

Argument in Favor of Measure P

Vote YES on P: renew expiring local funding that keeps the City of Chula Vista safe, clean and well-maintained WITHOUT raising taxes.

For the past seven years, the City of Chula Vista has relied on local funding from Measure P, a voter-approved, half cent sales tax to fund high priority infrastructure. The City has reinvested **EVERY** dime of this sales tax, fixing 300 streets, 150 storm drains, upgrading public safety equipment, facilities, parks and community buildings.

Now, that funding is set to expire unless we support Measure P.

Measure P would allow the City to keep up with repairs and maintenance to its 450+ miles of streets, sidewalks, drains, pipes and facilities. Without Measure P there are not funds to make these needed repairs that will become more expensive in the future.

Yes on P: Critical Infrastructure to Protect Our Community

- Fix potholes
- Repair infrastructure including sidewalks, curbs, and storm drains
- Keep existing parks and recreation facilities safe, clean, and well-maintained
- Pave and maintain local streets
- Clean up piles of trash and litter that people dump along streets, sidewalks, and in public areas
- Make improvements to roads and intersections to better manage traffic congestion on city streets
- Clean up homeless encampments

Strict Accountability Keeps Measure P Local

- Required public disclosure of all spending
- Essential purchases such as groceries, prescription medicine, diapers and feminine hygiene products are exempt from sales tax
- All funds must stay local and no funds can be taken away by the State
- This measure sunsets after ten years

By voting YES on P to keep our city safe, clean, and well-maintained, this measure will help protect property values and keep Chula Vista a special place to live.

Join us: vote YES on P to keep Chula Vista safe, clean, and well-maintained
