As the daughter of immigrant parents from Mexico, I saw how hard they worked to give my sisters and me a better life. Their struggles and sacrifices inspired me to advocate for working families, expand healthcare access, and support our small businesses, veterans, and foster economic development in Chula Vista.

I'm running for City Council because I have a deep understanding of the challenges we face and am committed to improving our quality of life and expanding opportunities for all Chula Vistans.

I'll fight for safer neighborhoods, greater transparency and accountability, more parks and recreation spaces, housing that's affordable, support for first time home buyers. I have a plan to address homelessness by getting people off the streets, into housing with mental healthcare and substance abuse services.

I will ensure our first responders have what they need to handle emergencies swiftly and safely, improving 9-1-1 response times, traffic safety, fire protection, and stopping smash-and-grab robberies.

I've called Chula Vista home for nearly 15 years and Chula Vista is a part of who I am. I am proud to have the support of Planned Parenthood Action Fund, healthcare workers, San Diego County Supervisor Nora Vargas, former Chula Vista Mayor Mary Salas, Chula Vista City Councilman Jose Preciado and many others. Let's create a future together! I hope to earn your support! Website: [www.voteleticiamunguia.com](http://www.voteleticiamunguia.com)
