WHEREAS, a map of such District has been submitted showing the boundaries of the territory proposed to be included in the District which territory includes the properties and parcels of land proposed to be subject to the levy of a special tax by the District.

NOW, THEREFORE, IT IS HEREBY RESOLVED:

SECTION 1. Recitals. The above recitals are all true and correct.

SECTION 2. Initiation of Proceedings. These proceedings are initiated by this City Council pursuant to the provisions of the Community Facilities District Law.

SECTION 3. Boundaries of District. It is the intention of this City Council to establish the Community Facilities District pursuant to the provisions of the Community Facilities District Law, and to determine the boundaries and parcels on which special taxes may be levied to finance certain services. A description of the boundaries of the territory proposed for inclusion in the District and each Improvement Area therein including properties and parcels of land proposed to be subject to the levy of a special tax by the District is as follows:

SECTION 6. Special Tax. It is hereby further proposed that, except where funds are otherwise available, a special tax sufficient to pay for such services and related incidental expenses authorized by the Community Facilities District Law, secured by recordation of a continuing lien against all non-exempt real property in the District, will be levied annually within the boundaries of the District. Under no circumstances will the special tax authorized to be levied within the District be increased as a consequence of delinquency or default by the owner of any other parcel or parcels used for private residential purposes and located within the District by more than 10 percent. All written protests shall be filed with the City Clerk of the City Council on or before the time fixed for the public hearing. Written protests may be withdrawn in writing at any time before the conclusion of the public hearing.

If a written majority protest against the establishment of the District is filed, the proceedings shall be abandoned. If such majority protest is limited to certain services or portions of the special tax, those services or that tax shall be eliminated by the City Council.

SECTION 8. Election. If, following the public hearing described in the Section above, the City Council determines to establish the District and proposes to levy a special tax within the District, the City Council shall then submit the levy of the special taxes to the qualified electors of the District. If at least twelve (12) persons, who need not necessarily be the same twelve (12) persons, have been registered to vote within the District for each of the ninety (90) days preceding the close of the public hearing, the vote shall be by registered voters of the District, with each voter having one (1) vote. Commencing with Fiscal Year 2004-05, and for each following Fiscal Year, the Council shall levy the Special Tax at the rates established pursuant to steps 1 through 4 below so that the amount of the Special Tax levied equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied Proportionately on each Assessor's Parcel of Developed Property up to 100% of the applicable Maximum Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Final Map Property at up to 100% of the Maximum Special Tax for Final Map Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Other Taxable Property at up to 100% of the Maximum Special Tax for Other Taxable Property;

Fourth: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax shall be levied proportionately on each Assessor's Parcel of Taxable Property Owner Association Property at up to 100% of the Maximum Special Tax for Taxable Property Owner Association Property.

Notwithstanding the above, under no circumstances will the Special Tax levied against any Assessor's Parcel of Residential Property for which an occupancy permit for private residential use has been issued be increased by more than ten percent annually up to the Maximum Special Tax as a consequence of delinquency or default by the owner of any other Assessor's Parcel within the CFD.

E. EXEMPTIONS

The CFD Administrator shall classify as exempt property (i) Assessor's Parcels defined as Public Property, (ii) Assessor's Parcels defined as Community Purpose Facility Property that are owned by a non-profit organization which has provided proof to the City prior to the March 1st preceding the Fiscal Year in which the Special Tax is being levied of the organization's non-profit status, and (iii) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement.

The CFD Administrator shall classify as exempt property those Assessor's Parcels defined as Property Owner's Association Property provided that no such classification would reduce the sum of all taxable Property to less than 208.52 Acres. Assessor's Parcels defined as Property Owner Association Property that cannot be classified as exempt property will be classified as Taxable Property Owner Association Property and shall be taxed as part of the fourth step in Section D.

Exhibit B

The CFD Administrator will assign Tax-Exempt status in the chronological order in which property becomes exempt.

F. APPEALS

Any landowner or resident who pays the Special Tax and believes that the amount of the Special Tax levied on their Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error. If following such consultation, the CFD Administrator determines that an error has occurred, the CFD Administrator may amend the amount of the Special Tax levied on such Assessor's Parcel. If following such consultation and action, if any by the CFD Administrator, the landowner or resident believes such error still exists, such person may file a written notice with the City Clerk of the City appealing the amount of the Special Tax levied on such Assessor's Parcel. Upon the receipt of any such notice, the City Clerk shall forward a copy of such notice to the City Manager who shall establish as part of the proceedings and administration of the CFD, a special three-member Review/Appeal Committee. The Review/Appeal Committee may establish such procedures, as it deems necessary to undertake the review of any such appeal. The Review/Appeal Committee shall interpret this Rate and Method of Apportionment and make determinations relative to the annual administration of the Special Tax and any landowner or resident appeals, as herein specified. The decision of the Review/Appeal Committee shall be final and binding as to all persons.

G. MANNER OF COLLECTION

Special Taxes levied pursuant to Section D above shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that the CFD Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD or as otherwise determined appropriate by the CFD Administrator.

H. TERM OF SPECIAL TAX

Taxable Property within the CFD shall remain subject to the Special Tax in perpetuity.
