Subject: **Chula Vista Police and ABC Cites Clerk for Selling Alcohol to Minors**

---

Message: FOR IMMEDIATE RELEASE

Chula Vista Police Department along with agents of the California Department of Alcoholic Beverage Control (ABC) have cited a clerk for selling alcohol to minors on May 23, 2024. The actions were the result of multiple [Minor Decoy](#) operations, between October 2023 to May 2024, in which minors under the direct supervision of department agents, attempted to purchase alcohol from 25 retail licensees in Chula Vista.

Clerks who sold to a minor face a minimum fine of \$250, and 24 to 32 hours of community service for a first violation. In addition, ABC may take administrative action against the alcoholic beverage license of the business where alcohol was sold to a minor. That may include a fine, suspension, or the permanent revocation of the license.

“Selling alcohol to minors isn’t just breaking the law. It’s a concern for our community,” said Chief of Police Roxana Kennedy. “Operations like these send a message that selling alcohol to anyone underage will not be tolerated.”

“Businesses should always check IDs before selling alcohol,” said ABC Director Eric Hirata. “Preventing access to people not old enough to legally purchase alcohol improves safety on our roadways and in our communities.”

Statistics have shown that young people under the age of 21 have a much higher risk of being involved in a crash than older drivers. [About 25 percent of fatal crashes involve underage drinking](#) according to the National Highway Traffic Safety Administration (NHTSA).

Minor Decoy operations have been conducted by local law enforcement throughout the state since the 1980s. When the program first began, the violation rate of retail establishments selling to minors was as high as 40 to 50 percent. When conducted on a routine basis, the rate has dropped to below 10 percent in some cities. In 1994, the California Supreme Court ruled unanimously that use of minor decoys is a valid legal tool of law enforcement to make sure that licensees are complying with the law.

Funding for this program was provided by a grant from ABC through the department's [Alcohol Policing Partnership \(APP\)](#) program.

###

### **About the Department of Alcoholic Beverage Control**

The Department of Alcoholic Beverage Control (ABC) is an agency of the government of the state of California charged with the regulation of alcoholic beverages. ABC's mission is to provide the highest level of service and public safety to the people of California through licensing, education, and enforcement. ABC is a department of the Business, Consumer Services, and Housing Agency.
