

Climate Change Working Group

Online Meeting

10/14/20

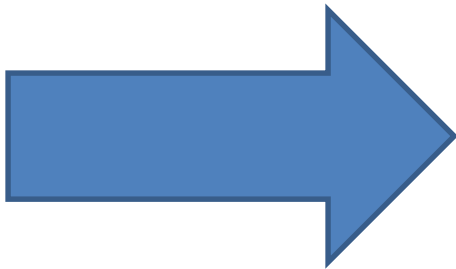

**Department of Economic
Development**

**Office of Sustainability
Conservation Section**

Background

2018

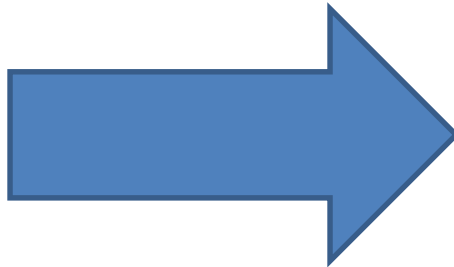

Held meeting with update on 2017 CAP implementation

2019

Held four meetings and a public forum with presentations on:

- Zero Waste Plan
- Transportation
- Community Choice Aggregation
- Future actions

2020

Held two meetings with presentation on 2016 Greenhouse Gas Inventory and discussion on potential recommendations

- Final discussion and voting carried to October

Agenda

- Call to Order
- Roll Call
- Consent Calendar
- Public Comments
- Action Items

Consent Calendar

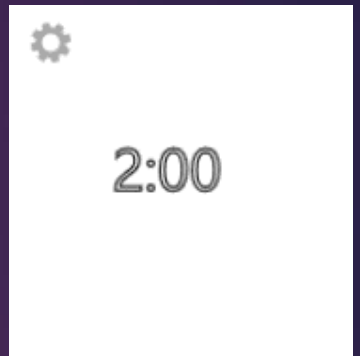

MOTION TO EXCUSE - Angie Guerrero, Nick Lee and Eddie Price.

APPROVAL OF MINUTES of the meeting on September 16th, 2020

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Public Comments

Public Comments is the section on the agenda for members of the public to address the board on items that are not listed on the agenda.

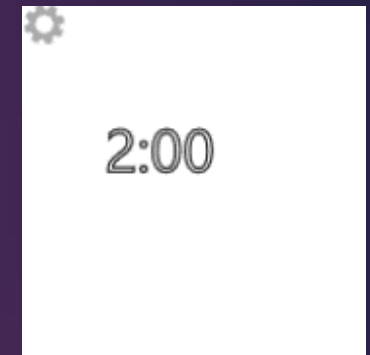

I will now call for a two-minute pause to allow the public to submit any final public comments.

members: As a reminder, please refresh the view on your screen to ensure new comments appear.

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Then select the E-COMMENT link

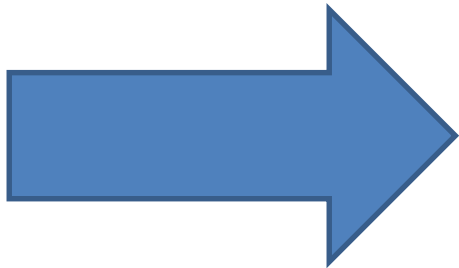

If you have difficulty using eComment,
please email your comment to:

mmedrano@chulavistaca.gov

Next Steps

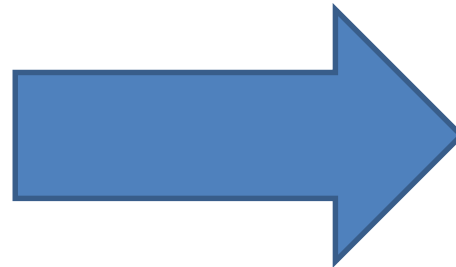

Q1 2021

Present recommendations to
Sustainability Commission

Q2 2021

Present recommendations
to City Council

Q3 & 4 2021

Return to Sustainability
Commission with implementation
efforts when appropriate

Draft Recommendations

1	Ban most single use plastics and items in lieu of compostable or recyclable products through Zero Waste Plan
2	Support building decarbonization in new construction through education and outreach while evaluating potential building codes that reduce fossil fuel usage
3	Review commercial solar permitting process and streamline where possible
4	Support vehicle decarbonization through education and outreach while evaluating potential building codes that reduce fossil fuel usage.
5	Increase protected bike lanes, or highest level of protection possible, in locations where traffic collisions have occurred while supporting other active transportation infrastructure
6	Create a Climate Equity Index and Communities of Concern Map
7	Adopt GHG reduction goal of an 80% reduction by 2050

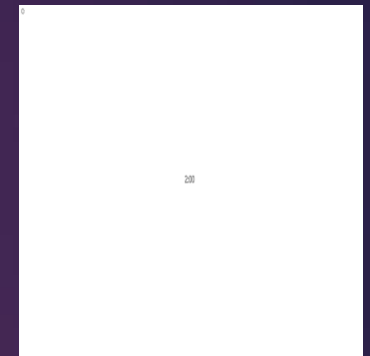

Draft Recommendation #1

Ban most single use plastics and items in lieu of compostable or recyclable products through Zero Waste Plan

