

Edward O'Connor Jr. (1924 – 194.)

At this time, there is little known about Edward O'Connor Jr. There is an Edward E O'Connor and wife (Gladys) in Denver, Colorado in the 1930 Census with a six year old son also named Edward E. O'Connor. This is the only father son combination that fits the parameters for this military Veteran. It is known that he had enlisted in the U.S. Navy and that he was an Aviation Radioman First Class (E6).

He died during WWII and his parents, Mr. and Mrs. Edward O'Connor lived at 230 Fourth Avenue, Chula Vista, CA. He was a 6th grade graduate of Chula Vista grammar school in May of 1933, and there is no record (yet) of his graduation from Sweetwater Union High School. As further information becomes available, it will be posted on this website.
