

Robert L. Lambugh.

This veteran is listed in Memorial Park as a World War Two Veteran. Thus far, I have not been able to find any positive information on this veteran. I have searched the San Diego Union- Tribune as well as the Chula Vista Star News. No information on this surname has yet turned up.

I did conduct a census search of the 1930 Census. Two Robert Linebaugh's were found, and coincidentally, both were born in 1924. One was the son of Samuel Linebaugh of Chicago, IL and the other lived in Merced County, CA.

Further research will continue.
