D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2007-2008, and for each following Fiscal Year, the Council shall levy the CFD Special Tax at the rates established pursuant to steps 1 through 4 below so that the amount of the Special Tax levied equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied proportionately on each Assessor's Parcel of Developed Property up to 100% of the applicable Maximum Special Tax;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Final Map Property at up to 100% of the Maximum Special Tax for Final Map Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Other Taxable Property at up to 100% of the Maximum Special Tax for Other Taxable Property;

Fourth: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax shall be levied proportionately on each Assessor's Parcel of Taxable Property Owner Association Property at up to 100% of the applicable Maximum Special Tax for Taxable Property Owner Association Property.

E. EXEMPTIONS

The CFD Administrator shall classify as Tax-Exempt Property (i) Assessor's Parcels defined as Public Property, (ii) Assessor's Parcels defined as Community Purpose Facility Property that are owned by a non-profit organization which have provided proof to the City prior to the March 1st preceding the Fiscal Year in which the Special Tax is being levied of the organization's non-profit status, and (iii) Assessor's Parcels encumbered with public or utility easements making impractical their utilization for other than the purposes set forth in the easement.

The CFD Administrator shall classify as Tax-Exempt Property those Assessor's Parcels defined as Property Owner's Association Property provided that no such classification would reduce the sum of all Taxable Property to less than 449.20 Acres. Assessor's Parcels defined as Property Owner Association Property that cannot be classified as Tax-Exempt Property will be classified as Taxable Property Owner Association Property and shall be taxed as part of the fourth step in Section D.

The CFD Administrator will assign tax-exempt status in the chronological order in which property becomes Public Property, Community Purpose Facility Property or Tax-Exempt Property Owner Association Property. However, should an Assessor's Parcel no longer be classified as Public Property, Community Purpose Facility Property or Tax-Exempt Property Owner Association Property as a result of a change of ownership, change of use or both, its tax-exempt status will be automatically revoked.

Taxable Property Owner Association Property that is not exempt from the Special Tax under this section shall be subject to the levy of the Special Tax and shall be taxed Proportionately as part of the fourth step in Section D above, at up to 100% of the applicable Maximum Special Tax for Taxable Property Owner Association Property.

F. APPEALS

Any landowner or resident who pays the Special Tax and believes that the amount of the Special Tax levied on their Assessor's Parcel is in error shall first consult with the CFD Administrator regarding such error. If following such consultation, the CFD Administrator determines that an error has occurred, the CFD Administrator may amend the amount of the Special Tax levied on such Assessor's Parcel. If following such consultation and action, if any by the CFD Administrator, the landowner or resident believes such error still exists, such person may file a written notice with the City Clerk of the City appealing the amount of the Special Tax levied on such Assessor's Parcel. Upon the receipt of any such notice, the City Clerk shall forward a copy of such notice to the City Manager who shall establish as part of the proceedings and administration of the CFD, a special three-member Review/Appeal Committee. The Review/Appeal Committee may establish such procedures, as it deems necessary to undertake the review of any such appeal. The Review/Appeal Committee shall interpret this Rate and Method of Apportionment and make determinations relative to the annual administration of the Special Tax and any landowner or resident appeals, as herein specified. The decision of the Review/Appeal Committee shall be final and binding as to all persons.

G. MANNER OF COLLECTION

Special Taxes levied pursuant to Section D above shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that the CFD Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD or as otherwise determined appropriate by the CFD Administrator.