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Then select the E-COMMENT link

If you have difficulty using eComment,
please email your comment to:

mmedrano@chulavistaca.gov

Draft Recommendation #2

Support building decarbonization in new construction through education and outreach while evaluating potential building codes that reduce fossil fuel usage

Draft Recommendation #2

Support building decarbonization in new construction through education and outreach while evaluating potential building codes that reduce fossil fuel usage

Support building decarbonization in new construction through education and outreach while evaluating ~~potential~~ building codes and incentive **options that reduce fossil fuel usage that set the City on a path to eliminate GHG emissions associated with building energy use.**

Draft Recommendation #2

Support building decarbonization in new construction through education and outreach while evaluating potential building codes that reduce fossil fuel usage

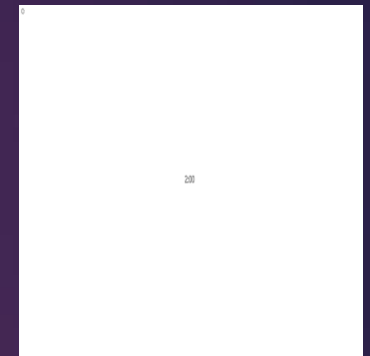

SDG&E Considerations:

- More community outreach
- Look at all energy pathways (hydrogen, renewable natural gas)
- Labor implications

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Then select the E-COMMENT link

If you have difficulty using eComment,
please email your comment to:

mmedrano@chulavistaca.gov

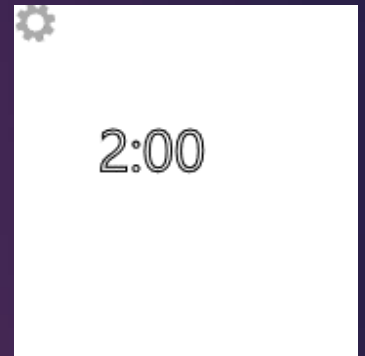

Draft Recommendation #3

Review ~~commercial~~-solar permitting process and streamline where possible

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Then select the E-COMMENT link

If you have difficulty using eComment,
please email your comment to:

mmedrano@chulavistaca.gov

Draft Recommendation #4

Support vehicle decarbonization through education and outreach while evaluating potential ~~building~~ codes that reduce fossil fuel usage.

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Then select the E-COMMENT link

If you have difficulty using eComment,
please email your comment to:

mmedrano@chulavistaca.gov

Draft Recommendation #5

Increase protected bike lanes, or highest level of protection possible, in locations where active transportation collisions have occurred while supporting other active transportation infrastructure

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Then select the E-COMMENT link

If you have difficulty using eComment,
please email your comment to:

mmedrano@chulavistaca.gov

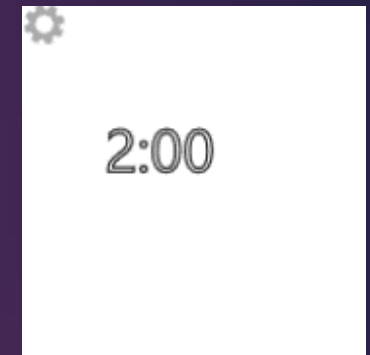

Draft Recommendation #6

Create a Climate Equity Index and Communities of Concern Map

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Then select the E-COMMENT link

If you have difficulty using eComment,
please email your comment to:

mmedrano@chulavistaca.gov

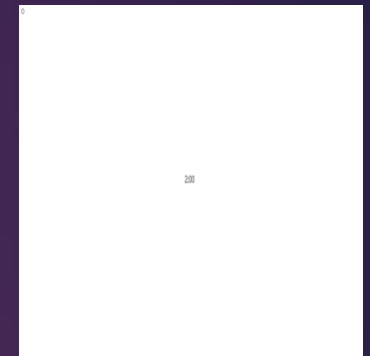

Draft Recommendation #7

Adopt GHG reduction goal of an ~~80% reduction~~ carbon neutrality
by ~~2050~~ 2045

E-COMMENT is available at:

www.chulavistaca.gov/virtualmeetings

Then select the E-COMMENT link

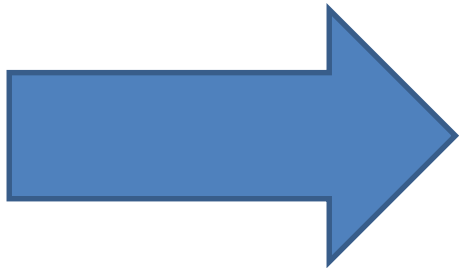

If you have difficulty using eComment,
please email your comment to:

mmedrano@chulavistaca.gov

Next Steps

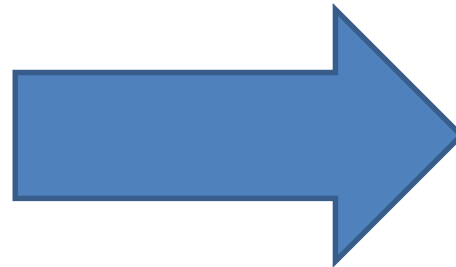

Q1 2021

Present recommendations to
Sustainability Commission

Q2 2021

Present recommendations
to City Council

Q3 & 4 2021
