of a delinquency or default in the payment of the Special Tax applicable to any other Assessor's Parcel within CFD No. 17-1 by more than ten percent (10%) above what would have been levied in the absence of such delinquencies or defaults.

5. COLLECTION OF SPECIAL TAXES

Collection of the Annual Special Tax shall be made by the County in the same manner as ordinary ad valorem property taxes are collected and the Annual Special Tax shall be subject to the same penalties and the same lien priority in the case of delinquency as ad valorem taxes; provided, however, that the Council may provide for (i) other means of collecting the Special Tax, including direct billings thereof to the property owners; and (ii) judicial foreclosure of delinquent Annual Special Taxes.

6. PREPAYMENT OF SPECIAL TAX OBLIGATION

A. Prepayment in Full

Property owners may prepay and permanently satisfy the Special Tax Obligation by a cash settlement with the City as permitted under Government Code Section 53344.

The Special Tax Obligation applicable to an Assessor's Parcel of Developed Property, or Undeveloped Property for which a Building Permit has been issued may be prepaid and the obligation to pay the Special Tax for such Assessor's Parcel permanently satisfied as described herein, provided that a prepayment may be made with respect to a particular Assessor's Parcel only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel eligible to prepay the Special Tax Obligation shall provide the CFD Administrator with written notice of intent to prepay, and designate or identify the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the Prepayment Amount for such Assessor's Parcel within thirty (30) days of the request, and may charge a reasonable fee for providing this service. The Prepayment Amount (defined below) shall be calculated for each applicable Assessor's Parcel or group of Assessor's Parcels as summarized below (capitalized terms as defined below):

Deferred DIF Obligation
 plus Accrued Interest Obligation
 plus Prepayment Administrative Fees and Expenses
 Total: equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount (defined in Step 14 below) shall be calculated as follows:

Step No.:

1. Confirm that no Special Tax delinquencies apply to such Assessor's Parcel.

2. For Assessor's Parcels of Developed Property, determine the Deferred DIF Obligation and the Accrued Interest Obligation. For Assessor's Parcels of Undeveloped Property for which a Building Permit has been issued, compute the Deferred DIF Obligation for that Assessor's Parcel as though it was already designated as Developed Property, based upon the Building Permit which has already been issued for that Assessor's Parcel.
3. Calculate the administrative fees and expenses of CFD No. 17-I, including the costs of computation of the prepayment, the costs to invest the prepayment proceeds, the costs of redeeming CFD No. 17-I, and the costs of recording any notices to evidence the prepayment and the redemption (the "Prepayment Administrative Fees").
4. The amount to prepay the Special Tax Obligation is equal to the sum of the amounts computed pursuant to paragraphs 1, 2 and 3 (the "Prepayment Amount").
5. The Prepayment Amount shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 3 shall be retained by CFD No. 17-I.

The CFD Administrator will confirm that all previously levied Special Taxes have been paid in full. With respect to any Assessor's Parcel for which the Special Tax Obligation is prepaid in full, once the CFD Administrator has confirmed that all previously levied Special Taxes have been paid, the Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of the owner of such Assessor's Parcel to pay the Special Tax shall cease.

B. Partial Prepayment

The Special Tax on an Assessor's Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be partially prepaid. The amount of the prepayment shall be calculated as in Section 6.A, except that a partial prepayment shall be calculated according to the following formula:

$$PP = (PE - A) \times F + A$$

These terms have the following meaning:

PP = the partial prepayment

PE = the Prepayment Amount calculated according to Section 6.A

F = the percentage by which the owner of the Assessor's Parcel(s) is partially prepaying the Special Tax Obligation

A = the Prepayment Administrative Fees and Expenses from Section 6.A

The owner of any Assessor's Parcel who desires such partial prepayment shall notify the CFD Administrator of (i) such owner's intent to partially prepay the Special Tax Obligation, (ii) the percentage by which the Special Tax Obligation shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. The CFD Administrator shall provide the owner with a statement of the amount required for the

partial prepayment of the Special Tax Obligation for an Assessor's Parcel within sixty (60) days of the request and may charge a reasonable fee for providing this service.

With respect to any Assessor's Parcel that is partially prepaid, the City shall (i) distribute the funds remitted to it according to Section 6.A., and (ii) indicate in the records of CFD No. 17-I that there has been a partial prepayment of the Special Tax Obligation and that the remaining Special Tax Obligation of such Assessor's Parcel, equal to the outstanding percentage (1.00 - F) of the Deferred DIF Obligation and the Accrued Interest Obligation, shall continue to be levied on such Assessor's Parcel in the same manner as before the Partial Prepayment.

7. TERM OF SPECIAL TAX

The Special Tax shall be levied as long as necessary to satisfy the Assigned Special Tax Obligation for a period not to exceed thirty (30) Fiscal Years commencing with Special Tax Commencement FY, provided however that the Special Tax will cease to be levied in an earlier Fiscal Year if the CFD Administrator has determined that all CFD No. 17-I obligations have been satisfied.

8. EXEMPTIONS

The CFD Administrator shall classify as Exempt Property (i) Assessor's Parcels of Public Property, (ii) Assessor's Parcels of Property Owner Association Property, or (iii) Assessor's Parcels which are used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization, (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, and (v) Assessor's Parcels of Developed Property classified as Non-Residential Property as determined reasonably by the CFD Administrator.

If the use of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in the first paragraph of Section 8 above that would make such Assessor's Parcel eligible to be classified as Exempt Property, such Assessor's Parcel shall cease to be classified as Exempt Property and shall be deemed to be Taxable Property.

9. APPEALS

Any landowner who pays the Special Tax and claims the amount of the Special Tax levied on his or her Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error not later than thirty-six (36) months after first having paid the first installment of the Special Tax that is disputed. If following such consultation the CFD Administrator determines that an error has occurred, then the CFD Administrator shall take any of the following actions, in order of priority, in order to correct the error:

(i) Amend the Special Tax levy on the landowner's Assessor's Parcel(s) for the current Fiscal Year prior to the payment date,

(ii) Require the CFD to reimburse the landowner for the amount of the overpayment to the extent of available CFD funds, or

(iii) Grant a credit against, eliminate or reduce the future Special Taxes on the landowner's Assessor's Parcel(s) in the amount of the overpayment.

If following such consultation and action by the CFD Administrator the landowner believes such error still exists, such person may file a written notice of appeal with the City Council. Upon the receipt of such notice, the City Council or designee may establish such procedures as deemed necessary to undertake the review of any such appeal. If the City Council or designee determines an error still exists, the CFD Administrator shall take any of the actions described as (i), (ii) and (iii) above, in order of priority, in order to correct the error.

The City Council or designee thereof shall interpret this Rate and Method of Apportionment of Special Tax for purposes of clarifying any ambiguities and make determinations relative to the administration of the Special Tax and any landowner appeals. The decision of the City Council or designee shall be final.
