If the employee and superior cannot reach an agreement as to a solution of the grievance or the employee has not received a written decision within the seven (7) business days' limit, the employee may within seven (7) business days present his/her grievance in writing to his/her department head. The department head shall hear the grievance and give his/her written decision to the employee within seven (7) business days after receiving the grievance.

Step 4 Grievance to Director and Manager.

If the grievance is not settled at the department head level, it may be submitted by the Association Representative within twenty (20) business days to the Human Resources Director, who shall investigate and report his/her findings and recommendations to the City Manager within ten (10) business days. The City Manager shall provide his/her answer within ten (10) additional business days. The times indicated may be extended by mutual agreement. Any Employee grievance will be filed with the Association Representative at Step 4.

Following the submission of the City Manager's answer, and before going to Section 6, Advisory Arbitration, matters which are unresolved shall be discussed at a meeting between the parties during which all pertinent facts and information will be reviewed in an effort to resolve the matter through conciliation.

Section 6. ADVISORY ARBITRATION.

Any dispute or grievance which has not been resolved by the Grievance Procedure may be submitted to advisory arbitration by the Association Representative or the City without the consent of the other party providing it is submitted within ten (10) business days, following its termination in the Grievance Procedure. The following Advisory Arbitration procedures shall be followed:

- (1) The requesting party will notify the other party in writing of the matter to be arbitrated and the

contract provision(s) allegedly violated. Within five (5) business days of the receipt of this notice, the parties may agree upon an arbitrator, or a panel of three arbitrators trained in conducting grievance hearings.

If agreement on an arbitrator cannot be reached the State Mediation and Conciliation Service shall be requested by either or both parties to provide a list of five arbitrators. Both the City and the Association shall have the right to strike two names from the list. The party requesting the arbitration shall strike the first name; the other party shall then strike one name. The process will be repeated and the remaining person shall be the arbitrator.

- (2) The arbitrator shall hear the case within twenty (20) business days after the arbitrator has been selected. The arbitrator may make a written report of their findings to the Association and the City within fifteen (15) business days after the hearing is concluded. The arbitrator shall make rules of procedure. The decision of the arbitrator shall be advisory to the City Manager who shall render a final decision within ten (10) business days.

The arbitrator shall have no authority to amend, alter or modify this MOU or its terms and shall limit recommendations solely to the interpretation and application of this MOU. The above time limits of this provision may be extended by mutual agreement.

- (3) Each grievance or dispute will be submitted to a separately convened arbitration proceeding except when the City and the Association mutually agree to have more than one grievance or dispute submitted to the same arbitrator.
- (4) The City and the Association shall share the expense of arbitrators and witnesses and shall share equally any other expenses, including those of a stenographer, if required by either party. If either party elects not to follow the advisory decision rendered by the arbitrator, that party shall pay the entire cost of the arbitration process, including the expense of the arbitrator, witnesses and/or stenographer.
