CHULA VISTA CITY COUNCIL MEETING OF: October 30, 1973

ITEM TITLE: Resolution - Approving Report, Resolution of Intention and Setting Public Hearing for the Formation of Chula Vista Open Space District #3

INITIATED BY: Director of Public Works/City Engineer *WJ*

BACKGROUND

On September 11, 1973, Mr. Robert E. Casey, developer of Rancho Robinhood Subdivision, submitted a petition for the formation of an open space district in accordance with Section 35.211 of the City Code.

A preliminary report was submitted by the Director of Parks & Recreation and Director of Public Works to the City Clerk on September 26, 1973. The Planning Commission, at its meeting of October 10, 1973 considered the establishment of Open Space District #3 in Rancho Robinhood Subdivision. The Planning Commission recommended to the City Council approval of establishing Open Space District #3.

The formation of Open Space District #3 was a condition of approval of the tentative maps for Rancho Robinhood Subdivision. The exterior boundaries of the proposed district are the same as the approved tentative map of Rancho Robinhood.

The areas to be maintained are all of open space lot 115, man-made slopes adjacent to lot 115, slopes along Otay Lakes Road, Allen School Lane, Allen School, and certain other slopes as shown on the attached plat.

It is proposed that the improvements consist of landscaping and an irrigation system and that the maintenance consist of maintaining this landscaping and irrigation system.
