

Insurance Requirements for Suppliers

Vendor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with products and materials supplied to the Entity. The cost of such insurance shall be borne by the Vendor.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as Insurance Services Office Commercial General Liability coverage (occurrence Form CG 00 01) and include products coverage.

Minimum Limits of Insurance

Vendor shall maintain limits no less than \$1,000,000 per occurrence for bodily injury and property damage, and an aggregate limit of \$2,000,000.

If the Vendor maintains higher limits than the minimums shown above, the Entity requires and shall be entitled to coverage for the higher limits maintained by the contractor.

Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by the Entity. At the option of the Entity, either: the Vendor shall obtain coverage to reduce or eliminate such deductibles or self-insured retentions as respects the Entity, its officers, officials, employees, and volunteers; or the Vendor shall provide a financial guarantee satisfactory to the Entity guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

Other Insurance Provisions

1. The policy or policies are to contain, or be endorsed to contain, the following provisions:

The Entity, its officers, officials, employees, and volunteers are to be covered as additional insureds as respects products of the Vendor. The Liability Additional Insured endorsement must not exclude Products / Completed Operations.

2. The Vendor's insurance coverage shall be primary insurance as respects the Entity, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the Entity, its officers, officials, employees or volunteers, shall be excess of the Vendor's insurance and shall not contribute with it.

3. Each insurance policy required by this clause shall state that coverage shall not be canceled, except after thirty (30) days prior written notice has been provided to the Entity.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the Entity.

Verification of Coverage

Vendor shall furnish the Entity with original certificates and amendatory endorsements or copies of the applicable policy language providing the insurance coverage required above. All certificates and endorsements are to be received and approved by the Entity before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Vendor's obligation to provide them. The Entity reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Waiver of Subrogation

Vendor hereby grants to Entity a waiver of any right to subrogation which any insurer of said Vendor may acquire against the Entity by virtue of the payment of any loss under such insurance. Vendor agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the Entity has received a waiver of subrogation endorsement from the insurer

Special Risks or Circumstances

Entity reserves the right to modify these requirements at any time, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
