

# Plant Lists for Stream Rehabilitation NSMPs

## Recommended Container Plants

Species	Common Name	Container Size
 <p>© 2017 Caitlin Kreutz</p>	<p><i>Anemopsis californica</i></p>	<p>yerba mansa</p>
 <p>© 2017 John Doyen</p>	<p><i>Baccharis salicifolia</i></p>	<p>mule fat</p>
 <p>© 2009 Calscape</p>	<p><i>Carex spissa</i></p>	<p>San Diego sedge</p>
 <p>© 2003 Steve Matson</p>	<p><i>Eleocharis macrostachya</i></p>	<p>pale spike rush</p>

Species		Common Name	Container Size
 <p>© 2010 Calscape</p>	<p><i>Iva hayesiana</i></p>	<p>San Diego marsh elder</p>	<p>1-gallon</p>
 <p>© 2006 Steve Matson</p>	<p><i>Juncus acutus</i> ssp. <i>leopoldii</i></p>	<p>southwestern spiny rush</p>	<p>1-gallon</p>
 <p>2003 Brent Miller</p>	<p><i>Juncus mexicanus</i></p>	<p>Mexican wire rush</p>	<p>1-gallon</p>
 <p>www.watershednursery.com</p>	<p><i>Leymus triticoides</i></p>	<p>beardless wild ryegrass</p>	<p>1-gallon</p>

Species		Common Name	Container Size
 <p>©2016 Kier Morse</p>	<p><i>Platanus racemosa</i></p>	<p>western sycamore</p>	<p>5-gallon</p>
 <p>© 2010 Calscape</p>	<p><i>Populus fremontii</i></p>	<p>Fremont cottonwood</p>	<p>1-gallon</p>
 <p>© 2013 California Academy of Sciences</p>	<p><i>Rosa californica</i></p>	<p>California wild rose</p>	<p>1-gallon</p>
 <p>© 2013 Jean Pawek</p>	<p><i>Rubus ursinus</i></p>	<p>California blackberry</p>	<p>1-gallon</p>
 <p>© 2008 Stan Shebs</p>	<p><i>Salix exigua</i></p>	<p>sandbar willow</p>	<p>1-gal/cutting</p>

Species		Common Name	Container Size
 <p>© 2008 Stan Shebs</p>	<p><i>Salix gooddingii</i></p>	<p>black willow</p>	<p>1-gal/cutting</p>
 <p>© 2010 Calscape</p>	<p><i>Salix laevigata</i></p>	<p>red willow</p>	<p>1-gal/cutting</p>
 <p>© 2007 Keir Morse</p>	<p><i>Salix lasiolepis</i></p>	<p>arroyo willow</p>	<p>1-gal/cutting</p>

### Recommended Riparian Seed Mix

Species	Common Name	Pounds per Acre
 <p>© G.-U. Tolkeihn</p>	<p><i>Ambrosia psilostachya</i></p>	<p>western ragweed 2</p>
 <p>© Neal Kramer</p>	<p><i>Artemisia douglasiana</i></p>	<p>Mugwort 3</p>
 <p>Calscape.org</p>	<p><i>Artemisia palmeri</i></p>	<p>San Diego sagewort 2</p>
 <p>© 2009 Calscape</p>	<p><i>Carex spissa</i></p>	<p>San Diego sedge 1</p>
 <p>© 2006 National Park Service</p>	<p><i>Juncus xiphioides</i></p>	<p>iris leaf juncus 1</p>

 <p><small>© 2004 Keir Morse</small></p>	<p><i>Heliotropium curassavicum</i></p>	<p>salt heliotrope</p>	<p>1</p>
 <p><small>© Luigi Rignanse</small></p>	<p><i>Juncus acutus</i></p>	<p>spiney rush</p>	<p>0.5</p>
 <p><small>© 2010 Calscape</small></p>	<p><i>Iva hayesiana</i></p>	<p>San Diego marsh elder</p>	<p>1</p>
 <p><small>Calscape.com</small></p>	<p><i>Leymus condensatus</i></p>	<p>giant wildrye</p>	<p>2</p>
 <p><small>www.watershednursery.com</small></p>	<p><i>Leymus triticoides</i></p>	<p>creeping wild rye</p>	<p>2</p>

 <p>© 2015 Zoya Akulova</p>	<p><i>Muhlenbergia rigens</i></p>	<p>Deergrass</p>	<p>2</p>
 <p>© Karr Morse, keinstill.com</p>	<p><i>Pluchea odorata</i></p>	<p>marsh fleabane</p>	<p>0.5</p>
 <p>Gordon Leppig &amp; Andrea J. Pickart</p>	<p><i>Schoenoplectus acutus</i></p>	<p>hardstem bulrush</p>	<p>0.5</p>
 <p>© 2005 Bogdan</p>	<p><i>Typha spp.</i></p>	<p>cattails</p>	<p>0.5</p>
 <p>© 2003 Steve Matson</p>	<p><i>Eleocharis microstachys</i></p>	<p>pale spike sedge</p>	<p>1</p>
		<p><b>TOTAL</b></p>	<p><b>20</b></p>

### Riparian Weeds (DO NOT PLANT)

Species	Common Name	Status	
 <p>© 2000 Joe DiTamaso</p>	<p><i>Tamarix ramosissima</i></p>	<p>Tamarisk</p>	<p>Invasive non-native</p>
 <p>© 2003 Donald Burk</p>	<p><i>Cortaderia sp.</i></p>	<p>pampas grass</p>	<p>Invasive non-native</p>
 <p>© 2013 Miriam Sachs Martin</p>	<p><i>Arundo sp.</i></p>	<p>arundo</p>	<p>Invasive non-native</p>
 <p>© Henry DiRocco</p>	<p><i>Ricinus communis</i></p>	<p>Castor bean</p>	<p>Invasive non-native</p>

 <p>© 2020 Edith Allen</p>	<p><i>Polypogon monspeliensis</i></p>	<p>Annual beard-grass</p>	<p>Invasive non-native</p>
 <p>© Keir Morse</p>	<p><i>Cotula coronopifolia</i></p>	<p>Brass buttons</p>	<p>Invasive non-native</p>
 <p>© 2020 Joel A. Germond, Psy. D.</p>	<p><i>Lepidium latifolium</i></p>	<p>Pepperweed</p>	<p>Invasive non-native</p>
 <p>© 2022 David Strauch</p>	<p><i>Mesembryanthemum crystallinum</i></p>	<p>Crystalline ice plant</p>	<p>Invasive non-native</p>

 <p>© Jean B. Henny</p>	<p><i>Nicotiana glauca</i></p>	<p>Tree tobacco</p>	<p>Invasive non-native</p>
 <p>Walterreeves.com</p>	<p><i>Poa annua</i></p>	<p>Annual blue-grass</p>	<p>Non-native</p>
 <p>© 2019 Patrick Furtado</p>	<p><i>Rumex sp.</i></p>	<p>Rumex</p>	<p>Non-native</p>
 <p>© Ron Vanderhoff</p>	<p><i>Sonchus asper</i></p>	<p>Spiny sowthistle</p>	<p>Non-native</p>
