

WARNING *for* Domestic Violence Offenders

I need to read this warning to you, word-for-word, because we have a new approach to domestic violence offenders in Chula Vista.

- 1.** We will not tolerate domestic violence. It's a crime against the family and community.
- 2.** The Chula Vista Police Department, District Attorney's Office, and Probation Department are working together to prevent domestic violence.
- 3.** Unless you stop abusing your partner, you'll receive a great deal of attention from the Chula Vista Police Department.
- 4.** You're now subject to future unannounced police visits.
- 5.** Any future incident involving you will be a priority for us. We'll track you down if you flee the scene of a crime.
- 6.** We'll see what else you can be prosecuted for, including old cases that were dismissed.
- 7.** This new approach is being driven by us, the POLICE—not the victim.
- 8.** You have been admonished and warned.
